EXT. THE GREAT WALL - NIGHT (SEQUENCE 1.0)

A MASSIVE, magnificent stone barrier snakes along the mountain tops of China. A lone GUARD patrols it. All's quiet, til...

WHOOSH! A falcon swoops over him, knocking off his helmet. It flies upward, RIPPING the Imperial flag from a pole; the crescent moon shines. The guard follows as the bird drops the flag. It flutters over the wall, revealing

A DARK, OMNIOUS MAN in SHADOW, clinging to the side. He GRABS the Guard before he can scream - LIFTING him into the air as

HUNDREDS of grappling hooks clamp onto the wall.

IN THE GARRISON

Startled guards look up as the shadowy MAN enters their sanctuary. As he RAISES his distinctive, curved sword...

INT. EMPIRE'S PALACE - NIGHT

Doors burst open. The EMPEROR, his aide CHI FU, and several men quickly enter

A CAVERNOUS WAR ROOM - a huge model of China in its center.

EMPEROR

Your report, General.

The General steps through a section of 'The Great Wall.'

GENERAL

The Huns crossed our border here, Your Majesty!

CHI FU

(shocked)

Impossible! No one can get through the Great Wall.

The Emperor holds up his hand.

The General strides across the model with his pointer.

GENERAL
He's already destroyed one village and is expected to reach the Imperial City in a matter of weeks.
(then)
We'll set up defenses around the city immediately.

EMPEROR
No -- send the troops out to stop him.

GENERAL
But you will be left unprotected.

The Emperor slams the pointer.

EMPEROR
(sternly)
I'll not let him take the lives of any more of my people.

The General nods respectfully.

EMPEROR
Chi Fu!

Chi Fu stands at attention.

CHI FU
Yes, Your Highness!

EMPEROR
Deliver conscription notices throughout all the provinces, call up reserves and as many new recruits as possible!

GENERAL
Forgive me, Your Majesty, but I believe our present force will be sufficient to stop him.

EMPEROR
I won't take any chances, General.

C'mon, smart boy...

The dog pants excitedly. Mulan picks up a bag of grain.

MULAN
Ready to do my chores?

Tying the bag to his tail and a chicken leg over his head, she opens the door.

As the dog chases the chicken leg into the yard, the grain bag breaks, sending the chickens into a feeding frenzy.

Mulan watches -- it'll do -- and quickly starts to gather teacups.

EXT. FA FAMILY TEMPLE

The hungry dog pursues the leg, running towards the TEMPLE.

INT. FA FAMILY TEMPLE

FA ZHOU, Mulan's dignified father, kneels before the ancestral stone beis and lights incense.

FA ZHOU
(praying)
Honorable Ancestors, please help Mulan impress the matchmaker today.

The dog runs in; seconds later the chickens enter, pecking at the spilled grain.

FA ZHOU
Please... please help her.

EXT. FA FAMILY HOUSE

Mulan hurries to the temple, stopping to feed her dog.

INSIDE THE TEMPLE

Fa Zhou slowly rises from the floor with the help of his cane. He turns to see his beloved, tardy daughter.

MULAN

Well, first I have to meet someone special for tea.

She smiles at him; Fa Zhou tries not to smile, but can't help himself. She's got him.

FA ZHOU
Hmmm...

ON ONE RED TEACUP among GREEN ONES. Mulan's hand reaches in.

MULAN
Ready?

Mulan spins the tray -- as it circles around, they each grab a cup. Fa Zhou holds up the red one.

MULAN
How do you always do that?

Fa Zhou smiles and CHUCKLES, then stops the tray from spinning.

FA ZHOU
As much as I enjoy this... these games must soon end.
    (then; warmly)
The time has come for you to carry on the family honor.

Mulan looks up at him -- she wants to please him.

MULAN
(small smile)
I won't let you down, Baba.

Full of hope, they sip their tea.

EXT. VILLAGE ROAD - CONTINUOUS

GRANDMOTHER FA, a tiny feisty woman, surveys a busy street filled with carts and travellers. She holds up a cage containing a CRICKET.

GRANDMOTHER FA
Okay, cricket, let's see how good you are.

With her eyes closed, she steps into traffic. All around her, vehicles SWERVE and COLLIDE to avoid her. Miraculously, she makes it across. Opening her eyes, she looks at the cricket gleefully.

GRANDMOTHER FA
Yep! You're a lucky one!

The cricket faints. FA LI, Mulan's mother, joins her.

FA LI
(worried)
Where's Mulan?

She points to a group of elegantly dressed girls.

FA LI
The other girls have been preparing all morning!

GRANDMOTHER FA
There was an accident. She's probably stuck in traffic.

The BATHER looks Mulan over, and prepares her for a bath.

Bather:
THIS IS WHAT YOU GIVE ME TO WORK WITH
WELL HONEY I'VE SEEN WORSE
WE'RE GOING TO TURN THIS SOW'S EAR INTO A SILK PURSE

Mulan sits in the tub, shivering.

MULAN
It's freezing!

FA LI
It would've been warm if you were here on time.

SPLASH! The Bather dumps water onto Mulan, then begins scrubbing her hair.

Bather:
WE'LL HAVE YOU WASHED AND DRIED

Grandmother Fa inspects goods at a stall. She touches an old stone statue. The head falls off. She quickly replaces it with a little doll's head. From out of the shadows steps a creepy MERCHANT.

MONKEY MERCHANT
Ahhh, Grandma Fa... In what might I interest you? Tea, perfume...

He looks around, furtively, then holds something up.

She holds a mirror up. Mulan is the perfect porcelain vision, like all the other girls, except... she takes a tiny piece of hair and curls it over her forehead. That's better.

Fa Li unwraps a cloth, revealing a beautiful hair comb. Lovingly, she places it in Mulan's hair.

FA LI
There, you're ready.

Mulan and her mother share a warm smile as Grandmother Fa enters, her arms full of various good luck charms.

INT. MATCHMAKER'S ROOM

Mulan stands silently as the Matchmaker circles her, inspecting.

MATCHMAKER
Too skinny...hmmf. Not good for bearing sons.

As she makes note, the cricket escapes and jumps onto the Matchmaker's shoulder. Mulan grabs him; tosses him. He hops back onto Mulan's shoulder, her head-- he won't leave. As the Matchmaker turns to face Mulan, she pops the cricket into her mouth.

MATCHMAKER
Recite the final admonition.

Mulan is caught.

The Matchmaker circles her, listening.

MULAN

This shall bring you honor and glory.

She breathes a sigh of relief. Not so fast. The Matchmaker
snatches the fan away, looking it over.

MATCHMAKER
(suspiciously)
Hmm...

Finding nothing, she grabs Mulan's arm and leads her off.

MATCHMAKER
This way!

She points to a table set with tea; her hand covered with
black ink from Mulan's arm.

MATCHMAKER
Now, pour the tea.

Mulan and the Matchmaker sit.

MATCHMAKER
To please your future in-laws, you must
demonstrate a sense of dignity...

She rubs her fingers on her face, leaving an ink moustache.
Mulan stares, and accidentally pours tea onto the table.

MATCHMAKER
(eyes closed; grandly)
... and refinement.
Mulan sees the cricket relaxing in the tea cup. She panics.

MATCHMAKER
You must also be poised.

The Matchmaker takes the cup.

MULAN
Umm... pardon me.

MATCHMAKER

Mulan's stuck. She watches as the cricket's antennae curl up towards the Matchmaker's nose on each inhale.

MULAN
(trying to remain calm)
Umm... uh... could I just--
(reaching for the cup)
... take that back-- for a moment...

She tugs at the cup. SPLASH! The tea spills on the Matchmaker as the cricket leaps down her dress.

MATCHMAKER
Why you clumsy...
(noticing the cricket)
Whaa... Ooh! Aaagh! Oooh!

CRASH! The Matchmaker knocks over and lands in the incense burner.

The Matchmaker, steaming, turns to Mulan.

MATCHMAKER
You may look like a bride, but you will never bring your family honor!

Fa Li and Grandma gather around Mulan consolingly. The villagers bow their heads and start to turn away.

VILLAGERS
Her poor family... what a shame...

Mulan listens to the whispers.

FA ZHOU
This one's late. But I'll bet that when it blooms...

MUSHU O.S.
(laughing)
Okay, okay, I get the drift.

Mushu stands proudly on his pedestal.

MUSHU
I'll go!

The ancestors burst into derisive laughter.

MUSHU
You all don't think I can do it? Watch this here.

He blows a tiny little flame from his mouth.

MUSHU
Oww! Jump back -- I'm pretty hot, huh?

FIRST ANCESTOR
(admonishing)
You had your chance to protect the Fa family.

ANCESTOR 8 (FEMALE)
Your misguidance led Fa Deng to disaster.

FA DENG, an ancestor holding his head in his hands, glares at Mushu.

FA DENG (MALE)
Yeah, thanks a lot.

MUSHU
(staring blankly)
And your point is...

The First Ancestor appears beside Mushu, floating in mid-air.

FIRST ANCESTOR
The point is we will be sending a real dragon to retrieve Mulan.

MUSHU
What-- what-- who you calling-- I'm a real dragon!

FIRST ANCESTOR
You are not worthy of this spot...
(leaning in; sneering)
... and you never will be.

FIRST ANCESTOR (cont'd)
(snarls)
Now awaken the Great Stone Dragon!

He throws Mushu out the door. A beat before Mushu pokes his head back in.

MUSHU
(smiling)
So, you'll get back to me on the job thing.

A GONG FLIES through the air, hitting Mushu in the face. The First Ancestor rubs his temple and sighs.

EXT. COURTYARD

Mushu starts down to the Great Stone Dragon.

MUSHU
(frustrated)
Just one chance; is that too much to ask? I mean, it's not like it'd kill you!

Mushu walks up to the enormous Stone Dragon perched on a crumbling pedestal and starts BANGING his gong.

MUSHU
Yo, Rocky! Wake up! You've got to go fetch Mulan!
(boy to dog)
C'mon, boy! Go get her! Go on!

Mushu throws his mallet over his shoulder and starts to climb the Dragon.

