QUOTE FADES OUT

WE STAY ON BLACK
...breathing continues...

Then a MAN'S VOICE talks over the breathing;

MAN'S VOICE (O.S.)
Do you find me sadistic?

CUT TO:

BLACK AND WHITE CU of a WOMAN
lying on the floor, looking up. The woman on the floor has
just taken a severe spaghetti-western-style gang beating. Her
face is bloody, beaten up, and torn. The high contrast B/W
turning the red blood into black blood.

A hand belonging to the off-screen Man's Voice ENTERS FRAME
holding a white handkerchief with the name "BILL" sewn in the
corner, and begins tenderly wiping away the blood from the
young woman's face. Little by little as the Male Voice
speaks, the beautiful face underneath is revealed to the
audience.

But what can't be wiped away, is the white hot hate that
shines in both eyes at the man who stands over her, the
"BILL" of the title.

In another age men who shook the world for their own purposes
were called conquerors. In our age, the men who shake the
planet for their own power and greed are called corrupters.
And of the world's corrupters Bill stands alone. For while he
corrupts the world, inside himself he is pure.

BILL'S VOICE (O.S.)
I bet I could fry an egg on your head about now, if I wanted to.

He continues wiping away the blood.

BILL'S VOICE (O.S.)
No kiddo, I'd like to believe, even now, you're aware enough to know there isn't a trace of sadism in my actions... Okay - Maybe towards these other jokers - but not your.

OVERHEAD SHOT
We see for a moment, A WIDE SHOT looking down at the woman on the floor. Bill (from behind) bent down over her. Four others in black suits, standing over her (three are female, one is male). And about four DEAD BODIES lying in their own blood. We also see we're in a wedding chapel that's been redecorated by blood death and gunfire. And firstly or lastly, depending on the viewer, that the woman on the floor is dressed in a white bridal gown. This woman is our Heroine, and from this moment forth she will only be referred to as The BRIDE.

Back to CU of The BRIDE.

The BRIDE on the floor. Her pretty face is wiped clean.

BILL'S VOICE (O.S.)
No Kiddo at this moment, this is me at my most masochistic.

While still in her CU The Bride speaks for the first time in the picture. She looks up at the man standing over her and says;

THE BRIDE
Bill, I'm pregnant. It's your baby.

After saying the "y" in "baby", we hear a BANG and The Bride receives a bullet in the side of her head.

BLACK SCREEN: Presentation Credit

"The 4th Film by QUENTIN TARANTINO"
B/W CU of a Young MAN in a TUXEDO. Shot to death.

The BRIDE speaks to us in a VO:

THE BRIDE (V.O.)
That's Tim, Arthur's best friend.

CU A PRETTY YOUNG WOMAN in a frilly pink dress with two bullet holes in her.

THE BRIDE (V.O.)
That's his girlfriend Janeen.

CU A PLUMP YOUNG WOMAN, shot to death, wedding bouquet still clutched in her dead fist.

THE BRIDE (V.O.)
That's my best friend from work Erica.

AN OLDER MAN IN A BLACK SUIT shot fulla holes.

THE BRIDE (V.O.)
That's the minister. I think his name was Reverend Hillhouse.

A DEAD OLDER WOMAN by his side in an old-fashioned flower print dress.

THE BRIDE (V.O.)
That's his wife.

A DEAD OLDER WOMAN slumped over an organ.

THE BRIDE (V.O.)
Organ player, don't know her name.

A YOUNG MAN IN A TUXEDO WITH HIS FACE BLOWN OFF.

THE BRIDE (V.O.)
That's Arthur. Arthur Plympton. The
name on his driver's license was Charles Arthur Plympton, but for some reason he preferred Arthur. Maybe if he went by Carles people would have called him Charlie. If that was his reason for going by Arthur I can understand it. Nothing wrong with the name Charlie, except he didn't look like a Charlie, he looked like an Arthur. Obviously you'll have to take my word on this. Speaking of names, I was about two seconds away from becoming Mrs. Charles Arthur Plympton.

And then finally, The Bride.

THE BRIDE (V.O.)
And that, that's me. I'm the Bride.

We do a DISSOLVE from the Bride looking dead in the bridal gown

To

The Bride, still in B/W, still in a bridal gown, but the asswippin she took in the scene before must have been in the past, because she looks like a million dollars now.......three million even.

INT. CAR (MOVING) - NIGHT

The Bride behind the wheel of a Volkswagen Karman Ghia convertible. Her long blonde hair whipping in the wind. A PROCESS SHOT PLAYS behind her.

THE BRIDE (V.O.)
Looked dead, didn't I? Well I wasn't, but it wasn't for lack fo trying, I can tell you that. Actually Bill's last bullet put me in a coma. A coma I was to lie in for five years. When I woke up, ...I went on what the movie advertisements refer to as a Roaring Rampage of Revenge. I roared and I rampaged and I got bloody satisfaction. In all, I've killed 33 people to get to this piont right now. I have only one more. The last one.
The one I'M driving to right now.
The only one left.
And when I arrive at my
destination.....
.... I'm gonna Kill Bill.

TITLE SEQUENCE

EX CU The BRIDE's EYEBALL IN GLORIOUS COLOR
WE CUT OUT ONE...TWO...THREE...TO A
CU of THE BRIDE IN GLORIOUS COLOR
She's sitting in a parked pickup truck. Her eyes focused on
something.

The BRIDE'S POV:
A very homey three-bedroom house in the affluent suburb of
Pasadena, California. A purple Dodge Neon sits parked in the
driveway. A tricycle, a big wheel, and a few toys sprinkle
the grass on the front yard. A mailbox with the name "The
BELLS" or it sits out in front of the lawn. We hear but don't
see ice cream truck bells.

SUBTITLE APPEARS AT SCREEN BOTTOM:

"The city of
PASADENA, CALIFORNIA"

We hear a Car Door Open and Close....THEN....The Bride Walks
into the shot, heading for the front door.

EX CU: A long, white female finger pushes a doorbell.

EXT. RESIDENTIAL PASADENA STREET - DAY
The front door opens and an attractive black HOUSEWIFE the same age as The Bride stands in the doorway. The Housewife’s face shows immediate recognition of the blonde on her doorstep.

The BRIDE on the porch; we do a quick Shaw-Brothers-style Zoom into her eyes.

FLASHBACK - SPAGHETTI WESTERN STYLE
(That means our Heroine is remembering something, and we see it with an orange filter.) We’re back inside the wedding chapel. The Bride is taking the beating of her life by four people in black suits. A black woman PUNCHES HER in the face... We see it's the black housewife, five years earlier.

The BRIDE ON THE PORCH
We Zoom quick out of her eyes to CU, a VENGEANCE THEME PLAYS LOUD ON THE SOUNDTRACK. (Whenever we hear this theme throughout the picture, we’ll quickly learn what accompanies it is The Bride goin Krakatoa all over whoever’s ass happens to be in front of her at that moment.) As the Vengeance Theme plays, a Vein in The Bride’s forehead begins to pulsate. When the Vengeance Theme stops, The Bride ATTACKS The Housewife.

INT. HOUSEWIFE’S NICE HOME - DAY

The white woman and the black woman FLY into the center of the living room, CRASHING onto her coffe table in front of the sofa.

These two wildcats go at each other savagely, TUMBLING OVER the couch, clawing and scratching all the way, landing together on the plush carpet.

The HOUSEWIFE KICKS The Bride, sending her CRASHING backwards into the small table where the phone, a note pad (for messages), and the mail is kept.

The Housewife scrambles up on her feet, but is caught by a FLYING TACKLE from behind by The Bride that sends them both into........

An ornamental iron and tempered-glass bookcase that has framed family photos, display toys, some African art, and a collection of painted commemorative plates depicting the negro experience in the American military. Starting with a plate featuring Cripis Atkins in the revolutionary war, negro troops in union blue during the civil war, Buffalo soldiers fighting Indians, the Jim Crow troops of the first world war, the colored troops of world war two, Korea, Vietnam, and finally Colin Powell....The Bride and The Housewife CRASH THROUGH all this reducing everything to rubble.

They land hard on the floor covered in broken glass, locked in grapple, each trying to get the best of the other one,... When The Housewife HEADBUTTS The Bride in the nose.
The HOUSEWIFE 
hops off The Bride, runs into the kitchen, opens a drawer and 
comes out with a HUGE MOTHERFUCKIN BUTCHER KNIFE.

The BRIDE 
rises from the floor, and WHIPS OUT a KNIFE in a sheath 
hanging from her belt known as a SOG. (A SOG is a long, 
double-edged knife that's as sharp as a razor, and is what 
Navy Seals use to kill humans with.)

The Bride backs up into the mess of the now totally 
demolished living room.

The two woman stalk each other, each holding her blade, each 
looking like they know how to use it, each waiting for the 
other to make a mistake so they can plunge their blade deep 
into the other one.

Blood and sweat dript off of the faces of the two women 
locked in life and death combat......

....When The back kitchen door opens, and a FOUR-YEAR-OLD 
LITTLE GIRL, carrying a lunch box steps inside.

FOUR-YEAR-OLD GIRL 
Mommy, I'm home!

The two warrior women whose eyes reflect only combat 
concentration, suddenly switch upon hearing the four-year 
old's voice. The Housewife's eyes flash a look of pleading to 
the eyes of The Bride.

The Bride seems to answer back; "Okay."

The Black woman and the white woman hide their edged weapons 
behind their backs, as the Four-Year-Old Little Girl walks 
into the newly destroyed living room.

The Housewife switches to her mommy voice.

THE HOUSEWIFE 
Hey baby, how was school?

The Little Girl is flabbergasted at the mess, and the 
condition of her mother, who looks like she's just been in a 
bar room brawl.

LITTLE GIRL 
Mommy, what happened to you and the 
T.V. Room?
THE HOUSEWIFE
Oh, that good for nothin dog of yours, got his little ass in the living room and acted a damn fool, that's what happened.

LITTLE GIRL
Barney did this?

She says it with the slightest hint of skepticism, then tries to enter the living room.

THE HOUSEWIFE
Now baby, you can't come in here, there's broken glass all over the floor, and you gonna cut yourself.

The little girl's eyes go to the blonde lady in the living room who she ain't never seen before, who also looks like she's been fighting.

The Bride smiles at the confused Little Girl.

THE HOUSEWIFE
This is a old friend of mommy's I ain't seen in a long time.

THE BRIDE
Hello sweety, I'm *(BLEEP)*, what's your name?

* Whenever during the picture somebody says The Bride's real name, it will be BLEEPED OUT ON THE SOUNDBRACK, ...that is, till I want you to know. *

The shy, suspicious little girl doesn't say anything, she just stares at the blond lady.

THE HOUSEWIFE
Her name is Nikki.

THE BRIDE
Nikki. What a pretty name for such a pretty little girl. How old are you Nikki?

Nikki still says nothing, only stares.
THE HOUSEWIFE
Nikki, *(BLEEP)* asked you a question.

NIKKI
(to The Bride)
I'm four.

THE BRIDE
Four years old, aye. You know I once had a little girl. She'd be five right now. Maybe you two could of played with each other.

THE HOUSEWIFE
Now baby, me an *(BLEEP)* have some grown-up talk to talk about, so you go in your room now and leave us alone till I tell you to come out.

The child doesn't move, so the mother repeats herself.

THE HOUSEWIFE
(snapping her fingers)
Nikkia - in your room - now.

The little girl slowly walks away and disappears behind the door of her bedroom.

The two women turn to face each other, masquerade and combat both finished.

THE HOUSEWIFE
Want some coffee?

THE BRIDE
Yeah, sure.

The two women move into the kitchen. The Bride re-sheaths her SOG, and The Housewife puts the butcher knife back in the drawer.

The Bride sits down at the kitchen table, while The Housewife pours both of them coffee.
THE HOUSEWIFE
Cream and sugar?

THE BRIDE
Both, please.

As The Housewife fixes the coffee, we hear The Bride's VOICEOVER ON THE SOUNDTRACK:

THE BRIDE (V.O.)
This Pasadena homemaker's name is Jeanne Bell. Her husband is Dr. Lawrence Bell. But back when we were acquainted, five years ago, her name was VERNITA GREEN. Her code name, was "COBRA"..... Mine was BLACK MAMBA.

The two combat artists sit at the kitchen table, drinking coffee out of Vernita's coffee mugs.

THE BRIDE
Were you expecting me?

VERNITA
Yes and no. Bill got in touch with me right after you woke up, and then again a little later after your episode in Japan. (pause) So I suppose it's a little late for an apology, huh?

THE BRIDE
You suppose correctly.

VERNITA
Even if I was sincere?

THE BRIDE
Oh. I'm quite positive you're sorry, now.

Vernita says to the Bride across the table furiously but with low volume;
VERNITA
Look bitch, I need to know if you're gonna start anymore shit around my baby girl!

