Dear Reader,

To Me - The Soul, The Spirit And Conscious Of This Script DA 5 BLOODS Is Our Brother MARVIN GAYE'S OPUS - WHAT'S GOING ON. All Of The Songs On This G.O.A.T Album Will Be Interwoven In The Fabric Of This Joint. As Marvin Said "In 1969 Or 1970, I Began To Reevaluate My Whole Concept Of What I Wanted My Music To Say. I Was Very Affected By Letters My Brother (Frankie - Who Did 3 Tours In Vietnam) Was Sending Me From Vietnam, As Well As The Social Situation Here At Home. I Realized That I Had To Put My Own Fantasies Behind Me If I Wanted To Write Songs That Would Reach The Souls Of People. I Wanted Them To Take A Look At What Was Happening In The World". WHAT'S GOING ON Would Most Def Be The Vinyl That Was Spinning In The Homes Of Our BLACK VIETNAM VETS Like PAUL, OTIS, MELVIN, EDDIE And NORMAN, When DA 5 BLOODS Returned From The War To The War At Home. Please Enjoy The Read. Let's Come Together To Make This. Peace And Love. Onward And Upward,
Spike Lee.

EXT. OTIS’ HOUSE - DETROIT, MICHIGAN - DAY

This House sits on a Block alone. This House has seen Better Days, like back in The 60’s.

2

INT. OTIS’ HOUSE - DETROIT, MICHIGAN - DAY

OTIS, now 69, dressed for the outdoors, looks at the Photo slipping it into his shirt pocket. Putting the lid back on a shoebox filled with Old Photos slipping it back under his bed. A Door Knock.

ANGLE BEDROOM

Otis opens it finding his daughter, CLARA, Mid-30’s standing there, a College Professor, concerned about her Father.

OTIS
Mornin’ Professor.
CLARA
You ready?

OTIS
Ready as Imma get.

Clara hands him a Travel Pillow.

CLARA
I brought you this for your neck. Those long plane rides can be rough.

He slips it around his neck.

CLARA (CONT’D)
You got your Hip Medicine?

OTIS
I do.

CLARA
And I want you to take this.

She slips some ROLLED UP CASH in his front shirt pocket.

OTIS
Clara, I don’t need your money.

She finds the Old Photo, pulls it out, looking at it.

CLARA
I’ve never seen this one.

She has to sit down on the Bed for a moment. She raises her Fist.

CLARA (CONT’D)
Wow. You guys were something.

Otis stands with his luggage ready to go.

OTIS
We still are.

CLARA
Daddy, who’s who?

Otis sighs, puts down his luggage, walking with a noticeable LIMP sits next to her, looking at the Photo. Points.

OTIS
That’s Eddie.

INT. EDDIE’S CHEVROLET DEALERSHIP - PHOENIX, ARIZONA - DAY 3

MARVIN GAYE continues to croon as EDDIE, 65, in a casual business suit, Southwest style, is speaking with some BUSINESS TYPES, maybe Lawyers, who seem very serious.

OTIS (V.O.)
He’s the Big Shot Car Dealer.

Eddie makes his way down a row of gleaming Chevy Malibu’s. He finally arrives at a New Red Corvette opening the door.

OTIS (V.O.) (CONT’D)
He’s had a couple Ex-Wives.
Probably still drinks too much.

He reaches under the visor retrieving a pair of shades putting them on.

OTIS (V.O.) (CONT’D)
Proud The Cat is a Big Damn Deal.

He blows them off getting in The Vette and ZOOMING off!

ANGEL - HOUSE (MELVIN’S POV)

Police Tape still surrounds it. Not a fresh Crime Scene, but POLICE INVESTIGATORS mill around still working The Case. A Major Crimes Truck is parked out front.

MELVIN
Killed the whole Family?

CISSY
Husband, Wife. Four Kids.

MARCUS
You remember Lavar, Dad? He came by not that long ago. You said he had a nice fade.

MELVIN
Cissy, they killed that Boy?

Cissy nods, glances at Marcus.

CISSY
I been tryin’ to tell you. What these Fools won’t do for that Drug Money.

Melvin turns staring at the House.

OTIS (V.O.)
Last time I heard from Melvin was Forever. Can you believe this, he actually lied about his age to get into The War?

Cissy turns to Melvin.

CISSY
Let’s go before they start shootin’ agin’.

CUT TO:

EXT. PAUL’S HOUSE - OAKLAND, CALIFORNIA - DAY

PAUL, 60’s, steps out of his modest Ranch Style House in California. He wears a "Vietnam Veteran" Cap.

CLARA (V.O.)

OTIS (V.O.)
You remember me talkin’ about him?
CLARA (V.O.)
How could I forget.

Paul carries his luggage to his Car seeing next door his MEXICAN neighbors speaking Spanish working on an older vehicle in their driveway.

CLARA (V.O.) (CONT’D)
You said he had more guts than any Man you ever met.

Paul turns sullen opening his trunk dropping in his luggage. He is about to slam the trunk when...

PAUL
Then No Muthafucka I ain’t got No damn Oil Filter Wrench. Carry yo’ Ass on down da street to da Goddamn Walmart and BUY one. It’s right next to the Taco Bell. I’m sure you know where that is.

He nods, then exits, grabbing his luggage. Clara watches him limp out to The Airport looking over finding the ROLLED UP MONEY in the seat next to her. Clara sighs.

INT. COACH CABIN – VIETNAM AIRLINES – DAY

On a VIDEO SCREEN built into the back of a seat, a Yellow Flower dissolves into a Vietnamese Girl throwing a fishing net across a tranquil lagoon, bathed in golden light. Over the headset a Vietnamese softly sells...

VIETNAMESE WOMAN NARRATOR (V.O.)
...tranquil, friendly, beautiful. Vietnam, a place of timeless charm. With destinations...

...Otis pulls off his headset, cutting off The Narrator, he yanks off the travel pillow removing his reading glasses. He can’t get comfortable. A Shooting Pain runs down his hip.

OTIS
God-Damn...

He pulls out a prescription bottle of OXYCONTIN shaking out a little White Pill popping it. He reaches across the aisle grabbing Paul’s can of Ginger Ale washes it down.

PAUL
Gonna make it Dude?
Paul is next to Melvin half-reading a Sports Illustrated.

    OTIS
    This seat is killin’ my Black Ass.

Otis leans back hard in the seat trying to gain control. He looks over at Paul.

    OTIS (CONT’D)
    How’s Da Brother?

Paul shakes his head.

    PAUL
    Man, I still can’t believe we goin’ back to Dis Bitch.

    OTIS

Paul looks at his hands.

    PAUL

Otis listens.

    PAUL (CONT’D)

    Y’know, my memories grow old wit’ me.

    OTIS
    What do you mean?

    PAUL
    Da incidents never change, but I do. I age within da memory.

Otis listens. You can see he feels that way too.

    OTIS
    Bro, I hear you.
PAUL
Now here I am, of my own Free Will, goin’ back to dat God forsaken place.

OTIS
Seems like I recall back in 69’ somebody tellin’ me he volunteered to serve his “Country, Tis Of Thee.”

Paul has to grin.

PAUL
See you remember dat Shit.

OTIS
Oh Yeah, We thought Yo’ Crazy Ass wuz Crazy.

PAUL
You got to understand back then, I was Young, Cock Strong, Dumb as a Rock. There’s a reason dey don’t send Old Men to Fight in The War.

OTIS
We wouldn’t go.

PAUL
You damn right. We know Death is Real. When you Young, you think you Ain’t Never Gonna’ Die.

OTIS
Yeah, I just keep tellin’ myself. We’re doin’ it Norm.

Paul nods then takes out a Pen writing something on his drink napkin. He then passes it over to Otis.

Otis takes the napkin, reading it. Paul winks at him. Otis cracks a devilish grin.

FLIGHT ATTENDANT (O.S.)
Ladies and Gentlemen, as We start our descent, please make sure your seat backs and tray tables are in their full upright position...

VINH
Gentleman, welcome back to Vietnam.

A FEW MOMENTS LATER

Vinh is seated with the others. He opens a folder passing around printed itineraries.

VINH (CONT’D)
I’ve never had a Group hike into the Jungle without a Guide. As I said in my email, I think it is a mistake.

OTIS
I understand, but this is very personal for us.
The Bloods look over the itinerary, satisfied.

**PAUL**
We know that Jungle as well as anyone.

**VINH**
You have the necessary permissions?

Otis pulls out an Envelope and removes Two Sheets of paper. He passes them to Vinh.

**OTIS**
This one’s from the Pentagon and the other’s from Hanoi. If we can locate Norman’s remains, DPMAA will send a Recovery Team to bring him Home.

**VINH**
I admire what you are doing. I too lost many Friends.

But Paul isn’t listening. He’s watching a GROUP of SIX VIETNAMESE MEN, 60’s and 70’s, at a nearby table. The Men are watching our Vets with interest.

**PAUL**
You see dese Guys Reckless Eyeballin’ us?

Everyone looks over. One of the Vietnamese Men waves.

**VINH**
One of them is my Cousin and my Father’s younger Brother.
EDDIE

VINH
And they fought for the North. My Cousin Nguyen does tours for former North Vietnamese Tourist.

NGUYEN, 60’s, smiles, he raises his glass again.

Just The Bloods.
TIEN
Bloods. I have not heard that word in such a long time.

She tries to remember all the names.

TIEN (CONT’D)
Eddie, Paul... Melvin.

Otis nods.

TIEN (CONT’D)
What about Tiny Tim? Stevie? And who was the one with The Blonde Mustache?

Otis moves to her.

TIEN (CONT’D)
Mike?

OTIS
All Dead. Tim committed Suicide shortly after The War ended. Stevie was hit by a Drunk Driver on New Year's Eve, 1985. Mike died of a Heart Attack last year while Scuba Diving in Aruba.

TIEN
I'm sorry. And Eddie, Paul, Melvin? They're good?

OTIS
Good as they're gonna’ get.

She reflects knowing what he means.

OTIS (CONT’D)
We had a Bond, back then, Stronger than The War. Hope we can find it again.

TIEN
Still the Medic, always full of hope.

Otis accepts it.

OTIS
We can find The Gold. Getting it out of the Country is the problem.
Under the War Relics Act, it belongs to The Vietnamese Government.

Can we make a Salvage Claim?

That would be very difficult. Your best chance is to convert it to Cash before you leave Vietnam.

How?

You'll meet him tomorrow. His Name's Victor Desroche. He's the only person I know who can handle a transaction of this size.

You've dealt with him before?

Yes. He's expensive. Could be Fifteen, even Twenty percent. There's also the issue of my Cut... I'll need Ten Percent.

That's going to be a tough sell.

With this much money on the line, you don't want to take any chances.

There's no other way to move it?

International Exports are my Business. It's why you called me.

Y'know that's not the only reason.

He waits for her to say something more, but she doesn't. The front door opens and
ANGLE - MICHON

BLASIAN, 46, walks in with groceries, she is a stunning Professional Woman. She pauses when she sees Otis sitting there. He stares at her.

MICHON (in Vietnamese)
I believe this is everything you wanted from The Market.

She sets the grocery bags down in The Kitchen.

TIEN
Come here I want to introduce you to someone.