MUSHU
(GROWLING)

No response. Mushu hits the Dragon's ear with his gong.

MUSHU
Hello... hellooo!!!
(off huge whack)
Hello!!!

The Dragon's ear comes loose in his hand.

MUSHU
Uh-oh.

He tries to stick the ear back on, but it's hopeless. The Great Stone Dragon CRUMBLES, taking Mushu down with it.
As the dust clears, Mushu COUGHS and peers at the Great Stone Dragon's face, the only piece intact.

MUSHU
Uh, Stony... Stony?
(panicking)
Oh man, they're gonna kill me.

FIRST ANCESTOR O.S.
Great Stone Dragon!

Mushu freezes, then sees

The First Ancestor, at the window of the family temple.

FIRST ANCESTOR
Have you awakened?

A beat before the head of the Great Stone Dragon pops up from the bushes. Mushu struggles to hold it steady. Then, he lowers his voice and assumes a persona, a la the Great and Powerful Oz. He waggles the stone face as he speaks.

MUSHU
(god-like)
I, ah, I ah, yes I just woke up! I am the Great Stone Dragon. Good morning! I will go forth and fetch Mulan! ...Did I mention that I was the Great Stone Dragon?

FIRST ANCESTOR
Go! The fate of the Fa family rests in your claws!

MUSHU
(as the Great Stone Dragon)
Don't even worry about it! I will not lose face!

He loses his grasp on the face. It rolls down the hill, Mushu still holding on.

MUSHU
(falling)
Ahhh oww, oh ohh owwww...

SMASH! He lands beside the Great Stone Dragon's pedestal; the head on top of him.

MUSHU
(in pain)
Owww, my elbow. Ohh...

(Continued)
CONTINUED:

He kicks off the head and sits up dejectedly.

MUSHU
That's just great-- now what?! I'm doomed! And all 'cause Miss Man decided to take her little drag show on the road!

Cri-Kee, the cricket, tugs on Mushu, CHIRPING, "Why don't you go get her?" Mushu looks down at him.

MUSHU
Whaddya mean, go get her? Are you crazy? The Ancestors don't want me near her. (then, picking up a piece of Stony) After this mess, I'd have to bring her home with a medal to get back in there.

Mushu stares at the temple, thinks a beat, then smiles.

MUSHU (CONT'D)
That's it! I'll make Mulan a hero and they'll have to give me my pedestal back! Ooh, I am brilliant!

The CRICKET NODS and starts to take off as Mushu follows.

MUSHU (cont'd)
And what makes you think you're comin'?! Mushu runs past him. Cri-Kee panics, watching Mushu exit towards the gate. Cri-Kee CHIRPS, "I'm Lucky." Mushu keeps running.

MUSHU
You're lucky? Ha! Do I look like a sucker to you?

The cricket CHIRPS some more as he catches up to Mushu.

MUSHU (CONT'D)
What do you mean a loser?! How about I pop one of your antennae off and throw it across the yard? Then who's a loser? Me or you?

And as they take off down the road...

The still night sky - a FALCON cuts across. Then, a shadowy figure gallops by on a horse... Shan-Yu.

SFX: THUNDERING HOOVES

as a swarm of Huns closely follow. They race through the night, until

CLOSE ON SHAN-YU. Sensing something, he quickly motions his army to be still. Reins pull, horses instantly quiet. He signals, sending his ELITE SQUAD of five into the brush.

Seconds later, TWO CHINESE SOLDIERS are thrown at Shan-Yu's feet.

ELITE HUN
Imperial scouts.

Shan-Yu jumps off his horse, carrying a torch. SLOWLY PAN up to reveal his huge, threatening form for the first time. The men gasp. He drops the torch in front of them and approaches, the falcon alighting on his arm.

SHAN-YU
Nice work, gentlemen... you found the hun army.

The Huns CHUCKLE. Shan-Yu moves in closer, and starts to fix SCOUT ONE'S scarf.

SHAN-YU
Wouldn't your superiors be proud.

IMPERIAL SCOUT 2
(scared)
The Emperor will stop you.

SHAN-YU
(calmy)
Stop me? He invited me.

He grabs Scout 2, lifting him high into the air.

SHAN-YU
(voice rising)
By building his wall, he challenged my strength. Well, I'm here to play his game.

(quietly; in his face)
Who are you betting on?
CONTINUED:

The Scout sweats. Shan-Yu throws him to the ground.

SHAN-YU
Go! Tell your Emperor to send his strongest armies!

Shan-Yu watches them run off.

SHAN-YU
I'm ready.

He thinks for a moment, then turns to the ARCHER HUN.

SHAN-YU
How many men does it take to deliver a message?

The Archer lines up an arrow on his bow.

ARCHER
One.

As he pulls the arrow back...

EXT. HILLTOP - DAY - (SEQUENCE 7.5)

CUT TO:

CLOSE-UP on Mulan's determined face as she holds her sword before her.

MULAN
Alright, you slimy Hun, prepare to meet your ancestors!

(then)

Eeeyaah!

She thrusts her sword at Kahn-- he easily lifts a leg and STOMPS on it. Mulan flips over, falling flat on her back. Kahn WHINNIES, shaking his head.

MULAN
Maybe if I just lie here, the Huns'll trip over me.

She gets up and looks forlornly at the army camp.

MULAN
It's going to take a miracle to get me into the army.

Suddenly, from the forest comes Mushu's version of a Southern Baptist minister.

MUSHU O.S.

Mulan looks up, shocked, to see a huge, horrific shadow on the rocks. KAHN WHINNIES.

MUSHU
Lemme hear you say, "Owww!"

MULAN
(frightened)
Ahhh!

MUSHU
(as preacher)
That's close enough!

MULAN
(GASPS)
A ghost!

She quickly picks up her sword, holding it defensively as she watches Mushu's giant shadow.

MUSHU
Get ready, Mulan - your serpentine salvation is at hand! For I have been sent by your ancestors to lead you...

Mushu LAUGHS, then blows fire.

MUSHU (cont'd)
...through the hood of man and onto the path of glory! So heed my words, 'cause if the Army finds out you're a girl, the penalty is death!
(to cricket)
C'mon, if you're gonna stay, you're gonna work.

The cricket furiously fans the flames.

MULAN
(in awe)
Who are you?

MUSHU
Who am I? Who am I? I am the guardian of lost souls! I'm the powerful, the pleasurable, the indestructible -- Mushu!

Mushu makes his grand entrance from the bushes.

(CONTINUED)
MUSHU
Ha, I'm pretty hot, huh?

WHAM! Kahn stomps on him... and keeps stomping. He stops, eventually.

MUSHU
(a mess; to Mulan)
What, you've never seen a guardian before?

MULAN
(polite; confused)
You're-- I just... ahh, my ancestors sent a little lizard to help me?

Mushu takes offense.

MUSHU
Hey, dragon, dragon-- not lizard. I don't do that tongue thing.

Mushu HISSES in a poor attempt to be a lizard.

MULAN
But... you're... uh...

MUSHU
(cutting her off)
Intimidating? Suave and dashing?

MULAN
Tiny?

MUSHU
Of course! I'm travel size for your convenience! If I were my real size...
(motioning to Khan)
Your cow here would die of fright. And we need him to carry us!

Khan tries to bite Mushu's hand, but Mushu jerks it away in time.

MUSHU (CONT'D)
Down, Bessie.
(then)
Yes, my powers are beyond your mortal imagination! For instance, my eyes can see straight through your armor.

He starts to look-- Mulan instinctively slaps his face.
CONTINUED:

MUSHU (cont'd)

That's it! Dishonor, dishonor on your
whole family!

Make note of this.

Cri-Kee pulls out a leaf and a twig and begins to take notes.

MUSHU (cont'd)
(placing a curse)
Dishonor on you, dishonor on the bug,
dishonor on your cow...

Mulan, worried, grabs Mushu.

MULAN
Stop-- I'm sorry, I'm sorry!
(then; setting him down)
I'm just... nervous. I've never done
this before. And I could certainly use
your help.

MUSHU (CONT'D)
Then you're gonna have to trust me. And
keep your hands to yourself. We clear on
that?

Mulan nods.

MUSHU (CONT'D)
Good, then let's move it out!
(to Cri-Kee)
Bug boy, get the bags!
(to Khan)
Bessie, giddyap!

CROSS DISSOLVE TO:

EXT. ARMY ENCAMPMENT - DAY - (SEQUENCE 8)

Mulan self-consciously gets off her horse as a group of
recruits give her blank stares. She watches them with
apprehension, then removes her helmet.

Mushu and the cricket peer at her from inside.

MUSHU
Okay, this is it. Time to show 'em your
"man walk." Shoulders back, chest high,
feet apart, head up... and strut!
CONTINUED:

Mulan starts awkwardly walking through camp, observing the troops itching, scratching and picking various body parts.

MUSHU  
(in awe)  
Beautiful, isn't it?

MULAN  
They're disgusting.

MUSHU  
No, they're men. And you're gonna have to act just like them, so pay attention.

Mulan and Mushu approach a SOLDIER, displaying a dragon tattooed on his chest to YAO, a short kid-like man always spoiling for a fight. His friends LING, a tall, thin joker and CHIEN PO, a large taciturn man, look on.

SOLDIER  
(to Yao and Ling)  
Look! This tattoo will protect me from harm.

YAO  
Hmmm...

WHAM! He punches him in the chest.

LING  
(laughing)  
Hope you can get your money back.

Mulan reacts.

MULAN  
(eyes wide)  
I don't think I can do this.

Yao notices Mulan.

YAO  
What're you looking at?

He spits in front of her.

MUSHU  
Ooh, nice distance. Now slap his behind!  
It means he did good.

Mulan tentatively slaps Yao's behind. Yao freezes, unable to believe what just happened. Then... he GRABS her.

CHIEN PO
Yao... relax and chant with me.

YAO

CHIEN PO
(calmingly)
Nan-wu-ah-me-toe-fu-da...

YAO
(angrily)
Nan-wu-ah-me-toe-fu-daaa...

CHIEN PO
Feel better?

YAO
(not really)
Yeah.