THE BRIDE
You can relax for now. I'm not going to murder you in front of your daughter.

VERNITA
That's being more rational than Bill led me to believe you were capable of.

THE BRIDE
Well that's a demonstration of Bill's complete ignorance when it comes to the subject of me, and what I'm thinking, and what I might do. It's mercy, compassion, and forgiveness I lack, not rationality.

She pauses for effect -- the ham.

THE BRIDE
I'll wait for now, but I won't wait for long. I'll allow you to choose a time and place for us to meet again, preferably as far away from Nikki as possible. I could have just HIT you, I didn't, I demand respect for that. Since this is not a HIT, consider it a DUEL. And as two former Deadly Vipers, we will observe Viper rules of honor. One on one - no help - no bushwhackin - no treacherous weapons - on weapon of choice - our skill and our bodies.

Vernita says her name;

VERNITA
*(BLEEP)*
THE BRIDE
- I'm not through telling you.
Failure to keep our date, or
duplicity of any kind, will result
in me putting a xoxo hollow point
bullet into the back of your skull
from a window of a building across
the street from Nikki's elementary
school. Now, feel free to respond.

VERNITA
Look...I know I fucked you over. I
fucked you over bad. I wish to God
I hadn't, but I did.

The blonde listens to the black woman with a poker face.

VERNITA
If I could go back in a machine I
would, but I can't. All I can tell
you is I'm a different person now.

THE BRIDE
I don't care.

VERNITA
Be that as it may, I know I do not
deserve mercy or forgiveness.
However, I beseech you for both on
behalf of my daughter.

THE BRIDE
-- Bitch, you can stop right there.

The B-word stops Vernita short, almost like a cold-handed
slap in the face (it should affect the audience that way as
effect.

THE BRIDE
(leans in close)
Just because I have no wish to
murder you before the eyes of your
daughter, does not mean parading
her around in front of me is going
to inspire sympathy. You and I have
unfinished business.
And not a goddamn fuckin thing you've done in the subsequent five years - including getting knocked up - is going to change that.

VERNITA
You have every right to wanna get even --

THE BRIDE
-- But that's where you're wrong, Vernita. I don't want to get even. To get even, even Steven. I would have to kill you, go into Nikki's room, kill her, then wait for your old man, Dr. Bell, to come home and kill him. That would make us even. No, my unborn daughter will just hafta be satisfied with your death at her mother's hands.

vernita knows no matter what else is said, blood will spill.

VERNITA
When do we do this?

THE BRIDE
It all depends... When do you want to die? Tomorrow? The day after tomorrow? That's about as long as I'll wait.

VERNITA
How bout tonight, bitch?

THE BRIDE
Spendid. Where?

VERNITA
There's a baseball diamond where our little league has its games, about a mile from here. We meet there around two-thirty in the morning, dressed all in black, your hair in a black stocking, and we have us a knife fight, we won't be
bothered. I have to fix Nikki's cereal.

As they continue to talk, Vernita pulls down a cereal bowl for her daughter and lays it on the kitchen counter.

THE BRIDE
Bill said you were one of the best ladies he'd ever seen with an edged weapon.

Vernita moves to another kitchen cabinet, and pulls down a box of the sugar cereal, "Kaboom."

VERNITA
Fuck you, bitch, I know he didn't qualify it, so you can just kiss my motherfuckin ass, Black Mamba.
(snorts to herself)
Black Mamba, I shoulda been motherfuckin Black Mamba.

As the two females continue to talk, Vernita reaches her hand inside the cereal box.

THE BRIDE
Weapon of choice? And if you want to stick with your butcher knife, I'm cool with that.

VERNITA
Very funny.

Vernita FIRES A GUN from inside the cereal box at The Bride....

.... The bullet explodes out of the cardboard box, and HITS the coffee mugh directly in front of The Bride, BLOWING IT TO SMITHEREENS.

The Bride THROWS HERSELF ON THE FLOOR....

Vernita pulls the gun out of the cereal box and FIRES again...

....The bullet HITS THE FLOOR of the tiny kitchen...

....The Bride moves under the kitchen table, then using her back, LIFTS THE TABLE OFF THE GROUND, RAMMING IT STRAIGHT INTO Vernita, pinning her flat up against the table top, and the kitchen counter.
While her left hand holds the table, her right hand goes to the SOG on her belt, her fingers wrap around the blade's grip, lifting it up out of the sheath and PLUNGING IT THROUGH THE TABLE TOP up to the handle, with all the SOG's steel entering Vernita's abdomen.

The table falls back to the floor with the dying homemaker pinned to it. The two former colleagues meet eyes.

VERNITA
Sorry, bout the bushwhack. Please don't...

THE BRIDE
Do to your daughter, what you did to mine...
(she takes her hand)
...I won't.

Vernita dies.

The Bride removes her Sog, looks up and sees little Nikki standing in the doorway of her room. The little girl sees her mother dead on the floor, lying in her own blood. And she sees the blonde lady standing over her mother, bloody knife still in her hand. But oddly enough, Nikki doesn't cry. The little girl locks eyes with the big girl, and holds her stare.

As she talks to the little girl, she removes an already stained with blood white handkerchief with the name "BILL" sewn on it. And the blonde wipes the girl's mother's blood off her blade.

THE BRIDE
It was not my intention to do this in front of you. For that I'm sorry. But you can take my word for it, your mother had it coming. When you grow up, if you still feel raw about it, I'll be waiting.

And with that apology, statement, and invitation, The Bride walks out the kitchen side door, leaving the little girl to her mourning.

EXT. VERNITA'S HOME - DAY

The Bride walks down the dead woman's driveway to her vehicle. She glances at the lawn toys one more time as she makes here getaway.
She climbs into her big, yellow pickup truck, with the words "Pussy Wagon" written across the flatbed's hatch door in a pimpy font. She takes out a ringed notebook and turns to a page that's headline reads:

DEATH LIST FIVE

On the pager are five names numbered going down the page written in red ink.

The first name has a line drawn through it with black ink.

The second name on the list is;

VERNITA GREEN
COBRA

The Bride takes a black felt pen and draws a line through Vernita's name. Turns on the truck's engine and drives out of the residential district.

EX CU The BRIDE'S EYES wide open - blank stare.
Elle standing over The Bride's hospital bed, says to her;

**ELLE**
I might never of liked you. Point in fact I despise you. But that doesn't suggest I don't respect you. You were a master of a profession that's most difficult to master. Dying in our sleep is a luxury our kind is rarely afforded. My gift to you.

As she lifts the syringe off the tray....

Her cell phone RINGS....

She curses to herself...there can be only one person on the other end....she answers it.

**ELLE**
Hello, Bill.

The female assassin turns away from the wide-eyed stare of The Bride, and paces the hospital room talking in the cell phone.

I love you too, bye bye.

The female assassin puts the phone away and looks down at The comatose Bride with the open eyes. Even though her face is expressionless, she almost seems to be smiling.

ELLE

The Bride does one of her motor reflex functions...She SPITS in Elle's face.

Elle springs up, wipes the spit off her cheek and looks down at The comatose Bride in her bed.

ELLE
Oh, no you didn't.

She grabs The Bride by the front of her hospital gown...

Suddenly she says out loud;

THE BRIDE
My baby.

Her hand goes down to her belly, unly to find it not swollen but flat. She doesn't understand, lifts up her hospital gown and sees a JAGGED SCAR which runs down her abdomen. Her fingertips trace it.

She quickly looks at the palm of her and and counts the lines.

RIGHT SIDE
Orderly's Reeboks walking down the hospital corridor.

CAMERA MOVES UP TO Orderly's face, leading two TRUCKDRIVERS.

The Bride HEARS BILL'S VOICE SPEAK FOR THE ORDERLY;

BILL'S VOICE
(in time)
She's right in here.

ORDERLY
(in time)
She's right in here.

SPLIT SCREEN FINISHES
STAY WITH The BRIDE'S SCREEN

The Bride decides the best course of action, till she gets her bearings, is to play possum. She throws herself back down on the bed, just as the three men enter her room. They see just what they expected to see, The Bride lying in her bed in her coma.
She duplicates her comatose eyes-wide-open-fixed stare. Except knowing she's awake, and sees everything in front of her, creates a slightly different effect.

The Bride, however, while she sees the Two Truckdrivers for what they are, when she sees The Orderly she sees Bill, when The Orderly talks she hears Bill. WE HOWEVER WILL NEVER SEE BILL'S FACE COMPLETELY.

The Orderly takes her shee covering off, and hitches up her hospital gown till her blonde pussy is exposed. He does kind of a "TA-DA" presentation of her vagina.

**THE ORDERLY**

Now is that the cutest little blonde pussy you ever saw, or is that the cutest little blonde pussy, YOU-EVEA-SAW?

Trucker #2 (Gerald) would tend to agree, Trucker #1 (Warren) fronts.

**WARREN**

I seen better.

CU The BRIDE EYES WIDE OPEN PLAYING POSSUM. She can't believe she's being exhibited in this manner. A look of chagrin crosses her trying-to-be expressionless face, "I've seen a fuck load better than you, fatass."

**THE ORDERLY**

Yeah, in a movie - maybe. But I know damn well this is the best pussy you ever saw you had touchin rights to. The price is seventy five dollars a fuck gentlemen, you gittin your freak on or what?

The Truckers pay the bill of fare.

As The Orderly counts The Truckers' money, he lays out the rules;

**THE ORDERLY**

Here's the rules; Rule number one; no punchin 'er. Nurse comes in tomorrow an she got 'er a shiner - or less some teeth, jig's up. So no knuckle sandwiches under no circumstances. And by the
way, this little cunt's a spitter - it's a motor reflex thing but spit or no, no punchin. Now are we absolutely positively clear about rule number one?

TWO TRUCKERS
Yeah.

THE ORDERLY
Rule number two;
No monkey bites, no hickeys - in fact no leavin no marks of no kind. But after that, it's allll gooood. Her plummin down there don't work no more, so feel free to cum in 'er all ya wont. Keep the noise down - try not to make a mess, and I'll be back in twenty.

The orderly turns to leave, then remembers something, and turns back. He takes out the most disgusting jar of vaseline in the history of cinema, and hands it to Warren.

THE ORDERLY
Oh by the way, not all the time, but sometimes this cunt's cunt can get drier than a bucket of sand. If she dry, lube up with this and you'll be goo to go. BON-APPETIT, gentlemen.

And with that, The Orderly's gone.

The BRIDE'S POV:
As soon as he leaves the Two Truckers start giggling. Warren begins to unbuckle the belt that lies beneath his belly. While he looks down to accomplish this, The BRIDE'S POV BLINKS.

GERALD
Hey Warren, she just blinked.

WARREN
He said she can't blink.

GERALD
I know what he said, I'm tellin ya
she just did.

Warren drops his Levi's to his ankles.

WARREN
Just wait, when I get through with this little dumbbell, she gonna stand up and recite the Gettysburg Address.

Warren begins to climb up on the bed and mount The Bride. Before he does he stops, and looks back to Gerald.

WARREN
Hey, Gerald.

GERALD
Yeah?

WARREN
This shit ain't no peep show. Go out in the hall and I'll let ya know when it's your turn.

GERALD
Awww c'mon, I gotta leave the room?

WARREN
I can't get no erection wit you lookin at me, so go on.

GERALD
Well, just hurry up then.

Gerald leaves the room; we go out with him in the hallway.

INT. HALLWAY (HOSPITAL) - NIGHT

Gerald paces, waiting for his turn behind the door.

THEN...

He hears behind the door a commotion, then Warren SCREAM LIKE A BITCH. He bangs on the closed door and says;
GERALD
He man, keep it down in there, I can hear your ass out here.

More falsetto SCREAMS behind the door...

THEN...

The HEAVY THUD of a body falling. Not what the expected.

INT. THE BRIDE'S ROOM - NIGHT

Gerald pushes open the door to see one hellva sight. His buddy, bloody and lying motionless on the floor, and The Bride lying haphazardly on the bed, in her coma.

He moves to his buddy, who's dead. Then moves to The comatose Bride... Who SUDDENLY SPRINGS TO LIFE, GRABBING him by the front of his shirt, YANKING HIM DOWN TO HER, and PLUNGING the I.V. NEEDLE in her arm DEEP INTO HIS TEMPLE, THEN TWISTING IT AROUND and AROUND, turning the right side of his brain into scrambled eggs a la The BRIDE.

She tosses the now brain-dead Gerald to the floor.

The BRIDE
upon waking, without leaving the bed where she lay the last five years, has just killed two men. She throws off the bloody blankets, whips her legs off the side of the bed, and tries to stand - THEN QUICKLY FALLS OUT OF FRAME. WE HEAR THE CRASH BELOW FRAME.

The Bride is flat on the floor. Her legs and feet don't work. Which means she's stuck on the floor with only a functioning top half, and a completely useless bottom half. What's a girl to do?

