“The following is a true story.”

“Or as true as it can be given that Dick Cheney is one of the most secretive leaders in history.”

“But we did our fucking best.”

INT. ROAD SIDE BAR WYOMING - 1963 - NIGHT

MUSIC: ROLY POLY by Bob Wills and His Texas Playboys.

The place is full of DRUNK LINE MEN, DRIFTERS, WEATHERED RANCHERS and a few ROUGH PROFESSIONAL WOMEN who flirt and dance.

Young DICK CHENEY, 21, liquored up and playing dice, screams to the heavens in triumph.

EXT. DESOLATE ROAD - NIGHT - LATER

The RED TAIL LIGHTS of a battered 1949 Frazer Sedan SWERVE BACK AND FORTH ERRATICALLY. Dick is at the wheel. Very drunk.

POLICE LIGHTS FLASH behind him.

POV A HARSH POLICE FLASH LIGHT HITS THE DRIVER SIDE WINDOW AS DICK LEANS HIS HEAD OUT.

    DICK
    How you doing tonight?

    OFFICER
    I need you to get out of the car.

Dick gets out and IMMEDIATELY STUMBLES TO THE GROUND.

SFX: A LOUD BLARING ELECTRONIC SIREN

INT. WHITE HOUSE OFFICE OF VICE PRESIDENT - 9/11 2001 - DAY

Older Cheney, 60, CONDOLEEZZA RICE and MARY MATALIN are watching CNN. ONE OF THE TWIN TOWERS IS SMOKING.

SUDDENLY A SECOND PLANE SOARS INTO FRAME AND HITS THE OTHER TOWER. Everyone gasps.

    SECRET SERVICE AGENT
    MOVE!!!!!!
Secret Service Agent grabs Cheney and pushes him down the hall to the underground bunker.

SECRET SERVICE AGENT #2
(into ear piece)
A plane just struck the Pentagon.

INT. HAIR SALON - SAME TIME

A TV in a hair salon shows the 9/11 coverage. LYNNE CHENEY, 59, stares at the twin towers in shock.

INT. UNDERGROUND WHITE HOUSE BUNKER - 9/11 9:38AM

Cheney begins barking out orders.

DICK
Let’s make sure the phone lines are working. SIVITS.

CONDI RICE
Phones are a go, Sir.

DICK
Let’s contact the FAA. Find out how many planes are in the air.

JUMP CUT: Cheney, on the phone amidst the chaos, NORMAN MINETA, DAVID ADDINGTON, Condi Rice, SCOOTER LIBBY, KAREN HUGHES and a few others are there.

CONDI RICE
(into phone)
May I get the President on the line, please?

STAFFER
That’s right. We’ve got planes in the air and no where for them to land.

The Twin Towers burn on the television as Dick lowers his head into his hands.

CONDI RICE
Mr. Vice President, POTUS on line 1.

Council looks at Cheney as he is about to pick up a call from POTUS.
Mr. President, this situation is extremely fluid. I am strongly recommending you stay in the air. I’ve sequestered Congressional leadership and I’m coordinating our response with the White House team... Okay then...

Dick hangs up and we reveal Lynne, now standing behind him. She has her hand on Dick’s shoulder. He touches her hand.

Sir, Don Rumsfeld on 3.

Cheney points to the speaker phone.

That?

He picks up the line.

Dick, there are still passenger planes in the air. I need rules of engagement.

Let’s get the President back on the-

Cheney holds up his hand.

You have authorization to shoot down any aircraft deemed a threat.

Beat.

Presidential authority?

That’s correct. All orders are UNODIR.

UNODIR?

Unless otherwise directed.

FREEZE on Dick Cheney.
NARRATOR (V.O.)  
(male, late 20’s)  
By all accounts of what people saw in that room on that terrible day, there was confusion, fear, uncertainty, but Dick Cheney saw something else that no one else did... he saw an opportunity.

Famous Photo of Men Playing Golf while the hillside behind them is on fire.

NARRATOR (V.O.)  
As the world becomes more and more confusing, we tend to focus on the things that are right there in front of us. While ignoring the massive forces that actually change and shape our lives.

VT and Stills of people working at Amazon and Wal-Mart.

NARRATOR (V.O.)  
And with people working longer and longer hours, for less and less wages, when we do have free time, the last thing we want is complicated analysis of our government, lobbying, international trade agreements.

