FADE IN

EXT. FITZGERALD HOME - NIGHT

The house is dark. The moon is almost full. A dog barks. A melancholy voice, worn for its age, narrates:

BRIGITTE (V/O)
Ever try bein' different? An' I don't mean jus' thinkin' about it, either. Ginger an' me - I mean I...

The house numbers read 669. The 9 slips: the number now reads 666.

BRIGITTE (CON'T/V/O)
Ginger an' I? Went for different. Big time.

There's a light on in a basement window. We creep up to it, crushing the tulip borders on the way. The window is propped open with a sneaker: it looks like somebody's foot is caught in it. Music plays inside.

INT. GIRLS' BASEMENT BEDROOM - NIGHT

Gyrating in her underwear to bad-girl grunge, BRIGITTE FITZGERALD (15) straddles GINGER FITZGERALD (also 15 and in underwear) on one of the twin single beds. Both girls have cigarettes lolling on their lower lips. Both girls have pierced eyebrows, pierced noses and streaked hair. Brigitte has blue nail polish on. Ginger has breasts.

GINGER
Brigitte. Quit dickin' around. Jus' do it.

Brigitte reluctantly stops her thrashing and douses a cotton ball in rubbing alcohol.

Without looking up from her TANK GIRL comic, Ginger hauls her own shirt up to expose her navel.

Brigitte swabs Ginger's navel with the wet cotton ball. Her eyes drift to Ginger's chest, then back to what she's doing.
BRIGITTE(V/C)
Ginger's ten months older than me. We're seriously tight. Share everything. Everything.

Around them, many candles burn. There's a dead bolt on the door. An attached full bath. The floors are thick with paranormal books. The walls are covered in images of UFO's and horror flicks. A framed photo of Kurt Cobain with Courtney Love has a place of honor. There's an old Polaroid of the girls at five in Halloween costumes; Lil' Red Riding Hood and the Big Bad Wolf. Ginger is the wolf.

Brigitte produces an enormous darning needle. It glints. She levels it at Ginger's navel, her hand shaking.

BRIGITTE
Ready?

GINGER
(without looking up)
Uh-huh.

BRIGITTE
...I can't.

Ginger gives Brigitte a look over the top of her comic.

Brigitte takes a deep breath, and lines the needle up again. Brigitte swallows hard and applies pressure. The needle pierces Ginger's skin. Her stomach muscles flinch.

GINGER
OUCH!

BRIGITTE
You said it wouldn't hurt!

GINGER
Jus' hurry up!

The needle has stopped moving half-way through the skin.

BRIGITTE
Uh-oh.

Brigitte wiggles the needle. Blood wells up around it.

BRIGITTE
Um. I think it's stuck. Oh man.
There's blood...

Ginger lowers her comic. She takes one look at the needle half-in, half-out of her belly button - and cracks up.
BRIGITTE
S'not funny, Ginger!
Laughing her head off, Ginger gives the needle a good tug from her end. The skin tugs with it, resisting.

BRIGITTE
Ah, gawd, gross.
Ginger yanks the needle, hard. This time it moves.

GINGER
I got it, I got it.
Ginger grits her teeth. The needle begins a slow progress.

GINGER
It’s goin’, it’s goin’ - gimme the ring ...
Brigitte grabs at a tiny silver ring on the bed spread but knocks it to the floor. Brigitte scrambles after it. Ginger yanks the needle.

GINGER
Bee?! C’mon!
Brigitte finds the ring and hands it to Ginger. Ginger sets the ring on the end of the needle, looping it not-so-neatly through.

BRIGITTE
Oh, groo-oo-o-ss!
The bloody needle pops clear. Ginger grinds on the ring to close it. Ginger wipes her bloody hands on the bed. Brigitte is taking deep, gulping breaths.

GINGER
Bee? Peeb. Y’okay?
BRIGITTE
Yeah. I think so.

GINGER
(teasing)
Yeah, I think not.

BRIGITTE
If you din’t say it hurt, I’d a been fine!
Ginger beams at her new piercing.
GINGER
Pretty cool, unh?

The flesh around the navel is hot pink and bruising. Brigitte grins too.

BRIGITTE
Very cool.

GINGER
Now I'll do you.

Brigitte bravely hangs onto to her smile.

BRIGITTE (V/O)
We do everything together. But, at fifteen? A chick can change. Ya know? HA! You got no idea.

EXT. THE FITZGERALD BACKYARD - DAY

It's a beautiful autumn day in suburbia. Birds sing. The terrier next door (NORMAN) barks and barks.

A pierced navel is stretched taught, filling with blood. Ginger's limp body is bent backward over a low fence. Blood is flowing from where she's been speared through her chest: Ginger's impaled on a white picket.

BRIGITTE (V/O)
Don't get me wrong. It's not like we were all happy or nothin' to begin with.

Brigitte takes a long, ponderous drag on her cigarette as - unmoved - she takes in Ginger's mortal wound. Brigitte eyes the identical homes and gardens that stretch on to the horizon.

BRIGITTE (V/O)
The suburb of Bailey Downs?
 Basically a well lit black hole.
The Kingdom of cul du sac.
That's French for Dead End.

Brigitte flicks her smoke into a pile of neatly raked leaves. It smolders then goes out. She scowls.
BRIGITTE (V/O)
You had a gram of personality
out here? Life bit the big one.

A truck with COUNTY REGREENING PROGRAM on its side pulls up a few houses over. Brigitte watches a shirtless sun-bronzed Adonis - SAM - climb out of the cab.

BRIGITTE (V/O)
Of course I’m generalizing.

A tarty teenage girl - TRINA - bounds up to Sam and gives him a big wet one.

BRIGITTE (V/O)
No I’m not.

GINGER
The fuck, Bee. Take a picture already.

Brigitte raises a 35mm still camera to her eye and frames her sister’s corpse in the viewfinder.

ROLL HEAD CREDIT SEQUENCE:
Snap! A slide of Ginger - dead on a white picket fence - smashes on. The HEAD CREDITS are superimposed on each of the slide images:
Snap! Ginger sliced up with an electric knife in the kitchen,
Snap! Ginger drowned in a bubble bath,
Snap! Ginger hanged by nylons in the laundry room,
Snap! Ginger mangled under the front tires of a mini van.

PICTURE TITLE: GINGER SNAPS.

INT. BAILEY HIGH ART ROOM - DAY

The Fitzgerald sisters stand over a slide projector in art class, just finishing the slide show from the credit sequence. An empty frame of blinding white light snaps onto the collapsible screen at the front of the room.

The homely ART TEACHER looks very concerned as she hits the lights. The other STUDENTS - all about fifteen, middle-class and raging conformists - sit in stunned silence. As Brigitte and Ginger return to their side-by-side seats,
BRIGITTE (V/O)
We were always considered
freaks. For as long as I can
remember, there was Us. And
there was Them. Like from
kindergarten.

ART TEACHER
Very -um. Class? Comments?

The students trade constipated looks.

ART TEACHER
Brigitte. What does it mean for
you?

Brigitte shrugs and squirms.

GINGER
Means there's more to life than
-well, life.

The Fitzgeralds look expectantly at row after row of blank
faces. Brigitte shakes her head.

BRIGITTE (V/O)
Attempts at communication were
futile.

JASON McCARDY- a good-looking high school Casanova - looks
Ginger over appraisingly. Ginger ignores him.

BRIGITTE (V/O)
Some of Them did seem to wanna
reach Ginger?

Brigitte glances from Ginger's breasts to her own flat chest.
Brigitte takes a deep breath.

BRIGITTE (V/O)
But nobody wanned to reach me.

The bell goes.

BRIGITTE (V/O)
(a tad defensive)
Like I cared.
INT. BAILEY HIGH HALLS - DAY

TEENS clog the halls. Judging by the herd, Bailey High is not big on individual identity, or at least its outward expression.

Ginger and Brigitte slip down the crowded corridors, sticking out like sore thumbs. Ginger holds her forehead.

GINGER
Gawd, People! They hurt my brain!

BRIGITTE
They didn’t even get it.

GINGER
They’re retards.

BRIGITTE
They’re cretins.

GINGER
They’re bone-heads.

BRIGITTE
They’re somnambulists.

GINGER
They’re leems.

BRIGITTE
They’re the goddamn walkin’-

The girls stop before their locker. A folded up piece of loose leaf has been crushed into it, its end sticking out.

BRIGITTE
(unimpressed)
Another one?

Ginger opens the locker. She unfolds the paper. There’s a big fat joint inside, and a note that says: GINGER, CALL 555-4636.

Ginger pockets the joint, crumples the paper into a ball and tosses it at a near-by trash can. She misses.

The girls head down the hall.

BRIGITTE
Somebody leaves you all these jays an’ yer not even curious to call?
Ginger offers her a sucker and has one herself.

GINGER

Nope.

A FAT JANITOR scoops up the wad of loose leaf with great resentment and jams it into the trash.

Brigitte and Ginger pass a NECKING COUPLE practically dry-humping, GIRLS applying make-up to one another, and BOYS snapping each other with their sports cups.

Jason and his fellow jock-pals TIM, FRANK, and JEREMY are scoping babes.

Ginger bends to tie her boot lace and a collective groan swells from the guys.

JASON

See? She’s weird, but hot.

TIM

Anybody poled Fitzy yet?

Brigitte gives them a disgusted look.

TIM

Not that one. The cute one.

Brigitte’s face falls. Ginger gives them a Death Stare. The boys try flirty smiles.

GINGER

(to Brigitte)

Sad. Must be hard to think with yer brains slappin’ around yer thighs like that all day.

Brigitte laughs. Ginger pulls her on, past a sign: GYMNASIUM.

BRIGITTE (V/O)

We didn’t do guys. Guys were too gross. Everyone at Bailey High was just too incredibly gross.

Ginger applies her boot to a swinging door and they enter,
INT. GIRLS' CHANGING ROOM - DAY

The Fitzgeralds stop dead. They take in a menagerie of 90210-wanna-be GIRLS changing for gym class. The background chat is all sex and mascara.

There is only one free spot: next to Trina and her TRINA CLONES. The Trinas slide into a-size-too-small shorts while parading hefty chests. The Trina acts like she owns the goddamn planet.

BRIGITTE (V/O)
The only thing worse than most teenage boys are most teenage girls. Trinas are the limit.

Ginger digs at her lower abdomen painfully.

GINGER
I feel sick.

BRIGITTE
Me too.

GINGER
No, I mean really.

Ginger opens a locker and tears off her clothes. Other girls glance at her navel piercing with disgust.

Brigitte is very self-conscious: she steps almost inside the locker, hiding behind the door while she changes into the revolting school gym outfit. She eyes the buxom bubble heads with contempt, as

BRIGITTE (V/O)
There was really only one Trina, but they were all the same.

Trina finds the Fitzgeralds' open locker door a nuisance. She pushes it out of her way, hard enough to whack Brigitte in the head on the other side.

TRINA
(fakely)
Ooops. Sorry.

Ginger gives Trina a very dirty look. Brigitte tries to rub her sore head while clutching her uniform to cover her chest.

Trina and her posse cackle as they prance out, their butt cheeks waggling. The sisters continue changing.
GINGER
(to Brigitte)
Y'okay?

BRIGITTE
I HATE her. Like to feed her
ground glass with tacks for
desert. Then make her puke it
back up and swallow it again
until she's like shredded to a
bazillion pieces from the inside
cut....

Ginger grips her sides painfully and bends double.

BRIGITTE
What's the matter?

GINGER
I got gas... Maybe I'll try an'
cut one right in her face out
there.

They slap hands, laughing. They look down at their gym
outfits, which are so unflattering. Brigitte and Ginger
exchange identical looks of agony.

EXT. BAILEY HIGH SPORTS FIELD - DAY

The twenty or so participants in this all-girl gym class
stand ready at centre field in lacrosse padding and helmets.
Brigitte and Ginger stand apart from the others, sharing a

BRIGITTE (V/O)
After two weeks a' high school,
you come to the conclusion it's
all about agony. Take Phys. Ed,
just practice taking pain.

The gym teacher MZ. SYKES - an aging former-traffic cop -
bucks the players sticks with nets on one end. Sykes is given
to screaming.

SYKES
Field lacrosse is no pussy-assed
tea party, ya get IN there, get
a LOCK on your target and PUSH
IT! I want SWEAT I want ACTION!

The Trinas giggle at Sykes. Ginger bends forward, holding her
sides.
MZ. SYKES
Shake a leg, Fitzgeralds. An’
butt out, you gotta death wish!?

GINGER
Feel really sick, Mz. Sykes.

MZ. SYKES
Cigarettes’ll do that for you!
Move!

Ginger flicks the smoke at Sykes’ turned back. It falls
short, of course.

The sisters trudge to their places on the field. Ginger is on
the offensive line. Brigitte is in goal.

BRIGITTE (V/O)
Phys. Ed. is not optional at
Bailey High.

Sykes blows the whistle. A fast-moving, hard-hitting
lacrosse scrimmage begins.

IN RAPID-FIRE MONTAGE: Ginger gets caught in the crunch of
sticks and bodies, pushed, kicked, and punished by the
Trinas, who are having ‘fun’.

IN RAPID-FIRE MONTAGE: Brigitte visibly cowers as a tangle of
marauding, ball-whacking bodies descend on her. She takes a
number of direct hits from the hard rubber ball.

On a powerful press for a goal, Trina slams into Brigitte so
hard Brigitte flies right out of the net area. And skids
face-first ...into a mangled dog’s body.

The whistle blows and play stops. Ginger lopes over,
breathless, gripping her sore stomach.

BRIGITTE (V/O)
I been waiting for this. There’d
been a lot of dead dogs around
lately, but this was my personal
first.

Brigitte slowly climbs out of the mucky canine remains to her
knees. She’s covered in doggie guts and maggots.

TRINA
Oh, HOW GRO-O-O-O-OSS!!
The class edges toward them, but maintains a horrified distance. Even Sykes struggles with a gag reflex on seeing Brigitte’s mess.

Brigitte fingers the dog’s remains with a look of fascination.

BRIGITTE (V/O)
’Kay, here’s the weird thing about me. I dig dead stuff. Live things make me sick, they’re all warm and snotty and shitty and pissy. And live things jus’ suffer, which I can’t take. But a dead thing? S’kinda beautiful, ‘cause a dead thing’s really I dunno -like, free.

SYKES
Don’t TOUCH it, Fitzgerald! What’s WRONG with you two?!
Get up and hit the SHOWERS!

TRINAS IN CHORUS
The cult? Drains the blood out and drinks it, ya know! /I heard they have sex with them first! /Gawd stop, you’ll make me PUKE!

BRIGITTE (V/O)
Everyone was all like, Oh it’s a teen cult, or aah, it’s some looney, the Beast a’ Bailey Downs. What crap.

SYKES
All RIGHT, Ladies, settle! This is no joke! You have information about the dog deaths you do WHAT!

CLASS IN CHORUS
(by rote)
Tell a teacher, Principal Fardor, or the police.

BRIGITTE
Teen cult my ass. Look Ginge’, something went for its throat – it’s not cut, it’s chewed...

Brigitte looks up in time to see Ginger’s eyes roll back in her head. Ginger faints. The class inhales as one.
BRIGITTE

Ginger?

Sykes and the class stampede up. Sykes pushes Brigitte out of the way.

BRIGITTE (V/O)
Ginger's no pussy. She doesn't faint. I might faint. Like, if this pooch were only HALF-dead, I could faint.

Brigitte stumbles over the dog carcass. She hugs herself.

INT. NURSE'S OFFICE - DAY

Brigitte sits in her bloodied uniform, chewing her nails. NURSE FERRY - a Mrs. Doubtfire-type who chirps more than speaks - is examining Ginger.

FERRY
The fainting's worrisome. You don't diet do you dear?

GINGER
No.

FERRY
Hm. Anemia's very common at your age. Eat more red meat, try an iron vitamin supplement. If it happens again, straight to a proper doctor, all righty?

Brigitte looks relieved.

FERRY
Now as for the headache, cramps, lower back pain ... I'm guessing your period is due.