Otis stands as Michon nears him.

TIEN (CONT’D)
This is my daughter Michon. This is my Old Friend Otis.

They both stare into each other's eyes, shaking hands, accessing one another. You can see him in her.

OTIS
Very nice to meet you.

It is awkward, stilted, finally.

MICHON
I should go.

TIEN
Thank you, Dear.

Michon leaves without another word, clearly affected. Otis looks at Tien.

OTIS
That Our Daughter?

Tien calmly sits down.

TIEN
Yes.

Otis lowers to his seat, stunned.

OTIS
Jesus Christ. Is that why you never answered my letters?
TIEN
What would’ve been the point?
You have your Life, I have mine.

OTIS
My God... can only imagine your
Life, after I left?

All Otis can do is rub his forehead, he is gutted.

TIEN
She was a Child of The Enemy. I was
a Whore. Her Father was a Nigger.

Otis listens.

TIEN (CONT’D)
White GI’s taught us that word.
Everyone wanted us out. We were too
Dirty to even clean Toilets.

OTIS
You wanted her to meet me.

TIEN
I did.

OTIS
Why?

TIEN
She deserves that. So do you.

Otis is just blown away.

TIEN (CONT’D)
I didn’t want you Two to meet to
torture you. Michon is your
Daughter. I ask nothing of you. You
have your own Life.

OTIS
I lost my Wife three years ago.

Tien is taken aback, surprised.

TIEN
I’m very sorry... Could that be why
you decided to retrieve the Gold?

OTIS
No, I’ve needed to come back for a
long time.

Tien studies him.
EXT. TIEN’S APARTMENT – NIGHT

Otis and Tien stand outside A Taxi.

OTIS
Why don’t you come back to the Hotel with me and have a drink? I don’t want to leave you tonight.

TIEN
I can’t.

Otis takes her hand and kisses it.

TIEN (CONT’D)
I’ll see you at the meeting tomorrow. Good night, Otis.

OTIS
Good Night... Tien... I Missya.

He gets in the Taxi. Tien watches him drive away.

INT. DESROCHE’S OFFICE – DAY

DESROCHE
Foundry Stamps, other Markings?

OTIS
U.S. Eagle and Serial Numbers.

DESROCHE
Sequential?

The Bloods all look at each other. No one knows.

EDDIE
We haven’t seen The Gold in a long time.

DESROCHE
How many did you say you have?

OTIS
How many can you handle?

Desroche smiles, but it’s more cunning than warm.
DESROCHE
All of them.

OTIS
Must be. Two hundred?

DESROCHE
That won’t be a problem. How did they end up in your possession?

Paul, Wound-Up Tight, cuts in.

PAUL
Frenchy, you ask a lotta’ Goddamn questions.

DESROCHE
Maybe they’re from a Bank you just knocked off in Manila. Maybe the Authorities are looking for them. I don’t need that kind of trouble.

MELVIN
We ain’t no Damn International Criminals, You Dig?

DESROCHE
In my line of work, I must be careful and that means knowing what I’m getting myself into.

PAUL
Snail, you getting on my Last Goddamn Nerve.

TIEN tries to reassure Desroche.

TIEN
Detendez-vous, Victor. Permettez-moi de leur parler.

Desroche shrugs, crushing his Cigarette. Tien turns to Otis.

TIEN (CONT’D)
You must understand. He’s taking a big risk...

PAUL
...And we ain’t ...De Roach or whatever ya name is you got to Trust Us and we gotta’ Trust you.

Desroche is unmoved. Otis comes clean.

FLASHBACK

22A VIETNAM FLASHBACK 22A

Norman holds up his Zippo illuminating him and The Gold.

STORMIN’ NORMAN
Look, we may not get out alive. If we do, we ain’t getting outta’ here with this Gold. So this is what we do. We bury it. For now. They ask, We say the NVA got it. Then we come back and collect.

PAUL
Steal it?

STORMIN’ NORMAN
We ain’t stealin’ Shit! WE were the very first People to die for this Red, White and Blue. Not that Slave Owner George Washington, a Soul Brother, Crispus Attucks at Da Muthafuckin’ Boston Massacre. We been dying for dis Country from the very get-go, hoping in return they’d they give us our rightful place. But all we got was a foot up the Ass. No Mule, no Forty Acres, no nuthin’! Fuck dat! The USA owe us! We built dis Bitch!

OTIS
What you sayin’ man?

STORMIN’ NORMAN
We abscond this Gold for every single Black Boot that never made it back home. For all Da Brothers since Muthafuckin’ 1776.

Otis looks at Paul. Eddie and Melvin, ponder it.
STORMIN’ NORMAN
We give this Gold to our People not us.

MELVIN
What about Stevie, Mike and Tiny?

STORMIN’ NORMAN
I’ll make ‘em understand. We all Brothers.

Stormin’ Norman sticks his Clinched Fist out over The Gold. Otis extends his fist. Then Eddie and Melvin. Finally, Paul. It is agreed.

A HUGE MOUNTAIN OF DIRT

Stormin’ Norman, Paul, Eddie, Melvin, Otis and The White Soldiers: Stevie, Tiny Tim and Surfer Mike all digging in A Deep Hole.

OTIS (V.O.)
A few weeks later, we went back, but the area had been Napalmed. All of our landmarks were gone.

All of them struggle lifting The Strong Box down in The Pit.

CUT TO: PRESENT DAY

INT. DESROCHE’S OFFICE – DAY

Desroche mulls over The Story. He looks to Tien to see if she buys it. She nods. They’re telling the truth.

DESROCHE
What makes you think you can find it after all these years?

OTIS
You can rent Satellite Time and get Hi-Res Images of any spot on This God’s Earth. A mud slide just exposed what looks like the Plane’s tail.

DESROCHE
Goodness. You are far more sophisticated than you appear.

PAUL
Yeah!!! Yo Mama likes it. Fuck all Da Dumb Shit. In or Out?
Desroche lights another cigarette, thinking it over. Then he taps something on his cell phone. He shows it to the Vets.

DESROCHE
This is my offer per Kilo, less my commission.

OTIS
Tien said twenty.

DESROCHE
For Cash and Carry, yes. But one cannot carry Millions of Dollars through US Customs. The Extra Two Points gets you a Dummy Corporation and a Tax-Free Offshore account in Macau. You can then withdraw the Funds from any Bank in The World.

Paul looks at Tien and Desroche.

PAUL
How do I know you Two ain't a French Gook Team? That you’re not Con Artist Pimpin' us like damn Country Bumpkins.

DESROCHE
As you said, I guess you simply must trust us.

PAUL
Yeah, well, the extra Two Percent comes outta' her cut.

Tien looks at Paul, Wounded, but he doesn't care.

OTIS
I’ll cover it.

Tien looks at Otis their eyes meet. Eddie philosophical.

EDDIE
Price of doing business.

Otis, Paul, Eddie and Melvin exchange looks.

OTIS
We all good?

They nod “yes.” Desroche rises, extending a hand...

DESROCHE
Gentlemen, I look forward to seeing you in a few days. Bonne chance.
INT. PAUL’S ROOM - MAJESTIC HOTEL - DAY

Paul enters seeing an open suitcase on The Bed. Not his. He looks over at the SOUND of someone taking a piss in The Bathroom, the door ajar.

Paul crosses to the bed, reads the luggage tag.

PAUL
What da’...

Just then DAVID, his Son, 33, very much like his Father comes out of the rest room wiping his hands.

PAUL (CONT’D)
What da’ Fuck you doin’ here!

DAVID
I’m worried about you.

PAUL
What?

DAVID
When I heard you came here...

PAUL
...And?

DAVID
I needed to check on you.

PAUL
You don’t give a Flyin’ Fuck ‘bout me.

He closes his Son’s Suitcase packing him back up.

DAVID
I do. You been actin’ even more Crazy than usual.

Paul chuckles to himself.

PAUL
Yeah, well, consider me checked on.

He locks the suitcase up PUSHING it into his Son’s chest!

DAVID
You’re here for the Gold, aren’t you?

Paul goes quiet. Can’t believe he said it.
DAVID (CONT’D)
You’re goin’ after the Gold. I read Otis’ Emails.

Paul tosses the Suitcase across the room.

PAUL
Boy you Spyin’ on me?

DAVID
You gotta choose better passwords. ‘1234.’ C’mon, Dad.

PAUL
What you want?

DAVID
An equal share.

PAUL
Hell No!!!

DAVID
Then I’ll inform the Authorities and ya’ll go home empty-handed.

Paul takes a step back looking at his Son.

PAUL
So you just a lil’ Jive-Ass Gangster now, ain’t cha?

DAVID
After everything you’ve put me through, I think you’re getting off pretty damn light.

Paul grabs David by the shirt and SLAMS him against the wall.

PAUL
Ungrateful lil’ Social Studies Teacher Nigga.

David remains totally cool. Which is what scares Paul.

DAVID
Take your hands off me.

David’s in much better shape than his Father and he knows it. He let’s go, steps away. David smooths out his rumpled shirt.

DAVID (CONT’D)
You wanna tell them or should I?
EXT. BALCONY - OTIS’ ROOM - MAJESTIC HOTEL - DAY

David stands across from The Angry Bloods. No one speaks.

PAUL
Look, this is my fault. My Son. My responsibility.

EDDIE
You sure know how to raise ‘em, don’t you?

Otis, Eddie and Melvin all stare at David.

MELVIN
What happens if the 4 of us Bum Rush ya Boy and throw him off that balcony?

DAVID
Just know I’m takin’ a couple of you Old Goats with me.

PAUL
Don't ever threaten him again.

MELVIN
Or what?

PAUL
Or you're gonna’ have more trouble than you know what to do wit’.

Paul takes a step toward Melvin, but Otis blocks the way.

OTIS
Cool it, Goddammit! David, you’re not getting an Equal Share. You and your Father can split A Share. Take it or Leave it.

PAUL
No Goddamn way!

OTIS
Take it or leave it!

Paul sighs deep, looking at his Son, disgusted.

PAUL
You ain’t been nuthin’ but an Anchor ‘round my neck since da day you were Born. Yeah, I said it. I mean it too.
Paul walks off leaving David standing there, gutted. The Bloods watch this.

EDDIE
Forget what I said.

He slaps David on the back. They all walk out as David lingers. Otis steps up to him.

OTIS
You’re a Buck Private in this Outfit. That means you do what you’re told, when you’re told, no questions asked. Understood?

David agrees.

EXT. DOCK - DRAGON BOAT - DAWN

Melvin and Eddie, both drinking Coffee on The Boat. Paul mumbles to himself smoking a cigarette watching Otis still on the dock speaking to Tien, a Newspaper under her arm.

OTIS
I’m surprised you came.

TIEN
I have a bad feeling about this.

OTIS
Tien, I don’t care about The Gold.

TIEN
Then why do this? To find Norman?

OTIS
I guess. Sometimes. I don’t know.

TIEN
Then what then?

Otis digs deep.

OTIS
Do you remember what I said that last day at The Airport.

TIEN
Someday you would come back for me and The Gold.

He stares at her. She feels it.
Tien hands him the Newspaper and he opens it. Inside is an Army issue 1911-style COLT .45 HANDGUN.

He looks up at her, surprised.