VT of people partying and dancing.

Cheney clasps his hands thinking in the 9/11 Bunker.

NARRATOR (V.O.)  
So it’s no surprise that when a monotone bureaucratic Vice President came to power. We hardly noticed. As he achieved a position of authority that very few leaders in the history of our nation ever have.

Quick shots of the Iraq war, torture, the Senate passing tax cuts etc.

NARRATOR (V.O.)  
Forever changing the course of history for millions and millions of lives. And he did it like a ghost. With most people having no idea who he is or where he came from.
Lynne puts her hand on Dick’s shoulder as we SMASH CUT to Jet Planes bombing a Middle Eastern Town with a ferocity.

FADE TO BLACK...

EXT. RIVER - DAY

Young Cheney fly fishes in a river ALONE. Working his rod and the line... Over and over again.

NARRATOR
How does a man go on to become who he is? Well it starts in 1963.

EXT. HIGH SCHOOL FOOTBALL FIELD - HOMECOMING

YOUNG LYNNE CHENEY, in the back of a fancy car: Miss Mustang, in a sparkled cowboy outfit waving at the crowd in SLO MO. She’s a cross between a movie star and a goddess.

NARRATOR
When Dick's best girl Lynne was getting straight A's at Colorado College,

INT. YALE DORM ROOM - DAY

Young Cheney passed out in bed. His sheets and floor covered in vomit.

NARRATOR
Lynne had helped Dick get a scholarship at Yale, where he did way more drinking than class attending. Pretty soon Dick got the boot. So he went back home to Wyoming to work as a lineman for the state.

EXT. VAST WYOMING FIELD - DAY - 1963

Dick strapped to a pole works on power lines with a cigarette in his mouth. It’s rough hard work.

NARRATOR
Back then they would have been called a guy like him a ne’er-do-well. In today’s parlance they would just call him a dirt bag.
In the distance, a Man SCREAMS. Dick looks down below.

LINEMAN #1

Man down!

EXT. POWER LINE BASE - CONTINUOUS

Linemen gather around a FALLEN MAN who’s leg has snapped in half, a bone sticking out of his torn pants.

LINEMAN #2

His leg looks like an Elvis dance move.

The men laugh.

LINEMAN #1

Somebody give that poor son of a bitch a shot of whiskey.

LINEMAN BOSS

Alright, back to work. I SAID, Back to work!

Everyone walks away except Cheney who continues to stare at the writhing man.

LINEMAN BOSS (CONT’D)

(to Lineman #3)

Take him into town, put $5 in his pocket. Find another man for tomorrow.

(to Cheney)

You got a problem Cheney?

DICK

No sir.

Cheney takes a drag of his smoke and walks away.

INT. ROAD SIDE BAR WYOMING 1963 - NIGHT

Dick dances around the bar drunk with a giant smile on his face, taking shots and stumbling into other locals.

A SHifty CREW MEMBER keeps putting his arm around Dick’s shoulder. He’s trying to agitate Cheney.

SHifty CREW MEMBER

Are we becoming friends?
DICK
Will you stop touching me?

SHIFTY CREW MEMBER
What you gonna do about it, Mr. Yale? Huh?

Cheney slaps Crew Member’s hand off his shoulder.

SHIFTY CREW MEMBER (CONT’D)
Woah! The fuck you gonna do about it, Mr. Yale? Come on!

Dick shoves him back and PUNCHES HIM.

EXT. DESOLATE ROAD - NIGHT

From earlier, with the police officer’s help, Cheney stumbles out of the car. The crackle of the police radio in the background.

EXT. LYNNE’S HOUSE - THE NEXT MORNING

A lower middle class home. A dog barks in the distance.

INT. LYNNE’S HOUSE - LIVING ROOM - SAME TIME

DICK, WITH A BLACK EYE AND STAINS ON HIS SHIRT SITS ON THE COUCH.

LYNNE, 21, pretty and sharp, stands over him with a fury in her eyes.

LYNNE
Two times! Two times I had to drag you out of that jail like a filthy hobo!!

DICK
I’m sorry, Lynne...

LYNNE
What? What did you just say?