GINGER
I haven't got a, um, period.

FERRY
Never? How old are you?

GINGER
Fifteen. Our mother says we're late bloomers.
FERRY
Well judging by your troubles,
I'd say you can expect to
blossom any time now!

Brigitte pulls a face. Ferry produces numerous samples of feminine hygiene products and heaps them onto Ginger.

FERRY
Are you familiar with all these?

Ginger shrugs.

FERRY
Now what suits one girl might not be comfortable for another.
The proper form of protection is a personal choice, and may have a lot to do with your menstrual flow, which naturally changes during the time you'll have your little miracle of nature. It could start thick and syrupy, move to a straight-forward basic bright red bleeding and then perhaps a deep brownish to blackish slime, signaling the end of the flow. Twenty-eight days later or there abouts, it'll start all over again and continue every month until menopause, in about thirty years' time.

Nurse Ferry produces a pocket calendar with a tampon or pad advertisement for every month.

FERRY (CON'T)
Here's a little calendar to keep track, count from the day it starts twenty-eight days. That'll be your next time. You have any questions, come see me again.

(to Brigitte)
You too sweetheart, be your turn shortly, I expect.

Brigitte looks horrified.
EXT. A SUBURBAN STREET/TRAVELING - DAY

BRIGITTE (V/O)
Here's a dirty word.
Inevitability. That fate fully intended us to be typical in any way, sooner or later, was so insulting.

Ginger and Brigitte trudge homeward looking completely depressed. Brigitte flips through the feminine hygiene calendar. Ginger watches the pavement beneath her feet.

BRIGITTE
(reading a panty-liner ad)
"Some days it's all you need."-?
What does that mean?

GINGER
So you pulled a Quincy on that dog, unh?

BRIGITTE
Hunh?

Ginger grabs the calendar and sticks it in her pocket.

GINGER
Quincy, that guy with the stiffs on cable. Alls I remember is you goin', "Teen cult my ass".

BRIGITTE
Oh. Right. Well, I dunno.

Brigitte shrugs. She gives Ginger a funny look.

GINGER
Why are you looking at me like that? Do I look - different?

BRIGITTE
No.

GINGER
Can you tell I’m going to-?

BRIGITTE
No. ...Really.

Ginger squints at her, unconvinced.
GINGER
Wham. Total adulthood. How can I have a miracle of nature an' not be old enough to drive? Huh? The fuck.

Ginger kicks a kiddie toy hard into a yard. Brigitte doesn't have an answer to this.

EXT. FITZGERALD BUNGALOW - DAY

Their house looks like a set in a home show. The girls take it in from the front drive with expressions of complete weariness. Next door, Norman the terrier barks at them.

GINGER
Hey. If I start simpin' around tampon dispensers and meanin' over cramps, or even think about buying somethin' that says Baby Powder Fresh? You'll shoot me, right?

BRIGITTE
Of course.

They exchange grins.

GINGER
Out by sixteen ...

BRIGITTE
...or dead in this scene.

Ginger raises her hand and Brigitte smacks it hard. As they mount the drive, Ginger picks up a stone and hucks it at Norman, who's still barking. She misses.

BRIGITTE (V/O)
If we failed to get a life by Ginger's sixteenth birthday? We were s'posed to gas ourselves in the garage. For smart girls, we could be pretty dumb. We prob'ly never woulda done it, but we seemed to need a deadline.

INT. FITZGERALD DINING ROOM - NIGHT

The Fitzgerald family are having their evening meal. Their parents, HENRY (see Men's Section, Sears Catalogue) and
PAMELA (see Martha Stewart’s Idea of Living), are liberal, middle class folks in their early forties. Ginger looks bored. Brigitte eats like a pig.

HENRY
How was school today?

GINGER
Fine.

BRIGITTE (V/O)
The nicest thing I could say about Henry and Pamela was also the meanest thing I could say.

PAMELA
Didn’t you have a presentation? How’d it go?

GINGER
Fine.

Pamela and Henry exchange irritatingly patient smiles.

BRIGITTE (V/O)
They were easily satisfied.

A rogue’s gallery on the wall depicts Henry and Pamela’s transformation over the years from angry young Ban The Bomb-types into middle-class mundane.

PAMELA
Made an appointment for you girls at my gynecologist. Next Thursday.

Henry studies his plate. Ginger almost imperceptibly shakes her head at Brigitte. Brigitte nods, understanding.

GINGER
Why.

PAMELA
You know why.

GINGER
We’re not going to a gynecologist.

PAMELA
What did I say about that tone of voice? ...You are going to the gynecologist.
GINGER
Dad!? She’s completely paranoid!

HENRY
I’d rather stay out of this.

GINGER
She’s gonna have some fat jerk get his jollies poking his fingers up our .../

HENRY
(interrupting)
I’m actually eating here.

PAMELA
Henry, neither one of them has had a period yet.

HENRY
Ah. Yes. You’ve said. Repeatedly.

As Pamela says the next line, Ginger mouths it word for word to Brigitte.

PAMELA
It’s very odd that two perfectly healthy fifteen year olds are not menstruating. Right?

Brigitte apes Henry’s next line back to Ginger.

HENRY
Mmmm. Steak’s really yummy tonight. This a new sauce?

The sisters giggle. Pamela is losing her cool.

PAMELA
I started at eleven. The problem must be on your side, Henry.

HENRY
Pamela? This is not my fault. No one’s at fault here.

PAMELA
When did your sister start?
HENRY
I've told you, I really have no idea. Oddly enough, we never discussed it. Why don't you call her and ask her yourself?

PAMELA
I can't call her out of the blue and ask a thing like that. Besides, it's dinner time. They'll be eating.

HENRY
A-ha!

PAMELA
Well I've been checking panties for four years now . . .

GINGER & BRIGITTE/HENRY
Mo-othe-er!! /For chrissakes.

GINGER (CON'T)
You look at our underwear? Fuck!

HENRY
Hey, hey - I don't want to hear that word in my house. You will do as your mother says and I will change the subject. Anybody going to tell me what happened to my fence?

From under the table, Henry produces the bloodied, sawed-off picket stained bloody from Ginger's impaling.

Brigitte holds her full mouth open so Ginger can see its masticated contents. Ginger cracks up laughing. Henry and Pamela sigh.

INT. GIRLS' BEDROOM - NIGHT

Norman the terrier barks OFF-SCREEN - constantly.

Brigitte grimaces at the cartoon-style diagrams of How To Insert A Tampon. She carefully unwraps one and sets it in a glass of water. She times its expansion on her watch.

BRIGITTE
Why didn't you just tell her you're going to get it?
Ginger is dissecting the gift joint from their locker. She sniffs its contents.

**GINGER**
Can’t take her ‘attention’. She grosses me out. Can’t believe she’s our mother.

Brigitte puts a fresh tampon up her nose and lifts a Polaroid camera at arms’ length from her face.

**BRIGITTE**
Yeah, but now we have to see this doctor. You can jus’ say you got it, but I’m screwed.

FLASH! The Polaroid spits out the front. Brigitte sticks another tampon in her free nostril, and one in each ear as,

**GINGER**
Did I get you out of Home Ec? Did I get you out of ballet classes? So I’ll get you out of this, right?

**BRIGITTE**
You better, gawd the idea ...

FLASH! Brigitte takes a Polaroid of herself with a tampon sticking out of every visible orifice.

Ginger slides the grass into a pre-rolled fresh casing and sticks it in her mouth.

**GINGER**
I said I will, I will. This jay’s fine. Let us smoke, sister.

Ginger cranks the stereo and throws on a coat. She double-takes Brigitte’s tampon face.

**GINGER**
WHAT are you doing?

**BRIGITTE**
(sticking tampons under her upper lip)
Look - a walrus.

**GINGER**
Hardee-har. Har.
Ginger steps up on the bed and swings the ground-level window open.

EXT A NEIGHBOR’S YARD - NIGHT

Norman the terrier’s incessant barking goes on in the distance. The moon is full tonight.

A plastic child’s playhouse sits in their next door neighbors’ back yard. A cloud of blue smoke emanates from its doors and windows. There is an occasional FLASH! from within, and the whir of the Polaroid’s motor.

INT. PLAYHOUSE - NIGHT

In the moonlight, the joint’s cherry burns hell-fire red. A couple of Polaroid buddy-shots sit at their feet. Brigitte tokes and passes the jay to Ginger.

BRIGITTE
How’ll you know when you finally get it any ways?

GINGER
Prob’ly feel like peein’ your pants.

BRIGITTE
Disgusting.

GINGER
Well I’m not too excited.

BRIGITTE
(checking her watch)
We’re missing Unsolved Mysteries.

GINGER
Wish I was an unsolved mystery.

Brigitte reflects on this heavy thought, nodding - stoned.

GINGER
Hey. You smell somethin’ gross?
EXT. NEIGHBOR'S YARD - NIGHT

The girls sniff around the playhouse. Ginger steps on something that makes an evil, squeezy sound. She skids and ends up on her ass.

GINGER
This is so not my day.

Brigitte helps her to her feet. Ginger shakes what she slipped on off her shoe. It's a long, ropy intestine. She drags her shoe to get the blood and goo of it.

GINGER
Nice. Dog shit.

BRIGITTE
(thrilled to recognize the smell)
That isn't shit... it's death.

A line of blood and gore trails across the grass to a back lane. Brigitte follows it. Ginger looks around for something on the ground.

GINGER
Great. Lost the jay. Great.

EXT. SERVICE LANE - NIGHT

Ginger joins Brigitte, who's squatted before another dog's body. This one's a fresh kill.

BRIGITTE
Ack, it's still warm, gross.

Brigitte takes its picture FLASH! with the Polaroid, which is strung around her neck.

GINGER
Why every dog but the mutt next door to us?

BRIGITTE
Hey, we could take it home. Try like, an autopsy. Like, crack the case!

GINGER
Nah. Let's put 'im in there so he won't traumatize the kiddies.
Ginger indicates a construction dumpster on the end of the lane. Disappointed, Bee rolls down her sleeves to cover her hands. Ginger does the same and they shovel the body onto their arms.

They trot the dog over to the dumpster. Brigitte sulks.

GINGER
What.

BRIGITTE
We never do what I wanna do.

GINGER
Oh, c'mon. Would stink up the whole room!

They hoist the dog up and dump it in the dumpster. It's hind end sticks out. Brigitte climbs into the dumpster, dragging it all the way in.

Dusting herself off, Ginger notices some blood on her thigh.

GINGER
Nice.

Ginger wipes at the blood with her hand. More appears. She lifts up the hem of her skirt. Her face falls. She looks around. She slips her fingers up to her crotch. Her hand comes out bloody.

GINGER
Bee. I JUST got the curse.

Brigitte stops rooting garbage over the dog.

BRIGITTE
Serious?

Ginger wiggles her wet fingers at her.

GINGER
We gotta go home.

BRIGITTE
Eeew, 'kay.

Brigitte catches her kilt on a nail sticking out of a plank in the trash.

Something is crunching through the leaves toward them. Ginger peers out into the darkness.
GINGER
Hurry up!

BRIGITTE
I’m stuck!

A few homes down, a garage’s motion-sensitive security lamp trips on. Ginger squints, blinded.

GINGER
Bee?!

Brigitte contorts to deal with the nail. Brigitte tears her hem free and jumps down. The light snaps off.

GINGER
(indicating the opposite direction)
Let’s go this way.

Brigitte dips a hand back into the dumpster for the plank with the nail. Off Ginger’s look, Brigitte shrugs.

They start walking down the lane. The greenery behind them starts swelling again. The leaves crunch, faster.

Brigitte and Ginger look at one another, and walk faster. The lane empties behind a deserted strip mall.

EXT. STRIP MALL LOT - NIGHT

Whatever is behind them knocks an empty trash can over. Brigitte grabs Ginger’s arm, scared.

BRIGITTE
This is stupid. We’re getting farther from home.

Ginger is pissed off now. She turns to confront their stalker.

GINGER
(to the darkness)
All right you ass-

She’s cut cold by a roaring blur of speeding fur and teeth and claws: SOMETHING takes Ginger down hard.

We cannot see it as a whole, we can’t make out what it is. It’s big, heavy, and raging. Immense jaws snap vicious teeth, going for Ginger’s jugular. Brigitte drops her plank.
GINGER & BRIGITTE
BRIGITTE/GINGER!!!

Brigitte grabs and kicks at the creature. Ginger raises her arms and covers her head, screeching and kicking. The thing grabs Ginger by the scruff and shakes the living daylight out of her.

GINGER
BEEEEEE! HELP MEEE! BEEEEEEE!!!!!

Brigitte snatches up the plank with the nails. Brigitte brings it down hard on the thing, screaming. She smacks it once, twice. The plank pops a shot off the camera: FLASH! A horrible set of jaws and one golden eye are caught for a split second in the light.

The third hit evokes a yelp and the thing backs off, snarling. Brigitte quakes with the board raised, ready. The thing skitters before her as she screams.

Ginger scrambles to her feet and grabs Bee with bloodied hands.

GINGER
Go-go-go-go-go-go-go!!!!!

Brigitte drops the plank and they run like hell for a main thorough-way ahead. It pursues them.

EXT. THE THOROUGH-WAY - NIGHT

The late-night traffic is light but consistent. The thing is still coming.

At a dead run Brigitte and Ginger sail between moving cars. The thing burns behind them.

The girls are barely missed by an approaching truck. There is a long blast of a horn.

Then a sickening thud. Brakes squealing to a stop as a horrible dragging/scraping fills the night air.

The girls crash to the sidewalk, spilling over top of one another. They glance over their shoulders, even as they disappear into a new residential stretch.

The COUNTY REGREENING PROGRAM truck sits at a right angle in the road, its front end smashed.
Sam slowly opens the cab door. He staggers to the bloody grill, clearly shaken.

He looks under the truck, and follows a wet trail of gore back behind it to the mangled furry mass about twenty feet back. He takes it in, stunned.

Then Sam vomits.

INT. GIRLS BEDROOM - NIGHT

Brigitte scrambles through the window and helps Ginger through after her. They're bloody, sweaty and tearful. They slump shaking, side by side on Ginger's bed, catching their breath.

Brigitte notices the rivulets of blood trickling down Ginger's arms. Ginger's shirt is soaking with growing red stains.

BRIGITTE
Ginger, shit!

Ginger looks at herself. Ginger starts to cry.

GINGER
The fuck was that, Bee?

INT. ATTACHED BATHROOM - NIGHT

Brigitte flings open the vanity and collects various first aid items: gauze, tape, band-aids, iodine. She snags a washcloth and wets it at the tap.

BRIGITTE (V/O)
I couldn't remember Ginger crying, ever.

Brigitte flies out to,

INT. GIRLS BEDROOM - NIGHT

where Ginger is painfully pealing off her shirt, shaking and sobbing.

Brigitte offers Ginger the wet cloth, but Ginger's helpless.
BRIGITTE
Ginger, sshhh, don’t, ‘kay.
Don’t cry.

Carefully, Brigitte begins to dab at Ginger’s arms with it, wiping off the blood. Ginger flinches.

The damage is gradually revealed: massive claw marks, deep scratches, and puncture wounds - BITE MARKS. Brigitte’s eyes fill with tears.

BRIGITTE
Okay, this is really bad. You need a doctor, Ginge’. I can’t stop all the –

GINGER
No! Not tellin’ anybody! Bee?! Nobody. Get in shit for bein’ out, smokin’ up – don’t tell.

BRIGITTE
What if you get sick? What if these bites get infected?

GINGER
Bee!

BRIGITTE
Fine! I won’t tell!

Brigitte starts tearing off strips of gauze and taping it on thick. Oblivious, Ginger fumbles for a smoke. She can’t get the lighter to work.

GINGER
Wanted to kill me! I could tell.

BRIGITTE
(giving into tears)
I know, I know. I was so scared,
I thought you were –

GINGER
Me too. Don’t say it. I know.

Brigitte lights her smoke for her. Ginger takes a drag and passes it back to Brigitte.