Tien (CONT'D)
Gold does Strange Things to People.
Even Old Friends.

Vinh
This is my favorite time. Not too Hot. Not so many Mosquitoes.

Melvin puts a stick of Gum in his mouth. He plays with a BUTTERFLY KNIFE. He nears Paul noticing his Baseball Cap. Paul sports a "Make America Great Again" Red Trump Cap.

Melvin
You really wearing that?

Paul
You don’t like it?

Melvin
Who does?

Paul
Don’t like it. Kiss my Happy Black Ass. 2 Times, 1 for each Butt Cheek.

Melvin
Well, hopefully the People here don’t know what that really means.

Eddie
Oh, they know. Everybody knows.

Paul watches Melvin playing with the Knife.
PAUL
Where'd you get the blade?

MELVIN
Street vendor.

Paul extends a hand. Melvin hands him the Knife. Paul whips it around, flipping it open, closed, open again.

PAUL
How about dat.

MELVIN
Bad Ass Paul.

The Two have a rare moment of Bonding.

MELVIN (CONT’D)
Hey Eddie, you still got that place in Vegas?

EDDIE
Nah, Ex Number One got that one.

MELVIN
How about that one in LA? The one in the Hollywood Hills. I really loved that place.

EDDIE
Yeah, that was really a terrific getaway. Ex Number Two The Actress got that one.

MELVIN
Damn, Blood.

EDDIE
Price of doin’ Business.

MELVIN
Glad you can be so philosophical about it. I’d be Mad’n a Hornet!

EDDIE
I’ve downsized quite a bit. Cut way back on my lifestyle. Spend almost 100% of my time in Phoenix now.

MELVIN
You gonna’ jump that Broom again?

EDDIE
No, I’ve learned my lesson. Love and Money don’t mix.
Melvin and Paul both laugh.

On the other side of The Boat, Otis and David talk quietly.

OTIS
How long has he been talking to himself?

DAVID
Awhile.

OTIS
Your Father needs Counseling for his anger.

DAVID
I tried to get him to go. He wouldn’t hear it.

OTIS
I don’t think your Father was ever the same after we lost Norman.

DAVID
He talks about him in his sleep all the time. Called his name. So who was that Guy?

EXT. PHUNG HIEP FLOATING MARKET - MEKONG DELTA - DAY

Hundreds of Sampans clog The Mekong River. The Boats are filled with Fruits and Veggies, as well as more exotic fare: Pot-Bellied Pigs, Turtles, Snakes.

Vinh eases back on the throttle, and pulls alongside a constellation of Boats. The air is alive with sound of people HAGGLING over prices in Vietnamese.

PAUL

What’s up?

VINH

River Market. I know a Guy here who always has the best Mangoes.

SELLERS are lifting up items: Chickens, Fish, pushing their wares. The noise and confusion rattles Paul.

VIHN (CONT’D)

You Brothers want anything?

David watches a WORKER dip his hand in a Basket full of Snakes.
DAVID
How’s the Snake today?

VINH
I’ll ask.

A SELLER chops the head off a Large Snake skinning it.

OTIS
David likes The Head. Can’t live without a Head.

Vinh laughs while David is stunned.

Eddie HAGGLES in Vietnamese with another BOAT VENDOR. He takes Eddie’s Money, and hands over a Six-Pack of Bud Lite.

EDDIE
Anybody want a Cold One?

David holds his hands out to catch one. Eddie tosses him one.

ANGLE – OTHER SAMPANS

Crowd around, HAWKING their wares. They’re surrounded. Paul looks around at all the SHOUTING FACES.

A Sampan full of Citrus pulls alongside. The CITRUS SELLER holds up Mangoes.

CITRUS SELLER

He tries to wave the Guy off, but he persists.

CITRUS SELLER

Reeling from the noise and confusion, Paul SNAPS.

PAUL
I SAID NO GODDAMMIT! NO MEANS MUTHAFUCKIN’ NO IN ANY MUTHAFUCKIN’ LANGUAGE.
ANGLE - ANOTHER SELLER IN A BOAT

full of SQUAWKING POULTRY uses a Hooked Pole to grab their Boat and pull himself alongside.

Paul dislodges the Hook SHOVING The Pole back at The Seller, knocking him over, nearly capsizing his rickety boat.

The Merchants stare pissed knowing what Paul said.

    PAUL

    VINH
    They know GOOK is a SLUR.

Vinh quickly speeds away from The Floating Market.

Paul sits isolated, bouncing his knee, breathing in short ragged gasps. Otis sits next to him checking his Pulse.

    PAUL (CONT’D)
    What you doin’?

    OTIS
    Checking your Pulse.
DAVID
Is it a Heart Attack?

Paul jerks his hand away jumping up. He stumbles and almost falls. He stands holding on to something.

OTIS
You’re having a Panic Attack.

PAUL
No... Shit.

Paul sits back down as Melvin and Eddie also now look on.

OTIS
You have these often?

Paul’s leg continues to shake. He tries to regulate his breathing by taking some deep breaths.

DAVID
He gets claustrophobic.

OTIS
You have nightmares?

Paul looks at him, pissed, but still racing high.

DAVID
He does.

PAUL
What you know ‘bout it! Huh! I don’t Fuckin’ have Nightmares.

He looks up in David’s Face. Melvin and Eddie looking on.

PAUL (CONT’D)
I see Ghosts.

EDDIE
We’ve all been there, Bro.

PAUL
You see em’ too? The Dead come to you at night?

Da Bloods go quiet.

PAUL (CONT’D)
Stormin’ Norm comes back damn near every night? He talk to ya’ll? Like He does to me?
Eddie puts a hand on his shoulder. Paul rises jerking away from him.

PAUL (CONT’D)
Think I’m a Crazy Fuck, don’t cha?

He stares at them all.

PAUL (CONT’D)
I don’t need your Goddamn pity.
None of Y’all.

OTIS
You could put The Mission at risk.

PAUL
Let’s just do dis and get outta dis Shit Hole.

Another disparaging remark cuts Vihn, but doesn’t react. No one responds. Paul looks at them getting more paranoid.

PAUL (CONT’D)
Oh, I get it. Sideline me and you can take a Bigger Share. HA! Think ya’ slick don’t cha’ Nigga...

EDDIE
...Don’t call me that.

PAUL
Oh, that’s right. You High Saddity Obama Niggas don’t like dat word.

Paul in Eddie’s face.

PAUL (CONT’D)
Nigga. NIGGA, NIGGA, NIGGA!!!

Super tense between Eddie and Paul. Otis steps in.

OTIS
I think you and David should stay in Tân Châu.

PAUL
Who died and made you Squad Leader?
Oh, that’s right, Norm. Well, you ain’t Stormin’ Norm. You were a Medic.

Otis about to respond when Melvin cuts in.
MELVIN
He’s right. You're not Norm. You don't get to order us around.

EDDIE
If Brother Man is out, I'm out.

Otis is boggled by this turn. Paul even more so.

MELVIN
We do this together or not at all.

Otis sees they’re united. Humbled, he nods. Okay then.

David turns to see a Woman, HEDY, 30’s, entering. Tall, fit, wearing well-worn hiking gear. Her T-shirt for MAG, MINES ADVISORY GROUP, features a Skull and Crossbones and the slogan, “SAVES LIVES” “BUILDS FUTURES”.

TWO MEN in identical T-shirts, SIMON and TRAVIS, 30’s, follow her in, loaded down with gear.

DAVID
Didn't think I'd meet another American up here.
HEDY
Canadian. Those Two are Aussies.
The Men nod, then go back out for the rest of their stuff.

DAVID
What are you Guys doing?

HEDY
We locate Old Land Mines... then Detonate.

DAVID
Wooo! Sounds really intense. Hope they pay you Guys well.

Hedy has to grin.

HEDY
I wish. Traveling alone?

DAVID
I'm with a group of Vietnam Vets.

HEDY
Well. That must be something.

DAVID
One of them’s my Father.

HEDY
Must be amazing coming back after all these years with him.

DAVID
Yeah. It’s amazing all right... Is there a place to go at Night around here?

HEDY
There a Bar a couple of Blocks down, on the River. Can't miss it.

DAVID
I'll see you there? Maybe.

HEDY
Maybe.

She grins, grabs her backpack, and heads upstairs.

DAVID
What is your Name?
HEDY
Hedy, like Hedy Lamarr... Old Time Movie Star.

DAVID
Cool. I’m David like David from The Good Book.

They both laugh.

EXT. RIVER BANK - NIGHT

Paul stands at a railing looking out over the Water smoking a Cigarette. In deep thought, he sees...

SLAP! Paul looks at Otis’ hand on his shoulder. He offers Otis a smoke from a Cigarette pack with a colorful Vietnamese Logo.

OTIS
Gave them up years ago.

PAUL
Me too.

Paul stares at TWO VIETNAMESE MEN, QUAN 30’s, and his Brother CHAVY 20’s. They walk up to the rail, talking quietly.

Paul eyes them warily, then flicks his Cigarette Butt into the water. He strolls away. Otis follows.

PAUL (CONT’D)
I spotted them earlier. When we were checking in.

OTIS
You sure?

PAUL
I’ve got a feelin’ I haven’t felt in a long time. Like I’m bein’ hunted...

Otis looks down at the Two Men again. They appear normal.

HEDY
Just until morning, then back into The Jungle.

David nods to Simon and Travis.

DAVID
What's their story?

HEDY
Simon's my Cousin. Travis and I use each other for Sex Once in a Blue Moon.

David nods. He looks over at Travis, who eyes him back.

HEDY (CONT'D)
What about you? Girlfriend? Married?

DAVID
All alone. Can I buy you another?

HEDY
Sure.

David motions to The Waitress. Another round.

DAVID
So how does one end up in the Mine Disposal Business?

HEDY
I'm Ten months into a Year Long Commitment. I saw it as helping the Environment. I guess this is me giving back to Mother Earth.

DAVID
Whatcha’ going do next?
HEDY
I don’t know, I'm dreading it. I’ll take old, unstable explosives over the Real World any day of the week.

David grins.

DAVID
What was your Real World Life about before you got into Old Land Mines?

HEDY
Living in Vancouver, waiting tables, trying to get my Photos into a Gallery and generally contemplating a dive off the Lions Gate Bridge.

DAVID
I hear you. I’m looking for a Bridge myself.

They both laugh.

How's it going, Mate?

DAVID
What's up?

SIMON
That one of yours over there?

He gestures to Eddie at The Bar. David turns seeing Eddie, clearly loaded, standing now with Melvin and The Two Ladies.

SIMON (CONT’D)
He's getting pretty loaded.

David looks at him, concerned.

DAVID
It's been an emotional trip.
TRAVIS
Funny how the past still haunts us, isn't it?

Travis leans in getting into Hedy and David's Business.

TRAVIS (CONT'D)
Do you know how many Children are killed or maimed by unexploded Land Mines each year?

DAVID
I’m sure too damn many.

TRAVIS
Do you know most of those mines were made in America?

DAVID
I didn’t know that.

TRAVIS
Of course you don't.

Travis and David's eyes meet. He is picking a Fight.

TRAVIS (CONT’D)
You Americans are Criminally uninformed. I guess you’re too busy watching Reality TV and electing Fascist World Leaders.