Chien Po sets Yao down. Yao starts to walk off.

YAO
(to Mulan; over his shoulder)
Eh, you ain't worth my time, chicken boy.

Suddenly, Mushu pops out of Mulan's collar.

MUSHU
(yelling)
Chicken Boy?!? Say that to my face, ya limp noodle!

Yao grabs Mulan.

YAO
Grrrrr!

He throws a punch; she ducks. Yao HITS Ling, dropping him to the ground.

YAO
(sweetly)
Oh, sorry, Ling.

Yao turns around and sees Mulan sneaking away.

YAO
Hey!

He grabs for her foot, but Ling tackles him into Chien Po.

LING
(fighting; to Yao)
You’re dead...

Mid-punch, Ling looks up to see Mulan running away.

LING
Oh, there he goes!

Yao, Chien Po and Ling chase after Mulan. She runs into a tent; they follow-- but come out without her.

Moments later, Mulan sneaks out of the tent to see

Yao, then Ling stop short before a long line of men waiting for food. Chien Po runs up, but can’t brake. Boom-- he starts a domino effect, sending the last man into a giant cauldron. As rice flies everywhere, the men turn and stare at Mulan, fuming.

Chi Fu observes the mess, makes note, then enters...

INT. ARMY TENT (SEQUENCE 8 INSERT)

The General goes over a map of China while SHANG, a young officer, listens intently.

GENERAL
(pointing)
The Huns have struck here, here, and here.

I will take the main troops up towards the Tung-Shao pass, and stop Shan-Yu before he destroys this village.

CHI FU

Captain?

Chi Fu mouths the word, "Captain?"

CHI FU
This is an enormous responsibility,
General. Perhaps a soldier with more
experience--

GENERAL
(reciting)
Number One in his class, extensive
knowledge of training techniques, an
impressive military lineage -- I believe
Li Shang will do an excellent job.

SHANG
(excited)
Oh, I will! And I won't let you down;
this is, I mean--
(staring straight ahead)
Yes, Sir.

GENERAL
Very good, then.

He gathers his helmet.

GENERAL
(to Shang)
We'll toast China's victory at the
Imperial City.

He turns to Chi Fu.

GENERAL
I'll expect a full report in three weeks.

The General exits.

CHI FU
(to Shang; snide)
And I won't leave anything out.

He shoots an "I'll be watching you" look to Shang before
leaving.

(CONTINUED)
A moment before Shang reacts, thrilled with his new position.

SHANG
(impressively)
"Captain Li Shang."
(then; regally)
"Leader of China's finest troops"-- no,
"the greatest troops, of all time."

He likes the way that sounds, and proudly walks out of the tent.

EXT. ARMY ENCAMPMENT

Shang stands beside

THE GENERAL AND CHI FU

who are observing a massive fight. Head slamming, teeth flying. Shang, flustered, watches as a soldier keels over in front of them.

CHI FU
Most impressive.

The General steps over the fallen soldier and climbs onto his horse.

GENERAL
Good luck, Captain.

Shang watches as he rides off with his battalion of men.

SHANG
(under his breath)
Good luck, father.

Chi Fu turns to Shang and WHIPS out his brush and pad.

CHI FU
(smiling)
Day One...

Shang gathers himself and turns to his men.

SHANG
(yelling)
Soldiers!

The men immediately pull back, leaving Mulan alone on the ground. They all point at her.
Shang approaches Mulan.

SHANG
(to Mulan)
I don't need anyone causing trouble in my camp.

MULAN
(nervously)
Sorry...
(recovering; manly)
I mean sorry you had to see that, but you know how it is when you get those manly urges, and ya just gotta kill something,
(cleaning her ears)
Umph... fix things... cook outdoors...

Shang grabs Mulan by the collar.

SHANG
What's your name?

MULAN
(nervously)
Uh... I, uhh...

Chi Fu appears beside Shang.

CHI FU
Your commanding officer just asked you a question!

Mulan is totally flumoxed.

MULAN
(sweating)
I've got a name, heh... and it's a boy's name, too.

Mushu pops out behind her head and whispers in her ear.

MUSHU
(prompts her)
Ling! How 'bout Ling?

MULAN
(points to Ling)
His name is Ling.
SHANG
I didn’t ask for his name. I asked for yours.

MUSHU
(thinking)
Try... uhh... Chu!

MULAN
(blurts out)
Ah-Chu!

SHANG
Ah-Chu?

MUSHU
Gesundheit!
(laughing)
I kill myself.

MULAN
Mushu!

SHANG
Mushu?

MULAN
No!

SHANG
Then what is it?

MUSHU
Ping. Ping was my best friend growing up.

MULAN
(to Shang)
It's Ping.

SHANG
Ping?

MUSHU
'Course Ping did steal my--
(MUFFLED)
...girlfriend while I was molting.

Mulan keeps her hand over Mushu's mouth.

MULAN
(certain)
Yes. My name is Ping.

Shang stares intently at Mulan as he holds out his hand.

**SHANG**

She nervously hands it to him.

**CHI FU**

"Fa Zhou"... the Fa Zhou?

**SHANG**
I didn't know Fa Zhou had a son.

**MULAN**
(manly)
He doesn't talk about me much.
(hocking a loogie)
Hwaaaark...
(spitting)
Ptooeey...

Only she can't get the saliva dangler to fall.

**CHI FU**
(whispering to Shang)
I can see why-- the boy's an absolute lunatic.

Shang assumes his officious manner and turns to the troops.

**SHANG**
Thanks to your new friend Ping, you'll spend tonight picking up every single grain of rice. And tomorrow, the real work begins!

Yao, Ling and Chien Po GLARE and GROWL at Mulan.

Alright, rise and shine, sleeping beauty!

Mulan slowly sits up as Mushu rips away her blanket and rushes around the tent.

MUSHU
C'mon, hup, hup, hup! Get your clothes on, get ready-- got breakfast for you...

Mulan wipes her eyes.

MUSHU
(holding out a bowl)
Look-- you get porridge...

ON THE PORRIDGE - two eggs and a piece of pork make a smiley face.

MUSHU
... and it's happy to see you!
(noticing cricket in porridge)
Hey-- get outta there.
(flicking him away)
You're gonna make people sick!

MULAN
(dressing)
Am I late?

Mushu stuffs food into her mouth.

MUSHU
No time to talk. Now remember, it's your first day of training, so listen to your teacher, and no fighting -- play nice with the other kids... unless, of course, one of the other kids want to fight, then you have to kick the other kid's butt.

MULAN

C'mon, scare me, girl!

Mulan GROWLS at him, annoyed. He smiles, satisfied.

MUSHU
That's my tough looking warrior! That's what I'm talkin' about! Now get out there and make me proud!

KAHN pokes his head into the tent and WHINNIES.

MUSHU
Whaddya mean the troops just left?

MULAN
They what?

OUTSIDE THE TENT

Mulan hurries off as Mushu starts after her.

MUSHU
Wait! You forgot your sword!

Only she's gone. He sighs.

MUSHU

My little baby... off to destroy people.

That's not funny!

Ling sees Mulan heading towards them.

LING

Looks like Rice Boy slept in this morning.

She tries to join them, only they push her down the line.

Mulan comes to a stop beside Ling and Yao.

LING
(to Mulan; fake concern)
Ohh, your shoes are on the wrong feet.
You must be really tired.

YAO
How 'bout a little...
(giving her a wedgie)
... pick me up?

Mulan gasps as the men laugh at her underwear necklace.

SHANG O.S.
Soldiers!

The men stand at attention as Shang enters.

SHANG
You will assemble swiftly and silently every morning.

He takes off his shirt-- he's hot. Mulan sneaks a peek.

SHANG
Anyone who acts otherwise, will answer to me.

YAO

Ooh, tough guy.

SHANG

Thank you for volunteering.

Retrieve the arrow.

Yao bows, then approaches the pole.

YAO

(mumbling)

Oh, I'll get that arrow, Pretty Boy-- and I'll do it with my shirt on.

Shang holds up his hand.

SHANG

One moment. You seem to be missing something.

Shang opens a box and takes out an elaborately carved disc of stone. He holds up Yao's wrist and ties the disc to it with a colorful silk ribbon.

SHANG

(re: the disc)

This -- represents discipline.

(tying on another disc)

And this, represents strength.

Yao falls to the ground under the weight of the stones.

SHANG

You need both to reach the arrow.

Yao looks at the top of the pole, then aggressively begins his climb. Grunting, sweating-- he starts to make it up, but the weights are too much. He CRASHES to the ground. Chien Po, Ling and Mulan attempt the same and fail. Mulan slowly walks past Shang.

SHANG

We've got a long way to go.

Shang tosses long, wooden poles to the men as he begins TRAINING. Throughout, the men try to sabotage Mulan.

YOU'RE UNSUITED FOR THE RAGE OF WAR
SO PACK UP GO HOME YOU'RE THROUGH
HOW COULD I MAKE A MAN OUT OF YOU

Mulan turns to leave when she spies the arrow atop the pole. Determined, she starts to climb the pole. She falls, then gets an idea. Tying the stone discs together, she uses them to pull herself up the pole. The men come to watch, admire, and be motivated by her.

He opens it, revealing a LITTLE DOLL. A beat before the
falcon alights on his shoulder.

Shan-Yu studies the doll, then brings it in close... SNIFFING

They see the doll in his hand.

BIG ELITE HUN

SHAN-YU
Look closer... what do you see?

Mushu, his ears acting as blindfolds, holds out her clothes.

MUSHU
Alright, alright-- that's enough! Now come on, get out before you get all pruny and stuff.

MULAN (relaxed)
Mushu, if you're so worried, go stand watch.

Mushu walks back to the cricket, his eyes still covered.

MUSHU (imitating Mulan)
Yeah yeah, "stand watch Mushu while I blow our secret with my stupid girly habits." Pffft. Hygiene.

Suddenly, from the hill comes the sound of running feet. The cricket starts CHIRPING.

LING O.S.
Whaaa!!

YAO O.S.
Me first! Me first! Me first!