GINGER
Fuck. You okay?

Brigitte resumes her first aid.
BRIGITTE
Yeah, I’m okay.

GINGER
Why?? Why me?

BRIGITTE
It was crazy, it was like rabid or somethin’ — Shit, look at the size of these bites!

GINGER
I’m okay, I’m okay, I’m okay.
Right? It’s okay.

Brigitte doesn’t look convinced. Brigitte snaps the port of an internal vacuum system open and reaches into the tube. She withdraws a sample-size of Jack Daniels.

BRIGITTE
Drink this.

Ginger glugs some down, and passes the last mouthful left to Brigitte. Brigitte waves it away, so Ginger finishes it all.

BRIGITTE
I seen this thing, on bears? Said bears’d come after like, chicks on the rag. ‘Cause of the smell.

GINGER
Wasn’t my fault!

BRIGITTE
I didn’t say that.../

GINGER
Wasn’t a fuckin’ bear either. Whatever it was, it wasn’t a bear!

BRIGITTE
I know, I’m not .../

GINGER
Do I stink? Can you smell it?

BRIGITTE
No! Geez, I was just’, whatever.

A heavy silence falls between them. Brigitte keeps working.
GINGER
Doesn’t feel anythin’ like peeing your pants, by the way.

BRIGITTE
It doesn’t?

GINGER
It’s gross though. It’s really gross. I better, ya know, deal with that...

BRIGITTE
Yeah, sure.

Ginger’s only half-bandaged up. She staggers to the bathroom and shuts the door. Brigitte eyes the Polaroid camera: a picture sits ready to be dispensed.

She pulls it free. We do not see the photo. Brigitte’s eyes bug out as she examines it.

The toilet flushes in the bathroom and Brigitte pushes the photo under the pillow on her bed. Shaking her head.

BRIGITTE (V/O)
It was blurry. It was really outta focus, so. Ya couldn’t TELL it was really anything.

Ginger emerges pulling uncomfortably at her crotch. She climbs painfully onto her bed, and collapses.

GINGER
That booze - straight to my head, man.

BRIGITTE
You really okay?

Ginger’s eyes are already fluttering shut.

GINGER
You saved me. Love you. Bee.

Brigitte leans in, listening to Ginger breathe.

BRIGITTE
Me too, Ginge’.
INT. GIRLS' BEDROOM - LATER THAT NIGHT

Brigitte sits straight up in bed, sweating, with eyes wide.

   BRIGITTE (V/O)
   I woke up later, I thought the thing was in our room.

Brigitte peers at Ginger: she's snoring. Brigitte pulls out the Polaroid and fires up her lighter to see by. This time we see it too. A streak of fur, fangs and a golden glinting eye.

   BRIGITTE (CONT'-V/O)
   Then I remembered Sam the tree planter killed it with his truck, an' we were okay.
   ...But really, Ginger -? Well. Wasn't.

EXT. BAILEY HIGH GROUNDS - DAY

It's noon hour. The grounds are full of teens.

Brigitte is eating as she ticks off the fourth day in Ginger's feminine hygiene calendar. Brigitte counts 28 days from the first check mark. Her pen hovers over the date: Halloween, and the next full moon. The first day was a full moon. Brigitte slowly circles them both.

Ginger wears long sleeves to hide her bandages, and shades. She's looking BOYS up and down as they pass. Ginger's stomach is growling. An untouched sandwich sits on her lap.

   BRIGITTE
   Gonna eat that?

Ginger shakes her head as she picks at her bandages. Brigitte helps herself.

   BRIGITTE
   Mmm! Sad, but Pamela's egg salad is her best thing. Like that she can do.
   (no response)
   Like, when she puts the baby onions in?
   (no response)
   And she gobs on it and adds those hard little pieces of booger ...

Ginger pulls at her own crotch.
BRIGITTE
Hello-o?

GINGER
Sorry. Pads suck, so ya know.

BRIGITTE
Should eat something.

GINGER
Thanks Pamela, I'm aware.

Off Brigitte's insulted look,

GINGER
I dunno, I'm all blaaahh, I got this, like I can taste what I want, but nothin's it. Ya know?

Brigitte stops in mid-chew.

BRIGITTE
A craving?

GINGER
Yeah. I crave. Ya know?

Brigitte chews very slowly as she stares at Ginger. Ginger squints at Jason and his pals across the yard.

GINGER
McCardy's a stoner right?

BRIGITTE
Yeah -?

GINGER
C'mon, I wanna feel better.

BRIGITTE
You joke.

Ginger heads off toward the boys - without waiting. Brigitte is in mid-mouthful, and has to scramble to catch up.

EXT. BAILEY HIGH GROUNDS/SCHOOL STEPS - DAY

Jason and his pals' butcho conversation sputters as Ginger strides up like a cat in heat. Brigitte stumbles up behind her, keeping her distance.
JASON
Uh - hi.

GINGER
Hey. So. Nice day, blah blah blah. Got any smoke?

JASON
What?

GINGER
Smoke. Grass, weed, dope, green, bud, Nancy.

JASON
Sh-sure.

GINGER
Wanna share?

EXT. SCHOOL PARKING LOT - DAY
Brigitte hesitates before a rusted-out old boogie van, its rear door open and waiting. Blue smoke billows out of the interior. Brigitte looks confused.

BRIGITTE (V/O)
I was all like, so who are you, an' what have you done with my sister, right?

Brigitte climbs in.

INT. VAN - DAY
Ginger, Jason, Tim, Frank and Jeremy sit toking a gagger. The guys are giddy with lust. Brigitte is huddled in a corner, attempting invisibility.

Jason hands Ginger the joint, making sure their fingers touch.

JASON
Hey. I thought your slide show in art was cool.

OTHER GUYS
Oh yeah/Unh-huh/Very cool.

GINGER
Yeah?
Jason and Ginger exchange a coy smile that makes Brigitte toke really hard on her pass.

Brigitte passes the dube to Tim, who winks at her. Brigitte sneers and looks at her watch. She makes a pained face at Ginger, but is ignored.

GINGER
This home-grown?

JASON
Yeah. This guy we know? Learned hydrophonics in the pen, man.

BRIGITTE
Hydroponics.

JASON
Yeah, whatever.

Brigitte gapes at Ginger, who does not respond. Brigitte hides beneath her hair and presses even further into a corner. She starts quietly ripping up the corner of the old shag rug.

There is a codified knock on the van door. Brigitte jumps.

JASON
Speak of the devil. Enter!

The back doors open and Sam (the tree planter) stands in silhouette, backlit by the day. His battered county truck waits behind him. He has a pit bull with him - MORELY.

BOYS
Sam the Man! Hey Morely!

Sam and Morely hop in and close the doors. Brigitte is frozen at the sight of Sam up so close.

TIM
Whoa dude. What happened to your truck?

SAM
Shit. Had an accident on the 403. It was weird it../

Morely stomps into Brigitte's lap, sniffing her crotch.
SAM
(to Brigitte)
Sorry about him, he's an ass
hole. Morely! My girlfriend's,
she won't leave him at home
alone any more. Ya know, dog
killers. Morely, no! Sit!

Brigitte's mouth is hanging open. Morely slobbers all over
her hands.

BRIGITTE (V/O)
I know, I look like an asshole.

Ginger's perma-smug smile fades as she makes eye contact with
Morely. Morely growls at her. Sam is about to resume his
accident story when,

JASON
Watcha got for us?

Sam produces several baggies of grass. Morely's hackles rise.
Brigitte looks from the dog to Ginger. Ginger squirms.

SAM
New harvest, see whatcha think.
(to Morely)
What's your problem? Never seen
a pretty girl before?

Ginger sneers at Morely and Morely bares his teeth.

JASON/TIM/FRANK
(digging out cash)
Thanks, man.

Morely bursts out barking and charges at Ginger.

Mayhem as the guys try to contain the dog in the small space.
Jason uses the opportunity to shield Ginger for a free body
press. Brigitte gets banged and shoved.

Ginger kicks and screams at the dog, her boot connects
squarely with his snout. Morely keels back, and Sam snaps
him up.

SAM
Sorry, he's not really like
this. I'm really sorry.

GINGER
Jus' get'im out!
SAM
I'm really - well, see you guys.

And in another flash of daylight, Sam and Morely are gone. Brigitte looks longingly at the closed door.

The stone has set in, and everyone but Brigitte giggles as they settle. Brigitte takes in the Lesser Mortals like they're lepers.

JASON
You okay?

GINGER
Yeah. Just hate dogs.

They give one another this corny smile. Brigitte bugs her eyes at Ginger. Ginger rises reluctantly.

GINGER
Well. Thanks for the smoke.

JASON
Maybe we could -/

Ginger places a finger to her lips, then makes a finger gun and shoots him.

GINGER
I'll letcha know.

Ginger grins ear-to-ear, elbowing Brigitte. Ginger kicks the van doors open and saunters out. Brigitte follows, trying not to laugh.

INT. SCHOOL CAN - DAY

Brigitte stands stoned out of her bean in the girls' washroom. She imitates Ginger's cavalier farewell from the last scene.

BRIGITTE
I'll letcha, I'll jus' let-choo know. Bud. ...So Ginger. Wanna tell me about you and like, the planet yer currently visiting?

No answer. Brigitte squints at the tampon dispenser next to her. She tries to work it without putting money in. She smacks her dry lips. Brigitte bends over the sink and drinks from the tap.
GINGER (O/S)

Bee-?

Brigitte doesn’t hear her over the roar of the tap in her face. It shuts off automatically over her gaping mouth. Brigitte puts her finger up the spout and almost gets it stuck.

GINGER

Bee!

BRIGITTE

(startled)

Yeah!

GINGER

Com’ere-!

Brigitte shuffles to the wrong door, opens it and finds it empty. She giggles and moves to the next one.

BRIGITTE

That smoke fucked me ... up.

Brigitte finds Ginger with her shirt and all the bandages peeled off. She is dabbing at herself with wads of toilet paper.

The scratches and bites are oozing a clear gelatinous goo, under which a fine film of dark hairs have sprouted.

Brigitte steps into the stall agape. The door hits her on the way in.

INT. BATHROOM STALL - DAY

Ginger and Brigitte stand nose to nose in the stall. Brigitte has not fully closed the door. Ginger is just as stoned as Brigitte.

BRIGITTE

Geez .... that’s not right.

GINGER

I didn’t think.

BRIGITTE

What’s the sticky stuff?

GINGER

I dunno.
Brigitte carefully rubs a finger over the fuzzy hair in the wounds.

**BRIGITTE**

Ooh. Tickly.

**GINGER**

I got it on my tits too, look.

**BRIGITTE**

Weird. Does it hurt?

**GINGER**

No, it's itchy. I can't have a hairy chest Bee, that's fucked.

**BRIGITTE**

Yeah, like forget that tattoo you wanned.

**GINGER**

This sucks.

**BRIGITTE**

Quite badly.

The idiocy of the looks of awe on the other's face makes them both crack up.

**GINGER**

(laughing)

This isn't funny.

**BRIGITTE**

(laughing hard)

I know, but okay. What I think? (she counts on her fingers)

**GINGER**

(snorting)

I'm not Harry, I'm Ginger.

**BRIGITTE**

(snorting too)

Stop, I'm serious. Think about it.

Ginger stops laughing long enough to let the suggestion settle.
GINGER
That’s so stupid!

They both burst into gales again. There is a sound outside the stall, as

INT. BATHROOM PROPER - DAY

The Trinas prance in to powder their noses. The Trina grabs the first stall door - Brigitte and Ginger’s.

Brigitte and Ginger stand frozen like the proverbial deer in headlights. Trina does not see Ginger’s transformation. But Ginger is just doing her top up.

TRINA
Eeeeew!

Trina backs away, her hands to her mouth.

TRINA
Gawd! They’re lesbians!

CLONES
Eeeewww!!

Brigitte smacks her forehead. Ginger steps out and leers at Trina, licking her lips in a grotesque mock-lust. The Trinas shrink back against the farthest wall.

GINGER
Yeah, who’s next? I’m still sticky!

Brigitte’s jaw drops. Ginger turns to leave and the Trinas start to relax. Ginger whips around again:

GINGER
(barking like a dog)
Rrr-uf, ruf, rr-uf-rufrf!

TRINAS
(shriek)

Ginger gives the Trinas a good dead-eyed stare, and walks out. Brigitte stumbles out after her.
INT. BIOLOGY LAB - DAY

Today's assignment is hacking up little pig feti.

BRIGITTE (O/S)
'Course Trina din't waste any time.

Trina stares Brigitte down as she folds up a note and passes it to a classmate. It is read and passed on by every kid in the room during this scene.

Brigitte holds her scalpel over the over their piggy - hesitating. Ginger's attention is riveted on the little carcass.

BRIGITTE
They're all looking at us.

GINGER
So?

Ginger looks up at Jason, who is reading the note. Jason smiles at Ginger and destroys the note. Trina seethes.

Ginger grabs the knife from Brigitte. She makes a deep incision in the pig's belly.

BRIGITTE
So! You're growing fur an'
acting like a nut, is so!

Ginger spies two girls giggling at her. Using both hands Ginger cracks the carcass wide open like a clam. Ginger digs in, gouging out the pig's parts with her bare hands. Ginger breaks into a sweat, her breathing gets heavy.

Brigitte cautiously looks around at their classmates. She moves to shield Ginger from prying eyes.

BRIGITTE
Um. Ginger-?

GINGER
Hold on, I'm goin' for the brain.

Ginger has begun scraping away at the pig's cranium with her finger nails. A sickening creak, snap, and the brain is exposed. Ginger - unconsciously - licks her fingers as she admires its frontal lobe.
Brigitte fights a ralph.

BRIGITTE
Can't believe you did that!

GINGER
Huh? What?

Before Brigitte can answer, Ginger lifts the brain out on her finger tips, gently pushes Brigitte out of her way and...

Whap! The brain lands squarely on Trina’s head. Trina screams.

GINGER
Ha-ha! Bull's eye!

BIO TEACHER
Ginger Fitzgerald! Hall, NOW!

GINGER
What, it slipped!

As Ginger stomps out with the teacher. Brigitte and Trina gape at one another.

INT. GYNECOLOGIST’S EXAMINING ROOM - DAY

BRIGITTE (V/O)
That week, Ginger was all over the map. She was the goddamn schizo poster girl. She forgot the gyno guy. I couldn’t believe she forgot. She promised.

Brigitte is dying a thousand deaths on the examining table with her feet in stirrups. The GYNECOLOGIST is examining her.

A NURSE stands next to him, smiling benignly as she passes him the contraption used to take a pap smear. Brigitte is almost in tears.

CUT TO:

Same moment in the examination procedure, but now Ginger is in the stirrups. And the doctor is shocked at his findings.

GYNO
What the -?
INT. EXAMINATION ROOM - MOMENTS LATER

Brigitte gives Ginger a pout as they both shift uncomfortably in their seats.

The doctor is gulping cups of water from the water cooler, his hand shaking. He talks to Pamela like the girls aren’t even there.

GYNO
I’ve never seen anything like it. She’s not built like a normal girl. I’ve sent samples to the lab. But this is very, VERY unusual.

Brigitte pokes Ginger in the ribs. Ginger doesn’t like this, and pushes Brigitte so hard she almost falls off her chair.

PAMELA
Girls, please.

INT GIRLS’ BEDROOM - NIGHT

The window is open. Norman the terrier yaps.

Ginger is in a tank shirt which reveals her hair growth is spreading. Brigitte is sitting at the desk with a pile of monster books.

GINGER
What’re you, nuts? I got a skin thing, whatever.

BRIGITTE
If you just gotta skin thing why does it get worse everytime yer being a bitch? Why’s the gyno say you’re a monster inside?

GINGER
He din’t say that!

BRIGITTE
Just listen to these symptoms!

GINGER
I’m takin’ a shower.
Ginger slams the bathroom door shut. Brigitte consults her books, and the feminine hygiene calendar... 10 days are ticked off. Norman the terrier barks on.