INT. HOSPITAL CORRIDOR - NIGHT

The elevator doors open, and The Orderly steps out.

BACK TO The BRIDE
She hears the sound of Bill's boots approaching the room...
STEP...STEP...STEP...

She sees Gerald has a Trucker's knife in a holster attached to his belt. Her hands removes it.

The Orderly swaggers down the hall to The Bride's room, red Reeboks slapping against the smooth floor.

CU The BRIDE
She SNAPS the knife's BLADE OPEN in her CU.
The Orderly pushes open The Bride's door, stopping in shock.

The ORDERLY’S POV:
He sees an empty bed with bloodstains on it, Two dead Truckers on the floor, and no Bride.

ORDERLY
Oh shit!

WE GO TO SLOW MOTION as he freaks, then PAN DOWN HIM... Past shirts - pants - to his Reeboks... Once on the floor WE SEE The BRIDE, curled up low next to the doorway, behind his ankles, knife ready. WE GO BACK TO 24 FRAMES A SECOND. He steps into the room; when he does The Bride reaches out and SLASHES both of his Achilles tendons.

The STANDING ORDERLY lets out a "YELP," and FALLS OUT OF FRAME.

IMPACT CUT
The Orderly HITTING the floor face first. The boy is stunned.

The BRIDE (Confined to the floor) crawls over and drags the stunned fucker across the floor, placing his melon head between the door and the door frame. Then taking the door in her right hand.

SLAM!

SLAM!

SLAM!

SLAMMING HIS HEAD THREE TIMES BETWEEN THE DOOR AND THE DOOR FRAME.

The ORDERLY lies on the floor in a stange state of consciousness. He's in both excruciating pain, and quite sure he's lost his mind, since at this moment he's lying on the floor, looking up at The comatose Bride asking him questions.

THE BRIDE
Where's Bill?

THE ORDERLY
(hurt and confused)
Who?

SLAM!

He screams.
THE BRIDE
Bill! Where is Bill!

THE ORDERLY
I dunno no Bill.

SLAM!

THE BRIDE
I saw him here myself.....

SLAM!

....Now do you tell me where he is, or do I beat your fuckin brains in?

SLAM!

THE ORDERLY
Please please stop, don't hit me again!

THE BRIDE
Where is Bill?

SLAM!

Suddenly The Bride sees the gold coke straw around his neck, that she thought she'd seen earlier on Bill. She snatches it from around his neck.

THE BRIDE
Where did you get this from?

THE ORDERLY
That's mine.

SLAM!

THE BRIDE
Bullshit! I saw Bill wearing it in this room ten minutes ago.

SLAM!

Then The Bride looks down and sees two tattoos on the Orderly's hand - one spelling "B.U.C.K." on each finger of
his left hand. And another spelling "F.U.C.K." on the fingers of his right.

The Bride seems to look inside her own mind - Whenever she does this A SPECIAL THEME MUSIC WILL PLAY (We'll call it her REMEMBERING THEME).

WE DO A QUICK SHAW BROTHERS ZOOM INTO HER EYES - We see Buck enter her room that first night, five years ago.... He's holding in his hand one of those big flashlights you use in a tent when camping. -- It gives off a soft blue light. Buck examines The Bride through the blue.

BUCK
Well, ain't you the slice of cutie pie they all said you wuz. Well Ma'am, I'm from Longview Texas, my name's Buck, and I'm here to fuck.

He starts to unbuckle his belt.

WE ZOOM OUT OF HER EYES INTO A CU. The REMEMBERING THEME CUTS OFF. She looks down at Buck and says;

THE BRIDE
Your name's Buck, right? And you came to fuck, right?

A "how the fuck does she know look," crosses his face.

The Bride looks down at him....The VENGEANCE THEME BEGINS PLAYING LOUDLY ON THE SOUNDTRACK, and the VEIN IN HER FOREHEAD BECOMES PRONOUNCED and begins to PULSATE IN TIME WITH THE MUSIC. Every time The Bride comes face to face with a tormenter, this Theme will play on the soundtrack. By mid movie this music should drive the audience wild with orgasmic anticipation of the carnage to come...

...and With the door in her hand and one mighty slam, this Longview Texas boy is sent to the Promised Land.

She searches the dead man's pockets, coming up with a brown wallet that says on it, "BIG EL PASO PIMPIN," loaded with lettuce. She also pulls out a set of car keys on a pickup truck key chain that has the words, "Pussy Wagon" on it written in a pimpy font. She gathers up all these items, and Gerald's knife, then begins to strip Buck of his orderly uniform.

INT. UNDERGROUND PARKING LOT - NIGHT

The elevator doors to the hospital's underground parking lot open, revealing The Bride in Buck's orderly scrubs in a wheelchair.
She wheels out of the elevator fast into the parking lot. Her arms spinning the wheels as she goes down the line of cars, looking for a pickup truck that Buck would own...she stops.

What made The Bride stop. The ass end of a big, yellow 4x4 hard-body pickup truck, with flames painted along the side, and the words, "PUSSY WAGON," written along the flat-bed hatch door. Pimpy font.

The Bride looks at Buck's key chain in her hand.

EX CU CAR KEY in truck door lock, it turns.

EX CU TRUCK DOOR LOCK POPS UP OPEN.

INT. BACKSEAT OF BUCK'S TRUCK - NIGHT

The Bride pulls herself up into the backseat of Buck's pickup truck. Once in the backseat, she shoves the wheelchair away. It rolls out of control down the parking ramp, and CRASHES.

Now The Bride's lying vertically in Buck's truck's backseat. Seemingly out of danger - at least out of sight - but she's still stuck hiding in the hospital. And until she regains full use of her legs and feet, this little Bride ain't goin anywhere or doin anything.

Lying flat, with the back of her head propped up against the door, her long, lifeless legs stretched out in front of her, her two bare feet at the end of them, pointing to the sky, the Bride focusses her eyes, her stars, her thoughts, her strength, and all her concentration...on her big toe.

SLOW ZOOM INTO BIG TOE....

SLOW ZOOM INTO HER FACE....

SLOW ZOOM INTO BIG TOE....

SLOW ZOOM INTO FACE.

THE BRIDE
(monotone)
Wiggle your big toe.

Toe doesn't move an inch.

THE BRIDE
Wiggle your big toe.

It doesn't move.
THE BRIDE
Wiggle your big toe.
(VOICE OVER)
As I lay in the back of Buck's pickup truck, trying to will my limbs out of entropy, I could see the faces of the cunts who did this to me, and the dick responsible. Members all of Bill's brainchild; "The Deadly Viper Assassination Squad."

Little O-Ren watches, hidden from sight, with the eyes and face of a stone.

It was at that age, a half-Chinese, half-Japanese American Army brat witnessed the murder of her Master Sergeant father. And the rape, then murder of her mother at the hands of Japan's most ruthless Yakuza boss, Boss Matsumoto. She swore revenge...luckily for her, Boss Matsumoto was a pedophile.

EXT./INT. BUCK'S TRUCK DRIVING IN DESERT (MOVING) - NIGHT

FOV THROUGH WINDSHIELD:
The truck shines its headlight beams on an open patch of prairie wasteland. We see dirt, rocks, plants, and an oil derrick pumping up and down.

The Bride STOPS the truck.

Taking her flashlight with her, The Bride walks into the headlight beams towards one rock on the ground in particular.

She lifts it off the ground, there's an X on it's underside.

She smiles. If the X hadn't been there, she would have taken it as a sign that her vengeance quest was never meant to be. But as it is there, it would appear that fortune has smiled on The Bride and her bloody intentions.

She walks back to the truck, takes the shovel and the hand pickaxe out from the flatbed, reaches into the truck cab and CHANGES THE MUSIC TO A POUNDING HEAVY METAL ANTHEM.

CU The BRIDE'S COWBOY BOOTS next to the X ROCK
IN TIME WITH The METAL, The Bride's cowboy boots count out ten paces from the rock.
When the boots stop, the flashlight ENTERS THE SHOT illuminating the spot, THEN...the shovel ENTERS, striking deep in the unmarked earth.

EXT. TEXAS DESERT - NIGHT

Deep in the middle of Fuck-Knows Texas, lit by the headlights of Buck's 4x4, The Bride digs a hole in the ground......TILL...

She HITS SOMETHING HARD.
She gets down on her knees, hacking away at the dirt with the hand pickaxe, till a large box covered in plastic is revealed. She hoists it up out of the earth.

She rips off the plastic, revealing a large, green Army footlocker, untouched by the condensation of being buried in the ground for over five years. Flipping the two locks open, she lifts the lid, placing the big camping flashlight on the rim.

Unfolding a sleeping bag long-ways, she bought at the department store. The Bride begins collecting the contents of her buried treasure, and laying them on the sleeping bag.

We see her remove them from the footlocker, one by one.

INT. SUSHI BAR (OKINAWA, JAPAN) - DAY

The ENTRANCE to a tiny sushi bar, covered by a Japanese
curtain....

SUBTITLE APPEARS:

"The City of
OKINAWA, JAPAN"

....The fabric is moved aside, and The Bride enters the shot,
and the tiny establishment.

The little fish and sake bar is the definition of the word
cozy. Besides The Bride, the only other person inside is The
SUSHI CHEF, who smiles at her behind the midget bar.

This Japanese man in his mid-fifties greets the tall, blonde
western girl with a turned-on-for-the-tourists affability.

SUSHI CHEF (ENGLISH)

English?

THE BRIDE (ENGLISH)

Almost -- American.

SUSHI CHEF (ENGLISH)
Ahhhh... America, welcome...
Welcome... My English -- Very good.

The Bride smiles at this and walks further inside. She doesn't come across as one of the world's deadliest assassins, but instead as a sweet, slightly airheaded, American tourist.

THE BRIDE (JAPANESE)
Domo.

The Sushi Chef gives an exaggerated look of surprise, and says;

SUSHI CHEF (ENGLISH)
Oh, "Domo", Very good -- very good, you speak Japanese?

THE BRIDE (ENGLISH)
Nooo, just a few words I learned since yesterday. - May I sit at the bar?

SUSHI CHEF (ENGLISH)
Sure sure sure - sit. What other words did you learn - excuse me --

The Sushi Chef YELLS IN JAPANESE, to someone OFFSCREEN.

The Bride thinks the restaurant so small it's almost hard to imagine there could be a back room to it.

Before getting a response from whoever it was he was yelling to a moment ago, The Sushi Chef turns back to The Bride.

SUSHI CHEF (ENGLISH)
-- What other Japanese you learn?

The Bride puts on a thinking face.

THE BRIDE (ENGLISH)
Oh... let's see... "Arigato."

SUSHI CHEF (ENGLISH)
"Arigato"... Very good.
THE BRIDE (JAPANESE)
..."Ah-So"...

SUSHI CHEF (JAPANESE)
"Ah-So!" You know what "Ah-So" means?

THE BRIDE
"I See."

SUSHI CHEF
I see - Very good.

THE BRIDE
I already said "Domo", right?

SUSHI CHEF (ENGLISH)
Yes.

THE BRIDE (JAPANESE)
"Kon-netie-wa."
The Sushi Chef goes "Oooh" like he's just discovered the answer to a mystery.

SUSHI CHEF (ENGLISH)
..."Kon-nichi-wa"...repeat please.

THE BRIDE (JAPANESE)
"Kon-nichi-wa?"
Saying with surprise and admiration;

SUSHI CHEF (ENGLISH)
Most impressive...you say Japanese words, like you Japanese.
The Bride smiles and lets loose with a girlish giggle.
THE BRIDE
Now you're making fun of me.

SUSHI CHEF (ENGLISH)
No no no - serious business.
Pronunciation - very good. You say "Arigato" ...like we say "Arigato."

THE BRIDE (ENGLISH)
Well, thank you - I mean...arigato.

SUSHI CHEF (ENGLISH)
You should learn Japanese - very easy.

THE BRIDE (ENGLISH)
No kidding, I heard it's kinda hard.

Whenever the Sushi Chef doesn't either hear your or understand you, he yells the word;

SUSHI CHEF (ENGLISH)
What!

And everybody always speaks LOUDER and CLEARER immediately afterwards.

THE BRIDE (ENGLISH)
I always heard it was difficult.

SUSHI CHEF (ENGLISH)
Yes yes yes - most difficult. But you have Japanese tongue.

THE BRIDE (ENGLISH)
Maybe I was Japanese in another life.

The Sushi Chef proclaims as if he should know;
SUSHI CHEF (ENGLISH)
Most definitely, most definitely
Japanese in another life.

He sets an order of colorful, raw fish in front of the young blonde woman, that not only looks good, it looks beautiful.

THE BRIDE (ENGLISH)
How did you know tuna's my favorite?

SUSHI CHEF (ENGLISH)
What!

THE BRIDE (ENGLISH)
Tuna's my favorite.