Mushu opens his eyes to see the Gang of Three running towards the lake, shedding their clothes.

MUSHU (panicked)
Aaaaah! We're doomed! There are a couple of things I know they're bound to notice!

He heads towards the lake.

LING O.S.
Hi-yaaaahh!!

Mulan panics and ducks into the water.

(CONTINUED)
LING/YAO O.S.
Aii-yahyahyah!!

Ling, then Yao jump into the lake. Chien Po tests the water with his big toe, then does a cannonball.

CHIEN PO
Whooo!!

The Gang of Three splash about, having fun. Under cover of a lily pad, Mulan makes her way towards a rock. Yao sees her.

YAO
(happily)
Hey, Ping!

Mulan freezes.

MULAN
(smiling; feigning surprise)
Oh -- hi, guys. I didn't know you were here.

They look at each other, confused.

MULAN
I was, just, washing, so now I'm clean, and I'm going to go... bye bye.

She ducks behind a rock. Ling backstrokes towards her, a lotus lily pad strategically placed.

LING
Come back here!
(swimming to her)
I know we were jerks to you before, so...
let's start over.
(holding out his hand; assuming a persona)
Hi, I'm Ling.

Mulan quickly shakes his hand.

MULAN
(nervously)
Heh.

Before she can get away, Chien Po appears beside her.

CHIEN PO
(smiling)
And I'm Chien Po.
CONTINUED:

MULAN
(fake smile)
Hello, Chien Po...

SPLOOSH -- A pair of naked legs climb onto a rock in front of them.

YAO O.S.
And I... am Yao!

Mulan turns around to see Yao. Horrified, she covers her eyes.

YAO
King of the Rock!
(teasing)
And there's nothing you girls can do about it!

LING
Oh yeah? Well I think--
(pointing to her)
...the Ping and I can take you.

Mulan starts to swim off.

MULAN
I really don't want to take him anywhere.

LING
Ping -- we've been challenged. We have to fight!

MULAN
No, we don't. We could just, close our eyes... 
(miming swimming)
-- and swim around...

Ling grabs her arm.

LING
C'mon, don't be such a gir--
(grabbing his butt)
OUCH! Something bit me!

CLOSE-UP of Mushu, making a disgusted face behind Ling.

MUSHU
Uggh, what a nasty flavor!

Ling turns and sees him.
CONTINUED:

LING
Snake!
(running towards the men)
Ahhhh!

Chien Po and Yao react, quickly hopping onto a rock.

CHIEN PO/YAO
Aaahh! Snake! Snake!!!

Mulan WHISTLES for Kahn. As the Gang of Three peer nervously into the water, Mulan gets out of the lake using Kahn as a shield. Mushu rides on Kahn's tail.

The Gang of Three remain huddled on the rock.

LING
(to Yao)
Some king of the rock.

Yao shoves Ling into the water.

Mulan starts putting on her clothes.

MULAN
Boy, that was close.

MUSHU
(brushing his teeth)
No, that was vile! You owe me big!

Squirting more toothpaste on his brush, he continues SCRUBBING.

SOLDIERS O.S.
(yelling)
Yaaaaaaahh!!!

As the rest of the troop's naked legs stampede past them, Mulan looks at Mushu.

MUSHU
Don't look at me. I ain't biting no more butts.

And off his attitude...

CUT TO:

EXT. CHI FU'S TENT - MOMENTS LATER (SEQUENCE 8.4)

Chi Fu smugly scolds Shang as Mulan, Mushu, Kahn and Cri-Kee approach.

(CONTINUED)
CONTINUED:

CHI FU O.S.
You call yourself a Captain? Those boys aren't ready to fight...

INSIDE THE TENT
Chi Fu paces as Shang sits silently, trying to compose himself.

SHANG
They completed their training.

CHI FU
They wouldn't last a day against the Huns. Hmph. Once the General reads my report, your men will never see battle.

OUTSIDE THE TENT
Mushu reacts, worried.

MUSHU
(to Cri-Kee)
Now how am I gonna make Mulan a hero if she doesn't fight?

INSIDE THE TENT
Shang grabs Chi Fu by the collar, turning him to face him.

SHANG
You can't do that. You know--

CHI FU
(taking his hand off his shoulder)
Be careful, Captain. The General may be your father, but I am the Emperor's counsel.
(smugly)
And by the way, I got that job on my own.

Chi Fu haughtily moves towards the entrance.

CHI FU
You're dismissed.

As Shang storms out of the tent...

EXT. CHI FU'S TENT - CONTINUOUS
He passes Mulan.

CONTINUED:

MULAN
(awkward)
I, uh, didn't mean to over--

Shang gives her a harsh glance.

MULAN (cont'd)
(meekly)
--hear.

Shang continues to walk off. Mulan thinks a moment, then:

MULAN
(calling)
We may not see battle, Captain. But
we're ready. Thanks to you.

Shang takes that in for a second, then continues off. Mushu
looks up at Mulan, watching her stare after him.

MUSHU
(not liking it)
I saw that.

MULAN
Saw what?

Mushu mimes her gaze after Shang.

MUSHU
That. You like him, don't you.

MULAN
(defensively)
What? No... I...uh...

MUSHU (cont'd)
Uh-huh.
(then; disgusted)
Go get dressed, and focus!

Mulan walks off as Mushu turns to Cri-Kee.

MUSHU (cont'd)
C'mon, we've got work to do.

CUT TO:
EXT. CHI FU'S TENT - MOMENTS LATER

As Chi Fu exits with a bath brush, towel and soap, Mushu and Cri-Kee sneak inside.

CUT TO:

INT. CHI FU'S TENT

CLOSE ON a picture of Chi Fu in a cheesy pose with the Emperor. Pull back to reveal Mushu, staring at the picture in disbelief and Cri-Kee writing on a piece of paper.

Cri-Kee CHRIPS, "I'm done!" and points proudly at the note.

MUSHU

(reading)
Okay, lemme see what you've got.
From General Li... "Dear Son-- We're waiting for the Huns at the pass. It would mean a lot if you'd come back up."

(nicely)
Hmm, that's great, except you forgot, "and since we're out of potpourri, perhaps you wouldn't mind bringing some up."

(as Mushu)
Hello! This is the army! Make it sound more urgent, please. You know what I'm talking about?

Cri-Kee salutes and starts rewriting.

MUSHU

(looking over his shoulder; excited)
That's better! Much better! Let's go.

Mushu grabs the notice and runs out.

AT THE WATER TROUGH

Kahn takes a leisurely drink; then stops, turning to see Mushu on his back.

MUSHU

(smiling)
Kahmny, baby... we need a ride!

Kahn spits a huge stream of water at him, knocking him to the ground. A beat as Kahn LAUGHS, getting in a good SNORT.

(CONTINUED)
MUSHU O.S.
You liked that, didn't you.

And off Kahn's smile...

CUT TO:

EXT. WOODS - A LITTLE LATER

Chi Fu, dressed in a towel, angrily heads back towards his tent, holding a shoe.

CHI FU
(mumbling)
Insubordinate ruffians.
(yelling towards lake)
You men owe me a new pair of slippers.
And I do not squeal like a girl!

A panda appears, takes the slipper out of Chi Fu's hand and nonchalantly chews it.

CHI FU
(SQUEALS LIKE A GIRL)

Riding on the panda is a soldier "puppet" constructed of real armor, controlled by Mushu. Cri-Kee holds a megaphone to Mushu's mouth.

MUSHU
(lowering voice)
Urgent news from the General!
(off Chi Fu's shocked look)
What's the matter, haven't you ever seen a black and white before?

The puppet shakily extends its arm which holds a scroll. Chi Fu takes the note, looks at the panda, then back at the puppet.

CHI FU
(suspiciously)
Who are you?

MUSHU
(indignant)
Excuse me?! I think the question is, "who are you?" We're in a war, man! There's no time for stupid questions! I should have your hat for that-- snatch it right off your head! But I'm feeling gracious today, so carry on before I report you!

(Continued)
CONTINUED:

Mushu rides off as Chi Fu reads the notice. In the background, Mushu tries vainly to steer the panda as it climbs up a tree. Chi Fu reacts to the note, then looks back, only Mushu and the panda are gone.

INT. SHANG’S TENT - MOMENTS LATER

Shang starts to hang up his armor. Chi Fu bursts into the tent, holding up the notice.

CHI FU
Captain... important news from the General! We're requested at the front!

OUTSIDE THE TENT IN A TREE

Mushu looks to CRI-KEE and smiles.

MUSHU
(cocky)
Pack up, Cri-Kee, we're movin' on out!

EXT. ARMY ENCAMPMENT - THAT NIGHT (SEQUENCE 9.6)

Shang stands in front of his troops, who have gathered their belongings and are awaiting their assignment.

SHANG
Men... The General has located Shan-Yu and the Huns, and our assistance is requested.

ON CHIEN PO

solemnly taking in the news.

SHANG O.S.
We have a long distance to travel, so we must move quickly.

PAN past LING, eagerly listening, and YAO, practically drooling with excitement.

SHANG
Ping, we'll need your horse to pull the lead munitions wagon.

MULAN
Yes, Sir.

(continues)
CONTINUED:

SHANG
The rest of you -- load the cannons and
explosives. Now!
(turning to Chi Fu)
Did you get that?

Shang turns away as Chi Fu faces the men.

CHI FU
Alright, people. You heard him. Let's
move - move - move!

As the men break up, Mushu stands on Kahn's head, patting the
 cricket on the back.

MUSHU
Now can I make things happen, or what?
How do I do it...

The cricket gives him a look as

Mulan unties Kahn.

MULAN
(concerned)
We're really going to fight.

MUSHU
(smiling)
You bet your Baba's boxers we are!

Mushu slides down Kahn's nose.

MUSHU
I'm telling you-- we're going places,
Mulan.

ON CHIEN PO, elbowing Ling.

CHIEN PO
Oh boy, this is our chance to help save
China.
(then)
Maybe we'll gain honor.

YAO
(excited)
Maybe? Ha! We'll be rolling in it!

And off his broad smile...