BRIGITTE (V/O)
(reading)
"The key to his survival is a constant diet of fresh warm-blooded victims. His appetite is insatiable, and grows with each kill. But his appetite is also the key to his own demise.

INT. GIRLS' ATTACHED BATH - MEANWHILE/NIGHT

Ginger is in the shower. She runs shaking hands over her body. Ginger hears Norman's barking as super-amplified. Its persistence is making her mental.

BRIGITTE (V/O - CON'T)
"...for eventually the blood-lust over-takes human reason, overtakes even the instinct for self-preservation, and he will risk all for the excitement of the euphoric high of his murders."

Ginger shaves the delicate area around her ankles. She cuts herself and freaks. Ginger snaps the Lady Bic in half and throws the pieces hard against the shower wall.

GINGER
Fuck fuck fuck FUCK!

There are two other broken razors in the stall, stuffed with hairs. Blood mixes with the water and swirls around her toes.

INT. GIRLS' BEDROOM - NIGHT

The dog is still barking outside. Brigitte closes her book.

BRIGITTE (V/O)
But see all the books and movies an' shit said it had to be a full moon, that it'd be all at once. An' ya know, not one word about chick werewolves on the rag. Typical.
Ginger flings open the door, tears to the window, hauls herself out and is gone. Brigitte is after her in a heart beat.

EXT. YARD NEXT DOOR - NIGHT

Ginger is over the fence with ease. Norman barks more, harder.

EXT. FITZGERALD YARD - MEANWHILE/NIGHT

Brigitte can’t vault the fence. She clambers up a shared tree at the fence line to see.

Ginger tries to grab the dog but he dances around her, barking like crazy. She grabs his snout with her bare hands and he bites her hard.

GINGER
Sonnovabitch!

Now livid, Ginger takes up a dead tree branch.

Up in the tree, Brigitte hides her face in her hands.

Ginger cracks the stick over the dog’s head. The yelping stops but Ginger keeps hitting. Blood splatters over her face. And Ginger tastes it.

Ginger drops her stick. She drags the body into the hedge next to the fence.

Brigitte lowers her hands from her eyes. Ginger is directly below her, concealed from the house by the shrubs.

Ginger falls to her knees before the corpse. She lifts a rattling hand to touch him. She lowers her face to the bloody mess. She’s sweating, vibrating, physically resisting an irresistible drive. Ginger’s tongue slips between her lips. And Ginger licks Morely’s body.

BRIGITTE
Oh. No. G-ginger –!

Ginger begins to eat the dead dog. The feed quickly becomes a ravenous frenzy.

Above her, Brigitte leans over the branch she’s barely balancing on, hyperventilating.

Vomit sails down from Brigitte’s perch.
The porch light comes on behind Ginger.

BRIGITTE
Shit.

Brigitte scrambles down the tree and yanks Ginger off the dog. Ginger's face is smeared in blood. Ginger's stunned, and reels dizzily. They crouch, waiting.

Their NEIGHBOR opens the screen door, shaking a box of dog biscuits.

NEIGHBOR
Nore-maan! Tweat-time! Hunh.

The neighbor steps into the yard. Approaches the hedge. Stops right before them - they can see a pair of slippers twitching in the grass. Then they disappear, the porch light switches off, the screen door shuts.

INT. GIRLS' BEDROOM - LATER SAME NIGHT

Brigitte sits staring into space. Ginger is showering in the attached bath.

GINGER (O/S)
(singing)
Ho-ow much is that daw-gy in the window... Arf-Arf!

BRIGITTE (V/O)
Ever been too sick to be sick?
Like the bottom of your stomach is wrapped over the top of your head?

There is a knock at the door. Brigitte checks the dead bolt is on.

BRIGITTE
Yeah?!

PAMELA (O/S)
Who's showering so late?

BRIGITTE
Ginger!

PAMELA (O/S)
Why?
BRIGITTE
She’s dirty?!

Brigitte throws up her hands: what an idiotic conversation.

PAMELA (O/S)
Dirty!? How’d she get/

BRIGITTE
I’m tryin’ to study, here!

PAMELA (O/S)
Oh, all right then.

Brigitte slumps against the door. The showers stops.

Ginger appears in a towel, pink and clean and freshly furry in places. She’s in a really good mood. She takes one look at Brigitte’s face of doom and tries to be serious.

GINGER
I couldn’t help it. Really. Guess you were right.

Ginger finds and lights a smoke.

GINGER
You know what’s really weird?

BRIGITTE
Weirder than KILLING A DOG AND EATING IT??!!

GINGER
I liked it. I liked it a lot. I feel all fuckin’ goofy now. Like, I dunno. Like ... happy?

Brigitte shakes her head over and over.

GINGER
I feel like I just got off the Planet Smasher ride at WarWorld, okay? It rules!

Ginger leaps to the stereo and blasts on some tunes. She flails around the room wildly. Ginger grabs Brigitte by the arms and makes her dance too. Ginger spins and spins Brigitte, who fights it but laughs.
BRIGITTE (V/O)
so she'd killed Norman. I never seen anyone bliss out like that. I wanted to be so blissed, jus' once.

There is repeated pounding on their door. Brigitte still entangled in Ginger, hits the music off.

PAMELA (O/S)
Little late for that, girls.

GINGER/BRIGITTE
(Bite me!)/Sorry!

They stand in each other's arms listening to Pamela mount the stairs OFF SCREEN.

Ginger shoves Brigitte backward onto her bed. Ginger piles on top of her, playfully pinning her down.

GINGER
I want more.

Brigitte squirms fitfully.

BRIGITTE
No, it's too gross! You'll get caught.

GINGER
Not if you help. Bee. I'm starving.

Brigitte looks into her sister's beaming face.

GINGER
Jus' keep watch. Look, I'm gonna be somethin' totally else. Tell me you don't so dig it. Tell me you don't wanna see what happens.

Brigitte groans.

BRIGITTE (V/O)
Straight up? Crazy's contagious. Trust me.
EXT. VARIOUS STREETS & YARDS - VARIOUS NIGHTS

Bailey Downs sleeps soundly as the hunt begins. The moon is a sliver of its former self.

Ginger cocks her head at the sound of a dog barking. She lifts her nose into the wind and sniffs. Ginger is prowls like a wild cat through yards and service lanes.

A study in much less stealth, Brigitte stumbles, trips and slips after Ginger. Splits her sweats climbing fences. Loses a shoe over garage roofs, gets caught in automated lawn sprinklers, falls into hidden cellar window troughs.

A series of dogs perk their ears and snarl from their dog houses, chains, and porch perches.

Low whistles and smoochy sounds lure the dogs into bushes, behind cars, around fences. Strings of dogs' chains strain tight, then slacken.

Ginger - wild-eyed, bloody-mouthed, and euphoric - tosses collars at Brigitte. Brigitte misses most of the tosses. She picks up the collars and fingers these souvenirs with disgust.

INSERT:

EXT. A BACKYARD - DAWN

A LITTLE KID decked out for hockey practice waddles into his yard with a full dog food dish. His feet squish along his pet's entrails. He finds his dog's body and drops the dish with a clatter on the cement patio.

KID
M-m-mOM!?

CUT BACK TO:

Days get ticked off on the feminine hygiene calendar...

BRIGITTE (V/O)
We became the Beast of Bailey Downs. We got good.

The moon vanishes, then reappears in as a First Quarter, as Brigitte's getting the hang of things, she practices expert surveillance from car roofs, throws stones to trip motion-sensitive lamps, starts moving like a super spy, taking crime-scene style Polaroids of their victims, as
Ginger's kills get quicker, she gets wilder, more daring, more ruthless, and...

Brigitte gets cooler, confident, collected. She's mapping out attack routes and leading the frothing Ginger to the big scores, like dog kennels...

BRIGITTE (V/O)
The more we did, the crazier she got...

EXT. BAILLY HIGH SPORTS FIELD - NIGHT

Under a swelling moon Brigitte and Ginger tear around in the dark, screaming and laughing and rough-housing.

JUMP TO:

INT GIRLS' BEDROOM - NIGHT

Brigitte shoves a fist-full of collars under their mattresses.

JUMP BACK TO:

On the field, Ginger climbs up on the goal post and walks carefully across the narrow beam.

JUMP TO:

BRIGITTE (V/O)
The crazier she got, the more she needed me. I liked that part.

In their room, Brigitte helps Ginger shave her back. Ginger trims her elongating nails. Brigitte plucks hairs from Ginger's palms. Ginger brushes her teeth and a piece of tooth comes off - she has a little fang.

JUMP TO:

On the field both Brigitte and Ginger hang upside down from the goal post by their knees. Brigitte is wearing a dog collar as a necklace. They are laughing their heads off and trying to pull each other's shirts down to expose each other's breasts.
GINGER holds her mattress up while Brigitte stuffs handfuls of the collars underneath. They collapse, exhausted. Ginger crawls on her hands and knees to the toilet in the

INT. ATTACHED BATH - DAWN

Ginger drinks out of the toilet like a dog.

INT. GIRLS' BEDROOM - MEANWHILE/DAWN

Ginger burps loudly and crawls back to join her sister, who offers her a cigarette.

BRIGITTE
Pig.

GINGER
You love it.

Brigitte examines the feminine hygiene calendar. In it, a cartoon of a female egg is personified with a heels and sunglasses, strutting across the date.

BRIGITTE
Hey, look yer ovulating.

Ginger rubs her belly.

GINGER
I'm still hungry, Bee.

BRIGITTE
How can you - you've done every dog we can ... 

GINGER
It's not enough. I want somethin'... I need more.

EXT. BAILEY HIGH - DAY

All the kids lounging on the grounds double-take the Fitzgerald girls' entrance this morning.

Ginger is babe-alicious in a hot tiny tee, boots, shades and very short shorts. She projects unbearably untouchable. Brigitte flanks her without the wardrobe, but the attitude is there.
Jason gapes as Ginger heads toward him with an unlit smoke between her pointy teeth. She leaves an inch between his chest and her breasts.

GINGER
Got a light, Jace’?

Jason and his pals all fumble for lighters and five little flames appear before her smoke. She lights her smoke on Jason’s, and exhaling looks him up and down. The boys' flames go out, all at once.

GINGER
My sister would like one also.

Obediently, they all light up for Brigitte. Brigitte falters before the attention. At Ginger’s nod, Brigitte lights up too.

TRINA (O/S)
Slut.

Ginger turns to see Trina and the Clones sizing her up.

GINGER
Excuse me?

Ginger seems to tower over the Trinas today. Trina can’t match the menace. Ginger exhales smoke in Trina’s face and climbs the steps into the school.

Brigitte double-takes Ginger’s back. Ginger’s spine is protruding sharply through her shirt. Trina leers at Brigitte.

TRINA
Better watch your back, Fitzenstein.

Brigitte snorts and follows Ginger in.

BRIGITTE
(under her breath)
Like I’m scared.

INT ENGLISH CLASS - DAY

Ginger chews her nails like a dog does when cleaning them. Brigitte and the rest of the class watch an RCMP OFFICER holding a reward poster at the front of the room.
OFFICER
We need your cooperation. If you know anything about the so-called Beast of Bailey Downs, call in. You can be anonymous.

BRIGITTE (V/O)
Ha! As if they weren't already.

OFFICER (CON'T)
But your pets aren't safe until the perpetrator is caught.

Ginger sighs loudly and Brigitte prods her.

EXT. BAILEY HIGH SPORTING FIELD - DAY

The girls' gym class is prepping for lacrosse again. The Trinas square off across the half-way mark from Ginger. Mz. Sykes blows her whistle. The scrimmage begins.

Trina whips the Indian rubber ball right into Ginger's face. Ginger drops her stick and launches herself at Trina.

Play stops with the whistle, but Ginger and Trina are just going at it. Ginger's winning. Trina bites Ginger's sore arm and Ginger rakes her nails over Trina's neck. Ginger draws blood.

Mz. Sykes breaks it up by dragging Ginger off Trina. Sykes tends to Trina, who bawls.

Ginger wipes her bloody hand over her mouth.

BRIGITTE
Ginger!

Ginger's rolling the taste of Trina's blood around in her mouth.

GINGER
Mmmm.

BRIGITTE
You can't do that, that's human blood! ...Feel anything?

Brigitte and Ginger stare at one another. Ginger first shakes her head, but then nods. Ginger looks around and whispers
GINGER
It's sick but - I'm all like
horny.

Brigitte makes a sour face.

SYKES
Fitzgerald, bench!

GINGER
What, she started it!

Brigitte watches Ginger march to the sidelines, throwing off her gear as she goes.

SYKES
Pick that stuff up!

Ginger gives Sykes the finger without looking back. Brigitte groans.

INT. BAILEY HIGH HALLS - DAY

Brigitte waits outside a door marked GUIDANCE.

Trina struggles by with the help of her clones. Trina sports a big ugly bandage on her neck, knees and an arm in a sling. She shoots Brigitte a Death Stare.

TRINA
Yer bitch sister's dead, freak.

BRIGITTE
(under her breath)
Fuck off.

Jason lopes up. He indicates the guidance office door.

JASON
Ginger in there again?

Brigitte ignores him.

JASON
Cool. Um. Look, Belinda...

BRIGITTE
Brigitte.

JASON
Right, right. I'd really like to take yer sister out. Think you could ask her for me?
Brigitte's face clouds.

JASON
Hey. I could fix you up too. I guess.

Brigitte seethes.

JASON
Fuck. Never mind, I'll ask her myself.
(under his breath)
Freak.

Jason takes a post on the opposite Brigitte to wait. Brigitte glares at him.

INT. GUIDANCE OFFICE - DAY

The grossly over-weight guidance counselor, MR. WAYNE, is perched on the edge of his fake wood desk, holding their death slides (from the credit sequence) up to the fluorescent light. His arm pits are stained with sweat.

Ginger slumps in a chair before him. There is a fish bowl full of condoms on his desk. Ginger picks one out, unwrapping it, examining it as he talks.

MR. WAYNE
Look, you keep getting sent here. We might as well be friendly.

GINGER
I don't do friendly, Mr. Wayne.

MR. WAYNE
Hey. I know where you're coming from. I was a kid once too.

GINGER
Really? So was I. Weird.

Ginger fakes an eye-lash batting smile. She winds the condom over her erect fingers.

MR. WAYNE
Okay, you aren't a kid. You're a young adult. With some issues. Let's explore them.
Ginger rubs the condom’s lubricant between her two free fingers, intrigued by the texture.

MR. WAYNE
Hey. I’m reaching out here.
Your plays for attention are a cry for help, aren’t they?

GINGER
Uh, no.

MR. WAYNE
Is it a problem at home? With your parents?

GINGER
They think I’m cute.

Mr. Wayne sighs.

MR. WAYNE
Maybe I ought to split you and your sister up.

GINGER
Aw, c’mon Mr. Wa-ayn. Divide an’ conquer? That’s so old.

MR. WAYNE
Hey. You’re antisocial, antagonistic, and now violent. The point of high school is you learn to develop a place for yourselves in society...

GINGER
‘Long as you like it.

MR. WAYNE
As long as you’re at this school young lady, I better like it.

Ginger gives him a cold, dead stare.

MR. WAYNE
Consider this your final warning. I see you outta line again, and we’re talking expulsion. And don’t look at me like that, missy.
INT. BAILEY HIGH HALLS - DAY
Ginger slams the Guidance office door on her way out.

GINGER
Fuckin' guidance my ass.

She pounds her fist into a locker and makes a dent. Brigitte cringes. Ginger admires the damage.

JASON
Holy...

Ginger notices Jason and visibly brightens.

GINGER
Hey.

JASON
Hey. Whatcha doin' now?

GINGER
Nothin' special.

JASON
Wanna go for a ride?

GINGER
Sure. C'mon Bee.

Jason and Brigitte's faces darken simultaneously.

BRIGITTE
Ginger, we should get home.

GINGER
No we shouldn't.

Brigitte drags Ginger aside. Ginger notes Brigitte's hand squeezing her arm with a dangerous look.

BRIGITTE
Twenty minutes ago you coulda killed somebody. Is this really a good time to start dating? I don't think so.