SUSHI CHEF (ENGLISH)
Ah, thank you very much.

He YELLS OFFSCREEN in Japanese again. A little BALD JAPANESE MAN with a shitty attitude, comes out from the back room. He heads for the tall blonde asking in a grumbly voice in Japanese, "What she wants to drink?"

THE BRIDE (ENGLISH)
(to the bald man)
I beg your pardon?

The Sushi Chef pantomimes drinking.

SUSHI CHEF (ENGLISH)
- Drink -

THE BRIDE (ENGLISH)
Oh yes, a bottle of warm sake.

SUSHI CHEF (ENGLISH)
Ahhh sake, (he holds up his thumb)
Very good.

In Japanese he YELLS/ORDERS the warm sake, the little Bald Man disappears. The Bride takes a bite out of her fish.
First time in Japan?

A-huh.

What!

Yes, this is my first time.

As the chef slices the next portion with a large knife, he asks;

What brings you to Okinawa?

I came to see a man.

Aaahh, you have friend live in Okinawa?

Not quite.

Not friend?

I've never met him.

The Sushi Chef continues slicing.....
Who is he, may I ask?

THE BRIDE
Hattori Hanzo.

There's a break in the Sushi Chef's slicing. After a beat, he brings a bloody finger INTO FRAME and sticks it in his mouth.

The little Bald man appears with a bottle of warm sake, he pours one for The Bride, then disappears again.

As The Bride sips the sake, she looks at the chef.

As The Sushi Chef sucks his finger, he looks at The Bride.

The Sushi Chef drops the voice he had been using up to that point... and IN JAPANESE SUBTITLED IN ENGLISH asks;

SUSHI CHEF (JAPANESE)
What do you want with Hattori Hanzo?

The Bride answers in Japanese;

THE BRIDE (JAPANESE)
I need Japanese steel.

SUSHI CHEF (JAPANESE)
Why do you need Japanese steel?

THE BRIDE (JAPANESE)
I have vermin to kill.

SUSHI CHEF (ENGLISH)
You must have big rats you need Hattori Hanzo steel.

THE BRIDE (ENGLISH)
Huge.

INT. HATTORI HANZO'S ATTIC - DAY

The trap door in the floor opens up, and HATTORI HANZO (Sushi Chef), climbs inside the room, followed by The Bride.
The room has many handcrafted samurai swords in hand-carved wooden sheaths resting on wooden racks running the length of the second half of the attic.

The Bride walks down the row of Japanese steel, looking and touching the shiny wood. She looks behind her to Hanzo who is still by the trap door, and says;

**THE BRIDE (JAPANESE)**

May I?

The Sushi Chef answers in ENGLISH;

**HANZO (ENGLISH)**

Yes you may......

She starts reaching for one...

**HANZO (ENGLISH)**

...try the second one down in the sixth row on your left.

She finds it lying sleeping in its shiny, black sheath.

Her hand lifts it from the rack.

She UNSHEATHS the steel, partially....then with GREAT FLOURISH....completely.

Hanzo's mouth froms a smile.

**HANZO (ENGLISH)**

Funny, you like samurai swords...

He pulls a baseball out of his pocket.

**HANZO (ENGLISH)**

...I like baseball.

THEN SUDDENLY - HE THROWS THE BASEBALL HARD, right at The Bride's head....

QUICK AS A WHIP, SHE SLICES THE BALL IN HALF, IN MID AIR.

The two perfectly cut baseball pieces, hit the floor.

He gives her a slight nod, then crosses the attic towards her.
HANZO (JAPANESE)
I wanted to show you these.... However someone as you, who knows so much must surely know, I no longer make instruments of death. I keep these here for their ascetic and sentimental value.
(he takes both sword and sheath from her...) Yet proud tho I am of my life's work....
(...he closes them together)
I am retired.

THE BRIDE (ENGLISH)
Then give me one of these.

HANZO (ENGLISH)
These are not for sale.

THE BRIDE (ENGLISH)
I didn't say, sell me. I said, give me.

HANZO (ENGLISH)
And why should I be obliged to assist you in the extermination of your vermin?

THE BRIDE (ENGLISH)
Because my vermin, is a former student of yours. And considering the student, I'd say you had a rather large obligation.

Hattori Hanzo goes to a dusty window, and writes the name, "BILL" on it with his finger.
The blonde girl nods her head yes.
The proud warrior moves over to the door in the floor, throwing it open.
He points into a corner...
HANZO (JAPANESE)
...You can sleep there...

......starts to descend....

HANZO (JAPANESE)
...it will take me a week to make the sword...

......before his head disappears, he says;

HANZO (JAPANESE)
...I suggest you spend it practicing.

...he closes the door behind him.

She smiles slightly...then moves over to the window, takes out a handkerchief, and wipes Bill's name off.

FADE TO BLACK.

TITLE APPEARS:

"One week later"

Under black we hear Hattori Hanzo's voice in Japanese and read the subtitles;

HANZO (V.O.; JAPANESE)
I'm done doing what I swore an oath to God 28 years ago to never do again. I've created, "something that kills people." And in that purpose I was a success.

FADE UP ON

CU HATTORI HANZO

HANZO (JAPANESE)
I've done this, because philosophically I'm sympathetic to your aim.

EX CU The HANZO SWORD
TRACKING EX CU of the Hanzo sword in its shiny, black wood sheath. At the base of the sheath, by the handle, he's carved the face of a lioness...

HANZO (V.O.; JAPANESE)
I can tell you with no ego, this is my finest sword. If on your journey, you should encounter God, God will be cut.

CU HANZO.

HANZO (JAPANESE)
Revenge is never a straight line. It's a forest. And like a forest, it's easy to lose your way...to get lost...to forget where you came in. To serve as a compass, a combat philosophy must be adopted that can be found in the secret doctrine of the Yagu Ninja. And now my yellow haired warrior, repeat after me;

We go back and forth between CU of HANZO reciting the doctrine like a samurai drill instructor and the Bride repeating it.

HANZO (JAPANESE)
"When engaged in combat, the vanquishing of thine enemy can be the warrior's only concern..."

The Bride repeats this...

HANZO (JAPANESE)
...This is the first and cardinal rule of combat...

The Bride repeats this...

HANZO (JAPANESE)
...Suppress all human emotion and compassion...

The Bride repeats this...
...Kill whoever stands in thy way, even if that be Lord God, or Buddha himself...

The Bride repeats this...

HANZO (JAPANESE)
This truth lies at the heart of the art of combat. Once it is mastered... Thou shall fear no one... Though the devil himself may bar thy way...

The Bride repeats this... Her eyes look at the greatest maker of swords on this earth and says;

THE BRIDE
Domo.

EX CU The Hanzo Sword, her white hand with her long fingers COMES INTO FRAME and removes the beautiful, artful instrument of vengeance.

HOUSE OF BLUE LEAVES

CUT TO:

A BLANK PIECE OF DRAWING PAPER
A hand comes in and, as the Bride talks over this image, draws with a piece of charcoal, a portrait of the geisha regaled O-REN ISHII.

THE BRIDE (V.O.)
When fortune smiles on something as violent and ugly as revenge, at the time it seems proof like no other, that not only does God exist, you're doing his will. At a time when I knew the last about my enemies, the first name on my death list, was the easiest to find. But
of course, when one manages the
difficult task of becoming queen of
the Tokyo underworld, one doesn't
keep it a secret, does one?

The charcoal drawing gets color and becomes ANIMATED, turning
into a JAPAMATION O-REN...

JAPANESE ANIMATION SEQUENCE
We see Japamation-style images of The Bride's verbiage.

THE BRIDE (V.O.)
At the age of twenty, Bill backed
his Nippon progeny financially and
philosophically in her
Shakespearian-in-magnitude power
struggle with the other Yakuza
clans, over who would rule vice in
the city of Tokyo.

Japamation images of O-Ren and her Army, taking on ANOTHER
YAKUZA ARMY, among falling cherry blossoms.

WE CUT BACK AND FORTH between cartoon images of this and the
real life real McCoy samurai sword battle.

O-Ren's ability is simply amazing.

THE BRIDE (V.O.)
When it was all over, it was the
geisha-regaled O-Ren Ishii that
proved the victor.

INT. JAPANESE NIGHT CLUB
O-Ren has just become the official leader of crime in the
city of Tokyo. The six Yakuza clan bosses, each with TWO
BODYGUARDS standing behind them, toast their new leader, with
much laughter and drinking...all except one...BOSS TANAKA.

THE BRIDE (V.O.)
And just in case you're wondering
how could a half breed Japanese
Chinese American become the boss of
all criminal activity in Tokyo,
Japan,... I'll tell you. The
subject of O-Ren's blood and
nationality came up before the
council only once. The night O-Ren
assumed power over the crime
council.
Boss Tanaka is the picture of angered ambiance among the alcohol-fueled frivolity.

THE BRIDE (V.O.)
The man who seems bound and determined to break the mood is Boss Tanaka. And what Boss Tanaka thinks is...

Boss Tanaka brings his fist down on the table, smashing the plate in front of him into itty bitty pieces.

The party comes to a halt as all eyes go to the leader of the Tanaka Crime Family.

CRIME FAMILY LEADER #2 (JAPANESE)
Tanaka? What's the meaning of this outburst? This is a time for celebration.

BOSS TANAKA (JAPANESE)
And what exactly should I be celebrating? The perversion of our illustrious council?

The Bosses all react with shock and outrage...O-Ren remains cool. She raises her voice for the first word, but lowers it for the rest of the sentence.

O-REN (JAPANESE)
Gentlemen...Boss Tanaka obviously has something on his mind. Allow him to express it.

BOSS TANAKA (JAPANESE)
My father...
(looking at a clan head)...
along with yours and...
(looking at another)...
along With yours, started this council. And while you drink like fish and laugh like donkeys, they weep in the afterlife over the perversion committed today.

The Bosses react again...O-Ren;

O-REN (JAPANESE)
Silence!
(then composed)
Of what perversion do you speak, Tanaka?

Boss Tanaka looks at the female half-breed American and says;

BOSS TANAKA (JAPANESE)
I speak, Mistress Ishii, of the perversion done to this council, which I love more than my own children, by making a half Chinese American its leader.

Then...

Faster than you can say Jimminy Cricket,...

O-Ren's samurai sword is unsheathed...

Boss Tanaka's head is liberated from its body...

The head hits the floor...

And from the spot between its shoulder blades, a geyser of blood shoots up in the air.

The BOSSES who were shocked at Tanaka's words are even more flabbergasted at O-Ren's response.

The two bodyguard's, standing behind Boss Tanaka, hands go to their swords and draw them.

O-Ren turns her blade in their direction.

The Bosses and their bodyguards say nothing, only watch.

The lady looks across at the two men and says in and authoritative voice;

O-REN (JAPANESE)
Fight me or work for me.

They look at her for a moment, then they lower their swords.

O-REN (JAPANESE)
Drop them on the ground.

They do.

O-REN (JAPANESE)
Get behind me.
They do.

O-REN (JAPANESE)
Get on your knees.

They do.

O-REN (JAPANESE)
Put your foreheads on the floor.

They do.

O-REN (JAPANESE)
Keep your mouths shut.

You better believe they do.

The mistress' eyes got to the other bosses looking at her.

As she speaks English, bodyguard translators translate for their bosses.

O-REN
I'm going to say this in English so you know how serious I am. As your leader, I encourage you to -- from time to time and always in a respectful manner, and with the complete knowledge that my decision is final -- to question my logic. If you're unconvinced a particular plan of action I've decided is the wisest, tell me so. But allow me to convince you. And I will promise you, right here and now, no subject will be taboo...except the subject that was just under discussion.

O-REN (JAPANESE)
(to a bodyguard)
Hand me that head.

He picks it off the floor and meekly offers it to the Queen.

She takes it by the hair and holds it up as she speaks.

O-REN (ENGLISH)
The price you pay for bringing up either my Chinese or my American heritage as a negative is, I collect your fuckin head. (now completely American)
Just like this fucker here. Now if any of you sonsabitches got anything else to say, now's the fuckin time.

Nobody says anything.

O-REN (ENGLISH)
I didn't think so.
(pause)
Meeting adjourned.

EXT. THE HOUSE OF BLUE LEAVES - JAPANESE RESTAURANT
The entire O-Ren Ishii crew moves through the restaurant. The CUSTOMERS all look up now as the crew passes. The restaurant staff acts as if the Shogun himself has just showed up on their doorstep demanding a meal. No doubt if the meal is not satisfactory the staff will gladly slice off a finger. The door to a private dining room is slid open, the crew steps inside, the door is slid shut.

INT. PRIVATE DINING AREA (RESTAURANT) - NIGHT
The private dining area of the Japanese restaurant. The patrons are surrounded by white paper walls. The CAMERA CIRCLES around O-REN ISHII.