CUT TO:
EXT. COUNTRYSIDE - DAY - (SEQUENCE 9.5)

CLOSE ON a wagon wheel, uselessly spinning. SPLAT! Mud flies as YAO falls face first into a giant puddle. Mulan and Ling stop straining against the wagon.

YAO
(worn-out)
The Huns can have this part of China.

Chien Po comes in to help get the wagon out of the ditch.

LING
You just have to remember why we're doing this, Yao.

YAO
So we can be overworked and underfed?

CHIEN PO
So our Emperor will be--
(pushing cart)
--ugh-- ever grateful?

LING
(shaking his head; smiling)
No no no.
(then)
The ladies love a war hero...

Mulan looks at him.

LING
(authoritatively)
They see a man in uniform, and they lose control!

The wagon slips.

LING
Whoa!

A beat before Shang appears beside them, helping to push the wagon.

SHANG
Hut two three four! Hut two three four!

Ling sees some girls working in the fields.
A GIRL WORTH FIGHTING FOR

(chanted)
SHANG: HUT TWO THREE FOUR
LING: I MISS MY LIFE BACK HOME IN SZECHUAN
WHEN I WANTED A GIRL IT WAS EASY TO KETCH ONE

SOLDIERS: WHEN WE CAN TALK ABOUT THE ARMY IN THE PAST TENSE
WHEN WE'VE CLEANED OUR LAST LATRINE AND PITCHED OUR LAST TENTS

They see TWO attractive GIRLS carrying buckets of water alongside the road. The girls smile at Mulan; she gives them a weak smile back.

SOLDIERS: WE'LL GO AFTER WHAT WE MISSED THE MOST SINCE WE WENT OFF TO WAR
WHAT DO WE WANT
A GIRL WORTH FIGHTING FOR
LING: (YOU CAN) SAY THAT AGAIN
ALL: A GIRL WORTH FIGHTING FOR

They each go into their fantasy scenarios...

LING: I WANT A PORCELAINE CHINA DOLL WITH CHERRY BLOSSOM LIPS
YAO: MY DREAM GIRL'S STURDY AS AN OX WITH CHILDBEARING HIPS
CHIEN PO: MY FANTASY WILL COOK FOR ME, CAN THAT GIRL STIR FRY
I'LL EAT ALL DAY AS I WATCH HER FRY...
SPOKEN: (DREAMILY) BEEF, PORK, CHICKEN
ANIMALS: MMMMMMM

CHI FU: I'VE A GIRL BACK HOME WHOSE UNLIKE ANY OTHER
MULAN: YEAH, THE ONLY GIRL WHO'D LOVE HIM IS HIS MOTHER
ALL: BUT WHEN WE COME HOME IN VICTORY THEY'LL LINE UP AT THE DOOR
LING: WHAT DO WE WANT
A GIRL WORTH FIGHTING FOR

CHIEN PO: I WANT HER GRACEFUL AS A SWAN WITH VERY TINY FEET
MULAN: (NERV OUSLY TAKING HER TURN WITH MUSHU DOING A CHARADE TO HELP HER)
THE GIRL FOR ME HAS GOT - A LIMP AND TWO ENORMOUS - HANDS
LING: MY MANLY WAYS AND T URN OF PHRASE ARE SURE TO THRILL HER
ALL: HE THINKS HE'S SUCH A LADY KILLER
SPOKEN: WRONG!!!

The men stop singing as they see

BLACK SMOKE curling up into the desolate sky.

CUT TO:

**EXT. BURNED OUT VILLAGE (SEQUENCE 9.8)**

The men slowly enter the smoky remains of a burned out village. It's silent, except for THE HOLLOW CLANG OF A BRONZE PRAYER BELL blown by the wind.

**SHANG**

(solemnly)
Search for survivors.

They make their way among the ruins. Shang enters a charred home, narrowly escaping a falling beam. Yao and Ling look into a wagon, then turn away sadly.

Mulan walks slowly through the village, then stops as she sees a doll, laying on the ground. It is the same doll Shan-Yu held. She picks it up and lowers her head, filled with grief.

Shang dismounts his horse and approaches her.

**SHANG**
I don't understand... My father should have been here.

**CHI FU O.S.**
Captain!

Shang turns to see Chi Fu, standing on the bluff. Shang goes to him; looks down to see

The mass destruction of the ARMY.
CONTINUED:

SHANG, in shock. Chien Po comes up the hill, holding a military helmet.

   CHIEN PO
   (saddened)
   The General...

Shang slowly takes his father's helmet... and turns away.

As the rest of the troops gather along the bluff...

Mulan sees Shang walk off and ceremoniously plant his sword. He takes a moment, putting his father's helmet on top in tribute. She goes to him.

   MULAN
   I'm sorry.

Shang gathers his composure, rises, and mounts his horse.

   SHANG
   (to the men)
   The Huns are moving quickly.

He points towards the mountains.

   SHANG
   We'll make better time to the Imperial City through the Tung-Shao pass.

CLOSE ON Shang.

   SHANG
   We're the only hope for the Emperor now.
   (then)
   Move out!

The men slowly follow, leaving Mulan alone. Before she joins them, she lays the doll beside the General's helmet. As the WIND HOWLS...

CUT TO:

EXT. TUNG-SHAO PASS - DAY (SEQUENCE 9.9)

Mulan and the troops, weary and cold, march towards a mountain pass.

BAM! A ROCKET EXPLODES from the munitions wagon.

The troops stop and look up. Mulan turns and sees
MUSHU AND THE CRICKET

sitting in the wagon. Mushu points a finger at the cricket. Mulan gives Mushu a look as Shang rides over to her.

SHANG
What happened!?!?

MULAN
Uh...

SHANG
(angrily)
You just blew any chance of surprising—

THUNK!

AN ARROW flies into Shang's armor, knocking him off his horse.

From the mountain crest, A HAIL OF FLAMING ARROWS FIRE towards them.

The men and Mulan look up in surprise.

Shang pulls the arrow out of his armor.

SHANG
Get out of range!

The soldiers start to run as

HUNS, up in the mountains, launch HUNDREDS of arrows. Several HIT the munitions wagon, setting it on fire.

SHANG
(pointing)
Save the cannons!

The soldiers retrieve the cannons, heading for the rocks. Mulan starts to grab a cannon when

THUNK THUNK THUNK!

a fresh onslaught of flaming arrows hit.

Attached to the wagon, KAHN rears, WHINNIES.

Mulan cuts him free and rides off just as

BOOM! The wagon EXPLODES.
Mulan and Kahn are knocked to the ground. A beat before Mushu drops out of the sky in front of them.

MUSHU
Oh sure, save the horse.

Mulan grabs him and heads towards the troops, positioned behind the rocks.

ON SHANG
directing the men.

SHANG
Fire!

CLOSE ON a fuse being lit. BOOM! Mulan fires.

The troops continue firing, dislodging Huns from their sniper positions.

A row of cannons are grabbed -- revealing Chi Fu, cowering behind them.

CHI FU
(Auhhh)

The next line of men quickly position their cannons.

THE HUNS

launch another onslaught of arrows as the troops duck.

SHANG
Fire!

THE TROOPS set off their cannons.

BOOM! The mountain rocks from the explosion, sending Huns FLYING. Shang raises his hand.

SHANG
Hold the last cannon!

It's quiet as they look up towards the empty mountain.

Mulan remains silent, watching, transfixed as the last wisps of smoke clear from the mountain slope. Then, A LONE HORSEMAN appears... followed by a massive line of Huns stretching out along the horizon.

The faces of the men drop. They're doomed.
CONTINUED:

CHI FU

Ohhh...

Shang turns to his men.

SHANG

Prepare for battle.

(then)

If we die, we die with honor.

UP ON THE MOUNTAIN TOP

Shan-Yu lets out a barbaric war cry and CHARGES down the slope.

SHAN-YU

Heeeiiahhh!!!

The entire group of Huns GALLOP towards them, swords raised.

Shang turns to Yao.

SHANG

Yao-- aim the cannon at Shan-Yu!

As Yao sets his sights...

MULAN

draws her sword and looks down at her blade; the mountain reflecting in it. She looks up at the mountain, then down to the approaching Huns.

SHINK! She sheathes her sword.

Mulan pushes Yao aside and GRABS the cannon.

YAO

Hey!

She runs towards the Huns.

SHANG

Ping! Come back! ...Ping!

KAHN WHINNIES as the troops react, "what is he doing?!"

Mushu pops out of Mulan's collar.

MUSHU

Don't worry, I've got you covered...

(unsure)

-- with whatever it is you're doing.
CONTINUED:

GASPING, he sees
THE HUNS
charging straight towards them.

MUSHU
Yep, I'm right behind you.

He quickly ducks into her helmet.

SHANG runs after Mulan.

SHANG
Stop!

Mulan plants the cannon and aims at
SHAN-YU
galloping closer, the look of death on his face.

MUSHU
(panicked)
Alright, you might want to light that thing right about now... quickly, quickly!

Mulan starts to light the flint when

BAM! The falcon KNOCKS it out of her hands and sends Mushu flying back into the snow. Mulan grabs Mushu and PULLS on his tail.

WHOOSH! A flame SHOOTS out of his mouth and LIGHTS the fuse.

MUSHU
(coughing)

As the falcon flies off, Mulan sees

SHAN-YU, his sword drawn, right upon her.

Mulan holds up the cannon to block his blow -- he KNOCKS it behind him.

ZIP PAN to the LIT FUSE, ready to go off any second.

Shan-Yu SLASHES his sword at Mulan.

MULAN
Auggh!

YAO, LING AND CHIEN PO

    YAO
    C'mon, we gotta help!

They head down as

MULAN

barely escapes the blade of Shan-Yu's sword. She DIVES under his horse, grabs the cannon and points it at Shan-Yu.

The rocket FIRES. Mushu hangs on to it as it flies high above Shan-Yu's head.

    MUSHU
    You missed! How could you miss! He was three feet in front of you!

(SEQUENCE 10)

WHAM! The rocket lodges into an overhanging mountain top.

MUSHU emerges from the smoking hole.