Ginger shakes Brigitte's hand off.

GINGER
Well, I do.
BRIGITTE
Why?

GINGER
Why?!! Look, grow up a little an' maybe you'll get it . . .

BRIGITTE
What.

GINGER
Forget it, I'm goin'. I'll draw ya a picture later, 'kay?

Ginger takes Jason's hand and pulls him off to the exit. Jason gives Brigitte SUCH a smug look over his shoulder.

Brigitte stands alone in the hall, gaping after them.

EXT BAILEY HIGH - LATE DAY

BRIGITTE (V/O)
When Henry renovated the basement, to build our room? I was like ten an' in the way an' shit. Well, he rammed me with this beam, right in my stomach. Accidentally.

Brigitte wanders over the emptying school lot. She looks small and alone. She looks disoriented.

BRIGITTE (CON'T-V/O)
But all the air came outta my lungs at once an' I kept tryin' to breathe but I couldn't. I forgot all about that. Till like right now.

Brigitte consults the hygiene calendar. Ginger's ending the third week of checked-off days. A special note on today's date asks DO YOU HAVE PMS?

EXT. HILL CREST - DUSK

Jason's van is parked on a rise that offers an impressive overview of Bailey Downs. Crickets sing. The moon is rising.
INT. THE VAN - DUSK

Ginger and Jason sit in the front seat of his van. They’re making out. Ginger is enjoying herself. Ginger bites his lip. Ginger draws blood.

JASON
Ouch! Whoa. Can’t believe you never had a boyfriend...

Ginger licks his blood from her own lips and freezes dead cold. Jason dives back at her for more. Ginger looks both aroused and unnerved by her arousal. Ginger’s stomach growls. Ginger pushes Jason off of her.

GINGER
I have to go. It’s getting late.

JASON
It’s only six o’clock.

Jason presses himself on her again. Ginger shoves him off, hard.

GINGER
I-have-to-go.

JASON
Oh. Now you get all moody on me?

GINGER
Hey. You got no idea.

EXT. HILLCREST - DUSK

Ginger slams the van door and rushes away from the van.

JASON (O/S)
Chicks, yer all the same!

Ginger stops in her tracks. She shakes her head and continues away.

JASON (O/S)
Cock tease!

EXT. BAILEY STREET - DUSK

Brigitte shuffles along the curb, the picture of dejection. She slows to watch Sam loading some enormous tree branches into the back of his truck, packing up for the night: he has
been cutting back an enormous tree in someone’s front yard. When Sam glances her way, Brigitte picks up her pace without looking back.

EXT. PARK AREA - NIGHT

Trina wears a radio headset that pounds post-disco dance mix as she jogs. Morely dashes in and out of the surrounding greenery. He dashes in once more, and does not reappear.

Trina looks back expectantly. She runs in place, waiting for him. She heads back, looking for him.

Ginger pops out of the brush before Trina. Ginger’s face smeared with blood from Morely. Ginger grins insanely. Ginger wiggles Morely’s collar. Trina clicks off her head set.

GINGER

Hi!

INT FITZGERALD BUNGALOW - NIGHT

Brigitte descends the stairs to her room. Music blasts from the basement.

PAMELA (O/S)

Brigitte? Tell your sister to turn that stereo down!

INT. GIRLS’ BEDROOM - NIGHT

Brigitte lets herself in. The music is now deafening. Trina is bound in a chair at the end of her bed, screaming her head off. Her screams are buried by the music. Brigitte slams and locks the door behind her.

GINGER

(yelling over noise)

Stop screaming or I’ll rip your permed head right off you neck. An’ ya know what? I can do that. Now open wide ....

Ginger force-feeds Trina something on a spoon. Trina screams with her mouth full, trying to spit it back out. Ginger offers Trina a glass of milk.

GINGER

Chaser? No?
Blood trickles out of the corners of Trina's mouth as she chews while bawling. Ginger sets the glass of milk on the desk.

**BRIGITTE**

Bee, what are you doing?!

Ginger grins and shows Bee a bowl of crushed glass and tacks.

**GINGER**

Jus' like you said, Bee! S'perfect!

Brigitte grabs the bowl away: glass shards and tacks rain around them.

**BRIGITTE**

Are you crazy?!

**GINGER**

Hey! I'm doin' this for you!

As the sisters argue, Trina rocks the chair back and forth, trying to free herself.

**BRIGITTE**

Oh no, no way...No!

**GINGER**

Yer still burnt over Jason!

**BRIGITTE**

No, Ginger, I'm burnt 'cause you don't see like jail in yer future! You don't get how hugely fucked this is! DO you?

Trina lurches back hard and rocks forward. Trina struggles to get her toes to meet the floor. She lurches back for more momentum.

**GINGER**

You sayin' I'm stupid?!

**BRIGITTE**

I'm sayin' she? Will tell on you! This is someone who will tell!

Trina throws herself forward again and her toes connect firmly with the floor - just as her temple connects with a sickening CRACK on the sharp corner of the desk. The milk glass dumps on top of her.
Brigitte and Ginger look at her. Trina hangs there in the chair at this strange angle for a moment, dripping milk. Then Trina and the chair keel to the floor. Trina is still.

Brigitte turns the music off and creeps up to Trina. Blood trickles out of Trina's ear and swirls into the milky glass mess at her mouth. Her open eyes stare at nothing. She's dead.

**GINGER**

Ha-ha.

Ginger grabs her own right arm (most damaged by the original attack) and shudders with pain.

**GINGER**

Ow. Ow. Owchee-wow-ow.

Brigitte takes Trina in from head to toe. Brigitte checks Trina for a pulse. Brigitte snaps her hand back as though it were burned. A tremor wracks Brigitte's body and she convulses. Brigitte runs to the bathroom. OFF SCREEN, Brigitte throws up.

Meanwhile Ginger raises her afflicted hand. The hand is now something clearly on the way to being a wolfen paw. The nails are black, curling claws.

Oblivious, Brigitte climbs back into bed and covers her face with a pillow.

**BRIGITTE**

My life is basically over.

**GINGER**

Bee...BEE!

Awestruck, they both watch as Ginger extends and retracts her new set of claws.

**There is a knock at the door.** The girls look at one another in mute horror. Ginger addresses the door.

**GINGER**

What!

**PAMELA (O/S)**

Are you two fighting?!

**GINGER**

- No!
PAMELA (O/S)
Come on then. Dinner's ready.

Brigitte and Ginger hop up and down in a brief freak fit.

GINGER (O/S)
Coming!

INT FITZGERALD DINING ROOM - NIGHT

Ginger has her new paw curled up in an over-sized sweat jacket sleeve. Brigitte stares at the stew before them with grave distaste. Pamela has a number of used tissues around her - she's been crying.

HENRY
The gynecologist called.

Pamela grasps Ginger's gnarly arm and squeezes it through her sleeve. Brigitte and Ginger look at Pamela's hand.

PAMELA
There's something wrong, Ginger. He wants to do an ultra-sound!

HENRY
Pamela, don't scare her. How could the cells not be human cells? We'll send you to somebody else.

PAMELA
I'm sure your father's right. I'm just upset... How are you feeling, do you feel all right?

GINGER
Um. Sure. Fine.

PAMELA
(lowering her voice)
No unusual discharge or anything like that?

Henry, Brigitte and Ginger groan.

PAMELA
I worry, all right? I've made another appointment with a new doctor. Early next month was the earliest he could see you. Okay?
GINGER

Okay.

They all begin eating in silence. Except Brigitte who gags as Henry squirts ketchup all over his stew.

EXT. NEIGHBOR’S YARD - NIGHT

Trina’s body is wrapped in a bedspread and stuffed in a kid’s wagon. Brigitte is keeping a look out looking pale and sickened.

Grass and dirt spray out of the playhouse. Ginger is digging up the ground inside doggie style. She emerges, shaking the turf out of her new paw.

They struggle to get Trina inside, but she’s already too stiff to bend up.

GINGER

Told you.

BRIGITTE

Rigor mortis. Knew we should’ve skipped dinner.

GINGER

Can we do it my way now?

Brigitte hesitates, her anxieties rising.

BRIGITTE

So is this it? You doin’ people now?

GINGER

She won’t fit unless I...

BRIGITTE

You know what I mean. Just say.

GINGER

I didn’t kill her!

BRIGITTE

But were you gonna?

There is a long pause. Ginger tries to laugh it off with,

GINGER

No. I’m not doing people. No.

Brigitte takes a deep breath, nodding. She acts belief.
BRIGITTE
'Kay. ...Hurry up.

Ginger drags a section of the body into the playhouse with her. **Disgusting snarling and tearing, bones snapping and other sounds of devouring are heard from within.**

Brigitte keeps watch. Tears appear in her eyes.

The body is dragged another foot into the playhouse. Ginger is eating Trina to make her fit in the grave.

**BRIGITTE (V/O)**
Trina was dead. Trina was dinner. This was BAD. An’ I kept wonderin’ what Sam was doin’ right then. I couldn’t help it, he jus’ kept poppin’ into my head, like.

CUT TO BLACK.

**INT A FAMILY-SIZE FREEZER - DAWN**

Brigitte lifts the lid of a large freezer. **OUR POV IS FROM INSIDE THE FREEZER.** Its light illuminates the brown paper parcels Ginger sets inside, next to the frozen waffles and veggies. The parcels are labeled T-bone, T-thigh, T-breast.

**BRIGITTE (V/O)**
What Ginger couldn’t finish we froze, ’cause the less we left for whoever would find Trina, the better. Watch a lot of crime TV, so.

Brigitte’s sizing Ginger up behind her back.

Ginger finishes loading the freezer. Brigitte drops the lid.

CUT TO BLACK.

**INT GIRLS’ BEDROOM - LATER THAT NIGHT**

The room is dark. Ginger is asleep.

Brigitte is in bed with her back turned to Ginger’s bed. Brigitte has a penlight on a collection of open monster books. She is examining a sketch of a plant with yellow flowers.
BRIGITTE (V/O)

(reading)
"The Beast was usually finally eliminated with a bullet, the cost of breaking the curse the human life that bore it." Oh man. "However many believed wolfs bane (see Diagram, right) had the power not only to protect the innocent, but calmed those afflicted to a restored sense of reason and self-control."

GINGER (O/S)
Whatcha doin'? 

Brigitte nearly jumps into orbit, slamming her book shut as Ginger appears over her shoulder.

GINGER
Hm. Big Book of Monsters, hunh. Thought they were useless.

BRIGITTE
They are. Couldn't sleep. So.

Brigitte gives Ginger a nervous smile. Ginger smiles back. Her fangs show.

INT. GIRLS' BEDROOM - NEXT MORNING

Their alarm clock goes off reading 8:00 AM. Ginger's paw comes down hard on it, cracking the plastic casing.

Brigitte is already up. She sweeps up the glass mess from the night before.

Ginger rolls out of bed, steps over Brigitte and stumbles to the bathroom. Ginger steps on tacks and doesn't even react.

GINGER
Man, I'm not getting enough sleep.

Ginger closes the bathroom door.

Brigitte leaps to the door, looping one end of a noosed extension cord around the handle. The other end is tied to the door handle of the bedroom door. Brigitte checks to ensure the latter is bolted shut.
OFF-SCREEN, the toilet flushes. OFF-SCREEN, Ginger tries to open the door. She can’t.

GINGER (O/S)
The fuck -? Bee!

Brigitte watches the vibrating length of cord hold the door firmly in place. Ginger bangs hard on the door.

GINGER
BEE!?

BRIGITTE
Ginger, don’t be pissed...

GINGER
Open the fuckin’ door you feeb.

BRIGITTE
No!

Ginger pounds on the door with great violence.

BRIGITTE
Want Pamela to come over?

The pounding stops.

BRIGITTE
We have to stop it Ginge’. If we can. I’ll be back before dark.

Brigitte tears the page with the plant out of her book and leaves by the window.

BRIGITTE (V/O)
Told Pammy Ginger wasn’t feeling well. Just to get her checkin’ regular on her, keep the pressure on Ginger to be cool.

EXT COUNTY GREENHOUSES - DAY

Brigitte steps off a county bus at the drive.

There’s a police car parked next to the Sam’s truck. She looks back to the bus, but the doors swing shut and it pulls away.

Brigitte smoothes her hair, takes a deep breath, and over-acts innocent as she walks up.
INT COUNTY GREENHOUSE - DAY

Brigitte can hear male voices as she minces down the leafy aisles.

COP (O/S)
It's in your best interests to be cooperative.

SAM (O/S)
My lawyer's co-operative, I just know my rights. I don't know where she is, I'm very concerned. That's it, unless you got a warrant.

She ends up backing into a COP behind some palms.

BRIGITTE
Shhh-it! I mean, sorry.

SAM
(to cop)
You can see I got customers, so if that's all.

COP
Okay. Sure. For now.

The cop gives Sam a final Dirty Harry squint and leaves.

Sam collects himself with difficulty. So does Brigitte.

SAM
If you skipped school lookin' to score, I don't keep nothin' here at work, sweetheart.

BRIGITTE
I didn't. I mean I skipped, but-

SAM
Hey. From McCardy's van, right? You know my girlfriend? Trina Sinclair?

BRIGITTE
Kinda.

SAM
You seen her today?
BRIGITTE
Not today...

SAM
Fuck. She’s missing.

BRIGITTE
Oh. S-sorry.

SAM
Yeah, well. Cops think I know where she is. I don’t.

Sam looks Brigitte right in the eye. Brigitte is caught up in him for a second.

SAM
Sorry, what do you care right? What do you need.

BRIGITTE
Um. Lookin’ for this.

She holds out the torn page. Sam takes it.

SAM
Aconitum lycoctonum? Sorry.

Brigitte yanks her own hair hard. Sam smiles.

SAM
Tryin’ to kill somebody?
(off her look)
Well, you know it’s poisonous, right? Wolfs bane? Deadly. Be like stocking hemlock an’ shit.

BRIGITTE
No, I thought it did something else. Doesn’t matter.

SAM
Anyways they’re perennials - only flowers in spring.

Brigitte turns to leave, hot with frustration, humiliation. Sam watches her stamp toward the door.

SAM
Hey. Ranunculaceae come in about a hundred species. I’ve gotta cousin, monkshood. Not so toxic. If you’re interested.
Brigitte stops and considers him.

SAM
Don't know if it'd help.

INT GREENHOUSE - MOMENTS LATER

They sit together amidst beautiful plants and flowers. Sam picks a tiny purple flower from a bed of young plants and hands it to Brigitte.

SAM
S'called monkshood 'cause people used to think it kept 'em pure from dirty thoughts. Seriously.

BRIGITTE
(earnestly)
Make my life easier.

Sam laughs. Surprised by this, Brigitte smiles and hides under her hair.

BRIGITTE (V/O)
This is awful but the whole time I was with him there? I didn't even think how I'd just put pieces of his girlfriend in the deep freeze, like, at all.

INT. GIRLS' BEDROOM - DAY

Ginger pulls with all her might to get the door open a few inches. The door knobs on both doors are straining. Something starts to crack.

With ferocious effort, Ginger contorts herself through two inches of space. The cracking is coming from Ginger as she squeezes her body bizarre-ly out of joint, as a contortionist might.

Once through, she snaps and clicks her distended bones back in place. She gasps for breath. Her face is distorted with murderous fury.

There is a knock on the bedroom door.

PAMELA (O/S)
Ginger, feeling any better?

Ginger climbs noiselessly out of the window.
PAMELA (0/S)
Ginger? You sleeping?...God, I hate this lock, I know it's privacy but what if you were in trouble in there for god's sake?

INT. BAILEY HIGH HALL - DAY

Brigitte stands at her open locker, tying a rubber band around stalks of the monkshood. There is a goofy half-smile on her face, and she's humming.

BRIGITTE (V/O)
The book said dry it out before using it. I figured I'd keep Ginger locked up - feeding her Trina - till it was ready.

She hangs the monkshood upside down in the locker. The buzzer goes as she slams the door shut.