DICK
I’m sorry, Lynney.
LYNNE
You’re sorry? Don’t call me “Lynney!” One time is “I’m sorry.” Two times makes me think I’ve picked the wrong man! They kicked your ass out of Yale for drinking and fighting! Now are you just a lush who’s going to hang power lines for the state? Are we going to live in a trailer and have ten children!? Is that the plan?!

Dick looks like he might be sick.

DICK
Can we please... discuss this later?

LYNNE
No. We discuss it right now while you smell of piss and cheap booze!

EDNA, Lynne’s Mom, starts to walk in.

EDNA
Does Dick want some coffee?

LYNNE
Mother get out! Does Dick want some coffee? Jesus Christ!
(back to Dick)
Here’s my plan. Either you stand up and put your back straight and have the courage to become someone or I am gone! There are a dozen men and a few Professors at school who would date me!

DICK
I love you, Lynne. I’ve loved you since the day I first saw you.

LYNNE
Then prove it! I can’t go to a big Ivy League school! I can’t run a company or be Mayor! That’s just the way the world is for a girl! I need you! And right now you’re a big fat piss soaked zero!
(back to Dick)
I’ve seen my Mother waiting up all night for my Father to come home.

(MORE)
LYNNE (CONT’D)
And I’ve seen him drunk in this
house raising his voice and way
worse, and I’m not dancing that
dance anymore... I’m not!

QUICK FLASH BACK to Lynne’s FATHER yelling at her MOTHER in
the kitchen. Her dad is scary and has been drinking.

LYNNE (CONT’D)
Can you change? Or am I wasting my
goddamn time?

Beat as Dick looks up. There is a GROWLING DETERMINATION IN
HIS EYES.

DICK
I won’t ever disappoint you again
Lynne.

INT. RAYBURN HOUSE OFFICE BUILDING - DAY

A theater with a podium is filled with FELLOWS from around
the country. A MONOTONE CONGRESSMAN, 73 finishes a speech.

MONOTONE CONGRESSMAN
You are America’s best and
brightest. God bless you all... and
God bless... this great nation.
The 100 or so interns looked bored. A few clap politely. Cheney looks like he’s made a big mistake coming to DC.

MONOTONE CONGRESSMAN (CONT’D)
Next up is a young man from Illinois who’s done quite well for himself here at the Capitol...
Representative Donald Rumsfeld...

DONALD RUMSFELD, 36, strides over with brash confidence. HE LIGHTS HIS PIPE and leans on the lectern.

DONALD RUMSFELD
So did Bob tell you this internship is a great honor? Huh? Did he?

A few people murmur yes.

DONALD RUMSFELD (CONT’D)
Well, it’s not. It’s what we called in the Navy “a shit detail.”

THE ROOM LAUGHS. Dick Cheney laughs. Rumsfeld oozes charisma.

FREEZE ON RUMSFELD.

NARRATOR (V.O.)
Donald Rumsfeld, or Rummy as they called him, was the former captain of the Princeton wrestling team...

INT. PRINCETON WRESTLING GYM - DAY - 1952

SUPER 8 FOOTAGE: A 20 year old DONALD RUMSFELD, in wrestling singlet and head gear poses for camera in a wrestling pose moving his hands around, ready for a take down.

NARRATOR (V.O.)
...and an elite navy jet pilot.

EXT. NAVY AIR FIELD - DAY - 1956

SUPER 8 FOOTAGE: 24 YR OLD RUMSFELD, in front of a jet plane, removes his helmet, waves to camera and smiles.

NARRATOR (V.O.)
Most Congressmen used their power like an axe, Rumsfeld used his like a master of the Butterfly knives.

VT: We see expert hands flipping around a butterfly knife.
NARRATOR (V.O.)
And like any master if you got in
his way, he would cut you.

VT: The knife slashes someone’s cheek. UNFREEZE: Rumsfeld
continues his speech.

DONALD RUMSFELD
Look, this is an opportunity. An
opportunity to work in the halls of
decision making for the most
powerful country in the goddamn
world. If that doesn’t give you a
hard on I don’t know what will.
Sorry to the few ladies in the
room. They used to not have girls
for this program... but now they
do. Anyway, I’m Don. Whatever you
do, don’t work for Bob over here.
He’s the most boring son of a bitch
in DC.

Bob chuckles, though it didn’t seem like good natured
ribbing.