    MUSHU
    (COUGHING)

THE MOUNTAIN

suddenly explodes and crumbles... causing a huge AVALANCHE.

SHAN-YU

looks back at the thundering mountain side in shock.

MULAN

smiles, relieved her plan worked. Shang looks at her in surprise. She drops the cannon and grabs his hand as

THE AVALANCHE

spills towards them.

THE HUN HORDE

panics and flees.

(CONTINUED)
YAO, LING AND CHIEN PO continue charging towards the Huns.

YAO/LING/CHIEN PO
Yaahhhhh!!!

They stop, watching the avalanche bury the enemy. They start running in the opposite direction.

YAO/LING/CHIEN PO
Agggghhh!!

KAHN
reacts and charges straight towards the avalanche.

SHAN-YU AND HIS ELITE SQUAD
gallop for safety, but it's no use. The avalanche overtakes and BURIES them.

SHAN-YU
Auggghh!

MULAN AND SHANG
try to outrun the snowy force, but it's relentless.

KAHN
gallops towards them.

MULAN
sees him, jumps on, then holds her hand out to Shang.

SHANG
reaches for it, only they're ripped apart by a giant sheet of whiteness.

UP IN THE ROCK SHELTER
YAO, LING AND CHIEN PO
barely have time to jump behind the rocks as

THE AVALANCHE
thunders over the troops, safely ensconced.
ON THE MOUNTAIN SLOPE

MUSHU rides down on a shield, searching.

MUSHU

Mulan!

He sees some hair sticking out of the snow.

MUSHU

Mulan?

He pulls the head up, revealing the scary face of a Hun.

HUN

(angrily)

Arrrr!

MUSHU

(pushing his head back down)

Nope.

He sees something else.

MUSHU

Mulan!

He pulls up the cricket.

MUSHU

Man, you are one lucky bug.

THE AVALANCHE

continues its course, SWEEPING Mulan and Kahn away.

MULAN

(GASPS)

They finally gain some solid footing. Then, Mulan turns and
sees a body sliding down the slope.

MULAN

Shang!

She rides up to him, LIFTS him onto the horse.

THE TOP OF A RIDGE

Ling stands on Chien Po's shoulder, Yao beside them.

CHIEN PO

Do you see them?
Yao aims and fires an arrow with a rope attached.

YAO
Perfect!
(reaching for the rope)
Now I'll pull them to safe...

The rope slips out of his hands.

YAO
...ty.

MULAN and KAHN forge up the mountain; SHANG unconscious.

MUSHU AND THE CRICKET
see them; head over. Mushu holds up Shan-Yu's sword.

MUSHU
Hey, look what I found!

Mulan grabs him.

MULAN
Mushu, I need a rope!

WHACK! Yao's rope flies down beside them. Mulan grabs it.

MULAN
Thanks!

She tosses Mushu behind her; he barely holds on to Kahn's tail as they continue to slip down the mountain.

Then he sees where they're heading-- the EDGE OF THE CLIFF.

MUSHU
We're gonna die we're gonna die! No way can we survive this. Death is coming!

MULAN ties one end of the rope to Kahn's saddle, then picks up the other end, attached to the arrow. She readies the arrow to shoot... they're sliding closer to the edge...

THEY GO OVER! As they start to fall, Mulan SHOOTS the arrow upwards.

(CONTINUED)
ON THE ROCKY LEDGE ABOVE THE CLIFF

The soldiers gather around Yao, trying to comfort him.

YAO
(crying)
I let them slip through my fingers!

WHAP! The rope and arrow land in his hands. He grabs it, and is yanked towards the edge of the rock.

YAO
Ahhh! Ahhh!

THE TROOPS
grab onto Yao, but the momentum pulls them forward.

SOLDIERS
(panicked; pulling)
Uhh! Aughh! Whoa... Pull!

Chien Po calmly approaches, picks them up in one huge group hug, and starts PULLING them back.

DOWN OVER THE PRECIPICE

Mulan, Mushu, Kahn and Shang begin their ascent.

MUSHU
(to Mulan; re: Shang)
You know, if we dump the stiff, we'll get up much faster.

He pops back into her saddlebag.

THE TROOPS
finally pull them to safety. They encircle Mulan and Shang, exhausted but victorious.

LING
Alright, let's give them some air!

YAO O.S.
Who wants to see my blister...

As they back off, Shang looks up at Mulan.

SHANG
Ping... you are the craziest man I've ever met... and for that I owe you my life.

EXT. CAMPsite - LATER (SEQUENCE 15)

Chi Fu watches with disgust as

THE SOLDIERS hoist MULAN on their shoulders.

LING

Let's hear it for Ping--

Chien Po throws her backwards-- the soldiers catch her.

LING

The bravest of us all!

CLOSE ON MULAN - wide-eyed as they toss her into the air.

SOLDIERS/GANG OF THREE

(CHEERING)

Mulan smiles. As they toss her again...

YAO

(to Mulan)

You're king of the mountain!

MULAN

(grabbing her side)

Ughh!

She lands in their arms, but before they can toss her again...

MULAN

Guys, guys-- enough!

(getting down)

I've, uh, been tossed around too much today.

YAO

(disappointed)

Ohhh...

(then; brightening)

Okay, my turn! My turn!

Mulan holds her side, heading off in pain. She looks at her hand-- it's covered with blood.

Mulan stops.

MULAN
Sir?

SHANG
I was thinking, when we reach the Imperial City, I'd like you to present Shan-Yu's sword to the Emperor.

He holds it out to her.

MULAN
(surprised)
Me, Sir?

SHANG
China should know what you've done. (then; quietly) Because of you, no more lives will be taken.

A beat as Mulan takes this in. She wishes she could say something to him, but he retains a quiet dignity.

MULAN
I'd be honored, Captain.

Shang gives her a small, heartfelt smile, then leaves.

Mulan smiles as MUSHU approaches, ecstatic.

MUSHU
Did I hear that right? You-- the sword-- the Big Guy?

Mulan nods.

MUSHU
(euphoric)
I knew we could do it! All you had to do was trust me!

MULAN
(smiling)
We did it.

Well... sort of.

Mushu starts to dance victoriously as Mulan grabs her side.

MUSHU
Hey, Mulan, help me pick my victory pose--
(posing)
Whatcha think?

MULAN
Augggh...

Mushu looks up at her.

MUSHU
Mulan?

AT THE CAMPFIRE

Shang and the men laugh, looking at Shan-Yu's sword.

KAHN WHINNIES.

Shang turns to see Mulan, doubled over in the snow. He hurries to her.

SHANG
Ping! What's wrong?

He stops as he sees BLOOD on her side.

SHANG
(calling to the men)
He's wounded! Get help!

Mulan looks groggily at Shang - her vision blurring.

SHANG
Ping! Hold on... hold on...

Close on his mouth as it goes out of focus.

DISSOLVE TO:

EXT. MEDIC'S TENT - LATER

Yao, Ling, and Chien Po sit in front of the tent as Shang paces, awaiting the Medic's diagnosis.
Mushu and the cricket pace in a circle off to the side.

Finally, the Medic exits the tent. He solemnly approaches Shang and tells him something.

Shang steps back, in shock, then enters the tent. The Gang of Three look at each other apprehensively.

INT. TENT

Mulan lies on a cot. She looks up to see

SHANG

slowly moving towards her.

Mulan gives him a soft, groggy smile. Then freezes as she sees how angry he looks.

She reflexively touches her chest— and looks down to see bandages wrapped around her torso. She's been discovered. She covers herself.

    MULAN
    I can explain—

CHI FU bursts into the room. He looks at Mulan in horror.

    CHI FU
    So it's true!

Shang starts to leave.

    MULAN
    Shang!

EXT. TENT

The rest of the troops have gathered. They watch in shock as Chi Fu exits the tent holding Mulan.

    CHI FU
    (to Mulan)
    I knew there was something wrong with you!
    (to troops)
    A woman! Treacherous swine.

He throws her to the ground as the men gape in utter disbelief.
MULAN
(to Shang)
My name is Mulan.

CHI FU
(to the troops)
High treason!

MULAN
(to Shang)
I did it to save my father.

CHI FU
Ultimate dishonor!

MULAN
It was the only way. Please believe me--

Chi Fu gets in Shang's face.

CHI FU
Carry out the penalty...
(questioning)
Captain...?

Shang sees Mulan, laying on the ground, defenseless.

The Gang of Three move to protect her, but Chi Fu cuts them off.

CHI FU
You know the law!

Mulan looks up to see

SHANG
standing above her, his sword drawn.

MULAN
awaits her punishment, staring at him through moist eyes.
Then drops her head.

Shang throws his sword in the snow, and turns away from her.

SHANG
Move out!

CHI FU
(interjecting)
But you can't just--

(CONTINUED)
SHANG
(quietly; threatening)
I said move out.

EXT. CAMPSITE - LATER

The soldiers solemnly leave camp, avoiding eye contact with Mulan. Shang rides up, Kahn beside him. He doesn't look at her.

SHANG
A life for a life.
(turning)
My debt is repaid.

He gives her Kahn's reins. Mulan looks up at him, pained.

SHANG O.S.
Hiyaa!

And as she watches him ride off...

EXT. ROCK SHELTER - LATER THAT AFTERNOON - (SEQUENCE 17.5)

CLOSE ON A FIRE. Pull back to reveal the cricket tossing twigs into the flame. Mulan huddles beside it as Kahn covers her with a blanket. The cricket crawls in next to Mulan.

Off to the side, Mushu breaks a roasting stick from a tree.

MUSHU
(depressed)
I was this close... This close to impressing the Ancestors... getting the top shelf, an entourage... all my fine work, pfft!

Mushu spears a dumpling and goes to roast it beside Mulan.

MUSHU
(softly)
Hi.

MULAN
I should never have left home.

He checks his dumpling.
CONTINUED:

MUSHU
(making the best of it)
Hey, c'mon, you went to save your father's life. Who knew you'd end up shaming him, disgracing your ancestors, and losing all your friends?
(then; voice breaking)
You've just gotta learn to let these things go...

He lets out a small SOB.