Sitting in between her, two personal bodyguards, the Yubari sisters, YUKI AND GO GO. The Yubari sisters are younger than O-Ren; Yuki is sixteen and Go Go is seventeen. Both girls are dressed in Japanese schoolgirl uniforms complete with plaid skirts and matching blazers.

FLASH ON
EX CU OF AN EYEBALL (The BRIDE's)
On her right is her French and Japanese lawyer, SOFIE FATALE.

FLASH ON
EX CU OF AN EYEBALL
The bunch of mop-topped young men, who all wear black suits, white shirts, thin black ties and Kato masks over their eyes, are her soldiers, "The CRAZY 88."

FLASH ON
EX CU OF AN EAR, The Bride's fingers come into FRAME and move blonde hair out of the sensory appendage's way.
And finally there's a tall dark American in a black suit sans Kato mask -- that's O-Ren's head of security, MR. BARREL.

They're all drinking and having a good time as Sofie tells a joke in Japanese.

THE BRIDE (V.O.)
The mop tops in black suits and Kato masks were O-Ren's soldiers, "The Crazy 88." The two young girls in the schoolgirl uniforms are her personal bodyguards, the Yubari sisters. Yuki, aged sixteen, and Go Go, aged seventeen. The pretty lady who's dressed like she's a villain on Star Trek is O-Ren's best friend and her lawyer, Sofie Fatale. And finally, the American in the black suit but sans Kato mask, O-Ren's head of security, Mr. Barrel.

SUDDENLY O-Ren hears something. Like a deer in the forest, her head springs up on alert. It's almost as if she's listening to The Bride's narration.

The Bride's NARRATION SUDDENLY STOPS IN MIDSentence --

O-Ren removes a SMALL DAGGER-DART from the folds of her robe and THROWS IT in the direction of the sound.

CU The BRIDE dressed in a kimono on the other side of the private dining room's paper wall. The DART FLIES THROUGH THE PAPER, STREAKS BY HER FACE, almost taking off the tip of her nose in the process.

INSERT: DAGGER EMBEDS ITSELF IN A WOOD POST.

O-Ren's action instantly brings the room's frivolity to a halt. Mistress Ishii silently orders Go Go and Yuki to retrieve the eavesdropper.

INT. JAPANESE RESTAURANT - NIGHT

The white paper door to O-Ren's dining room SLAMS OPEN. Yuki and Go Go step into the corridor.

All trace of the Bride has vanished.

They look out over the restaurant, patrons look normal.

Whoever was there is gone now.

Go Go removes the small dagger from the wood post and the Yubari sisters go back into the private dining room, SLAMMING the door behind them.
ONE SHOT

CU The BRIDE
at the bar, in her kimono, drinking a colorful cocktail. She observes all the activity by O-Ren's private dining room. When the Yubari sisters go back inside, the Bride climbs off her barstool and goes through the restaurant...into the parking area...and up to her rental car. She opens the door. Takes off her Japanese kimono, underneath is a one-piece yellow track suit with a black stripe going down both sides, like the one Bruce Lee wears in "Game of Death." She tosses the kimono in the trunk, then removes the sheathed Hanzo sword. With the sword of vengeance in her hand, we follow her back inside the restaurant. She looks upstairs to the O-Ren dining room. We see Yuki Yubari and Sofie Fatale, slide open the door, and walk down the stairs together. When they get to the bottom, they give each other a kiss goodbye, and Yuki leaves the restaurant, while Sofie makes her way to the bathroom...only to have The Bride, now dressed in her Bruce Lee yellow outfit and samurai sword in her hand, bar her way.

BACK AND FORTH
between CU's of the two women, face to face.

SOFIE (JAPANESE)
(to Bride)
Can I help you?

THE BRIDE (JAPANESE)
Yes, I am looking for the attorney of O-Ren Ishii, Sofie Fatale. Would that be you?

SOFIE (JAPANESE)
I'm Mistress Ishii's attorney. How can I help you?

The Bride PUNCHES her in the face.

INT. O-REN'S PRIVATE ROOM

Aside from drinking like fishes, what is the queen of the Tokyo underworld - Mistress O-Ren Ishii - and her private army doing when we cut back?

Singing karaoke, of course.

It's Crazy 88 MIXI's turn at the mike and he's having a whale
WHEN...

A COMMOTION is heard being made by the restaurant staff and the other patrons, from the other side of the white paper wall... Just as they all start to notice it, they hear;

THE BRIDE (O.S., JAPANESE)
O-Ren Ishii! You and I have unfinished business!

The Crazy 88 spring to their feet. One slides open the door. They see O-Ren's lawyer, Sofie Fatale, standing in the middle of the restaurant, her left arm completely outstretched, hand gripped around a post. She has a terrified look on her face. Before anybody on O-Ren's side of the room can say anything... The Bride steps out from behind Sofie;

O-REN'S reaction shows how effective the element of surprise turned out to be. She says The Bride's name softly to herself; it's BLEEPED OUT.

The Bride
The VENGEANCE THEME BURSTS ON THE SOUNDTRACK... The Vein on her forehead begins to pulsate. WE DO A QUICK SHAW BROTHERS ZOOM INTO HER EYES. A SPAGHETTI-WESTERN FLASHBACK of O-Ren beating the shit outta her at the wedding chapel IS SUPERIMPOSED OVER HER EYES. The FLASHBACK DISSOLVES, we ZOOM BACK INTO A CU, the vein stops pulsating, and the theme STOPS PLAYING OVER THE SOUNDTRACK, LEAVING A CLEAN, COLORFUL CU of The Bride loaded for bear.

She raises her Hanzo sword, and Slices off Sofie's Arm at the Shoulder with one stroke.

SOFIE
Spewing and Gushing Blood from her stump, twists her body in agony, painting the floor and the walls with giant Splashes of Red, as her body hits the floor, twitching in both surprise and shock.

The CRAZY 88 run out into the dining area and create a human wall between themselves and their Mistress.

MR. BARREL AND GO GO take positions on either side of O-Ren.

O-REN seated in a shogun's seat, rises furiously to her feet.
You bastard!

The Bride does a swipe in the air with her sword; Sofie's blood flies off the blade.

The entire floor of the dining room lies between the two warring parties.

The Bride
vs.
The Crazy 88

The restaurant's STAFF and PATRONS sit or stand rigidly in fear.

O-Ren says loudly to the room;

O-REN (JAPANESE)
Sorry everybody, but I'm afraid we're going to have to close the place. There's some private business that we must attend to now.

The Staff and The Customers Stampede the exits.

The Bride, The Crazy 88, and O-Ren hold their ground without moving a muscle, till the dining room, as well as the entire restaurant known as "The House of Blue Leaves," is deserted of every human not engaged in the face-off that precedes combat.

O-Ren gives a simple order;

O-REN

Miki.

MIKI, one of The Crazy 88 (The little one), steps forward, unsheaths his sword, and yells at the yellow clad blonde.

MIKI (JAPANESE)
You had it coming bastard!

Raising his samurai sword high, he Charges, Screaming A Banzai Scream...

The Bride turns to face him.

Miki Charging and Screaming...

The Bride slowly raises the Kanzo Sword into Striking Position.
Miki Charging and Screaming, almost on top of her.

The Bride, sword in position, waits for her opponent to arrive.

Miki arrives at his destination, he Swings...

The Bride Swings...

The Hanzo Sword Slices Miki's inferior blade in half. Miki looks down at the impotent weapon in his hand.

The Bride Thrusts her sword through Miki's abdomen, then Lifts the little guy off the ground straight up in the air.

Miki screaming, Impaled on her blade like a fish at the end of a spear. Held up in the air, restaurant light fixtures in the B.G.

O-Ren and her crew watch stunned.

The Bride Drops the shishkabobbed Miki into the koi pond that starts outside the restaurant and ends inside, with a huge blue splash. Koi pond - Blue water - Orange and yellow fish - Red blood - Dead man.

The BRIDE looks up from the pond, across the length of the floor, into the eyes of O-Ren Ishii. She takes one step forward, hears the slightest noise, Twirls the samurai sword in the air once, drops to one knee, and thrusts the sword into the beige-colored carpet-covered floor. The sword sticks in the floor half way...

The Sound of human death rises from underneath the floor...

OVERHEAD SHOT
Looking down on The Bride at one end and O-Ren and her crew at the other. A Red Circle appears where the blade is buried in the floor...The red circle grows larger...and larger...and larger...and larger still...

Leaving the sword stuck in the floor, handle sticking straight up in the air, The Bride rises up from her one knee, and straight and tall, staring down the queen of the Tokyo underworld.

O-Ren her eyes narrow with rage. She screams out another order;

O-REN (JAPANESE)
Tear the bitch apart!

The six remaining Crazy 88 unsheath their swords at the same time with a GREAT SOUND EFFECT.

They circle the Bride.
The BRIDE
Inside the circle of Combatants who surrounded her. She Whips the sword out of the floor and raises her blade diagonally in front of her. Her eyes are reflected in the shiny steel.

Holding her sword in the diagonal position, The Bride can see reflected in the shiny blade, whoever stands behind her.

The six Crazy 88 Attack...

The BRIDE
does a Zatoichi-like SWISH-SLASH-SWISH with her steel blade.

Four boys die an immediate samurai blade-inflicted death. SCREAMING GRUNT, TWITCHING BODY, FROZEN IN THE STANCE IT WAS SLASHED IN, RED BLOOD SQUIRTING FROM WOUNDS, THEN A CRASHING COLLAPSE TO THE FLOOR.

The last two put up more of a fight... but then one of them is SLASHED and FALLS and the last one is SLASHED AND CRASHES THROUGH the restaurant's big picture window.

EX CU The EYES
of The Bride, pointed down at the bodies by her feet,

...BEAT

...they Look back up at O-Ren.

O-REN
standing in between Go Go and Mr. Barrel. Her eyes narrow.

The BRIDE
swipes the air with her sword, the blood of the dead attackers flies off.

GO GO and MR. BARREL
unsheath their swords.

WHEN...

We hear a LOUD SOUND of many ENGINES behind the Bride. Then behind her, through the broken pictures window we see seventeen motorcycles pull up to the parking lot. All the riders wear black suits with kato masks, and all carry samurai swords.

The BRIDE
looks from the reinforcements to O-Ren.

O-REN
smiles.

O-REN (ENGLISH)
(to the Bride)
You didn't think it was going to be that easy, did you?
THE BRIDE (ENGLISH)
(to O-Ren)
You know, for a second there, yeah
I did.

O-Ren smiles...

O-REN (ENGLISH)
Silly rabbit...

Both O-Ren and the Bride finish the phrase together,...

O-REN/THE BRIDE
...Trix Are for kids.

This is something they used to say back when they fought alongside of each other as "Vipers."

The seventeen Crazy 88 reinforcements come running into the restaurant and with drawn swords surround The Bride.

As a HEAVY METAL COMBAT BEAT begins to PULSATE ON THE SOUNDRACK, The Boys and The Bride have a Spaghetti Western Stand-off.

We do a 360 INSIDE the CIRCLE of The Crazy 88, who surround the yellow-haired warrior. Not all have Samurai swords; one JUGGLES TWO HATCHETS, another TWIRLS A THREE-STAFF TRIPLE IRON over his head.

As the Heavy Metal music builds...We Cut to various Shots of The Two Opposing Forces Preparing to Strike....Hands on Sword Handles...Feet finding Combat Stance...etc...

...Until Heavy Metal reaches its Breaking Point...

...At that point, the Metal EXPLODES OVER THE SOUNDRACK...IN TIME WITH THE BRIDE EXPLODING INTO A VIOLENT KILLING MACHINE ON SCREEN.

As she matches skill with the army of black-suited boys, arms flailing, silver blade Clashing and Slashing, long blonde hair whipping like a whirling dervish....

...She's a Goddess of War Venus.

Not only is the FIGHT CUT TO THE HEAVY METAL MUSIC, but The Bride seems to be somewhat dancing to it as she fights.

This explosion of furious violence is punctuated CINEMATICALLY BY THE COLOR IN THE FILM POPPING OFF, and the fight being filmed in HIGH CONTRAST BLACK AND WHITE, turning the squirting, spewing geyser of BLOOD FROM CRIMSON RED TO OIL BLACK.
Many members of The Crazy 88 are Sliced, Slashed, and liberated from the limbs they were born with at The Bride's blade.

Some SPECIFIC MOMENTS

While Clashing swords, The Bride whips the silver Boomerang out of its holster, and Throws it...

....It Twirls Through the Air...

...Embedding itself longways in one of the boy's faces.

The Bride does a Mid-Air Somersault over the head of an Attacker, landing solid on her feet behind him...Slash, he's Out.

The Bride is knocked to the floor, her Attacker stands over her to Spear the young blonde, Her Legs Spring Up In The Air, Ankles Lock Around The Boy's Neck.