EXT. SERVICE LANE - DAY

Ginger stalks past the neighbor's yard with the playhouse where Trina is buried.

EXT. PLAYHOUSE YARD - DAY

A new puppy romps. He sniffs around the edge of the playhouse. He smells something. He starts to whine and dig.

INT. BAILEY HIGH - DAY

Ginger stomps the deserted halls, with their class schedule in hand. Classes are in session. A fat silhouette appears at the end of the corridor.

WAYNE
Fitzgerald. Tardy! My office NOW!

Ginger faces him with a dreadful expression.
INT. CLASSROOM - DAY

Brigitte slumps in her seat doodling. The RCMP officer is back, speaking to the class. The poster this time has a class photo of Trina.

OFFICER
If any of you have seen Trina please let us know. She went for a run this morning and has not returned or contacted her family or friends....

INT. GUIDANCE OFFICE - DAY

Ginger stands imposingly over Mr. Wayne in his chair.

WAYNE
Sit down, Ginger.

GINGER
I can't stay.

WAYNE
I said, sit.

GINGER
An' I said.../

WAYNE
(cutting her off)
You are expelled. This is not your personal playground, this is a school.

GINGER
Oh dear.

INT. GUIDANCE OFFICE - A FEW MINUTES LATER/DAY

Ginger's good hand lifts the telephone receiver on Mr. Wayne's desk. With her wolfen paw she dials. In the background we see blood splattered over the walls.
GINGER O/S
(imitating Pamela)
Hello, main office? This is Mrs. Fitzgerald. Would you page my daughter Brigitte please? I'm waiting to meet her in the guidance office. Thank you so much.

INT. CLASSROOM - DAY
Brigitte catches herself writing Sam's name on her binder. She scribbles it out, looking very guilty.

PA SYSTEM O/S

Brigitte freezes. The cop, the teacher, the whole class look at her. Brigitte scoops up her stuff.

EXT. GUIDANCE OFFICE - DAY
Brigitte reaches the door and finds it locked. The door opens a crack and Ginger's transformed arm grabs Brigitte, hauling her inside. The door slams shut and locks.

INT. GUIDANCE OFFICE - DAY

GINGER
Don't ever fuck with me like that again.

BRIGITTE
You ... got out.

Brigitte gapes at all the blood. Ginger is very agitated.

GINGER
He asked for it. Was gonna expel me. So.

Backing away, Brigitte trips over Mr. Wayne's foot sticking out from under the desk.

GINGER
What do we do, Bee? What do we do?
Brigitte sinks into a chair looking completely traumatized. Ginger hones about—charged by the kill.

GINGER
C'mon we need a fuckin' plan here!

The school bell goes off. Brigitte snaps out of her daze, reaches up and hits the light switch off. They now sit in virtual darkness.

BRIGITTE
Last bell. Wait till everyone goes. We'll stuff him someplace. Clean this up, I guess.

The sound of the full halls around them seems very loud now.

GINGER
Bee, gotta a smoke?

Brigitte hands her a smoke.

GINGER
Sorry about this.

BRIGITTE
Whatever.

GINGER
Don't be mad, 'kay?

BRIGITTE
I'm not mad.

INT. BAILEY HIGH HALLS - LATER

The school is deserted. The lock pops on the Guidance door and Brigitte and Ginger peer out. Nobody.

BRIGITTE
Stay here. Lock the door. I'll knock once.

Ginger nods. Brigitte slips out and creeps down the corridor. Ginger shuts the door. Then Ginger whips it open again.

BRIGITTE
Shut the door, Ginger!
GINGER

Bee?

BRIGITTE

What!

GINGER

Thanks.

Brigitte blinks at her, then continues to skulk away. The office door shuts and the lock locking reverbs after her.

INT. ANOTHER HALLWAY - LATE DAY

Brigitte walks fast, looking for a place for the body.

She looks inside full garbage cans and sizes them up. Too small.

She looks up at a loose ceiling panel. She jumps a few times trying to reach it. Too high. She gets an idea.

Brigitte jogs past the sign directing us to gym.

INT. GUIDANCE HALL - MEANWHILE

A JANITOR pushes his cart toward the guidance office. He stops at another door, produces keys, and lets himself in.

He returns with a trash can and empties into his bin. He replaces the can, closes the door and locks it.

INT. GUIDANCE OFFICE - MEANWHILE

Ginger, gnaws on Mr. Wayne's arm but really isn't enjoying it. She stops in mid-chew and listens. The janitor's footsteps approach: his cart wheels squeak.

INT. GUIDANCE HALL - DAY

The janitor wheels up to the guidance office. He slides his key in the lock.

INT. GUIDANCE OFFICE - DAY

Ginger grips the door knob as best she can with her one good hand, her feet braced against the wall on either side.
On the other side, the janitor tugs, and tugs again. Ginger’s getting madder the more he persists.

The janitor gives the door one last wrench and it flies open.

INT. GUIDANCE HALL - DAY

Brigitte wheels a large cloth cart full of basket balls around a corner.

The janitor crawls toward her, his hands lifted to her for help, blood spurting from his slashed throat. He tries to cry out, but only makes a gurgling whistle, the air in his pipes passing through blood.

Ginger walks behind him as he crawls. Ginger applies her boot to his ass and makes him slip face first in his own gore. Ginger giggles.

Ginger looks up and sees Brigitte gaping in utter revulsion at her. For a split second, Ginger stops cold. Ginger seems to falter before her sister’s horror.

Then, without breaking their locked gaze, without even seeming conscious she’s doing it - Ginger steps on the man’s fingers and breaks them with a series of snaps.

Brigitte tries to pry her eyes away, but can’t.

Still staring at Brigitte, Ginger extends her claws. Ginger shakes her head, as if to say I can’t help it... Ginger pounces on the man. Brigitte turns her face to the wall.

The janitor makes a final horrible noise. The halls fall silent.

MONTAGE: INT. SCHOOL - LATE DAY TO NIGHT

as Brigitte stuffs Mr. Wayne into the gym basket and covers him with balls,

Ginger runs madly up and down the halls screeching and whooping, slamming her monster arm into the lockers bashing them in.

as Brigitte pushes the janitor’s body into a ground level air vent

Ginger breaks the fire extinguisher out of it’s case and unleashes foam into the halls.
Brigitte mops up the janitor’s blood with his own cart stuff. The Guidance office is already clean.

Ginger lifts the fire extinguisher over her head. She starts running with it toward through the frosted glass window of the main office with a triumphant war whoop.

Brigitte steps between Ginger and her target.

GINGER
Move!

BRIGITTE

Ginger throws the canister any way, forcing Brigitte to dive out of the way. SMASH! Glass rains down over Brigitte.

Brigitte lifts her head in time to see Ginger burn down the hall looking for more mischief.

Brigitte curls into a fetal position, burying her face in her lap and rocks herself. Brigitte sobs.

OFF-SCREEN we hear Ginger continuing her rampage else where in the school. Brigitte wanders up to the janitor’s cart, looking like a plane crash survivor - dazed and wretched.

Brigitte picks up a bottle of cleaning fluid. She sniffs it. She closes her eyes and tips it back. She washes it around in her mouth and lifts her chin to swallow. She spews it into the air, the taste making her heave instinctively. She dry heaves a couple of times. She throws the bottle at the wall.

INT. SCHOOL - NIGHT

Exhausted, Brigitte trails Ginger who is tired too, and heading for the exit. They stop dead at the doors.

EXT. SCHOOL STEPS - NIGHT

A truck’s headlights pin them in full view. Ginger rolls her sleeve down over her paw. Brigitte swoons as if she might black out on the spot.

The truck’s engine cuts and the doors slowly open.

JASON
Well, well well.
Jason and his pals climb out of the van. They hold beer bottles: they have come here to drink.

JASON
The fair sisters Fitzgerald.

GINGER
Hey. How's it goin'?

JASON
You tell me.

Tim cracks the door and takes a look inside.

TIM
Holy shit - they trashed the place!

The guys gawk: they are very impressed.

BOYS
who--oooooaa. Fuck, unbelievable!

JASON
Ginger, I had no idea.

GINGER
What can I say. I had an urge.

JASON
Cool. But. This is ya know, uh, a bit of a problem. What's gonna happen when they start lookin' for the ah, people responsible?

Brigitte glares at Ginger.

GINGER
You won't tell.

JASON
Oh I might.

GINGER
No you won't.

BRIGITTE
Ginger -?

GINGER
Shut up. Shut up. (to Jason)
How 'bout a deal.
JASON
Have to be sweet.

GINGER
You keep our lil’ secret and I
do you. All a’ you.

Brigitte slumps against the wall.

JASON
What!?

TIM
Bull shit.

JASON
Serious?

Jason gets the eager nod from his gang.

JASON
Okay, let’s go.

GINGER
Not now – I’m a mess. We’re
(making this up as
she goes)
having a Halloween party at our
place, Friday night. We’ll do it
then.

JASON
Yeah, right Saturday. You’ll
ditch.

GINGER
I won’t ditch. But you guys say
a word about this to any one, -
and there’s no action. So it’s
up to you. You stay quiet, you
score. You don’t – phhtt – nice
knowin’ ya.

JASON
Deal.

He extends his hand to shake on it. Ginger shakes it
awkwardly with her good hand. Brigitte thumps her head
against the wall.

INT. GIRLS’ BEDROOM - NIGHT

Ginger leans on the bathroom door, which is shut.
GINGER
C'mon Bee....

INT. GIRLS' BATHROOM - NIGHT

Brigitte is sitting on the closed seat of the toilet trying to pull her hair out.

BRIGITTE
Shut up, leave me alone!

GINGER (O/S)
It's not that big a deal.

BRIGITTE (O/S)
How can you say that! Two people are dead because of you. Us.

GINGER
They pissed me off.

Brigitte opens the bathroom door.

BRIGITTE
Oh. Then they we asking for it? What about Jason an' them? Gonna kill 'em all when yer done, Ginger? 'Cause you have to take yer clothes OFF for that shit, they wanna SEE yer BODY for that shit, you gonna let like five guys live to tell how they fucked the Beast a' Bailey Downs? That could annoy you too!

Ginger prods a claw into Brigitte's chest, pinning her in place.

GINGER
Think yer sooo smart? I think yer sooo jealous.

BRIGITTE
Yeah, I'm jealous yer turning into a nympho. I'm so jealous yer killing people who did never did nothing to you. Yeah Ginger. Sure.

GINGER
Oh, wow.
Brigitte takes a deep breath, swallows hard.

**BRIGITTE**
I don’t wanna do this any more.

Ginger’s claw pricks Brigitte’s skin. Brigitte cringes. Blood appears around the claw.

**GINGER**
What.

**BRIGITTE**
I’m sorry, but...

Brigitte writhes in pain as Ginger’s claw slices in deeper.

**BRIGITTE**
Ginger?! This is me.

Ginger retracts the claw, and Brigitte grabs the wound.

**GINGER**
....So?

Ginger hurls Brigitte against the wall. Ginger throws herself on top of Brigitte. Ginger raises her killing claw to Brigitte’s neck.

**GINGER**
Who needs you?

Brigitte is helpless and looks terrified. Ginger’s face is contorted with intensity, with madness. Ginger’s drooling. A drip of gob drops onto Brigitte’s face.

**BRIGITTE**
(very small, plaintive)
Ginger...

Ginger lifts Brigitte by the shirt-front and searches her eyes. Ginger drops Brigitte to the floor and grabs her coat. Brigitte grabs Ginger’s leg.

**BRIGITTE**
Don’t, please!

Brigitte struggles to hang on, to rise from the floor; Ginger’s really hurt her.

**BRIGITTE**
Maybe we can stop it! Lemme try!

Ginger kicks free.
GINGER
An' spoil my fun? I'll skin you alive first.

Brigitte struggles to a point between Ginger and the window.

BRIGITTE
You're fucked without me.
They'll catch you. Wake up!

GINGER
No, you wake up! Nobody'll live
to catch me. Yer a two-faced
lil' chicken shit? Your problem,
Brigitte. I don't need ya. I
don't WANTCHA! So stay away from
me or I'll kill you I swear I'll
have you for breakfast.

Brigitte backs out of Ginger's way.

Ginger steps up to the window and climbs through.

Brigitte rubs her throat, trying hard to keep breathing.

Brigitte dashes to her own bed and drags an Adidas gym bag from under it. Brigitte starts grabbing clothes off the floor and jamming them into the bag.

BRIGITTE (V/O)
I was like, okay. Fuck you too.
She'd be sorry. And I'd be like,
I dunno - somewheres' totally
else goin' not my problem.
Right.

EXT SERVICE LANE - NIGHT

Brigitte trudges up to the bus stop next to the fence of the playhouse yard with her full Adidas bag.

Light streams from inside the yard, multi-coloured, strobing. It looks like a UFO has landed on the other side of the fence.

She peers through the slats. She sees the playhouse, lit up like a Christmas tree. She sees gloved hands and police uniforms. Then sliding past, the long - almost endless - shape on a stretcher being drawn out of the playhouse: they've found Trina's body.

The bus appears, approaching from way down the road.
Brigitte looks from it to the crime scene. The crime scene photographer's FLASH! pops in Brigitte's face - blinding her for a second. Brigitte rubs her eyes. She shakes her head hard.

The bus is indicating, slowing to pull over.

Brigitte opens her eyes. The bus is almost here. Brigitte grips her Adidas bag.

**BRIGITTE (V/O)**

But you can't break up with blood. You can't divorce yer sister. You jus' can't.

The bus passes, obscuring Brigitte from view as its body fills frame. When its tail lights pass, Brigitte is far down the street, running like a champion in the direction she came from.

**INT. GIRLS' BEDROOM - NIGHT**

Brigitte carefully unlocks the bedroom door and slowly opens it. The room is dark and just as she left it. Ginger's bed has not been slept in, and she is nowhere to be seen.

**BRIGITTE (V/O)**

I'd get the monkshood from my locker at school the next morning.

Brigitte creeps to the bathroom and snaps the light on. Empty.

**BRIGITTE (V/O)**

I'd find Ginger, I'd find out if the stuff even worked.

Brigitte locks the window shut. She locks the bedroom door and pushes a bureau of drawers in front of it.

**BRIGITTE (V/O)**

I could deal with whatever, as long as I tried. If it was the last thing she ever saw me do, it was gonna be me goin' fer somethin' by myself. The real Ginger woulda dug that large.

Brigitte turns on the bedside lamp and fishes a baseball bat out of the closet.
BRIGITTE (V/O)
I would try to save my sister
when the sun came up. You know,
if the sun came up.

Brigitte climbs into bed, snuggling the bat in with her. She
lights a smoke. She finds the feminine hygiene calendar on
the bedside table next to the photo of the girls as kids at
Halloween, taken many years before.

The calendar tells us it is about to be Friday. Friday is the
full moon. Friday is Halloween.

INT GIRLS’ ROOM - DAWN

The lamp is still on. The ash tray is full of butts. Brigitte
stirs in her sleep.

Ginger stands at the end of Brigitte’s bed, staring at her.

Brigitte snaps to, gripping the bat. Ginger snorts, and
climbs into her own bed.

Brigitte swings her gaze to the window. It is still shut and
locked. The bureau is still in front of the door. Brigitte
holds her bat tightly and watches her sister’s back in the
next bed, terrified.

EXT. BAILEY HIGH - DAY

Brigitte jogs up to the school. The yard is full of
students. Teachers are marshaling them into lines and seating
them on the grass. Brigitte plows through.

Ginger rides past, piggy-backed by Jason. Ginger completely
ignores Brigitte. Brigitte looks very worried.

FEMALE STUDENTS
Ginger Fitzgerald is such a
slut./No kidding./The bitch.

VARIOUS STUDENTS
You hear about Trina
Sinclair?/Dug her up in
somebody’s back yard!/Oh that’s
so sad!/ Poor Trina, Ga-awd!

As Brigitte gets closer to the building, she finds police
cars and cops at the main entrance.
BRIGITTE

shit.

PRINCIPAL FARDOR is speaking with the RCMP constable who has been visiting classes. Fardor holds a hanky over his face.