MULAN
Maybe I didn't go for my father... Maybe what I really wanted was to prove I could do things right... so when I looked in the mirror--
(picking up her helmet)
I'd see someone worthwhile.

She looks at her reflection in the helmet.

MULAN
But I was wrong... I see nothing.

She blinks back tears as she lets the helmet roll from her hands. Mushu, touched by her sadness, picks it up and spits on it.

MUSHU
(wiping vigorously)
Well, that's just 'cause this needs a little spit, that's all. Let me shine this up for you; here, look at you, you look so pretty...

He shows her the helmet -- only she doesn't look.

Mushu stares at his reflection in Mulan's helmet. Then...

MUSHU
Look, the truth is, we're both frauds.
The Ancestors never sent me, they don't even like me. You risked your life to help people you love. I risked your life to help myself. At least you had good intentions.

CRI-KEE
(CHIRP CHIRP)
CONTINUED:

MUSHU
Whaddya mean, you're not lucky? So all this time I've been draggin' around a DUD?!
(turning to Kahn; sarcastically suspicious)
What're you... a sheep?

MULAN
I guess we go home now. I'll have to face my father sooner or later.

Mushu looks up, then approaches her.

MUSHU
Don't worry, 'kay? We started this together and that's how we'll finish it. I promise.

He hugs her.

As Shan-Yu's FALCON FLIES over the dejected trio...

EXT. SNOWFIELD - DUSK (SEQUENCE 16)

A vast expanse of whiteness. A shadow floats across it. It's the FALCON, searching through the debris for something, or someone...

ICE SMASHING as

SHAN-YU'S ARM
thrusts through the snow.

THE FALCON
screeches and dives.

SHAN-YU
climbs out of his grave and surveys the damage around him -- all his men are lost.

SHAN-YU
(HOWLING)

A large shield, embedded in a snowbank, suddenly falls. From the other side, a Hun emerges, walks. As he passes a cart
ANOTHER HUN bursts from within. The wheel of the cart rolls
down a ravine, revealing TWO MORE HUNS, climbing out.

Their eyes-- icy, as one spits out his tooth and another
grabs the sword from a frozen gloved hand. They approach

SHAN-YU

who sees that his elite squad is alive. Perfect. He turns
and heads towards the distant lights of the Imperial City
with his men and a smile.

ON THE MOUNTAINTOP

Mulan and Mushu watch them in fear. Mushu's jaw is dropped.

MUSHU
Wow. Quick defrost.

Mulan runs back to Kahn, picking up the sword Shang left
behind. She rushes to Kahn.

MULAN
C'mon, we have to warn them!

MUSHU
No we don't...

But she's already on Kahn.

MUSHU
Did you see those Huns? They POPPED
outta the snow! Like daisies!
(running after her)
Why do ya always have to be so stubborn!
And how stupid am I for following you!

CUT TO:

EXT. THE IMPERIAL CITY - EARLY EVENING (SEQUENCE 19)

Beautiful kites fly in the air. Pan down to reveal a large
CROWD OF PEOPLE lining the streets of the Imperial City.

GUARD

Make way for the heroes of China!

CROWD
(ad-lib)
Hooray! Hail the saviors of China!

(CONTINUED)
Mulan peers through the crowd as SHANG rides by on his horse. Chien Po, Ling, Yao and the rest of the men march solemnly behind him.

MULAN

Shang!

Shang and the Gang of Three stop, and turn in surprise.

SHANG

Mulan?

MULAN

The Huns are alive!

(motioning)

They're in the city!

SHANG

What?

(then; dismissive)

You don't belong here, Mulan. Go home.

MULAN

Shang, I saw them in the mountains. You have to believe me!

SHANG

Why should I?

MULAN

Why else would I come back?

(then)

You said you'd trust Ping... why is Mulan any different?

He remains silent.

MULAN

If you won't believe me, then take this!

You'll need it.

Mulan tosses Shang his sword. He catches it.

MULAN

HeeYaaa!

Mulan gallops away, into the crowd.

HUGE DRUMS SOUND.

FROM THE FIREWORKS TOWER

Thunderous fireworks are set off.
CONTINUED:

ON THE PLATFORM

THE EMPEROR appears in his magnificent robes.

ON MULAN

making her way through the crowd, frantically searching for the Huns. She jumps off Khan.

MUSHU

Hey, where are you going?

MULAN

To find someone who'll listen.

As Mulan rushes through the crowd...

SHANG

makes his way up the stairs towards the Emperor, Shan-Yu's sword in his hand. A PAPER DRAGON follows him closely.

ON THE DAIS

THE DRUMS STOP and a LOUD GONG RESOUNDS.

THE EMPEROR

stands at the front of the platform and addresses the vast, silent crowd.

EMPEROR

My children, Heaven smiles down upon the Middle Kingdom! China will sleep safely tonight. Thanks to our brave warriors, the Huns have been vanquished!

THE CROWD CHEERS O.S.

Mulan approaches a MAN and his family.

MULAN

Sir, the Emperor's in danger!

The man pushes Mulan's hand away and turns his back on her.

MULAN

But the Huns are here!

She pleads with another man in the crowd.

MULAN

Please, you have to help!

(CONTINUED)

The second man ignores her. Mulan turns to Mushu.

MULAN
They won't listen!

MUSHU
That's 'cause you're a girl now.

ON THE DAIS

Shang steps forward holding Shan-Yu's sword. He kneels and holds the sword high in the air.

SHANG
Your Majesty, I present to you the sword of Shan-Yu.

He offers the sword to the Emperor.

THE EMPEROR
I know what this means to you, Captain Li.

(then)
Your father would have been very proud.

As Shang begins to hand him the sword...

THE FALCON

suddenly SWOOPS DOWN, FLYING OFF with the sword. He RELEASES it above the palace.

A STATUE ON THE ROOFTOP

reaches its hand up and CATCHES the sword -- it's Shan-Yu!

Shan-Yu stands and raises the sword above his head.

ON THE STREET

Mulan, Mushu and the crowd stare in horror.

SHANG AND THE EMPEROR

look up toward the roof.

Behind Shang, the HUNS SLASH through the Chinese paper dragon. They quickly overtake Shang, leaving him on the dais.

The Elite Huns rush the Emperor and carry him inside the palace.
CONTINUED:

Shang pulls himself up amongst the tattered paper dragon and

    SHANG
    No!

ON THE LOWER DAIS

Ling, Chien Po and Yao run to help Shang.

    YAO
    C'mon!

AT THE PALACE DOOR

Shang arrives just as the enormous wooden door SLAMS SHUT and
LOCKS.

ZIP PAN up to see Shan-Yu laughing derisively.

CUT TO:

THE PALACE DOOR

Shang, Ling, Chien Po, Yao and the other soldiers tip over a
giant foo dog and use it as a battering ram.

ON THE STEPS OF THE DAIS

Mulan and Mushu watch the troop's vain attempt to knock down
the door.

    MUSHU
    (re: stone dog)
    I think I know that dog...

    MULAN
    They'll never get in that way.

She starts to think, staring at a man. Then...

    MULAN
    Hey guys, I've got an idea!

Chien Po, Ling and Yao look at one another, then run after
Mulan.

Shang stubbornly watches them.

CLOSE ON a wig being placed on Chien Po's bald head.
Mulan, beautiful in a simple dress, opens a drape to reveal: Ling, Yao and Chien Po in drag.
Together they walk toward the edge of the palace and remove their sashes.
Each one throws their sash around the bottom of a pillar, then look to
MULAN. She feels a tap on her shoulder. She turns to see
SHANG. He removes his cape and wraps it around a pillar, ready to follow her lead.
As the five soldiers use their sashes to climb the pillars the way Mulan climbed the pole during training...

INT. IMPERIAL PALACE TOWER
The twin Elite Huns drag the Emperor to the end of the tower in view of the crowd. SHAN-YU suddenly appears, hanging upside down from the alcove. He SMILES at the Emperor, then quickly lands in front of him.

SHAN-YU
(to his men)
Guard the door.
They move off as Shan-Yu sizes up The Emperor, who stoically stares forward.

SHAN-YU
How disappointing. These people fear you?!

EMPEROR
They respect me.

SHAN-YU
Fools.
(then)
Now bow down and I'll make this quick.

Shan-Yu draws his sword and points it at the Emperor.

ON A PARALLEL PARAPET
Mulan, Chien Po, Ling and Yao run to their positions.

MULAN
We're almost there. Any questions?

YAO
(running)
Does this dress make me look fat?

CHIEN PO
Yao, we have more important things to worry about.

YAO
Easy for you to say. Your outfit is very flattering, perfect for day or night.

INSIDE THE PARAPET
The Elite Huns close the door.

AROUND THE CORNER
MULAN peeks at the Huns.

LING
(whispering)
Are these disguises really necessary?

MULAN
(whispering)
Trust me. We're as good as invisible.

Mulan holds her fan in front of her face and heads towards the Huns; the others follow.

OUTSIDE THE TOWER DOOR
The Elite Huns hear GIGGLES.

The Hun Archer draws his sword but the Biggest Hun stops him as the four women approach.

BIGGEST HUN
Concubines.

TWIN HUN
Ugly concubines.

The men in drag demurely stop in front of the Huns, batting their eyes. The Biggest Hun flirts back as one of the Twin Huns elbows him in disgust. Mulan, Yao, Ling and Chien Po turn their backs to the Huns and quickly reach into their tunics, pulling out watermelons and apples.

WATCHING FROM ABOVE

The falcon sees Shang hiding behind a pillar. He begins to call when he's muffled from behind by Mushu. He smiles at the bird.

MUSHU
Ooh-eee! I caught me a turkey!

IN THE PALACE HALLWAY

The Gang of Three turn around with fruit in hand. Catching the Huns offguard, Chien Po breaks the watermelons over each of the Elite Huns' heads, knocking them out.

Ling jams an apple in the Swordsman Hun's mouth. Then kicks him in the mid-section and cracks his back with his head.

Yao dodges a punch from the Biggest Hun and hits him in the stomach. Picking him up, Yao flips him over his shoulder. CruNCH.