She throws him down to the ground. With his neck still in the vise-like grip of her ankles, She removes The SOG Knife from its sheath and Plunges it Deep Into The Boy's Chest.

While still on the ground, an Attacker Charges at her. Yanking the Boomerang out of the Dead Boy's Face, She Sends It Flying in the Charging Man's path...

....Boomerang Twirling Through the Air Close to the Ground...

....Chopping Off the Charging Attacker's Foot in Mid Step, he falls flat.

The Bride jumps up onto an attacker's shoulders. She locks her legs around him so he's helpless at shaking her off.

...she swings down with her sword, and cuts the man's hands off.

So while the helpless man with no hands screams, the now nine foot tall Bride fights with the others.

When she's through she brings the blade across the man she's perched on's throat. He falls to his knees, bringing the Bride back to the floor like an elevator.

As soon as her soles touch ground, she's off his shoulders, somersaulting on the floor, bringing her blade up between an attacker's legs into his groin.

He lets out a scream, as she yanks her blade free.

ONE ATTACKER steps out from the rest, "The Best One." He Twirls his sword expertly, challenging the young woman to, "Come get a piece."

The Bride does a screaming charge towards him....

....Sword raised, The Attacker stands his ground, calm - steady, waiting for the blonde-haired locomotive to
They match each other blow for blow, till one makes a mistake. It's the male. The Bride's swing, that's neither clashed or blocked, slices off his right arm...

...The arm, still gripping the samurai sword, drops to the floor.

The Bride pushes the Hanzo Sword right through the middle of his chest.

Only half of the Crazy 88s that started the fight remain alive, or intact...They start to approach...The Bride, still holding the sword that's still impaling the skilled Attacker, backs up, keeping his body between her and the remaining killers.

Like a boxer, The Bride uses the momentary break in the action, to rest on her feet.....THEN...yanks the blade from his chest cavity....The Body Twitches - Spasms - Grunts and Crashes to the floor.

The Attackers start to close in...The Bride readies herself for their attack....THEN (in perfect time with the Heavy Metal)...Drops to the floor on her back, Spinning like a top. She Swings and Slashes and Cuts down below at their legs and feet, like some hellish samurai sword-weilding turtle flipped over on its shell....

Many black-suited, mask-wearing boys drop to the ground.

...Still Spinning like a break dancer, she spins up on top of her head, and Pops back up on her feet.

And then there were seven.

The seven remaining sword-weilding, black-suited boys moved out of range of the Bride's blade when she dropped to the floor. Now spread out, they make a large half-circle.

The Bride, slowly points the tip of her blade to the floor, lowers herself to one knee and slightly bows her head. In repose.

EX CU The Bride's eyes pointed up, watch them move closer, COLOR COMES BACK INTO THE FILM. We see her face is splashed with blood.

O-REN
WHIPS OPEN a red fan.

GO GO stands by the restaurant's junction box, she flips the switch.

The room goes dark.
The Crazy 7 make a wide circle around the blonde who's still on the floor.

...Looking down on her breathing hard in the shadows. As she breathes in and out, The FACE OF A LIONESS IS SUPERIMPOSED OVER HER FACE.

Breathe in (Bride) - Breathe out (Lioness) - Breathe in (Bride) - Breathe out (Lioness) ....

The Bride rises to her feet...

The Crazy 7 move in a circle around The Bride, she moves in a circle inside of their circle, all eight of them move in rhythm with the Metal...

The Heavy Metal Music builds...to a big finish...THEN both Music and The Bride Explode!

WIDE SHOT - FRAMED LIKE A KABUKI STAGE
With the lights off, The White paper wall the eight killers fight in front of turns a Psychedelic Bright Blue. The snow falling outside is reflected against the paper wall like black snow falling on a blue shadow puppet stage.

The eight samurais are Black Silhouettes against the blue backdrop. They begin to combat in a dance of blood, steel and death. The Bride does a sword-weilding dosey-doe with all sword-weilding partners.

She CLISH-CLASH-CLISH-CLASHES with all of them - They separate - stalk each other for a moment to the beat - then CLISH-CLASH-CLISH-CLASH again, with The Bride killing or hacking the limbs of one unlucky dance partner at each encounter - Sometimes during the separation, The Bride crouches down low in repose while the others continue to circle stalk...THEN...She Strikes again.

We Cut in closer whenever we need to.

Finally the last of O-Ren's soldiers falls to the Bride's sword.

GO GO
Standing by the junction box, flips a switch turning the lights back on. The electricity shines light on...

The BRIDE
Splashed all over with blood. Blood painting the floor, walls and ceiling. Dead bodies, several limbs, and horribly wounded men who have yet to die, litter the ground.

With a big "Whoosh!" in the air, the blood of O-Ren's subordinates fly off the blonde avenger's blade.

Then saying to the foes who litter the ground.

THE BRIDE (JAPANESE)
Those of you lucky enough to still have your lives. Take them with you. But leave the limbs you've lost. They belong to me now.

The wounded men, crawl out of the restaurant.

The yellow-haired crimson-covered woman, looks to the last remaining combatants...Mr. Barrel, Go Go Yubari, and O-Ren Ishii.

Go Go steps forward and removes her weapon, it's not a samurai sword. It's a heavy metal ball at the end of a long chain. She begins TWIRLING it above her head. Each rotation makes a WHOOSH sound in the air.

BALL AND CHAIN
in a 3-D-like effect, the metal ball comes right at us.

The BRIDE ducks out of the way, the heavy ball destroying a large chunk of wood post behind her.

Go Go eyes focused on her enemy...WHOOSH...WHOOSH...WHOOSH...she lets fly...

The ball and chains wrap around the blade of the Hanzo sword...

...Go Go yanks...

...the Hanzo sword FLIES out of her grip.

GO GO smiles...then...WHOOSH...WHOOSH...

The BRIDE removes her boomerang and THROWS it at Go Go.

The BOOMERANG TWIRLS through the air heading right for Go Go.

BAM

The young bodyguard swats it out of the air with her ball and chain. She lifts up her chain and the boomerang lies bent, on the floor. She looks across at her opponent...WHOOSH...WHOOSH...WHOOSH...WHOOSH...she LETS FLY. It Strikes the Bride in the chest, knocking her on her back...

...Go Go twirls it over her head and sends it towards the Bride on the floor. The Bride rolls out of the way, the metal ball FUNCHES a hole in an overturned table instead.

The weaponless Bride wrestles a table leg loose from its purpose.

She hops up on a table, table leg in hand, ready to fight.
Go Go hops up on a table...

As they fight they hop from table to table...

Go Go throws her ball and chain...

...The Bride - QUICK AS A WHIP...

BATS it away with the table leg.

Go Go lets loose with the balls and chain...it wraps around the Bride's ankle...Go Go YANKS...

...The Bride's leg is yanked out from under her, she FALL CRASHING through another table.

Go Go jumps on top of the Bride, attacking her with a samurai short sword. The Bride uses the table leg to block it.

The women fight fiercely, locked in grapple, each face ugly with struggle. Go Go lets her left earlobe get too close to the Bride's mouth...the Bride BITES DOWN on it. Go Go screams as the lower part of the appendage is bitten off, and she rolls off the Bride. The Bride comes at her, bringing the table leg -- WHOOPS UPSIDE HER HEAD -- WHOOP-WHOOP-SIDES-HER HEAD.

The girl in the schoolgirl uniform falls on her back, and delivers a powerful "C.K." to the Bride from below, dropping her to her knees.

O-Ren is UP, and wraps the chain around the Bride's neck and begins to strangle.

The chain digs into the Bride's throat.

The Bride brings the table leg, which has a couple of nasty looking nails in it, hard against the Japanese girl's thigh. The nails cut through the plaid school uniform skirt into her flesh...the Bride rips out the nails, taking some leg meat with them.

Go Go lets out a horrific scream.

The Bride brings the table leg down on the toe of the young girl's white tennis shoe. The nails stick in, the white shoe becomes stained with red.

Go Go SCREAMS letting loose of the chain...falling on the floor.

The Bride unwraps the chain around her neck, and begins breathing air into her lungs.

Go Go tries to escape, dragging her fucked-up leg with her...

The Bride rises from the floor and begins, twirling Go Go's weapon above her head.
Go Go, fast as she can, climbs up the stairs to the second floor...

The Bride stands at the bottom of the stairs, twirling the ball and chain over her head.

Go Go frantically, and in great pain, climbs the stairs... She gets to the top.

The Bride lets loose with the ball and chain...

It HITS the female bodyguard and one half of the Yubari sisters, smack DAB in the back of the head.

CU GO GO
We see her face as she's delivered a death blow right behind it. We see behind her eyes and features, her life and spirit shatter like a teapot.

Like a discarded rag doll, Go Go Yubari TUMBLES down the staircase landing in a pile at the Bride's feet. Dead before the tumble began.

The Bride throws the ball and chain to the floor. Her eyes go to the last two remaining combatants...

...Mr. Barrel and O-Ren Ishii.

THE BRIDE (JAPANESE)
Any more subordinates for me to kill, O-Ren?

Mr. Barrel says;

MR. BARREL
One last one.

THE BRIDE
You're Mr. Barrel, right?

MR. BARREL
And you're Black Mamba.

THE BRIDE
Our reputations precede us.

MR. BARREL
Apparently.
THE BRIDE
Tell me Mr. Barrel, why don't you wear your Kato mask? Are you and iconoclast?

Mr. Barrel takes out a kato mask on a stick, like from a 17th Century costume ball, and holds it over his eyes.

MR. BARREL
I don't like that rubber band. It fucks up my hair.

THE BRIDE
You shouldn't work for her.

MR. BARREL
Too late.

THE BRIDE
It's not too late to quit.

MR. BARREL
Do you have choices?

THE BRIDE
No.

MR. BARREL
I know exactly how you feel.

THE BRIDE
This has nothing to do with You and I, and everything to do with me taking satisfaction from that bitch behind you. And there's absolutely positively no way I'M going to leave here without taking that satisfaction. So Mr. Barrel, you have to stand aside. And that means you must quit, right now.
MR. BARREL
I can't.

THE BRIDE
Yes you can.

MR. BARREL
No I can't.

THE BRIDE
Don't say "Can't", there are no "Cant's." Yes - You - Can.....

O-REN ISHII
Screams at her "...last line of defense;"

O-REN (ENGLISH)
What are you waiting for? Are you on a date? Attack her you fool!

THE BRIDE
Oh my God...
(pause)
...She just called you a fool. She just called you a fool in front of me. Not only am I your opponent. I'm a female fellow countryman. And you're going to risk your life - to say nothing of harming me - for a woman who refers to you as a fool?

O-REN is furious, and slaps Mr. Barrel on the shoulder.

O-REN (JAPANESE)
Attack, Goddamn you!

The Bride acts like she's embarrassed to witness what she just saw.

Mr. Barrel spins in O-Ren's direction shooting her a look she's never seen from him before.

He then looks back to the Bride.
Her eyes are waiting for his. She says with just the slightest hint of plea in her voice;

THE BRIDE
I'll owe ya one.

He looks at her a BEAT longer...then says as he resheaths his sword;

MR. BARREL
The things I do for a pretty face.

INSERT: The Blade sliding back down into the Sheath, The Handle locks into place with a Click.

He looks back over his shoulder at his former Mistress, and says;

MR. BARREL (JAPANESE)
I quit.

0-Ren fries and egg on her head.

Then with his sheathed Sword in his right hand, and his left hand in his pants pocket, he walks across the carnage-strewn room and out the front door. As he walks, when he's parallel with the Bride, He stops and says;

MR. BARREL
About that one you owe me.

THE BRIDE
Yes?

MR. BARREL
I'm gonna collect someday, you know?

THE BRIDE
I'll be disappointed, if you don't.

He continues walking without a look back. Before he Exits the restaurant, he throws a look in Sofie's direction, Who's lying minus her arm in a pool of her own blood, and says;
MR. BARREL
Tough luck bout that arm Sofe.

He exits the Movie.

O-REN and The BRIDE
match eyes. The Japanese gal says;

O-REN (ENGLISH)
Very funny.
(pause)
Your instrument is quite impressive.

THE BRIDE (JAPANESE)
Domo.

O-REN (JAPANESE)
Where was it made?

THE BRIDE
Okinawa.

O-REN (JAPANESE)
Whom in Okinawa made you this steel?

THE BRIDE
This is Hattori Hanzo steel.

O-REN (JAPANESE)
YOU LIE!!

The Bride just smiles at her rival's response.

O-Ren's composure returns.

O-REN (JAPANESE)
Swords however never get tired. I hope you've saved your energy. If you haven't, you might not last five minutes.
(pause)
Have you seen the garden in this establishment?

THE BRIDE (JAPANESE)
No.

O-REN (JAPANESE)
Oh, you really should. It's quite beautiful. Allow me.

O-Ren moves out of the position she's stood in for the entire battle. She steps on the doormat of a corpse, that serves the same purpose of a bottom step, and moves over to the white paper wall and slides it open....REVEALING....