FARDOR
That stench near the staff offices, what is that you think?

Brigitte hedges up the steps toward the door.

OFFICER
I couldn't say, sir. Now is there anyone you suggest we talk to? Anyone with something against the school?

Brigitte slips past the two men.

FARDOR
For god's sake look around you. I got 350 angry young people bored blind. Helluva day for my goddamn cleaning staff to be late....HEY!

Brigitte stops at the threshold.

FARDOR
The hell you goin'?

BRIGITTE
I left something in my locker.

FARDOR
Find your homeroom and wait. School's outta bounds until we call you in. Get!

Brigitte backs down the steps, looking like she just took a good slap. She turns to confront the mass confusion around her.

Brigitte spots Ginger dancing on the roof of a car in the lot now, surrounded by boys. Brigitte spots Sam's truck near-by.

EXT. BAILEY HIGH PARKING LOT - DAY

Sam is sit in his truck, slumped over the wheel. He holds an almost-gone bottle of rye. Brigitte runs up.
Sam is crying. He doesn’t see Brigitte arrive at his window, so she turns to tip-toe away. Sam looks up. His eyes tell us he’s stoned.

**SAM**

Hey. Wolfs bane. Wanna drink?

Brigitte stops and turns to face him. Sam dries his face on his sleeve and pops his passenger door. Brigitte looks around and slides in.

Ginger is watching Brigitte out of the corner of her eye.

**INT. SAM’S TRUCK - DAY**

**SAM**

I showed up to see Trina? But she’s ... I’m goin’ strange in the head.

Brigitte doesn’t know what to say, so she offers his a smoke. He takes it.

**SAM**

Why? Why would ya do a thing like that?

Brigitte examines his face for an implication. There isn’t one.

**SAM**

What’s funny is I dumped her that night. Feel bad about it now. Truth is, she was a pain in the ass. I sound like a jerk, right.

**BRIGITTE**

No.

**SAM**

Really? Yeah well, while she was - disappearin’, I’m off have a time at the Highway Home with my buddy Georgie. Drinkin’, dealin’ - an’ now she’s ...

Sam is over-come again. Brigitte raises a hand to touch him, chickens out, and then scores on the second attempt. He rolls right into her arms.
For a brief moment, Brigitte has her nose in his hair, her cheek on his shoulder, her hands on his back. He's crying, and she fights her own tears.

SAM
Sorry, this is strange. I don't even... Last time I saw her she was so mad at me. An' we did have some times, we did. Makes me sick what her last thought a' me musta been though.

Their eyes meet, their faces are inches apart. Brigitte kisses him, very softly and very quickly and then pulls out. Sam looks shocked. Brigitte looks more shocked.

EXT. BAILEY HIGH PARKING LOT - MEANWHILE/DAY

Ginger stops dancing a second. She is staring at Brigitte and Sam in his truck. Her face darkens.

INT. SAM'S TRUCK - DAY

BRIGITTE
I'm really, um.

Sam leans in and kisses her right back. Better. Longer.

SAM

BRIGITTE
Yeah. Yeah.

SAM
But that was really nice.

BRIGITTE
Oh. 'Kay. Good.

They sit staring straight ahead a moment. A cop ahead double-takes them, and reaches into his car for the radio mic.

SAM
You wanna lil' dube or somethin'? Listenin' to me go on like a loser... What's yer name?
BRIGITTE
Brigitte. Fitzgerald. No, that's okay. I need more monkshood...

SAM
Yes! Dirty thoughts! Oh. I been drinkin'. Should not drive. Right, Brr-igitte?

Brigitte drags her hands over her face with extreme anxiety.

BRIGITTE
Oh, right. OK. Um.

SAM
Ginger's yer sister right?

Sam grimaces as Brigitte nods.

BRIGITTE
Why?

SAM
Oh, rumors - say she's doin' all these guys at some party. Goin' around she's a big time ho', that kinda thing. Hey. Don't worry about it. Nobody mentioned you.

Ginger's most maniacal laugh drifts over to them. Brigitte sees her dancing sexily on the roof of a car with a whole crowd of leering boys.

EXT. BAILEY HIGH PARKING LOT - DAY

CROWD
C'mon Ginger! Take it off!

GINGER
You wish!

CROWD
Hey Ginger? Watcha doin' later? Can we come to yer bash?!

Ginger stops dancing. Anger floods her face.

GINGER
You know about that?
BOYS
Sure, everybody knows! Can I bring my cousin?

INT. SAM'S TRUCK - DAY

Sam grabs Brigitte’s arm as Brigitte grasps the door handle.

SAM
I like you Brigitte F.

BRIGITTE
What -?

SAM
Like to see ya again. Can I come to yer party too?

BRIGITTE
Sh-sure. Sorry. I gotta - Ginger, so.

Brigitte slips out of the truck as they stare at one another with that look you get when you’re scared because you just kissed someone you really, really like.

EXT. BAILEY HIGH PARKING LOT - DAY

Two more squad cars are gliding up the street toward the school.

Brigitte makes her way toward Ginger.

BRIGITTE (V/O)
He was jus’ drunk, I’m thinkin’. I mean he prob’ly din’t mean it. Whatever.

Beyond Sam’s truck, behind Brigitte, the two new cruisers lurch to a stop. Cops approach Sam’s vehicle with extreme caution.

Brigitte arrives at the car with Ginger as,

GINGER
All a' you guys?! My house! Tonight!
(very sinister)
I wanna party with everybody. We’ll do it till you drop.
The crowd applauds. Brigitte stares at Ginger like she's watching a cruise missile coming in. Ginger notices Brigitte watching her. Ginger pretends she doesn't see her.

BRIGITTE (V/O)
Ginger was gonna kill every one of 'em.

A commotion behind them causes everyone to turn.

Sam is being dragged from his truck by the cops. He is flung face-first onto the hood and handcuffed.

COP
Sam McDonald? You're under arrest for the murder of Trina Sinclair.

Brigitte physically fights with herself not to yell out. She runs a few steps toward Sam. Brigitte looks back at Ginger, who drills her with an evil warning glare.

The cops shove Sam into the back of a cruiser. They roar off.

Brigitte stands alone, apart from the crowd. The cruisers' flashing lights disappear down the street. Brigitte turns to face Ginger, mustering her own first menacing look.

Ginger accepts a cigarette offered by one of her boys.

BRIGITTE (V/O)
They closed the school that day. So I never got to my locker. So I never got the monkshood. I thought, this is it. I fucked up.

EXT. FITZGERALD BUNGALOW - LATE DAY

The full moon is just making an appearance.

Brigitte stands in the front room window, which is decorated with a Happy Halloween paper sign and plastic bats. Brigitte's watching Henry put Styrofoam tombstones in the front yard.

INT. FITZGERALD DINING ROOM - LATE DAY
The Fitzgerald family is eating. Brigitte pokes at her food. Ginger eats like a fiend, with sunglasses on. Her monster arm has been wrapped in gauze from tip to elbow.

PAMELA
Now just remember, no boys in you bedroom during this party. Your room is off limits. Ginger are you sure that arm’s not sprained, or worse?

GINGER
Bruise. Lacrosse.

PAMELA
Mm Henry when’d you get this new meat from Tinny’s? Quite nice.

Brigitte and Ginger exchange a look.

HENRY
I haven’t been to Tinny’s.

PAMELA
Then where’s all the packs marked “t” come from -?

Brigitte spits out her food.

BRIGITTE
I be excused?

INT. FITZGERALD MINIVAN - MAGIC HOUR

Brigitte is using the vehicle’s portable phone as she eyes the silhouettes of the family -still at the dining table - in the window above her.

She stares at her watch during the following,

911 OPERATOR (O/S)
911, do you need fire, ambulance or police, please.

BRIGITTE
(speaking very quickly)
Sam McDonald is not the Beast of Bailey Downs. He was at the Highway Home Motel when Trina Sinclair was killed. Sam didn’t do it.
Brigitte whips the phone shut, hanging up. She breathes out long and slow.

BRIGITTE (V/O)
In case this was the last thing I’d do. I wanted Sam out of it. Sam shouldn’t suffer.

INT. FITZGERALD DINING ROOM - LATER

Brigitte hovers in the door way. Henry is reading the paper.

HENRY
That Sinclair girl was found at the Bernstein’s, can you believe it?

PAMELA
What, last night? I didn’t hear a thing! Never going to have these done in time. Henry help.

Pamela is feverishly creating little straw witches and such party decorations. She has a selection of dried flowers, wheat etc on the table before her.

PAMELA
.. Brigitte, honey we’re thrilled you two are making friends. But next time you two do something like this give Mummy a little more notice, will you? Hate having to scramble.

Brigitte slides into her regular chair and props her hands on her wrists in an attitude of complete distraction.

HENRY
What’s your sister up to?

Brigitte looks at Henry as he works on a little witch.

PAMELA
She said she had a lot of work to do on her costume. Should we dress up, you think?

Henry grimaces. He sifts through the dried plants before them. Brigitte double-takes the pile.

PAMELA
Oh, Henry. You’re no fun at all.
Brigitte sits bolt up right in her seat.

BRIGITTE
What is this stuff?

PAMELA
Just weeds, old cuttings from the yard.

BRIGITTE
No, THIS stuff.

Brigitte plucks out a handful of dried plant with tiny purple flowers.

PAMELA
Oh, I had that around the dahlias. Man at the greenhouse said it'd keep the cats out. Seemed to do the job. It's got a funny name - nun's robe, priest hat, something ...

BRIGITTE
Monkshood.

PAMELA
That's right. Do we have a budding botanist in the family?!

HENRY
Pun intended.

Pamela giggles as does Henry. Brigitte grabs a fistful of monkshood and races for the door.

PAMELA
Hey, we need that! Brigitte!

But Brigitte is gone.

PAMELA
That was my accent colour!

INT. BASEMENT PROPER - DUSK

The half-finished basement has a rec room which Pamela has decked out in an infantile version of ghoulish for the party. Punch sits ready next to case-lot pop and Tupperware brimming with snacks.
Brigitte walks through to the door with a sign, OFF LIMITS. Brigitte unlocks the door and slips the monkshood up her shirt.

INT. BEDROOM - DUSK

Candles are burning all over. Ginger’s bed is turned down, ready. Brigitte walks in on Jason climbing through the open window.

JASON
Hey. Must be the place, right?

Brigitte sneers at him. He holds a half-gone bottle of schnapps, a dress shirt and his Good Jeans on.

The toilet flushes in the john. Brigitte knocks on the door.

GINGER
What!

BRIGITTE
McCardy’s here.

The bathroom door unlocks but remains closed.

GINGER
Git in here an’ gimme a hand.

Brigitte casts an uncertain look at Jason.

JASON
C’mon ladies, there’s six other guys sitting in the shrub waiting.

Brigitte’s face darkens. She slips into the bathroom and shuts the door.

BRIGITTE (V/O)
Do you think some people deserve to die?

INT. GIRLS BATHROOM - NIGHT

Brigitte does not tryo to hide her fear of being in a confined space with Ginger. There are razors and whiskers all over the floor. Shaving cream every where. Ginger is red-faced, sweating and hostile.
GINGER
Don't say a fuckin' word.

Ginger lowers the towel she's wearing enough to show the bump on her butt is now a twitching tail. Brigitte gasps.

GINGER
Take this gauze and tie it flat.

BRIGITTE
Ginger, you can't...

GINGER
DO IT!

Brigitte takes the roll of gauze. She grabs the tail between her fingers and coils it up with utter disgust. Brigitte's hands tremble.

EXT. GIRLS BEDROOM - MEANWHILE/NIGHT

Jason sits on the edge of Ginger's bed and bounces up and down a bit. Between his legs we glimpse a dog tag hanging between the mattresses.

INT. GIRLS BATHROOM - NIGHT

Brigitte tapes the gauze in place. Ginger throws a robe on and grabs the door.

GINGER
Now get outta my life.

Brigitte grits her teeth.

BRIGITTE
I gotta get ready for the party.

GINGER
Then wait here till I'm done.

BRIGITTE
What, through all fifty a' them?

GINGER
Oh, don't tempt me.

Ginger takes a deep breath before she opens the bathroom door. Her breath is ragged. She smoothes her hair and chews her lip. She's nervous. Ginger opens the door and closes it behind her.
Brigitte hears,

JASON (O/S)
It's really dark in here.

GINGER (O/S)
I'm shy. Lay down.

Brigitte puts the toilet seat down and sits on it. Brigitte lights a smoke. Brigitte withdraws the monkshood from under her shirt and has a good scratch where it was itching her.

OFF-SCREEN are the sounds of slurpy kisses and Jason's moans. A fly unzips. Clothes fall with soft plunks to the floor. Bed springs creak. Plastic condom wrappers crinkle and then the SNAP-WHAP of one being fitted on pretty roughly. Somewhere above them the door bell starts ringing.

From a vanity cupboard she pulls a Zombie face-painting kit and sets it next to the monkshood.

EXT. FITZGERALD BUNGALOW - NIGHT

Cars are streaming down the street in both directions.
Groups of COSTUMED TEENAGE BOYS flock down the walks, over lawns, and que up to get into the Fitzgerald party.

On their front porch, Pamela and Henry meet and greet the young men, awed by their numbers.

HENRY
(to Pamela)
Notice any girls?

Pamela shrugs.

INT. GIRLS' BATHROOM - MEANWHILE/NIGHT

Brigitte - now in ZOMBIE-face - rubs the monkshood between her fingers, crumbling it into a neat pile on the counter.

OFF-SCREEN from the bedroom, the sounds of Ginger having rough sex continue.

Brigitte peels a centimeter of paper off the end of an unlit smoke and wiggles the cigarette, creating a second pile of tobacco. She reaches into the radiator vent and withdraws a package of rolling papers.

EXT. FITZGERALD BUNGALOW'S REAR - MEANWHILE/NIGHT
One BOY in a skeleton costume creeps along the shrubs toward the Fitzgerald sisters’ bedroom window. He stumbles over a demon, a Frankenstein and a mummy. They curse one another.

INT. GIRLS’ BEDROOM - NIGHT

OFF-SCREEN, from the rec room part noise grows as things get under way outside.

Ginger waves good-bye to Jason as she undoes Frank’s shirt buttons. The bathroom door is now inching open a crack.

INT. GIRLS’ BATHROOM - NIGHT

On the counter at the sink, all evidence of Brigitte’s project with the monkshood are gone.

Brigitte peers out the cracked door and then locks away, fighting an urge to watch in spite of being grossed out. The sounds of sex drift in from the bedroom.

She catches sight of herself in the mirror. As a ZOMBIE. She tugs her shirt tight over her breasts. Nothing to see.

She smooths her shirt with her hands, then moves her palms down over her waist, her hips. Over her crotch. Brigitte’s fingers skip under her skirt.

Brigitte’s face tells us she’s searching for something under there. she’s trying this out. But nothing’s happening.

She frowns. she draws her hands out of her skirt and quickly washes her hands in the sink. She checks her watch and sighs.

INT. GIRLS BEDROOM - NIGHT

Brigitte creeps out of the bathroom on all fours. Above her, Ginger’s feet and some guy’s writhe on the bed.

Brigitte reaches up to the bedroom door knob. She opens it and crawls out.

INT. FITZGERALD BASEMENT PROPER - NIGHT

The rec room is packed with over-grown ghouls. Pamela is trying to play it cool from her perch behind the punch bowl, as she marvels at the costumes and all these kids she’s never even met before.
Henry has a group of boys cornered with a college football story.

Brigitte leans against the wall watching the party and looking at her watch.

**BRIGITTE (V/O)**
In English I heard about this chick who used a man's name to get her books read. She went by George but she was really Mary Ann? Goes, "It's never too late to be what you might have been." I was jus' there thinkin', is that true? Was it too late to be an Unsolved Mystery? Alls I had to do was walk away...

**MALE VOICE (O/S)**
Brigitte F.!

Brigitte looks up to see a cheap plastic Frankenstein mask looking down at her. Its owner flips it up: it's Sam. Brigitte's eyes snap wide open in shock.