HEDY
Travis, don't.

David raises his hand like he is being sworn in.

DAVID
Well, on behalf of all The Black People of the U.S.A., who are the ONLY group who did not vote for that Muthafucka, we plead innocent to all Charges, Counts, Accusations, Allegations and Associations connected to The Klansman in the Oval Office.

CRASH!!! Glass shatters! Eddie has gone down taking the Two Girls in skirts with him.

DAVID (CONT’D)
Shit.

The Ladies CURSE their silk blouses soaked with Beer. David and Melvin, also with Beer on him, helps Eddie to his feet.
MELVIN
Goddamn Eddie... Sheeit!

EDDIE
I'm fine. I'm OK.

David and Melvin, one on each side, get Eddie to his feet. David says to Hedy.

DAVID
We should head back.

Hedy nods, understanding.

EDDIE
We search for Lost Treasure...

DAVID
...He's loaded. Come on, Eddie...

EDDIE
...the Lost Treasure of Youth, and the remains of the dearly departed Norman Earl Holloway, KIA, May the Third, 1971. We're here to bring Home a Long Lost Fallen Brother...

The Bar watches as David and Melvin drag Eddie out.

EDDIE (CONT’D)
...A Tomb is sacred. Not to be looted by Rogues and Vandals... GOLD!!!

Then the Door BANGS shut and they're gone.

EXT. HIGHWAY - DAWN

An SUV rolls down a dark highway, a hint of Dawn on The Horizon. Vinh's at the wheel. Da Bloods and David are crowded in with their backpacks, fully loaded for The Trail.

38
EXT. CROSSROADS - DAY

The SUV turns onto a Dirt Road that leads into The Jungle.

39
INT. SUV - DRIVING - DAY

Tires splash through Mud as the Van bucks and bounces down the rutted dirt road. Foliage scrapes against the windows. David stares at his Smartphone, but there’s no signal.
EXT. ROAD'S END - DAY

The Men step out of The Mud-Splattered SUV and begin gearing up. Melvin straps a METAL DETECTOR to his pack.

MELVIN
Thanks for getting us this far,
Vinh. You put on a Hell of A Tour.

Eddie draws a worn Green Boonie Hat from his pack. In faded Black Marker is a BLACK POWER and the words "RIGHT ON."

In Answer, Paul puts on his Trump Cap. David sprays him down with insect repellent. Paul then sprays down David.

Vinh hands Otis a small SATELLITE PHONE in a plastic bag.

VINH
I'll be waiting to hear from you.
I hope you find your Friend.

Otis pulls on his pack, wincing as he tightens the straps.

OTIS
See you in a few.

Otis starts SINGING Marvin Gaye’s “WHAT’S HAPPENING BROTHER.” Soon all Da Bloods are singing. Eddie flashes Vinh the Peace Sign.

EXT. JUNGLE - DAY

They are spread out along a Narrow Trail that cuts through The Trees. All are drenched in sweat. Swatting Mosquitoes. David stays close to his Father.

DAVID
How you hangin’?

PAUL
You ask every five minutes. I did make it through Da ‘Nam War on my own.

Otis trails behind, his Limp slowing him down. Eddie stops.

EDDIE
Hold up. Let Otis catch up.

Melvin removes his Hat and wipes his head with a Bandanna.

MELVIN
Man, you can still hump it out On Point.

DAVID
What happens if one of us gets Heat Stroke or sprains an Ankle?

EDDIE
Otis is a Medic. A Good One.

David nears Melvin holding out his hand. Melvin gives him some “Dap” teaching him.
PAUL
Even took a couple of rounds out of me once.

MELVIN
From your Black Hairy Ass as I recall.

Melvin gives David a WINK. Otis limps up, struggling.

PAUL
I think that was Friendly Fire.

MELVIN
Maybe it was, maybe it wasn’t.

Eddie takes another Drink from his Canteen.

OTIS
What is that?

EDDIE
Water. What? You wanna smell my breath?

Otis backs down, feeling a little Foolish.

OTIS
Let’s just keep moving.

As the Men heft their packs on, Eddie surreptitiously unwraps a piece of GUM and pops it in his mouth.

Otis adjusts his pack, wincing in pain. He takes out a Pill, pops it in his mouth, and chews it. Grimacing at the bitter taste, he washes it down with a swig of water.

EDDIE
What are those?

OTIS
Something for my Hip.

EDDIE
I know that! What are they?

OTIS
OxyContin.

Eddie starts LAUGHING.

EDDIE
Are you Fuckin’ Kiddin’ me! You think I’m sneakin’ a Drink and you’re on dat Opioid Shit!
OTIS
It’s prescribed.

EDDIE
Oh yeah. You write ya own prescriptions?

OTIS
Get 'em from The VA. Like everyone.

MELVIN
You best be careful wit’ dat Shit.

OTIS
This a Fuckin’ intervention?

EDDIE
You need one?

OTIS
So you think I’m some Junkie Muthafucka.

Otis takes the lid off his Oxycotin and throws them in the Bush. The Pills flying everywhere Lost Forever.

OTIS (CONT’D)
I don’t need dat Shit.

The Guys all know he does. Otis limps off, moving faster than he should, fueled by Self-Pity. Melvin turns to Eddie.

PAUL
And I’ll take dat bottle you’ve been hiding.

Eddie stands there Chewing Gum. Eddie acts innocent.

PAUL
You’re ain’t foolin’ nobody wit’ ya Juicy Fruit Bullshit.

Eddie blows out his Gum, WHOO! Then reluctantly hand over a pint of Old Crow.

MELVIN
Old Crow?

EDDIE
All they had.

Melvin pours it out. Every Last Drop!!!
EXT. CAMPSITE - JUNGLE - NIGHT

Otis is laid out, asleep. Several BATTERY POWERED LANTERNS illuminates the Camp in a small clearing. Eddie sorts through Bags of Dried Ramen Noodles.

EDDIE
Chicken, Beef, or Shrimp?

MELVIN
They all taste like Salt.

Melvin ignites The Propane Camp Stove. David pours Water into a kettle.

EDDIE
Otis’ already out.

MELVIN
You know he’s hurtin’.

David approaches Paul, away from others staring into The Darkness, he holds out The Ramen Packets.

PAUL
No Thank You, Son.

An Animal CALLS OUT IN DEATH! David jerks. Other Animals respond, HOOTING and SCREECHING.

DAVID
Dad, what the Hell is that?

PAUL
Gibbons. I saw a Leopard tear one apart once.

DAVID
They’re Leopards out there.

PAUL
Leopard's are all gone now. Poachers wiped em’ out.

Paul sees something and stiffens. He crouches down, pulling David with him. The Father Whispers to his Son.

PAUL (CONT’D)
You see dat?

DAVID
What?
PAUL
Looked like a Man Movin’ through Da Trees.

David tries to see it but Paul pulls him back.

PAUL (CONT’D)
It was just a Flash, but I saw him.

DAVID
Maybe it was a Monkey.

PAUL
Wasn't no Goddamn Monkey.

The Two stare into the dark for a long beat.

DAVID
See anything?

Paul slowly rises, looking. It’s all clear.

PAUL
Sorry, I’ve been on edge. Bein’ back here. It’s not easy.

DAVID
It’s Cool.

PAUL
I don't like the way you did it, but I’m glad you’re here. Y’know Ya Daddy Loves You. Y’know dat right?

Their eyes meet. The first sign of Paternal affection we’ve seen from him.

DAVID
Dad, you got a Funny way of showing Love but I do know that. Love ya Black.

Father and Son walk back to the Fire. Melvin slaps at Mosquitos.

MELVIN
Where’s the spray?

EDDIE
Otis had it last.

Melvin approaches Otis. Rather than disturb his sleep, Melvin opens his pack and rummages around inside.
He lifts out a Rolled-Up Rag. Curious, he unwraps it, revealing

CLOSE – THE .45 HANDGUN AND THE SPARE CLIP TIEN GAVE HIM

ANGLE – CAMP

Eddie sees it and stops. David and Paul walk up. It stops them.

PAUL
Ain’t dat A Bitch.

Paul kicks the bottom of Otis’ Boot, waking him.

PAUL
Get up. Nigga, I said get up.

Otis wakes up. He sits up seeing Melvin holding up the .45.

EDDIE
Why didn't you tell us?

They all look at Otis waiting for an explanation.

PAUL
No wonder you made all the arrangements. Tien give it to you?

OTIS
And what ‘bout it.

PAUL
We should all be Fuckin’ Packin’.

MELVIN
Fool, shut up!

PAUL
Otis, you are totally Pussy Whooped, ain’t ya’? You don’t see what she is? Or dat French Fuck Day-Roach.

OTIS
I don’t know Desroche from Adam’s House Cat, but if Tien vouches for him, that's good enough for me.

PAUL
She’s a Fuckin’ Ho, Otis, remember.

OTIS
You need to check yourself.
Paul
I know that Slanted Pussy Strung
you out, but she’s still just a Ho!

Otis charges Paul. They tumble to The Ground, scattering Mess Kits and Provisions.

The Two Men grapple and trade Punches as Melvin, David and Eddie try to pull them apart.

David
Dad! Stop it!

They finally separate The Two. Paul yanks free of David.

David (Cont’d)
What The Fuck’s wrong with you?

Melvin holds The Gun looking at both The Chest Heaving Men.

Melvin
Who get’s it?

The Two Men stand there Bleeding Lips.

Otis
Give it to him.

He hands the gun to Eddie, who passes it to Paul.

Otis
Happy?

Paul stares at Otis.

Ext. Rice Paddy - Morning

The Sun beats down on the Flooded Fields and the Workers in Coolie Hats. It’s a Scene unchanged for Generations.

The Workers turn curious eyes to the Odd Group of Backpackers slogging through The Knee-Deep Muddy Water.

Melvin stops to wait for Otis, who lags even further behind in The Paddy. Eddie checks a GPS against the topo map.

Eddie
Just over Three Miles to go.

Melvin looks back at Otis, concerned.
EXT. COUNTRYSIDE - DAY

The Americans wade through Waist-High Grass, leaving The Rice Paddies behind. They're on an incline, heading into Hill Country. Otis, as usual, trails far behind.

EXT. HILLSIDE OUTCROPPING - DAY

The Men are gathered around The GPS and the Topo Map.

OTIS
We’re standing right on top of it.

MELVIN
You said that on the Last Hill.

Otis pulls out SATELLITE PHOTOS and passes them around. The Men hold them up, trying to match them to The Landscape.

MELVIN (CONT’D)
Perspective's totally different.

OTIS
It’s gotta be here.

Paul rinses his Mouth with Water and Spits.

EDDIE
Goddamn! We’re Fuckin’ lost!

OTIS
You wanna give up? Go ‘head.

EDDIE
Who said anything about givin’ up?

PAUL
Otis thinks he’s slick. Marchin’ us ‘round ‘til we give up and Go Home, then you come back and collect it all for yourself.

OTIS
Then why’d I drag your Crusty Black Ass out here in the first place?

PAUL
‘Cuz you couldn’t afford Da Airfare, The Hotel, The Gear. You needed Banker Drysdale there!