.....A WHITE WINTER WONDERLAND, set against a Jet Black sky. A Snow-covered Japanese Garden awaits right outside. Snow falls from the sky (Slightly artificial, not phony - but Operatic/Theatrical). O-Ren stands next to the Bride in the doorway looking out into the white night.

O-REN (JAPANESE)
As last looks go, you could do worse.

The Queen of the Tokyo Underworld steps outside...

The Bride follows her...

INT. SNOW-COVERED JAPANESE GARDEN - NIGHT

As snow falls around them, they stand the correct distance from one another.

COMBAT MUSIC BEGINS PLAYING, but not Japanese drums - Spanish Flamenco Guitar......

The Bride Unsheaths her Sword Quickly...Holding it out in front of her...Tip of Blade pointed at O-Ren...Sword's Handle and her Fingers wrapped around that handle, up by her cheek...Her eyes are Reflected on the Blade...Snow falls around her.

O-Ren begins walking forward towards the Bride...She raises up her Sword, still in its sheath, in front of her face vertically...then begins slowly unsheathing it...Snow falls around her.

O-REN'S FEET
White socks in wooden clogs, walk forward, Crunching Snow underneath them...
The BRIDE
Holding Sword...Eyes reflected in Blade...her Yellow Sneakers
Crunching snow underneath them...

O-REN
when her Sword is fully unsheathed, the Japanese combat artist holds both arms straight out at her sides, Sword in one hand - Wood sheath in the other, like a bird....

....The Two Women circle each other....

They SWING - CLASH - DANCE - SEPARATE...CIRCLE...SWING - CLASH - DANCE - SEPARATE...

O-REN LEAPS in the air
does a Somersault over the Bride's head, landing behind her opponent. She brings her Sword down in a Slashing Swing...

SLASHING The BRIDE
across her back - Spinning her around...

0-Ren goes in for the kill...The Bride meets her blade...The Blades Clash and Lock...The Two Women's faces come together as the Blades become entangled...

O-Ren moves her arm in a counter-clockwise motion that loosens the grip enough to bring her sword handle hard into The Bride's mouth...

Knocking her backwards over a small, stone bench - Flat on her ass in a koi pond.

- The Combat Guitar Stops -

O-Ren doesn't charge the fallen blonde, She laughs;

O-REN (ENGLISH)
Silly Caucasian girl likes to play with samurai swords. Bill might of humored you, but you will find neither humor nor mercy at my blade. Now unless you intend to commit seppuku among the koi, stand up and fight. You may not be able to fight like a samurai, but you can at least die like a samurai.

The Combat Guitar starts again...As The Bride slowly rises out of the koi pond. She brings up her sword and Says Calmly to O-Ren in Japanese;

THE BRIDE (JAPANESE)
Attack me. With everything you have.

The Two Women Clash Swords furiously, their attack ends with
The Bride's Striking O-Ren - not fatally - but deep. They separate...

...breathing hard...Cold Air coming out of their mouths like two locomotives...

O-Ren looks down to her wound, then back up to The Bride. The respect for the Bride's ability is transparent.

The Two Women Circle Stalk each other again...

Red Blood running down Yellow Legs onto Yellow Sneakers...

Wooden Clogs crunching the Snow, Blood trail dripping down legs staining White Socks with Red...

They Attack, the Geisha figurine and The tall western girl with the mane of Whipping Blonde Hair. They Swing - Twist - Turn - Clash, matching blow for blow till they both back off.

Both Women are out of breath and have to stop to recuperate. As they both drink the harsh cold air into their lungs, leaving red blood stains in the white snow, the two females have the same thought. The next clash will be their last.

O-REN (JAPANESE)
I apologize for ridiculing you earlier.

THE BRIDE (JAPANESE)
Accepted.

They continue breathing...

THE BRIDE (JAPANESE)
Ready?

O-REN (JAPANESE)
Yes.

The Flamenco Guitar begins again, as The Two Women Circle each other for their final attack.

With all the quickness and skill at their command, they clash in a superb display of Samurai Swordplay...TILL...They Find themselves on opposite sides of a garden wall...

...The Bride and O-Ren both begin Running diagonally through the snow, Swords held up high, Facing each other, Continuing to run even after they passed the wall, Screaming their Samurai hearts out...
UNTIL...

They both SWING...

...can't tell who got who...

A SCALP OF LONG, BLACK HAIR FLIES THROUGH THE AIR, landing in the white snow.

CU O-REN ISHII
facing away from the Bride. Sword still in her hand. We see she doesn't have the TOP OF HER HEAD ON. A touch of her BRAIN is exposed. Blood Droplets streak her face like raindrops.
The Queen of the Tokyo Underworld, who's regime has just ended with one swing, stares off into space.

O-REN (ENGLISH)
That really was a Hattori Hanzo sword...

Her sword FALLS from her grip...in the snow by her feet.

O-REN (ENGLISH)
I always dreamed of owning one...

O-Ren FALLS to her knees, toppling forward.

Left Cheek in the snow, just barely alive, She says;

O-REN (ENGLISH)
Did he make it for you?

THE BRIDE (ENGLISH)
Yes.

The Last thing she says before she dies;

O-REN (ENGLISH)
...He must of liked you.

With her cheek resting against the snow, her eyes close and she's gone.

The BRIDE
removes a white handkerchief (The One we saw her sewing earlier with "Bill" in the corner), and uses it to wipe the blood, once belonging to the first name on her death list, off her Hanzo Steel.

EX CU THE HANZO SWORD
is returned back to its sheath. The LION'S HEAD that Hanzo carved into the wood seems pleased.

CUT TO:

The BRIDE now wearing a yellow, faceless motorcycle crash helmet on her head, stands FRAMED in a TRUNK SHOT.

SOFIE FATALE minus an arm, lies curled up in the trunk of her MAZDA XOXO.

The BRIDE slams the trunk, SCREEN BOES BLACK...

The MAZDA driving down the road at supersonic speed.

The BRIDE behind the wheel wearing her crash helmet. It looks like an insert from "GRAND PRIX."

POV THROUGH WINDSHIELD car speeding...then stopping.

BLACK SCREEN
The BRIDE lifts up trunk lid, we look up at her FRAMED in the TRUNK SHOT. Helmet on head making her faceless, gold Deadly Viper syringe in her hand.

When she speaks it comes out of a VOICE BOX at the bottom of the helmet. Turning her voice deeper and electronically spooky. The two women speak Japanese to each other.

THE BRIDE (JAPANESE)
I've kept you alive for one reason. Information. Being O-Ren's lawyer, I take it you're familiar with Bill?

SOFIE (JAPANESE)
Yes.

THE BRIDE (JAPANESE)
In fact, I'd guesstimate, you worked for Bill before O-Ren, and that's how it is you came to work for O-Ren. Am I correct?

SOFIE (JAPANESE)
Yes.
THE BRIDE (JAPANESE)
I thought so. Give me the arm you have left.

SOFIE (JAPANESE)
Why?

THE BRIDE (JAPANESE)
I want information. Now gimme your arm.

Sofie offers up her remaining arm.

She injects Sofie with the gold syringe.

THE BRIDE (JAPANESE)
The cocktail racing through your bloodstream at this moment is Bill's own recipe. He calls it "The Undisputed Truth."

Sofie is injected.

THE BRIDE (JAPANESE)
Okay, first things first. Where was the other Yubari sister? Yuki?

SOFIE (JAPANESE)
Yuki's sick. She went home early.

THE BRIDE (JAPANESE)
Do tell? What's wrong with her?

SOFIE (JAPANESE)
She has a cold.

THE BRIDE (JAPANESE)
Awww poor baby. What do you think she'll do when she finds out what happened?

SOFIE (JAPANESE)
She'll wail with grief.

SHOCK CUT TO

YUKI YUBARI upon hearing the news of her sister's death...

She SCREAMS!

BACK TO SOFIE

SOFIE

She'll drink excessively.

BACK TO YUKI

Big bottle of sake in her mouth pointed bottom up.

BACK TO SOFIE

SOFIE

She'll start trouble.

BACK TO YUKI

sitting at a bar in drunken stupor. An OLDER JAPANESE MAN in a business suit sits next to her at the bar...he puts the make on her.

BUSINESS SUIT (JAPANESE)

Do you like Ferraris?

Yuki staring out into space, says with a drunken voice;

YUKI (JAPANESE)

Ferrari...Italian trash.

She slowly turns to face the older Japanese man in the business suit.

YUKI (JAPANESE)

Do you find me hot?

The man in the business suit giggles at her boldness; she gets annoyed;

YUKI (JAPANESE)

Don't laugh! Do you want to fuck me, yes or no?
BUSINESS SUIT (JAPANESE)

Yes.

THEN...

He lets out a GRUNT coming from below.

We see she has stabbed him in the belly with a samurai short sword, and is slowly dragging the blade across his abdomen, creating a big red grin across his mid-section.

TWO SHOT YUKI AND BUSINESS SUIT
Yuki focused, Business Suit penetrated...She opens him up more...he feels every inch of the blade's progress.

YUKI (JAPANESE)
How bout now, big boy, do you still wish to penetrate me...

Blade cuts deeper...

YUKI (JAPANESE)
Or is it I who has penetrated you.

And with her last line, does the final disemboweling slice that sends his insides spilling out onto the barroom floor.

BACK TO SOFIE

SOFIE (JAPANESE)
When she stops shedding tears, she'll start shedding blood.

THE BRIDE (JAPANESE)
Best guess, what will she do?

SOFIE (JAPANESE)
I don't hafta guess, she'll come after you.

THE BRIDE (JAPANESE)
Will she ever give up?

SOFIE (JAPANESE)
She won't have to. When she finds
you, I don't know who will win. But what I do know is, she will find you.

THE BRIDE (JAPANESE)
Is she more skilled than I?

SOFIE (JAPANESE)
Skilled won't be the word.

THE BRIDE (JAPANESE)
Don't be coy with me, bitch. What would be the word?

SOFIE
Crazy.

The Bride takes this in...then moves on.

THE BRIDE (JAPANESE)
Okay, now I want all the information on the Deadly Vipers,... What they've been doing and where I can find them.

EXT. TOKYO GENERAL HOSPITAL - NIGHT

The big hospital of TOKYO is located by a hill by the highway. Sofie's MAZDA pulls off the highway to the side.

The Bride hops out of the car, runs to the back, opens the trunk, takes out Sofie's body, and rolls it down the hill....Sofie stops rolling in front of the entrance of the huge hospital.

CUT TO:

CU SOFIE
in a hospital environment. Bill's voice speaks to her OFF SCREEN;

BILL (O.S.; ENGLISH)
Sofie, Sofie, my Sofie, I'm so sorry.
SOFIE (ENGLISH)
Please forgive my betrayal --

He shhhh's her off screen;

BILL (O.S.; ENGLISH)
-- no more of that. I invented that truth serum. Once it entered your bloodstream, you no longer had a choice.

SOFIE (ENGLISH)
But, still --

BILL (O.S.; ENGLISH)
-- But still -- nothing, except my aching heart over what she's done to my beautiful and brilliant Sofie.
(pause)
If you had to guess why she left you alive, what would be your guess?

SOFIE (ENGLISH)
Guessing won't be necessary. She informed me.

BACK TO THE BRIDE AT THE TRUNK

THE BRIDE (ENGLISH)
I'm allowing you to keep your wicked life for one reason and one reason only. So you can tell him, in person, everything that happened here tonight. I want him to witness the extent of my mercy..., by witnessing your deformed body. I want you to tell him, all the information you just told me. I want him to know what I know. I want him to know I want him to know.

Then with SUPERMAN X-RAY VISION we see through the helmet to the Bride's face inside as she says the last line.
THE BRIDE (ENGLISH)
And I want them all to know, they'll all soon be as dead as OREN.

WE CUT TO A

CU of Sofie
WE PAN to a CU of Yuki

Bill says off screen;

BILL (O.S.; JAPANESE)
If O-Ren was number one, unless she's being tricky, Vernita Green will be number two.

YUKI (JAPANESE)
Where is Vernita Green?

BILL (O.S., JAPANESE)
Los Angeles. Vernita's in Pasadena. But the woman you want will hold up in a low budget motel, fifteen of twenty minutes away from stepping on board a plane departing LAX. If I had to bet... I'd say Hawthorne.

Yuki blows a pink bubble gum bubble, it pops and she says in English;

YUKI (ENGLISH)
California, here I come.

CUT TO:

CU Hattori Hanzo
He's sewing something that requires a lot of concentration.

CU The Bride's bare back
What he's sewing is, the nasty slash O-Ren gave the Bride on her back, closed with a simple needle and thread.

CU The Bride
lies naked on her stomach, head up, chin resting on her folded hand, feeling no pain at the needle piercing her flesh. The sleeping giant is awake, and in her eyes we see she's filled with a terrible resolve.