The Archer Hun aims an arrow at Mulan. She falls to the ground and kicks him. She springs up and smashes the Hun in the face with the ball of her hand.

MULAN
Shang, go!

Shang runs towards the tower door.

IMPERIAL PALACE TOWER

SHAN-YU faces the Emperor.

SHAN-YU
Your walls have fallen and so shall you.
Bow to me.

The Emperor remains absolutely still.

EMPEROR
No matter how the wind howls, a mountain cannot bow to it.

SHAN-YU
Then you will kneel...

Shan-Yu raises his sword.

SHAN-YU
...in pieces.

As Shan-Yu begins his fatal blow-- Shang blocks his sword with a CLANG. He rolls and donkey kicks Shan-Yu, sending the Hun against the pillar.

Shang THRUSTS his sword at him, but Shan-Yu catches the blade and PULLS Shang off of the tower.

Shang GRABS the pillar, swings around and KICKS Shan-Yu, then pins him.

Mulan, Yao, Ling and Chien Po run into the room. Mulan throws her sash over a banner hanging from a pillar.

MULAN
Chien Po, get the Emperor!

Chien Po picks up the Emperor.

CHIEN PO
Excuse me, your Majesty.

Chien Po takes the Emperor to the edge of the tower. He uses the sash and banner as a zip line, SLIDING with the Emperor down to safety.

SHAN-YU
(realizing)
No!!

Ling and Yao quickly follow down the line.

Shan-Yu kicks Shang off of him.

FROM THE ZIP LINE

Yao zooms down, calling back to Mulan.

YAO
C'mon!

BACK IN THE TOWER

Shan-Yu delivers a devastating blow to Shang, sending him FLYING out into the hall. He turns towards Mulan.

She looks down to see Shan-Yu's sword-- a few feet away.

As Shan-Yu heads to the zip line, Mulan dives for the sword and cuts the zip line.

Shan-Yu forcefully shoves Mulan aside, grabs his sword and looks over the edge, searching for the Emperor.

OUTSIDE

the zip line falls to the ground. The Emperor, lost in the sea of thousands.

BACK IN THE TOWER

Shan-Yu's anger turns to rage.

SHAN-YU

GrrrowwllllaaaaAUUGHHH!!!

Mulan steadies herself against the pillar.

SHAN-YU

(shouting)

Let your people hide you! They'll fall by my blade 'til I find you!

From behind, he's hit with Mulan's slipper.

MULAN

Haven't enough lives been lost?

Mulan puts her hair up to look as she did when she first encountered Shan-Yu in the mountains. His face falls in recognition.

SHAN-YU

...The soldier from the mountains.

Mulan turns and runs down the palace hallway.

SHAN-YU

(in frustration)

Arrrgh!

He grabs his sword and chases Mulan.

INSIDE THE PALACE HALLWAY

Mulan runs into Shang.

MULAN

Shang!

Shang sees and hears Shan-Yu cutting a destructive path down the hallway.

**MULAN**
We've got to get out of here.

**SHANG**
I have to stop Shan-Yu.

Shang starts to head back, Mulan grabs him.

**MULAN**
Shang! He'll kill you-- (then)

She flattens him with a PUNCH.

**MULAN**
Sorry. But I'll stop him my way.

As Mulan continues down the hallway, she runs into Mushu, riding the plucked falcon.

Mulan grabs Mushu by the neck.

**MULAN**
Mushu...

**MUSHU**
(Choke)

**MULAN**
I need your help.

Shan-Yu pursues Mulan, destroying everything in his path as he slashes wildly at Mulan. He cuts through a pillar that crashes through a wall, providing an escape route for Mulan. She crawls out onto the pillar and sees...

**THE FIREWORKS TOWER**

**MULAN**
(to Mushu)
Do you feel lucky?

Cri-Kee vigorously nods his head "yes."

As Shan-Yu gets closer, Mulan whispers to Mushu.

**MUSHU**
Are you nuts?!? That's suicide!

**MULAN**
Just do it!

Mulan throws Mushu into the air. He LANDS on a large KITE and FLIES towards...

INSIDE THE FIREWORKS TOWER

Mushu gets the attention of the fireworks attendant.

MUSHU
Citizens, I need fire power.

FIREWORKS ATTENDANT I
Aaaagh!

FIREWORKS ATTENDANT II
Who are you?!

Mushu uses the kite as GIANT WINGS.

MUSHU
(like Batman)
Your worst nightmare.

Frightened, the fireworks attendants jump out of the tower.

IN THE STREET

The crowd looks up.

PERSON IN STREET#1
On the roof...

PERSON IN STREET#2
Look!

ON THE ROOF

MULAN crawls out onto the roof. She eyes the fireworks tower ahead of her.

Shan-Yu SMASHES through the roof, JUMPING in front of her.

She's trapped. She searches for a weapon but only finds a fan. She pulls it out, opens it. Fearfully, she watches Shan-Yu approach.

SHAN-YU
(smiling)
It looks like you're out of ideas.

SHAN-YU stabs his sword through the fan.

SLOW-MOTION as it rips through the painted pieces of silk.
CONTINUED:

MULAN SNAPS the fan shut on the blade, TORQUES it from his hand and CATCHES the sword.

MULAN
Not quite.
(calling)
Ready Mushu?

AT THE OTHER END OF THE ROOF - Mushu rips off the kite wings, exposing a rocket strapped to his back.

MUSHU
Ready, Baby!

Mushu lights a stick and hands it to Cri-Kee.

MUSHU
Light me!

Shan-Yu LUNGEs at Mulan. She avoids the blow and uses the sword as a vault to deliver a kick to Shan-Yu's chin. She falls to the roof and sweeps her feet, knocking Shan-Yu's legs out from under him.

CRI-KEE lights the rocket fuse. It SPEEDS off toward SHAN-YU and MULAN. Mulan plants the sword in Shan-Yu's tunic, sticking him to the roof.

Mulan uses the sword to launch herself into the air, KICKING Shan-Yu on the way...

She SOMERSAULTS over the rocket, snatching Mushu off mid-air. They land safely as THE ROCKET SMASHES into Shan-Yu--

SHAN-YU
(AGGHH!!)

and carries him off the roof towards THE FIREWORKS TOWER

Mulan runs with all her might.

MULAN
Get off the roof, get off the roof, get off the roof!
CLOSE ON SHAN-YU, horrified, as he SLAMS into
THE FIREWORKS TOWER, setting off the world's HUGEST
EXPLOSION!!!

Fireworks shoot off amidst a towering giant fireball.

SHANG

staggers up as the palace BLOWS UP behind him.

Mulan FLIES through the air and lands on Shang, taking him
down the stairs.

MUSHU and CRI-KEE drop from the sky. Mushu looks at the black
smoke streaming from the right wing of the Imperial Palace,
completely decimated.

MUSHU
(whistling; to Cri-Kee)
Now that's what I call a Mongolian
barbecue.

ON THE DAIS

Mulan lies over Shang as millions of fireworks light the sky
around them.

Shang smiles as Yao, Ling and Chien-Po come up the stairs to
join them.

CHI FU (SEQUENCE 21)

emerges from the smoke, his hat smouldering.

CHI FU
(ranting)
Where is she? Now she's done it! What a
mess!

He tries to reach Mulan, only the men stand protectively
around her.

CHI FU
Stand aside! That creature's not worth
protecting.

SHANG
She's a hero!

CHI FU
She's a woman! She'll never be worth
anything!

(Continued)
Shang grabs him.

SHANG
Listen, you pompous --

EMPEROR O.S.
(quietly; measured)
That... is enough!

The men and Mulan turn to see

THE EMPEROR

solemnly approaching.

SHANG
Your Majesty, I can explain--

The Emperor holds up his hand and waves them aside. They part, revealing Mulan. She nervously bows her head.

EMPEROR
I've heard a great deal about you, Fa Mulan.
(sternly)
You stole your father's armor, ran away from home... impersonated a soldier... deceived your commanding officer... dishonored the Chinese army... destroyed my palace... AND...!

Mulan lowers her eyes, shaking in fear.

EMPEROR
...you have saved us all.

Mulan looks up at the Emperor. He smiles, then does the unthinkable... he BOWS to her.

Chi Fu, in shock, can only do the same.

Shang, Yao, Chien-Po and Ling bow as well.

In fact, Mulan watches in shock as the ENTIRE PLAZA begins to bow and CHEER.

IN THE PLAZA

THE EMPEROR motions...

EMPEROR  
Chi Fu!

Chi Fu steps forward.

CHI FU  
Your Excellency.

EMPEROR  
See to it that this woman is made a member of my council.

Chi Fu can hardly contain his shock.

CHI FU  
(STIFLING AN OUTBURST) A member-- uh... what?! Ah, there are no council positions open.

EMPEROR  
Very well...  
(turning to Mulan)  
You can have his job.

CHI FU  
Wha--?!? My--?!?

Chi Fu faints and falls down the stairs, his ink spilling everywhere.

MULAN  
With all due respect, Your Excellency, I think I've been away from home long enough.

EMPEROR

So the world will know what you have done
for China.

Mulan holds it reverantly, then throws her arms around the
Emperor. The Emperor reacts, pleasantly surprised.

YAO
(whispering; to Ling)
Is she allowed to do that?

Mulan turns to the Gang of Three and hugs each of them. Ling
sneaks to the end of the line, receiving another hug.

YAO
(to Ling; upset)
Hey, you got two!

As they start to fight, Chien Po grabs Yao.

CHIEN PO
Yao, relax and chant with me.

YAO
(GROWLING)

Mulan turns to Shang -- they awkwardly regard each other.
Mulan looks at him in anticipation.

SHANG
... Um... you're a--
(shaking her hand)

MULAN
(trying to hide her
disappointment)
Oh. Thank you.

Shang doesn't know what else to say. Mulan turns and mounts
Khan.

MULAN
Khan, let's go home.

As they ride off to the CHEERS of the crowd...
ON THE DAIN

Shang watches Mulan, regretfully. The Emperor appears beside him.

EMPEROR
(clearing his throat)
The flower that blooms in adversity is

SHANG
Your Majesty?

You don't meet a girl like that every