He jerks a Thumb at Eddie. Otis is so Mad he says nothing.
PAUL (CONT'D)
You and Tien are up to sumpthin’. I don’t need dis Shit, my Life is fine. I’m here for Norm. I’m not fallin’ for The OKEY DOKE. The Dope Fiend Doublecross. Hell Naw.

David grabs something from his Pack, and starts down The Hill into The Brush...

PAUL (CONT'D)
Boy, where you goin’?

Without looking back, David holds up a Camp Shovel and a Roll of Toilet Paper.

EXT. LOWER HILLSIDE - DAY

David plunges the Camp Shovel into The Ground and digs a shallow trench, flinging loads of Earth Downhill.

He hears an ODD SOUND and stops. He flings another Scoop and the dirt THUMPS against something HOLLOW...

David drops the Camp Shovel and scampers down The Hill. He drops to his Hands and Knees, and feels around in the undergrowth.

Feeling SOMETHING, he excitedly tears away The Vegetation to reveal an expanse of MANGLED, CORRODED ALUMINUM. A faded White “Star and Bar” emblem is painted on the metal.

DAVID
Hey, HEY, DAD. GUYS! I FOUND SOMETHING!!! I THINK I FOUND IT!!!

EXT. HILLTOP - DAY

SLASHING! Paul, Eddie, Melvin, David and Otis SLASH through the dense brush with Machetes and New Energy! They reach a clearing overlooking another Rugged, Deep Ravine.

Melvin quickly flips through The Photos. Then Otis spots it. A BARREN SECTION of Hill.

Otis checks the GPS again and nods confidently.

EDDIE
Hallowed Ground, Bloods. Holy Ground.
EXT. RAVINE - DAY

The Metal Detector TICKS in Melvin's HEADSET as he waves The Sensor over The Ground. David and Paul follow along.

Fifty yards away, Eddie paces around while Otis sits on A Rock, catching his breath.

Melvin works The Metal Detector.

MELVIN

I got something!

Paul and David Attack The Ground in a Frenzy of Digging. Eddie and Otis hurry over.

David's Shovel CLANGS against something. He scrapes more dirt away, revealing a Flat Metal Surface...

The top of the LOST STRONGBOX...

LATER

The Men have creating a deep trench around The Box, exposing the Top Half.

Melvin and Paul grab the handles on the sides of The Box. They pull hard, muscles straining... SNAP!

...they stumble back falling in The Dirt as The Box disintegrates in a Shower of Rusted Metal Flakes. Paul plunges a Shovel into The Dirt, desperately turning it over.

It's just Earth. Flecked through with Rust and Bits of Metal. The Men peer into The Dirt. DREAMS CRUSHED TO METAL BITS.

Eddie laughs, bitterly. David watches, Paul laughs too.

And Lo And Behold, despite THE PAIN Otis starts to DO A JIG.

PAUL

Fools Gold.

OTIS

We’re Gold Fools.

Melvin can't accept it. He picks up The Metal Detector, puts on The Headphones, and begins sweeping The Ground...

PAUL

Give it up. It’s over. Da Jig is Up.

Eddie lights up A Smoke and takes a deep drag.
EDDIE
Well, Fuck it, let’s find Norm.

MELVIN
Something’s here!

PAUL
Just some more Goddamn Box...

Ignoring him, Melvin keeping moving down The Slope.

MELVIN
...Another one. They’re small, but there’s something here.

David climbs out of the Pit with his Shovel.

DAVID
Where?

Melvin points to A Spot. David plunges his Shovel into The Earth and begins Digging. Melvin moves on, scanning Terrain.

MELVIN
Another one.

Otis joins David, both digging. A shovel CLANKS against something. Otis pulls up a Dirt-Caked OBJECT.

He rubs The Soil away and--

GOLD GLEAMS. It’s a Donut-Shaped INGOT, just like the ones in The Photos. Otis GRINS.

Paul moves to Otis who hands it to him. Paul turns it over in his hands, astounded. It's Real. REAL AF (AS FUCK).

PAUL
Kiss My Black Ass 2 Times and Say Hallelujah.

EDDIE
They spilled open in Da Mud Slide.

MELVIN
Goddamn! Gettin’ Hits everywhere!

Eddie and Melvin Grab Shovels, scrapping dirt off A Spot, it’s Gold. Scrapping another one, GOLD! Even more, IT’S THE GOLD!

PAUL
Holy Muthafuckin’ Mother of Gold!
Paul HUGS Otis! Eddie gives Melvin some Dap! David does an “End Zone” Dance! The Bloods are cracking up with Pure JOY!!!
THE BLOODS START JUMPING UP AND DOWN LIKE THEY ARE Q’S STOMPIN’ AT A GREEK SHOW.

EXT. DIG SITE - LATER - DAY

FLYING HIGH (IN THE FRIENDLY SKY) By Marvin Gaye Plays.
200 Gold Ingots are piled in stacks on a plastic tarp. David finishes washing The Dirt off them with A Canvas Bucket, while the Guys, Dirty and Sweat-Soaked, catch their breath.

OTIS
Thirty Five Thousand Per Ingot.
Seven Million Bucks all in.

DAVID
So Fifty Kilos Per Person.
That's...

MELVIN
...A Hundred Pounds Each.

Paul WHISTLES. That's a Heavy Load. Still grinning, Paul picks up The Metal Detector.

PAUL
Otis, will you pack up my share for me?

OTIS
Sure.

EDDIE
Where are you going?

PAUL
To look for Norm. Eddie, you were not far from The Gold when he got Hit, right?

Eddie nods, yes. Eddie heads up The Slope, back toward The Hills. The others start removing things from their packs.

OTIS
Ditch all non-essentials.

DAVID
Dad?
Paul put his Finger to His Mouth. Quiet.

    PAUL
    Somebody’s out there.

Laser-Focused, Otis creeps into The Brush in a crouch. David follows. Melvin and Otis exchange a look. Is Paul Cracking Up?

    MELVIN
    Stay with The Gold.

Melvin hurries after David...

EXT. JUNGLE - DAY

    MELVIN
    Cool out, Man. It’s probably...

David sees movement in The Brush. Points.

ANGLE - THE TWO VIETNAMESE MEN QUAN AND CHAVY

with BACKPACKS and AK-47s bolt though The Trees disappearing over a Ridge.

    PAUL
    Same Two Dinks I saw in Tân Châu.

    MELVIN
    What...

    PAUL
    ...They trackin’ us.

ANGLE - JUNGLE

Otis, Melvin, Paul and David packs filled with The Ingots Hustle through The Jungle as Fast as They can carrying The Stash. David lugs Eddie’s Pack behind him by its straps.

EXT. RAVINE - DAY

Eddie is scanning The Ground with The Metal Detector when Melvin approaches, Otis, Paul and David trailing behind.
MELVIN
We’re not alone.

Eddie yanks off his headphones.

EDDIE
I’m not leaving without Norman.

David walking up.

DAVID
You really think Norm cares whether you find his Remains or not?

EDDIE
Remember what Norm said. The Gold should go to our People.

PAUL
What you tryin’ to say...?

EDDIE
...Dat Gold should go to Black Liberation!

PAUL
Yeah, Our Fuckin’ Black Liberation!

EDDIE
What about our People?

MELVIN
What about my people! You do what you want with your share and we’ll each decide for ourselves.

OTIS
That is what Norman said.

EDDIE
Otis knows! Norm wanted that Gold to be used for The Cause!

PAUL
Muthafucka, you rich! Easy for you to say! Money don’t mean Shit to you!

EDDIE
I’m not Rich! I’m Broke!

PAUL
How Da Fuck you broke?
EDDIE
I lost it all.

MELVIN
He’s Bull-Shittin’.

EDDIE
Humph, wish I was.

MELVIN
OK, how’d you lose all dat Money?

EDDIE
Ex-Wives, Bad Investments, Back Taxes, Drinkin’, Livin’ Large, being stupid. You Fuckin’ name it, I spent Money on it!

MELVIN
But you paid for all dis Shit.

EDDIE
Yeah, on a Black Credit Card.

They all get quiet.

OTIS
What about all those Car Dealerships with your name on them?

EDDIE
I don’t own them. My Name is still worth something in The Business, so some of The Dealers choose to keep it. They’ll pull it when it stops working for them. If I had all your shares it still wouldn’t be enough to get me Outta Hock. Telling ya, ain’t gotta Pot to Piss in or A Window to Toss it out!!! FACTS!!!

PAUL
Damn.

MELVIN
Sorry, Man.

EDDIE
I’m only here for Norm.
EXT. EXCAVATION SITE - SUNSET

Paul wearing Headphones takes a turn with The Metal Detector. Eddie stares off. Otis turns to Melvin and David.

    OTIS
    If those Guys are gonna hit us.
    It’ll be at night.

David looks at The Setting Sun.

    DAVID
    Great.

Paul CALLS OUT from across the clearing.

    PAUL
    Bloods!!! I got something!

Eddie is the first on his feet. Otis, Melvin and David follow him over to a spot where Paul is digging.

Paul pulls something out rubbing The Dirt off. It's an AMERICAN M-16 RIFLE.

Eddie kneels next to Paul.

    PAUL
    I wanna do this.

Eddie stands back up.

CLOSE - PAUL

Digs with both HANDS, Slowly and Carefully.

Paul uncovers part of a Skull with a Dirt-Filled Eye Socket. He digs around the Neck Area finding what he's looking for: A PAIR OF DOG TAGS.

Paul rubs The Dirt off. The Tags read: "HOLLOWAY, NORMAN EARL. 379-46-2286. A NEG. PROTESTANT."

    PAUL
    It’s Norm.

Paul breaks down Weeping on His Knees like A Baby. Otis looks at him. Eddie and Melvin put their arms around each other, GROWN MEN CRYING.

David goes to comfort his Father.

LATER
The last bit of Daylight is quickly fading. Marvin Gaye’s “Wholy Holy” Fades in.

Eddie pulls a Red, Black and Green Liberation Flag from his Back Pack.

MELVIN
Like the one Norm had in his Hooch.

Eddie nods. He spreads it out on the Ground. He places Norm’s Skeletal remains on it. Melvin helps him. They fold the Flag ceremoniously around Norman’s Remains.

The Black Vets have covered Norm's Grave and roped off a small area around it.

Otis lays some Flowers at the base of The Grave.

Otis and Melvin kneel next to The Grave. Paul just stands, watching.

David watches from a few feet away moved by how emotional this is for them.

Paul takes a Knee, Eulogizing.

PAUL
Hey Norm. It took us longer than we thought, but we came back, just like we said we would. This time when we get on that Plane to go back to The World you’ll be coming with us.

Tears run down Melvin’s Face.

PAUL (CONT’D)
Both your Parents have passed, I guess you know that, but your Sisters Janet and Kim will be waiting to meet us when We land. You're goin' Home, Blood.

BAAM! A round just misses Paul’s Head splintering a Tree behind him! Gunfire rips up around them! The Bloods hit The Dirt!

PAUL
Where’s it comin’ from?

EDDIE
I didn’t see.

MELVIN
Anybody hit?
David looks at all of them. Paul aims The Pistol, ready.

PAUL
All good.

OTIS
We should make A Run for that Open Trail there.

Otis shines his Flashlight in that direction.

PAUL
Is dat where your Dink Buddies are waitin’ to finish us off?