As Hanzo sews, he recites in Japanese the Yagu mantra, the Bride recites in Japanese after him.
EX CU: O-REN ISHII'S name written in the Bride's notebook with the number one next to it. A black felt pen comes into frame and draws a line through the name.

FULL SCREEN

We stay with Yuki's side as she stops across the street from the Bride. During their face-off we only see the Bride at a distance.
The Bride is in the b.g., back to us packing her trunk, just about ready to make a clean getaway...

WHEN...

Yuki yells to the figure across the street.

YUKI (JAPANESE)
Conigute wa!

We see the back-turned figure of the Bride slightly freeze upon hearing the Japanese greeting. Without turning around she says;

THE BRIDE (JAPANESE)
Conigute wa.
(pause)
Yuki?

YUKI (ENGLISH)
Bingo!

THRILLER MUSIC begins on the soundtrack.

The Bride turns around to face the young avenger.

THE BRIDE (JAPANESE)
Can I help you?

YUKI (JAPANESE)
You can kill yourself.

Yuki giggles.

YUKI (JAPANESE)
Taking a trip?

THE BRIDE (JAPANESE)
I was.

YUKI (JAPANESE)
You still are. One way.
THE BRIDE (JAPANESE)
I know you feel you must avenge your sister. But I beg you...walk away.

Yuki giggles.

YUKI (JAPANESE)
You call that begging? You can beg better than that.

Yuki giggles. Then she takes out a flashlight, and switches on the beam.

YUKI (JAPANESE)
Can I see your face? I've heard your beauty is exquisite. I would like to see for myself.

THE BRIDE (ENGLISH)
Sure.

Yuki shines the flashlight beam in the Bride's face.

YUKI (JAPANESE)
Ohhhh,...look how pretty your face is. Oooohhh,... I want to touch it.

THE BRIDE
Domo.

YUKI (JAPANESE)
Your face is so pretty, I just want to put both of my palms against your cheeks and give you little tiny kisses.

Yuki then shines the flashlight up into her own face.

YUKI (JAPANESE)
How do I look?
Very pretty.

YUKI (JAPANESE)
You're just saying that 'cause I told you how pretty you are.

THE BRIDE (JAPANESE)
Yuki, you're gorgeous.

YUKI (JAPANESE)
Really? Is that how you'd describe me to somebody if I wasn't here?
Yuki's gorgeous?

THE BRIDE (ENGLISH)
You bet.

Yuki giggles.

THE BRIDE (JAPANESE)
Don't make me kill you.

YUKI (ENGLISH)
Okay.

Yuki removes the Israel sub-machine gun from behind her back and FIRES A LOUD INTENSE VOLUME of firepower at The Bride.

The Bride dives out of her way, just as her yellow pussy wagon is demolished by the ammo.

The Bride, with her samurai sword in her hand, and her backpack full of money, takes off running across a couple of front lawns...

Yuki chases her with machine gun fire...

The Bride LEAPS over a long hedge...disappearing Behind it.

Yuki runs after her, firing all the way, destroying the hedge...

The Bride darts across the street, she hits the ground and rolls under a Volkswagen van.

Bullet FIRE EXPLODES all around the Bride as she rolls out on the other side. She removes her 9mm automatic and returns fire from behind the van.
Yuki yells to her in English;

**YUKI (ENGLISH)**

You think you're safe! I say; Ha!

She takes out a hand grenade, removes the pin with her teeth, and slides it towards the Bride.

The Bride sees the live hand grenade skidding and sliding on the asphalt towards her...

She takes off running...as the Volkswagen van EXPLODES BEHIND HER.

She cuts through the backyard of a house -- THE CAMERA TAKING OFF WITH HER -- over their fence, in the backyard over the fence into another yard. She trips, falling into the other house's swimming pool. Instead of splashing around, the Bride swims like she was in the Olympics, till she's in the shallow end. Without breaking her stride, she runs out of the pool. Now with her gun out, the sopping wet Bride gets to the front of the house. It's located on a cul de sac.

WHEN...

Yuki's sports car pulls up at the end of the street.

Both women see the other.

Yuki hits the gas, firing her machine gun out the window of her car as she speeds down the dead-end street.

The Bride, runs across lawns and hides behind parked cars on the street, as the bullets rip up homes, lawns, and automobiles.

When Yuki's car reaches the end of the dead end,...

She jerks the wheel...

SPINNING the car around, pointing it in the opposite direction.

SHE HITS THE GAS AGAIN...

SHE PULLS THE MACHINE GUN TRIGGER AGAIN...

BULLETS TEAR UP the cars lining the street.

In the hail of bullets, the Bride tries to fire back.

Yuki reaches the end of the street and spins the car around.

She gets ready to make a third pass.

Some PEOPLE in the house behind the Bride, look out of their front door.
The Bride yells at them;

THE BRIDE
Stay in your house and stay down on the floor!

Yuki speeds after her, but this time she pops the curb and drives across the front lawns on the street heading right for her.

The Bride runs into the house she's in front of.

She runs through the living room, to the kitchen and the back door, but the kitchen's where the family that lives here is hiding and they block the door.

Yuki's sports car pulls up in front of the house. She stands up in the convertible. Takes out a grenade, pulls the pin and says;

YUKI (JAPANESE)
Time for the rabbit to come out of her hole!

She lobs the grenade up on the porch, then throws herself face down on the lawn.

The porch and the front of the house explodes into splinters.

Everybody in the kitchen is blown back.

Realizing there's no getting out of the back door, the Bride runs back into the living room that's now missing a wall, and runs up the home's staircase leading to the bedrooms.

Yuki steps into the house, sub-machine gun in hand...

The Bride makes it to the top of the stairs, and is just about to disappear behind the upstairs hallway wall...

WHEN...

Yuki fires up at her, hitting her twice in the leg.

The upstairs hallway, two bedroom doorways line both sides of the hallway. The Bride crashes to the floor -- SCREAMING -- blood pours out of her gunshots.

Yuki charges up the stairs...machine gun blazing, tearing up the house.

The Bride aims her 9mm where she expects Yuki to emerge.

Yuki gets to the top of the stairs, and steps into the hallway.
The Bride fires...

The Bride's bullet wings Yuki in the left breast, knocking her through a bedroom doorway.

THE BRIDE
(to herself)
Gotcha!

Yuki screams like a little girl at the pain. She yells from the doorway into the hallway;

YUKI (JAPANESE)
You fucking bitch! You shot me in my breast! They're not fully developed yet, you fucking asshole! Now I'm always gonna have a dimple!

The Bride answers Yuki back with an imitation of Yuki's giggle, which makes the youngin blow her top.

YUKI (JAPANESE)
Piss me off!

She fires her machine gun around the corner, tearing up everything around the Bride.

When the young girl stops firing, the Bride yells;

THE BRIDE (JAPANESE)
Yuki, in about two minutes there's going to be an army of police here. So if you're gonna kill me, now's the time.

From her hiding place, Yuki snorts a line of baby blue powder. It gives her energy.

THE BRIDE (O.S., ENGLISH)
So what's it gonna be bitch?

Slapping a new clip in her machine gun.

YUKI (JAPANESE)
That fucking does it!

Yuki comes around the corner FIRING her machine gun in the
Bride's direction, ripping up everything around her.
The Bride lying flat on the floor fires her 9mm.
The explosion of ammo creates the hysteria of warfare combat.
Yuki charges the Bride, Kamakazi style.
Three more bullets rip into the Bride, the Bride fires up at Yuki, hitting her three times in the body, knocking her off her feet, and sending her tumbling down the stairs.
The Bride shot up, pulls herself to the top of the stairs. She sees Yuki lying at the bottom, dead.

Yuki's face, dead, eyes closed...then they pop up open... Guess what...she's not dead. Though she's bloody and her schoolgirl uniform is filled with bullet holes she rises. Her head turns in the direction of the Bride...
The Bride sees this and can't believe it...

They lock eyes...

...Yuki, who no longer has the machine gun, takes out a deadly looking knife and snaps it open with a smile that builds to a scream...

She charges up the steps at the Bride.
The startled Bride fires at her...the 9mm's empty...
Yuki charging up the steps, yelling, knife raised high...
The Bride, hurriedly removes the pistol she keeps in her ankle holster.

Yuki charging...
The Bride cocks back the hammer...

...Yuki charging, getting closer...
The Bride FIRES

Bullet hits Yuki, stops her for a quarter of a second, but she keeps charging...
The Bride fires again...
Yuki jerks but keeps on charging...
Bride fires...
Yuki jerks, but keeps charging...
Bride fires...

Yuki jerks, keeps charging, almost at her, knife raised high...
The Bride FIRES
Yuki jerks, but keeps charging, knife ready to do its duty...
The Bride fires, but her gun jams...
Yuki leaps on her with the knife...
They struggle for a moment...
...TILL...
...The Bride realizes Yuki's dead. She tosses her to the side.

THE BRIDE
Goddamn, what a wildcat.

INT. NURSE OWEN'S HOME - NIGHT
The phone rings and a black woman in a nurse's uniform with a name tag on it that reads, "B. Owens," answers the phone.

NURSE OWENS
Hello.

CU The Bride
on her cell phone, a business card in her hand, with a number written on the back that says, "B. Owens," and her phone number. She's bleeding from her five bullet holes. Sitting in a pool of her own blood. She's starting to tremble. We can't see where she's at, but it's somewhere surrounded by wood planks. The moon shines into the structure.

THE BRIDE
Hello, I'm calling Nurse Owens --

NURSE OWENS
Who is this.

THE BRIDE
You don't know me, but --

NURSE OWENS
-- And I don't want to neither. Now
I don't know how you got my number, but you can just rip that shit up, because --

THE BRIDE
-- I've been shot five times --

NURSE OWENS
-- Stop, I don't wanna hear no more. I got problems of my own.

THE BRIDE
I'm dying.

NURSE OWENS
Then bitch, you better call yourself a ambulance, cause I don't do this shit no more.

THE BRIDE
I can't call an ambulance.

NURSE OWENS
-- No, you can call a ambulance, you just don't want to. But if your ass is really dying, you ain't got no motherfuckin choice.

THE BRIDE
I do have a choice, and I'm choosing to call you. If you refuse to help me, I'll die. And that will be your choice.

NURSE OWENS
Bitch, I don't even know you!

THE BRIDE
What do you need to know? I'm from Earth, I'm a woman, I'm dying, and only you can help me.
Her last line has an effect on the hard-hearted nurse.

NURSE OWENS
Okay, where you at?

THE BRIDE
I'm in Hawthorne. I'm hiding in a kids treehouse. It's a street called, "Dimmick". 1-7-3-6 Dimmick Avenue. There's a bunch of police cars and firetrucks, about two blocks away.

NURSE OWENS
Whatcha do, crawl two blocks?

THE BRIDE
If you can't walk, you better crawl.

Nurse Owens likes that last line.

NURSE OWENS
You got you some money don'tcha, or am I doin this out of the goodness of my heart?

THE BRIDE
You come and get me, today's pay day.

NURSE OWENS
You ain't too far away. You gonna bleed to death I get there in a half a hour?

THE BRIDE
Probably.

NURSE OWENS
Okay, I'll be there in fifteen minutes.
THE BRIDE
Is that Pacific Standard Time, or C.P.T.?

NURSE OWENS
Just you better be there when I get there, and you better be shot five times, and your bony ass better be on your last motherfuckin legs.

THE BRIDE
How do you know I have a bony ass?

NURSE OWENS
You sound like you have a bony ass.

The Nurse hangs up the phone.

INT. TREEHOUSE - NIGHT
The Bride sits in her own blood waiting for Nurse Owens. Nurse Owens' head pops up from the door in the floor.

THE BRIDE
Glad you made it.

NURSE OWENS
There's cops all over here, I had to be cool. They tend to notice things like Negroes sneaking around people's backyards.

The nurse hands the Bride a big bottle of Wild Turkey.

THE BRIDE
What's that?

NURSE OWENS
This shit's gonna hurt, and I ain't got no anesthetic.
(refers to the bottle)
So git busy.

INT. NURSE OWEN'S KITCHEN - NIGHT

OVERHEAD SHOT
The Bride laid out on Nurse Owens' kitchen table, while the nurse extracts the bullets.

The Bride screams.

The TV is turned up loud to hide the screams.

The fifth slug is placed in an ashtray next to three cigarette butts and other balls of lead.

The Bride, drunk as a skunk, says to her savior;

THE BRIDE
That fuckin smarts.

Smoking her menthol Kool, Nurse Owens says;

NURSE OWENS
Yeah, bullets are bad news. In the future, you should avoid them if you can.

THE BRIDE
I'll keep that in mind. So, do I have a future?

NURSE OWENS
You'll live to kill again.

THE BRIDE
Splendid.

She passes out.

FADE TO BLACK.