**SAM**
They let me go. No evidence!
Someone called in this tip.

**BRIGITTE (V/O)**
So I decided to stay.

**BRIGITTE**
Hey, you gotta get outta here -/

Ginger emerges from the bedroom like a reigning diva, and the room stops dead.

Brigitte drops her glass of punch.

Ginger has come out as herself, as an almost full-blown werewolf. She wears a Lil' Red Riding Hood cape jobbie and a plastic mask. She's the best looking monster you ever laid eyes on. Down her belly she has six perfect nipples showing and everything.

The room bursts into a cheering round of applause.

**GUY WITH 'AX IN THE HEAD'**
That make-up is amazing!
GUY WITH 'EYE MISSING'
Ginger, it looks totally real!

HENRY
(to Pamela)
Told you. She's a arts-type, for chrissakes, look at that.

PAMELA
She's very good, isn't she?

SAM
(to Brigitte)
Wow, yer sister's gone to town.

BRIGITTE
Yeah, she's gone all right. Hey. Can you do me a favor?

SAM
Sure.

BRIGITTE
Can you give somethin' to Ginger for me? Jus' - we're havin' a fight, but I got this thing for her.

SAM
Yeah, what.

Brigitte shows him what appears to be a joint. Sam takes it.

BRIGITTE
Don't tell her I gave it to you. Jus' act like it's from you. She won't take it if it's from me.

SAM
Oh, okay.

BRIGITTE
An' don't like, go any wheres with her. Okay? Jus' come right back, 'kay?

SAM
Gonna miss me Bee F.?

Brigitte smiles, embarrassed and freaking at the exact same time.

SAM
Be right back.
Across the densely crowded room, Sam whispers in Ginger’s ear. Ginger smiles and nods and palms something he passes her.

Ginger glances at Brigitte, who tries to pretend she’s not watching. When Brigitte checks again, Ginger is leading Sam by the hand toward her bedroom. Sam looks over his shoulder and lifts a finger—*one second*—back at Brigitte.

The bedroom door shuts behind them. Brigitte leaps toward the bedroom. Someone catches her arm and holds her back.

**PAMELA**

One minute young lady, I could use a little help here.

**BRIGITTE**

Let go of me, I have to get Ginger!

**PAMELA**

I have to get two more veggie trays down those stairs. I think your sister’ll be fine for two minutes.

Pamela is already marching Brigitte up the stairs. Brigitte strains to get back. Looking between her mother and her closed bedroom door, desperately.

**INT. FITZGERALD BASEMENT PROPER—MINUTES LATER**

Pamela snags Brigitte again as Brigitte dumps the veggie tray and tries to get to the bedroom.

**PAMELA**

All these boys came to see you two, least you can do is stop hiding in your room. Honestly, you act like someone’d forced this party down your throat. Now go be nice.

Pamela stands between Brigitte and the bedroom door, her arms folded.

**BRIGITTE**

Mother. You don’t understand.

**PAMELA**

Yes—I do. I was shy too at your age. *Mingle.*
Brigitte backs away with such a dirty look on her face. She turns to confront the eager painted faces around her - all desperate for some female attention. Brigitte has *I want to scream* written all over her face.

INT. GIRLS BEDROOM - MEANWHILE/NIGHT

Sam pushes Ginger away from him. Ginger has Brigitte's gift joint smoldering between her finger tips. Ginger is pretty out of it, she totters.

SAM
Okay, cut it out now.

GINGER
This dope's fucked. Makin' me blaarrgh. C'mon. I'll do ya.

SAM
No thanks. Told yer sister I'd be right back.

GINGER
What's up your ass?!

SAM
Don't get mean, s'nothin' personal. I happen to think Brigitte's pretty cool and -/

GINGER
Leave my baby sister alone. Do me, don't hurt her.

SAM
I won't hurt her. Now be a good girl and finish up your joint.

GINGER
Oh. Well fuck you.

Ginger takes a big toke as she paces between Sam and the door. Suddenly she's coughing uncontrollably, rubbing her eyes, wailing in pain.

GINGER
Burning! What is this?!

Sam makes a move toward her and Ginger blindly lashes out at him. Ginger hurls Sam into the bed. Sam's flight path knocks the mattress askew: dozens and dozens of dog collars pour out over him. Sam fingers one in particular.
SAM
Morey -?! 

INT. BASEMENT PROPER - NIGHT 

Brigitte sits on the stairs to the main floor cornered by a guy dressed as a cow. 

BRIGITTE (V/O)
Something was definitely fucked. 

Brigitte eyes Pamela, who is slowly being distracted by horny young men who will now dance with anybody, even Pamela. 

COW GUY
Do you think this is a faggy costume for a guy? You can just say. I dunno I been gettin' funny looks. What, like we aren’t advanced enough that a guy can show up completely in the spirit of the thing with an udder, an’ not get treated like a freakin' fruit? 

Brigitte looks at her watch. Pamela is dragged off into the throng by a band of juveniles singing Do The Hustle. Brigitte makes her move at last. 

COW GUY
Snob. 

Brigitte makes a badly-faked would-be casual bee-line for their bedroom door. 

Brigitte wiggles the knob. It’s locked. 

INT GIRLS’ BEDROOM - NIGHT 

Brigitte (still a zombie) unlocks the door and peers in. The light is on in the bathroom, the door is ajar. The shower is running. There are a few candles burning in corners. Otherwise the room is dark. 

Brigitte steps inside, closing the door on the party behind her. She grabs a flashlight and turns it on. 

The walls are splattered with blood. 

There is gore on the floor. Brigitte plucks the monkshead joint from a pool of bloody goo - it is soaked. Useless.
On the bed, Sam lays with his shirt off and his fly open. His face is mutilated. He’s missing an eye.

Brigitte creeps toward him.

Sam groans. Brigitte leaps back. She tries to speak, but her voice isn’t working. Her face transforms from horror to fury. Then she heads to bathroom door.

INT. ATTACHED BATH - NIGHT

BRIGITTE
You bitch!

Brigitte discovers Ginger sitting in the tub floor under the running shower, weeping. Her eyes are swollen. Ginger is now covered in coarse hair. The water around her is full of blood. There is a kitchen knife next to her. Ginger’s stoned numb on the monkshood dose. She’s groggy and weak.

BRIGITTE
Oh fuck!

Ginger is squoozing her now full tail at its base, where the blood is oozing between her fingers. Ginger has tried - and failed - to cut her tail off.

BRIGITTE
Oh no. Oh no. Fuck, fuck!

Ginger doesn’t move. Ginger looks so pathetic, it’s heartbreaking. Brigitte snatches the knife away and shuts off the water.

GINGER
Nobody’ll want me now any ways.
So.

Brigitte takes in the cut, the rest of the monstrosity her sister has become.

GINGER
I don’t wanna do this any more.

Brigitte yanks Ginger out of the tub and grabs a towel, frantic.

BRIGITTE
Press this on the cut! Ginger!
Move, c’mom!
Ginger does as she's told. Brigitte digs out gauze and tape packages. They're both almost empty - they've used it all up. Brigitte throws them on the floor.

GINGER
I missed you Bee. I'm sorry.

Brigitte searches Ginger's face.

BRIGITTE
Gingc'? That you in there?

Ginger cracks an uncertain, pained smile. Brigitte does too, an exact replica, in fact.

GINGER
Ya feeb.

Brigitte gently turns Ginger around to try and deal with her tail. Ginger is woozy and weak from blood loss.

BRIGITTE
Okay. I can't clean this one up. We have to go. Like Go, go. Can you do it?

GINGER
I'm so woozy.

Brigitte glances out into the bedroom.

BRIGITTE
Um. Ever bite something you didn't kill?

GINGER
No.

(misinterpreting the question - hopeful)

Wanna be one with me?

BRIGITTE
Ah. No. Sam? Isn't dead.

GINGER
Cooch nooo.

BRIGITTE
Don't worry. Keep pressing. I'll be right back.

INT GIRLS' BEDROOM - NIGHT
Sam is fingering his wounds, half-conscious, drooling bile and blood. Brigitte (still a zombie) looms up behind him with her baseball bat. She fishes in his pants' pocket and withdraws a set of keys.

**BRIGITTE**
Hey. Sorry. I really did think you were. Like. Not bad. So you know, whatever. Any ways. I'm really sorry - I have to.

Sam moans as his good eye rolls up at her. Brigitte blinks away tears and looks away, collecting herself.

Brigitte raises the bat over her head and swings it down as

**INT. FITZGERALD BASEMENT PROPER - MINUTES LATER**

The party is rocking along. Pamela knocks on their door.

**PAMELA**
Girls? You in there? You're not being very sociable...

There's no answer. She tries the knob, and is surprised to find it unlocked. She opens the door. She turns on the lights.

Pamela takes in the bloody muck everywhere. The room is deserted. No Sam. No sisters Fitzgerald. Just gore.

Pamela swoons and drops like a deadweight to the floor.

Henry rushes up, looking in over his wife's body. The boys in costume crowd in behind him.

**HENRY**
Pamela, honey, it's just a prank, you know how they...
(he fingers some gore)
Holy mother of - it's warm.
Where are my kids?!!

**GUY WITH AX IN THE HEAD**
Ginger went in here with Sam McDonald a while back.

**HENRY**
Sam McDonald?
GUY WITH EYE MISSING

Yeah, you know. The guy they thought was the Beast, but they let 'im go.

Henry steps into the room. He spots a bloody trail up to the open ground-level window.

EXT FITZGERALD HOME - NIGHT

Tires squeal in the street and the county regreening truck lurches out of its parking spot.

INT. TRUCK - NIGHT

Brigitte (still a zombie) throws the truck into gear with an amateur’s hand. Her Adidas bag and her jar of two dollar bills is on the seat next to her.

Ginger is just seen through the grate between the cab and the dark back of the truck.

BRIGITTE (V/O)

Plans, plans are good. ‘Course I hardly had one. Adrenaline though, adrenaline is pretty speedy shit.

BRIGITTE

Ginger?! Don’t eat the body okay? I got this idea, an’ we’ll need Sam.

Brigitte floors it and the truck blasts down their cul du sac to the main road.

EXT. STREETS/TRAVELING - NIGHT

The truck speeds down the street a tad erratically. Sirens rise around it.

INT. THE TRUCK - NIGHT

Brigitte slows, looking left, right and in the side mirrors trying to see where the sirens are coming from.

BRIGITTE

Fuck, fuck fuck, FUCK.
Then suddenly, four cop cars blast past them in the opposite direction. Heading back to the Fitzgerald house.

BRIGITTE
Ha! All rightie then.

Brigitte drives on.

What she cannot see behind her in the grate are the glimpses of Ginger in the flickering lights of the passing street lamps. Her final spurt of transformation is taking place:

FLASH! Her face is filling in with fur.

FLASH! Her eyes glow golden, yellow, wolfen.

FLASH! Her face pulls into a wet snout.

FLASH! A long pink tongue lolls out between glistening white fangs.

EXT. THE HILLCREST - NIGHT

The truck rolls to the crest of the hill over Bailey Downs - the sight of the bush party. The moon is immense up here. You could almost touch it.

INT. THE TRUCK - NIGHT

Brigitte eases the truck to the edge of the hill. The lights of the homes below them creep into view.

BRIGITTE
Okay, Ginger? They'll think that Sam took us from our room, right? 'Cause of his record an' the arrest, right? We're gonna make this look like he did, any ways. He got us, maybe killed us, took our bodies to do some unspeakable thingy. But then? Sam killed himself. You follow?

Ginger doesn't answer.
BRIGITTE
So boom, diversion. Meanwhile you an' me hit the highway. We can hitch, get you cleaned up. By the time they find out we weren't in Sam's clutches at all, we could be any wheres. Yeah? Whatcha think?

Ginger doesn't answer.

BRIGITTE
It'll work. (I hope.)

Brigitte puts the brake on but does not cut the engine.

EXT. THE TRUCK/HILLCREST - NIGHT

Brigitte climbs out of the cab. She moves to the back doors of the truck, and opens them. In the inky darkness inside, she hears heavy panting.

BRIGITTE
Ginger? C'mon, we got move. Shove Sam down here.

Brigitte climbs up into the truck, reaching for something on its floor. Brigitte finds Sam's prone feet.

An animal/Ginger launches out at her, knocking her back, out clear of the truck. Ginger isn't Ginger any more - what we can glimpse in the darkness is an attack by a creature much like the one that bit Ginger. And it's attacking Brigitte.

Brigitte flails, kicks and punches at it. She breaks free and clambers at the tool rack on the inside panel of the truck. She grabs a shovel as the creature comes snarling up at her.

BRIGITTE
Stop. I mean it.

It lunges at her again and Brigitte clocks it. It slides, dazed, off the back of the truck to the ground.

JUMP TO:

Brigitte drags Sam's body into the front seat. She sets her Adidas bag on the gas pedal. She releases the brake.

The truck rolls forward, off the top of the hill. Brigitte watches as it crashes down, down, rolling and twisting into the suburb below. It lands in a heap and bursts into flames.
BRIGHTETE

Nice one.

Brigitte returns to where It/Ginger was last seen on the ground. The shovel and blanket are there. A bloody pool trails off into the woods. Brigitte hefts the shovel warily, shoulders the blanket, and follows the wetness shining in the moonlight.

INT. TREES/HILLCREST - NIGHT

BRIGHTETE

 Fuck Ginger. Leave a fuckin’ trail much? Could leave everybody a fuckin’ map....

Tense seconds pass as she searches through the scrub and trees, shovel ready. We can hear panting and growling.

BRIGHTETE

I won’t hurt you if you don’t hurt me. ‘Kay? Ginge'? ‘Kay?

Brigitte spots something ahead and lowers the shovel as she approaches it.

It/Ginger cowers in the brush, collapsed. Her head and tail are bleeding. Brigitte drops to her knees next to her sister, frantic with grief.

BRIGHTETE

Oh no. Ginger. I didn’t mean to ...

It/Ginger is gasping, fading. Her eyes start rolling back in her head. Brigitte’s hand is shaking as it reaches out but can’t touch her. Ginger licks Brigitte’s fingers, slowly.

Brigitte buries her face in Ginger’s ruff, moaning.

BRIGHTETE

You can’t, you can’t, we’re out. You can’t, don’t don’t do this to me. Not now. Look, look it’s all taken care of. We’re Unsolved Mysteries!

EXT. A HIGHWAY - PRE-DAWN

The sunrise has the sky this bloody red.
Brigitte drags Ginger a few feet past a sign next to the road: THANK YOU FOR VISITING BAILEY DOWNS!

BRIGITTE (V/O)
We made it out. There was this road? An' the space between here and wherever. I did it.

Brigitte opens the blanket. Ginger has returned to human form. Because Ginger is dead.

EXT. A HIGHWAY - EARLY MORNING

In a small grove of trees, Brigitte pushes the last pile of dirt over Ginger's shallow grave.

Brigitte wipes her caked hands off in the dewy grass. Beneath the dirt and dried blood, she finds puncture wounds. BITES.

Brigitte looks TO CAMERA. She rolls her eyes wearily.

Brigitte stands and heads to the side of the road. A semi appears on the horizon, coming her way. Brigitte lifts her thumb.

The semi's turn indicator comes on as it slows and veers to arrive before her.

ROLL TAIL CREDITS as:

Excerpts from an episode of the television program UNSOLVED MYSTERIES roll. It tells the story of the mysterious disappearance of two teenage girls - sisters - who disappeared under strange circumstances in the normally quiet suburb of Bailey Downs.

Brigitte and Ginger LOOK-A-LIKES re-enact the summarized events of their flight from justice. The cops figured out their faked deaths, of course. Henry and Pamela have reportedly denied comment. It is seen from the community's perspective as two delusional young women gone totally wrong, a grotesque tragedy of youth wasted by mental illness. No one can explain though the non-human blood trails leaving the scene of their last crime...

At the segment's close and the credits roll out, we see the traditional high school photos of Brigitte and Ginger.