Otis looks at Paul with disgust.

PAUL (CONT’D)

OTIS
You go right ahead and believe that... Ignorant Ass Muthafucka.

Otis head down takes off with his Back Pack for The Trail. They all watch him disappear in The Darkness. Eddie decides to follow. Then Melvin. David looks at his Father and dashes off. No choice. Paul follows the others down The Trail.

EXT. HILLTOP - MORNING

A View of The Jungle Trail. Paul scans with Binoculars.

DAVID
Maybe we lost them.

PAUL
There's someone out there.

Everyone Crowds around trying to follow his gaze.

Paul hands over The Binoculars. Eddie takes a look.

EDDIE

ANGLE - DA BLOODS

    PAUL
    You know dem’?

    DAVID
    They clear out Old Land Mines.

    OTIS
    We need good distance from them.
    The last thing we need is for them to recognize David and start asking questions.

    DAVID
    Why do you think they haven’t attacked us again.

    OTIS
    I don’t know but let’s not stick around to find out.

They all load up to Take Off.

EXT. DEGAR VILLAGE - NIGHT

The Bloods walk through The Village. ABORIGINAL TRIBESMAN, a few in faded T-Shirts and Cargo Shorts, the others in Traditional Breech Cloths with Ornamental Beads, stand around watching them.

It's like stepping back into a Time-Long Ago. Bamboo Huts, Fire Pits, weaving stations, etc.

David is blown away.

ANGLE - WOMEN and CHILDREN emerge from their Huts and Gawk at THE BLOODS. Many have never seen An African-American before. Kids point and LAUGH, only to be SHUSHED by their Mothers.

Paul’s Eyes scan The Villagers’ hands looking for Weapons.

Otis limps past absorbing it all. The Heavy Pack kicking his BLACK ASS. He passes several...

ANGLE - CHILDREN WITH MISSING ARMS AND LEGS.

Some leaning on makeshift crutches. Otis stares at them. David nears him, stopping to ask.
Land mines?

Otis nods, yes. A WOMAN, MY approaches Otis and offers him something wrapped in cloth. Otis opens it. It’s a clump of THICK ROOT. The Woman Pantomimes, placing her hand to her Mouth to Eat.

MELVIN
Yellow Vine. The Degar use it as a Natural Painkiller.

OTIS
Whatcha’ think?

MELVIN
Chicken Soup. Can’t hurt.

Otis takes a Bite and begins to Chew. He places the rest in his pocket.

Otis gives The Woman a Few Dollars. She nods, grateful.

MELVIN
Helluva lot harder than I thought it would be.

PAUL
Life Is Hard.

Otis and Eddie just nod, too winded to speak.

DAVID
I can manage another Thirty, Forty Pounds.

MELVIN
Yeah?

OTIS
Oh Man, that’d be great.

As he starts to open his pack, Paul holds up a Hand.
PAUL
My Son plays Da Pack Mule. My Son
gets a Cut.

DAVID
It's Fine Dad.

PAUL
The Hell it is. You’ve got half my
Goddamn Share.

MELVIN
Never mind.

PAUL

MELVIN
When did you turn into a Grade A
First Rate Certified Punk Ass
Muthafucka?

PAUL
When you've been cheated as many
times as I have, you learn to spot
the signs of a Dirty Black Rat
Bastard.

Otis just listens to him. Paul looks at Otis.
An Ingots lands at Paul’s Feet. Eddie stands there with an
open backpack and throws more Ingots at Paul.

EDDIE
How much do you want? Huh?

Eddie throws more Ingots.

EDDIE (CONT’D)
That enough? More?

Paul just looks at him. Eddie stares back.

EDDIE (CONT’D)
Remember what Norm always said
about Money.

Eddie puts his Hand on Paul’s Shoulder.

CUT TO: PRESENT DAY

EDDIE
I thought if We could find dat again. Find some Damn meaning. It would bring us back together.
EDDIE (CONT’D)

Make us Bloods one more time. I guess we won’t ever get that back.

Eddie, NEAR TEARS, gives them a disappointed look. Then shoulder his Packs, Turns and Marches OFF--

--DIRT AND GRASS EXPLODE INTO THE AIR.

Eddie vanishes in The Blast. A FLYING INGOT hits David in the Chest, knocking him back a step. Da Bloods Hit The Deck.

DAVID

What the Hell was that?!

PAUL

Land Mine.

MELVIN

Nobody move!

As Bits of Grass float Back Down Out Of The Air, WHITE SMOKE OBSCURES The Blast Site -- and Eddie.

Otis pushes past the others into The WHITE SMOKE.

MELVIN

Otis, Stop!!! It’s a Minefield!

Otis ignores him and finds Eddie looking up at The Heavenly Sky. Eddie’s Mouth is Full Of Blood. BOTH LEGS HAVE BEEN BLOWN OFF and his Bowels are hanging out.

Eddie’s Hands are Shredded, ALL of his Fingers Missing. Gold Ingots and Chunks of Flesh are scattered around Eddie.

Otis kneels next to A DYING EDDIE.

OTIS

EDDIE!!! EDDIE!!!

Eddie just stares up at THE HEAVENS, mouth moving wordlessly. A Large Bubble Of Blood forms on his Lips, then Pops.

Otis takes a Mangled Hand and cradles it in both of his.

OTIS (CONT’D)

It’s Otis. I’m here. I’m here.

Eddie’s Eyes Flick over and he seems to recognize Otis. More Blood Burbles up Out Of His Mouth.

Eddie’s Mouth moves but No More Words come. Eddie is SLIPPING AWAY.
OTIS (CONT’D)

EDDIE...

But Eddie isn't looking at Otis. He stares into the HEAVENS.

Then Eddie is gone. Otis sits there, holding his hand. By now the White Smoke has dissipated. Otis shuts the eyelids of Eddie.

DAVID
Oh My Fuckin’ God...

David steps on something!!!

DAVID
OH FUCK.

PAUL
What?

DAVID
I stepped on something.

EVERYONE is Freezes in Place.

PAUL
Don’t move Son!!!

MELVIN
Muthafucka!!!

Otis holding Eddie can only close his eyes in fear and frustration.

David holds tight. Not moving.

The THREE NGOS from MAG, Hedy, Simon and Travis rush toward them emerging from the white smoke. They quickly stop knowing the danger! Hedy shouts to the Bloods!

HEDY
No one move! Freeze!

She looks over and sees what’s left of Eddie’s Body.

HEDY
Oh my God...

Travis notices Eddie’s Gold Ingots scattered about. Otis points to David.

OTIS
He stepped on something.
Hedy sees him. She then looks over moves the brush away revealing a bent up rusty sign with skull and cross bones saying in Vietnamese: UNEXPLODED MUNITIONS.

HEDY
You’re in a Field of Cluster Bombs.

Hedy directs Simon. He uses his Ground Penetrating Radar devise searching the ground moving closer to David.

ANGLE - DAVID
now sweating bullets. He reaches David’s foot. The devise emits a high pitched BEEPING sound.

HEDY
It’s a B.L.U.

David nods. Paul, Otis and Melvin can only watch.

TRAVIS
You’ve got to lead them out of there.

HEDY
Otis, you stay there. And David don’t move. Paul and Melvin, you two step back but only step in the your footprints. Back away to us.

Paul and Melvin both carefully back away, looking behind themselves, stepping into their footprints.

David watches the sweat rolling down his dark face.

Otis also watches holding his breath still clutching Eddie.

Melvin and Paul reach Hedy and Travis. Safe.

Simon uses the Ground Penetrating Radar to reach Otis.

HEDY
Slowly lay your friend to the ground.

Otis lays Eddie down. Otis stands as Simon with the Radar leads Otis to safety with the others.

David now stands there alone in the minefield.

PAUL
What about my son?
Hedy looks at Simon and Travis. She looks at David with deep concern. She sighs with emotional frustration.

HEDY
All he can do is lift up his foot and pray it doesn’t explode.

Otis and Melvin are distraught! Paul is stunned.

PAUL
There’s got to be another way.

HEDY
If there is... we don’t know it.

OTIS
Fuck... Fuck-Fuck-Fuck.

Paul stares at David. David stares back. Otis and Melvin stare at him. Paul is about to speak but David cuts in.

DAVID
I heard, this thing is old, right. What are the chances this thing goes off immediately?

HEDY
It’s rusty and unstable. No one knows what it will do. Or when.

PAUL
David, what you thinking?

DAVID
I’m not gonna step off it. I’m running to you.

Paul looks at Otis and Melvin. They nod, What The Hell.

The sweat now pouring off the nervous David he stares at his father. Hedy motions for the others to move back. They do with concern and trepidation. Otis and Melvin watch, equally nervous and frightened for David. Ready for the worst.

Paul remains. He opens his arms up for David.

PAUL
Do it... Come to Papa.

David looks down at his foot, a gold ingot, near it. He then looks at Paul, who nods to him.
ANGLE - DAVID’S FOOT

He jumps off the spot, bolting to Paul, who catches him like a running back into a line backer, they both SLAM HARD to the ground. The other waiting for the explosion. NOTHING!

David and Paul look back at The Spot. No Explosion.

They then erupt into joy and laughter! Otis and Melvin join them helping the two get to their feet. It is a nervous burst of relief and celebration.

David sees Hedy and he goes to her and they embrace tightly. He looks into her eyes.

    DAVID
    Thank you.

She smiles back at him with loving eyes. Simon and Travis pat David on the back joining the celebration. David’s face falls looking over seeing his father...

ANGLE - PAUL

pointing the .45 at Hedy, Travis and Simon.

    PAUL
    On your Knees. All Three of you.

Everyone is stunned.

    OTIS
    What you doing?

    PAUL
    Dey saw Da Gold!

    MELVIN
    Put dat Damn Gun down! NOW!!!

    DAVID
    Dad...

    PAUL
    We’re compromised!

Hedy, Simon and Travis slowly raise their hands.

    SIMON
    We don’t want any trouble.

    TRAVIS
    Okay, okay. Just stay Cool, Mate.
HEDY
Whatever you’re doing, it’s none of Our Business. We can just go.

DAVID
Dad... They just help save my fuckin’ life!

PAUL
The Sound of dat Blast traveled for Miles. Whoever’s followin’ us, is on their way here, right now. Get Eddie’s Gold. We gotta get the Fuck outta here!

David doesn’t move. Melvin stands there in Shock...

MELVIN
Are you serious?

DAVID
We have to call someone. tell them about Eddie. The Police, or the Embassy...

PAUL
...We’re not tellin’ Nobody Nuthin’.

MELVIN (CONT’D)
MAN, SLOW THE FUCK DOWN!!!

OTIS
We have to bury Eddie.

PAUL
Are you Deaf! We got to get Da Hell outta’ here. NOW!!!

Otis Finally Loses It.

OTIS
I’M NOT LEAVING EDDIE LIKE DAT!!!

HEDY
Just let us help you...

Paul wheels the gun toward them!

PAUL
Unless you can bring back the dead what more can you do for us! I said ON YA KNEES. NOW GODDAMMIT!

Hedy, Simon and Travis get on their Knees. Afraid.
PAUL
Son, get Da Rope. Tie ‘em up!

DAVID
I ain’t getting Shit.

OTIS
Let’s talk about dis.

PAUL
You’re not givin’ Da orders! I’M RUNNIN’ SHIT NOW.

THE CLUSTER BOMB GOES OFF!

Paul turns toward the blast as Travis lunges to his Feet hurling himself at Paul. The Two Men crash to the ground. Travis is Younger and Stronger, but Paul’s a Man Possessed.

TRAVIS
Get The Gun!

Simon lunges to help. Everyone is against each other. Melvin stops Simon. David grabs Travis from behind. Otis grabs Paul but he slings him off!

Paul pistol whips Travis across the face knocking him away. He grabs his face in pain! Paul shakes Otis loose, standing over Travis, the gun pointing down at his bleeding face.

PAUL
Boy, I have Killed far better Men than you. I won’t hesitate to bust a cap in yo’ ass!

Paul looks at David.

PAUL
Tie em up!

ANGLE - DAVID

looks over at Hedy. Who gives him a challenging glare. “Do it and we are done.”

PAUL
You want your share tie em up!

David still doesn’t move.

PAUL
You wanna remain my Son... then get at it.
Paul grabs The Coil of Rope and tosses it to his David. Otis holds a rag to Travis’ face, watches. Melvin look at Paul. David picks it up and reluctantly ties up Hedy. She looks at him with total disgust.

**HEDY**

Did I have you pegged wrong.

David finishes tying her.

**PAUL**

Now tie that Bitch up.

Otis presses a rag to Travis’ laceration. He steps away from Travis as David ties him up.

**PAUL**

Otis, Melvin, You Muthafuckas got something to say?

Otis and Melvin just stare at him, silent.

55C OMITTED

56 EXT. JUNGLE TRAIL - TALL GRASS - DAY

ANGLE - PAUL

nears Simon and instructs him.

**PAUL**

Use Dat Radar thing to navigate us though The Mine Field.

Simon nods.

**PAUL (CONT’D)**

Let's see those Bastards try to follow us now.

MOMENTS LATER

Otis and Melvin drag Eddie’s Body into A Thicket. Otis places a Blanket over him.

Hedy and Simon nearby watch, their wrists bound.

Eddie’s Blood Speckled Gold is stacked up into Four Piles.

**PAUL (CONT’D)**

How we splittin’ Eddie’s Share?
MELVIN
We should give it to Eddie’s Family.

PAUL
Fuck Dat Shit. Eddie’s Family got Money. This is between Us.

Otis looks over at The Four Piles.

OTIS
You tell us. You’ve clearly decided.

PAUL
We each Got A Stack.

MELVIN
What about your Son?

PAUL
Yeah, that’s my Boy. He gets a share.

David stares at him.

PAUL (CONT’D)
Deal?

Melvin and Otis nod, agreeing.

Paul goes over and starts putting his Stack in his Backpack. Melvin and Otis step away, speaking quietly.

MELVIN
Need to get that Gun away from him.

OTIS
Tonight. When he’s sleeping. In the meantime, don’t argue with him. We need him to relax his guard.

MOMENTS LATER

Simon has finished marking The Mines with A Trail of LITTLE RED FLAGS.

Otis and Melvin stand over Eddie’s remains, Their Hands Covered with His Blood.

MELVIN
So long, Blood. Rest In Peace.

PAUL
Saddle up.
Simon navigates The Minefield using the ground penetrating radar. Paul follows, holding Simon by A Rope Leash, The .45 trained on his back.

Otis and Melvin slowly get their Packs. David pulls on his Pack, then tries to help Hedy along. Hedy jerks away.

They walk into the Minefield, dodging the Flagged Areas. David and Otis follow. Melvin brings up the rear, plucking the red flags out of the ground as He goes...

EXT. JUNGLE TRAIL - TALL GRASS - SUNDOWN

The Vets and the Hostages hump down The Trail. Paul, Simon, and Melvin are in The Lead. David, Hedy, Travis and Otis bring up The Rear. Travis gives David a hard time.

TRAVIS
I can’t believe I was actually jealous of you Mate, back at that Bar when we first met.

David looks at him.

TRAVIS (CONT’D)
You seemed so Fuckin’ sure of yourself. Should of known you were a actually Spineless Fuckin’ Rat Bastard.

Hedy says nothing. Travis says to Hedy.

TRAVIS (CONT’D)
You couldn’t still want him knowing his demented Father is about to murder us.

HEDY
Shut up, Travis.

HEDY
David, he is going to Kill us. You know that, right?

David looks at her. Paul, up front, shouts back.

PAUL
Shut Da Fuck up back there!

They all go quiet. Otis watches.
Paul, Melvin and Otis look over the Topo Map.

**OTIS**
We can call Vinh and let him know
The Rendezvous Point has changed.

**PAUL**
Vinh's out. He's in Cahoots wit' those Two Dinks. Right, Traitor?

**OTIS**
If you don't trust me then just busta cap on me like you plan on shooting those Mine Workers.

Paul stares at him, Scary. Hedy, Travis and Simon watch their backs against a Tree tied up. Melvin waits.

**PAUL**
Not enough Food or Water to reach Tân Châu on foot. We'll ration what we have.

Paul steps away. Otis and Melvin exchange looks.

Paul lays on the top of a Hill, 30 Yards away, scanning the Jungle with Binoculars. Melvin crawls over and joins him.

**PAUL**
Wonder if those Gooks are sleep?

Paul puts down the Binoculars. Gets Real.

**PAUL**
You know, as long as those Three are alive, we'll never make it out of the Country with it.

Melvin turns to Paul and gives him a long hard look.

**MELVIN**
All right. How you wanna do it?

Melvin pretending? Who knows. Paul holds up his Knife.

**PAUL**
March 'em into the Jungle. Quick and Quiet. In the morning, we'll tell David and Otis they escaped.
MELVIN
What if they don't believe us?

PAUL
Then they can go and look for them. But I’m getting da Hell outta’ here.

Melvin ponders it, sighs, nods, agreeing to it.

PAUL (CONT’D)
You gotta do one of them.

MELVIN
What? Why?

PAUL
I gotta know you’re not going to turn on me later. It's the only way.

MELVIN
Fine. But you have to do The Girl.

Paul nods. DONE DEAL.

EXT. CAMP SITE – NIGHT

Hedy and Simon are tied to A Tree. Otis is resting his Eyes.

HEDY
I need to Pee.

David unties Hedy leading her into The Jungle.

HEDY (CONT’D)
Could you untie my Hands please?

David mulls it over.

HEDY (CONT’D)
Don't you want the First Time you unbutton and remove My Pants to be under better circumstances?

DAVID
Not Buyin’ It. Ya tryin’ to Play Me.

Hedy raises her hands. Please. A Beat, then David unties her.

Hedy pulls down her Pants and Squats. David doesn't turn his back but stares past her, into The Darkness.
HEDY
Were you flirting with me the other night because you were just looking for an Easy Lay or because you were actually interested in me?

DAVID
I’m interested.

HEDY
Why?

DAVID
Because you left your Life behind to try to do something good. And Ya Fine Too! Ain’t Gonna Lie.

She stands, pulling up her pants. David shifts his gaze and makes eye contact with her.

HEDY
Then let me go. Give me a Ten Minute Head Start. That's all I need.

Hedy steps closer to him, eyes pleading, and puts A Hand on the back of his neck as if she might Kiss David...

HEDY (CONT’D)
Please.

David Kisses Hedy and She kisses him back. It's Fierce, Desperate, Raw...

PAUL (O.S.)
Hate to Cock Block... Son. She Fine Tho!!!

Hedy and David turn finding...

ANGLE - PAUL AND MELVIN
standing there. They have Simon with them, Hands Bound.

PAUL (CONT’D)
Back to Camp.

Hedy and David separate. Paul holds his Knife directing David with it.

PAUL (CONT’D)
Back to Camp.
David stands there. Melvin pulls The Rope from David’s Hand tieing Hedy’s Hands. Hedy stares at David.

DAVID
What ya’l gonna do?

PAUL
You heard me.

David looks at Melvin. He has a closed Deadly Look on His Face.

MELVIN
Better do what you Father says.

David stands there.

HEDY
David, you’re a worthless Fuck.

DAVID
You better not hurt them.

PAUL
Or you’ll do what?

David is Face to Face with his Father. Silence. Melvin and Paul push Hedy and Simon on into The Jungle. Hedy shouts not looking back at David.

HEDY
Just so you know, I was only trying to get away! I wouldn’t Fuck you for all the Gold In The World!

Paul lets out a Big Guffaw! HA!

PAUL
See, told you about Fuckin’ wit’ dem White Girls.

David stands there. Then looks off to the side at something...

EXT. A SMALL CLEARING – JUNGLE – NIGHT

PAUL
Put em’ against dat Tree.

Melvin pushes Hedy, Travis and Simon against a Large Tree.

MELVIN
Do it here?
This’l work.

DAVID (O.S.)

Dad.

Paul turns and Otis swings his Bamboo Walking Stick across his face SMACK!!! Knocking him down.

ANGLE - OTIS, DAVID AND MELVIN

Jump On Paul. Melvin has a Knee in Paul’s Back pinning him down. They get The Knife and Gun from Paul. Travis bolts off! He dashes into the jungle, escaping.

Hedy and Simon start to run. Otis points the Gun at them.

OTIS

Hold it.

Hedy and Simon freeze.

PAUL

Get Da Fuck Off me! DAVID!

DAVID

Let it go Dad!!!

They climb off Paul having tied him up. He sits bleeding above his Left Eye from The Blow.

Paul looks up at Otis, SEETHING. Then laughs, sarcastic.

PAUL

I knew it! Another Muthafuckin’ Dope Fiend Double Cross. Don’t you see what he’s doin’? Playin’ right into his hand’s Fool! Dis iz some straight up Subterfuge, Shananigans... Skullduggery.

Otis looks around frantically and sees David standing there watching, pity in his Eyes.

PAUL (CONT’D)

You’re with them now? My own Son?

David looks away.

PAUL (CONT’D)

Ungrateful Bastard! You’re no Son of mine! Hear me! You’re dead to me! Buried! Gone! Fuckin’ Coward!
Otis steps away with David and Melvin. Discussing quietly.

**DAVID**
So far we haven't broken any Laws.  
We've all been Hostages to him.

David looks over at Paul sitting there Crazy Mad. Hedy stands there with Simon. She looks at Paul, staring.

**DAVID (CONT'D)**
If we don't let them go now we cross the line into Kidnapping.

**MELVIN**
We can't do that. Not yet. Not until we hand over The Gold to Desroche and make The transfer.

**OTIS**
There's one other option. We give up the Gold and call it over.

**MELVIN**
Man, I can't do that. I need this. My Family needs it.

Paul sees Hedy glaring at him. He stares back.

**PAUL**
Yeah, Girl, I was gonna' Gut you like a Dirty River Carp. Still will if I get the chance. You can count on that. Take Dat To Da Bank.

Hedy CHARGES at him. Melvin intercepts Hedy grabbing her Arm.

**PAUL (CONT'D)**
No, let her go. You want some of this. Come get it. Even tied up, I will stomp Da Livin' Shit outta' you! Triflin' little stringy Hair Bitch!

Melvin pushes her back with Simon tying them to The Tree Again.

**HEDY**
Aren't you going to let us go!

Melvin says nothing. She looks over at David. Who looks down. She SCREAMS OUT IN MAD frustration.

Otis sighs, he goes over getting the SAT-PHONE from his Bag. Paul watches tied up, crazy.
PAUL
Look, he’s callin’ his Partners.
They’re makin’ plans to Kill you
Dumb Fucks!

OTIS
Vinh, it's Otis. There's been a
change of plans.

Otis on the phone steps away. Melvin kneels before Paul.
David standing over him.

MELVIN
There's Two Ways we can do this. We
can walk away and leave you tied up
with your Gold behind. Or, if you
can behave yourself, we'll let you
put your pack on. You can carry it
out like the rest of us. Your call.

Paul looks up at him, Broken.

61

EXT. ROAD'S END - DAY

A Dirt Road ends in a small clearing. Vinh leans against The
SUV, passing the time with a Sudoku Puzzle Book.

62

INT. JUNGLE - CLEARING - DAY

Melvin sees Vinh up ahead in the clearing and raises A Hand,
stopped The March.

OTIS
Here’s how we’re going to play
this: We stumbled across you Two
lost in The Bush and we’re helping
you get back to Civilization. Try
anything Stupid. You answer to Him.

He jerks his head at Paul, who’s still tied up and fuming.

Hedy and Simon nod as David unties them. Understood. Otis
turns to Paul and makes a similar threat.

OTIS (CONT’D)
And if you decide to Fuck This Up,
you answer to Him.

He jerks his head at Melvin, who has the .45 in hand.
MELVIN
Just give me a reason. It doesn't even need to be a Big One, any old thing will do. And I will put you down like Da Dirty Dog you are.

Melvin gives him a hard look. He’s not kidding. Paul nods. Otis begins untying The Rope around Paul’s Wrists...

ANGLE - IN THE CLEARING

Vinh peers into The Morning Mist and sees Figures emerging from The Jungle. He recognizes Melvin in The Lead and SMILES. The Smile fades as he spots Hedy and Simon and notices Eddie is missing. The Group is beyond exhausted. They’re Hungry, Thirsty, covered with Mud and countless Scratches.

VINH
Looks like you Gentleman had quite An Adventure.

Melvin and David reach Vinh first. He reaches out to help Melvin remove his pack.

MELVIN
I got it. Thanks.

Hedy, Simon and a paranoid Paul follow. Otis struggles up The Hill. Vinh rushes over to help him up.

VINH
Where is Eddie?

OTIS
Sprained an ankle. We left him with Food and Water, and said we’d be back in a few days...

VINH
...I would have brought help. Why didn't you call?

OTIS
Battery died.

VINH
I should not have allowed you to go alone. This is very bad. I could lose my license!

Vinh pulls out his Satellite Phone and scrolls through numbers. Otis and Melvin exchange wary glances.
VINH (CONT’D)
I have a Friend in The District.
He’ll send a Rescue Group...

OTIS
...Hang on a minute...

Otis hands Vinh a Gold Ingot.

OTIS (CONT’D)
How would you like to make the
Biggest Tip of your Life?

Vinh smiles. Then he notices The Blood on Otis' Pants.

VINH
Eddie did not twist an Ankle, did
he?

The Vets exchange a look. Otis decides to come clean.

OTIS
No.

VINH
You Kill him?

OTIS
No, no. Mine Field.

He’s interrupted by the sound of an APPROACHING VEHICLE.

PAUL
It’s your Partners, Otis!

A Jeep rolls up in a cloud of dust, blocking the SUV. TWO VIETNAMESE MEN with AK-47s hop out. Meet BAO and TAM.

VINH
Do you know these Men?

OTIS
No.

A VOICE SHOUTS in The Distance.

Meet QUAN, 30’s, and his Brother CHAVY, 20’s. As they approach, they reveal..

ANGLE - TRAVIS

who has been captured and is now their very frightened hostage. He is tied up and looks even the worse than he did when he was with the Bloods. Quan calls out to Vinh.
Quan approaches Otis, who tries to stand firm, but is Edgy.

Quan approaches Otis, who tries to stand firm, but is Edgy.

Quan approaches Otis, who tries to stand firm, but is Edgy.

Quan approaches Otis, who tries to stand firm, but is Edgy.

Quan approaches Otis, who tries to stand firm, but is Edgy.

They smile. Jackpot.
OTIS
Listen. We can share it. There's more than enough for everyone.

Amused, Quan translates for his Men:

QUAN
Ông muốn chia sẻ nó với chúng tôi.

They laugh again.

QUAN (CONT’D)
I like you, Uncle Sam. Okay, We share.

He takes Otis' Hand and slaps a Single Ingot into his palm, hard, then crushes Otis' Fist with his own. Otis grimaces.

QUAN (CONT’D)
This share for you. Rest for us.

Quan shoves Otis.

QUAN (CONT’D)
Thay không? Nhưng tên khôn dại làm việc cho chúng tôi!

They laugh at their Leader's witty remark.

Otis gives Melvin a look. Melvin has The Pistol. He slowly brings his hand toward his waist.

Quan stops smiling and turns to Paul, trying to stare him down. But Paul's not afraid. He's ready to explode.

DAVID
We're Americans. If you kill him... or us, you've got an International...

QUAN
...We not kill anyone.

OTIS
You hurt that Young Man, you get nothing. Hear me, nothing!

Quan grins to himself.

QUAN
Uncle Sam, this belong to Vietnamese People. We take what is ours. D?t vàng trong xe Jeep.
PAUL
No you’re takin’ what’s ours. Look on there it says USA. That’s us.

QUAN
You USA?

PAUL
Muthafuckin’ right.

OTIS
Shut Da Fuck up Paul!

PAUL
You don’t speak for My Money!

Quan nears Paul yanking off his Trump hat, pulling out a wicked-looking combat knife, holding it to his face.

QUAN
Hat say USA, but I don’t think so.

PAUL
Believe it. Who the Fuck are you?

QUAN
We... Vietnam Officials.

Otis and Melvin watch Bao and Tam boldly grab Two of The Packs out of The Van.

PAUL
Where are ya Badges?

QUAN
We don’t Need No Stinkin’ Badges.

Paul says nothing. Quan turns away from him.

PAUL
Yeah, I’m sure, ya’ Dink Muthafucka!

Quan spins Slashing at Paul, but he sidesteps the knife.

Travis panics and RAMS into Chavy knocking him to the ground. He takes off running! Chavy FIRES at Travis shooting him in the back! He falls face down in the dirt!

Hedy and Simon SCREAM in horror! David CHARGES Quan!

DAVID
DAD!
Chavy SMASHES the stock of his AK-47 into David's Head. David staggers, stunned.

Chavy spins to fire again but Paul LUNGES!

Seizing Chavy from behind, wrapping an arm around his throat. With his other hand, he pulls a KNIFE from Chavy's belt and plunges it into the Man's stomach over and over until he collapses.

Bao and Tam, by The Jeep, drop The Gold and fumble with their AK's...

    TAM
    Không, bán!

Otis gesturing with open palms to Bao and Tam.

    OTIS
    Don't shoot! Dừng bán!

Paul snatches Chavy’s AK bringing it to his shoulder just as Bao and Tam do the same.

Quan rushes to his Wounded Brother as Melvin whips out The .45 and points it at Bao and Tam.

    PAUL
    Thôi nó! Bây giờ!!

Quan presses his hands to Chavy's stab wounds, but it's hopeless. The Man is Bleeding Out.

    QUAN
    Chavy! Chúng tôi sẽ giúp cho bạn, đó là tất cả quyền!

Chavy's Eyes glaze over. He's near death.

    QUAN (CONT'D)
    Chavy, xin vui lòng, không phải chiệt, không chết! Em trái!

Quan picks up his AK marching toward Paul, SHOUTING!

    QUAN (CONT'D)
    Mày đã gì? anh trai ça tôi!

Vinh pulls a Norinco M-77 HANDGUN from beneath The Driver's seat and swings around FIRING at Quan.

Paul and Melvin OPEN FIRE. Bao is hit several times and goes down. Tam disappears around the front of the SUV.

Otis and Vinh get behind The SUV.
Hedy and Simon dive into The Ditch for Cover.

David, clutching his Nose, crawls after them, but is SHOT in the thigh. Simon grabs him and drags him into a Ditch.

Quan sprints for The Jeep, wildly SPRAYING Gunfire at Paul and Melvin. The Shots go wide, kicking up dirt.

Melvin backs away toward The Ditch, still FIRING, while Paul takes cover behind The SUV.

Under The vehicle, Otis sees Tam’s Feet shuffling past. He’s sneaking up BEHIND Paul from the OTHER SIDE.

Otis aims Vinh’s Gun and FIRES. Tam’s shin EXPLODES in a Spray of Blood and Splintered Bone. SCREAMING, he collapses.

Otis reaches out, grabs his AK-47 and yanks it away.

Paul sees Quan dragging The Packs to The Jeep.

Paul FIRES. Rounds kick up dirt and THUNK against The Gold Ingots.

Quan lets go of The Bags and RETURNS FIRE. He grabs the limping Tam and gets him in the Jeep.

Rounds PLINK into the SUV, forcing Paul back. He RELOADS, then HEARS--

--an Engine REV To Life. The Jeep reverses, kicking up Dust.

Quan SPEEDS OFF, and Paul opens fire. Bullets ricochet off the tailgate, then the Jeep vanishes in a cloud of dust.

The last shots echo away. Then SILENCE.

ANGLE - VINH

rushes to The Van, ground soaked with liquid, he scoots underneath.

Melvin helps David out of The Ditch. David looks around, taking in The Carnage.

ANGLE - SIMON AND HEDY

climb out of The Ditch, Hands in The Air. They look around at The Corpses, scared out of their minds.

    OTIS
    It’s okay.
Hedy and Simon rush to Travis. Simon turns him over and he is dead. Hedy hands go to her mouth overcome with shock and sadness.

Vinh sticks a handkerchief into the punctured Gas Tank.

Melvin helps David sit on the edge of the open van door. Otis RIPS David's pants leg open, revealing a Chunk of Meat missing from his thigh.

\[
\text{OTIS (CONT'D)}
\]
Through and through.

Melvin nears Vinh as he crawls out from under The Van.

\[
\text{MELVIN}
\]
Gas Tank hit...?

Vinh nods, yes, he gets behind The wheel starting The Van. He strikes the steering wheel.

\[
\text{VINH}
\]
...Not much Gas...

He turns off The Van. Paul nears Otis.

\[
\text{PAUL}
\]
Da first thing dat Gook is gonna’

Otis ties a tourniquet around David’s Upper Leg.

\[
\text{OTIS}
\]
Try to relax, David.

He then gets The Sat-Phone, dials a number.

\[
\text{PAUL}
\]
Who you calling?

\[
\text{OTIS}
\]
Tien. She can get us outta here.

Paul tries to Snatch the phone from him but Otis grabs him with his Free Hand and tries to push him away. Paul rips The Phone free SMASHING it against the SUV.

Everyone is stunned.

\[
\text{MELVIN}
\]
I feel like shootin’ you Dead in Yo’ Ass.

MELVIN
You know Tien?

VINH
No. I do not.