DONALD RUMSFELD (CONT’D)
That’s it. Now scat! Go get a
Congressman a cup of coffee! And if
his wife calls, he’s always in a
meeting!

The STUDENT next to Dick turns to him. He’s got longish hair
and a mustache.

STUDENT
Hey, I’m Alan. You’re the other guy
from Wisconsin right?

DICK
That’s right...

STUDENT
One of us is supposed to start with
a Democrat, the other with a
Republican. Do you care if I go
with the Dem? I did a lot of work
with the DNC on campus.

DICK
What party was that guy we just
heard?
STUDENT
(looking at the directory)
Rumsfeld is... a Republican.

DICK
Perfect. Because that’s what I am.

INT. RUMSFELD’S OFFICE – MONTHS LATER

Cheney knocks. Rumsfeld smoking a pipe, pours through papers. He doesn’t answer. Cheney knocks again.

RUMSFELD
Don’t lurk! Come in dammit!

Cheney enters. Rumsfeld doesn’t look up as he talks to him.

DICK
It’s, uh Dick Cheney... Reporting for work...

RUMSFELD
You’re Congressional relations for my Office of Economic Opportunity. And you’ll assist me in my job as councillor to the President.

Cheney waits a beat.

RUMSFELD (CONT’D)
You want me to pin your mittens to your sleeves so you don’t fucking lose em? Go!

Cheney starts to leave.

RUMSFELD (CONT’D)
By the way Cheney, your two DUIs showed up on your background check. Don’t worry. I vouched for you.

DICK
Thank you sir.

RUMSFELD
Thanks are for when neighbor Dottie pulls your pud for the first time. You owe me.

DICK
Yes, sir.
RUMSFELD

GO!

Cheney nervously exits.

INT. CONGRESSIONAL FLOOR

Montage of Cheney working for Rumsfeld 1) Flipping Cards for a Congressional Committee 2) Flipping cards for Senators 3) Talking to a WHITE HOUSE MEDIA ADVISOR, 30, in a hallway.

MEDIA CONSULTANT
You’re Rumsfeld’s lackey right?
Make sure he sees this.

FREEZE FRAME

NARRATOR (V.O.)
Roger Ailes, founder of FOX News.
He first pitched the idea as conservative news when he worked for Nixon as a media advisor.

UNFREEZE: Rumsfeld walks up as the Media Advisor leaves.

DICK CHENEY
Roger wants Nixon to start a Republican TV news network.

Rumsfeld throws the memo in a waste basket.

RUMSFELD
Forget it. Roger knows TV. But he doesn’t know politics.

4) Dick and Lynne having dinner with Rumsfeld and his wife.

LYNNE
So I would do this flaming baton trick and Dick would wait around with a bucket of water. So I’m at the State Finals and I throw up the baton....and it doesn’t come down.

RUMSFELD
Where have you been hiding her Cheney!?

5) Flipping cards for Nixon in the Oval Office. 6) Flipping cards for cabinet members.
INT. WHITE HOUSE HALLWAY - DAY

Rumsfeld continues down the hallway. Cheney follows.

    RUMSFELD
    You’re quiet. I like that. You’re not blabbing to everyone what cards you have. I missed my flush draw a month ago but everyone still thinks I have pocket kings. Except maybe fucking Haldeman.

    DICK
    I mostly play hearts so I’m not-

    RUMSFELD
    No, no, no.

FREEZE

    NARRATOR (V.O.)
    For a man like Donald Rumsfeld he only wanted three things from his lackey: he had to keep his mouth shut, do what he was told and always be loyal.

They stop by Rumsfeld’s office.

    RUMSFELD
    So is it a yes or a no?

Half beat.

    DICK
    It’s a yes.

    RUMSFELD
    You don’t even know what the question is do you?

    DICK
    I, uh, I assume it was-

    RUMSFELD
    Good. That’s exactly the kind of “yes” I was looking for.

    NARRATOR (V.O.)
    Cheney had always been a so so student and a mediocre athlete. But now finally he had found his life’s calling, he would be a dedicated and humble servant to power.
INT. WHITE HOUSE - CHENEY’S OFFICE - DAY

Cheney enters his office. It’s basically a closet with a desk, phone and a chair.

STAFFER
Here’s your new office. No windows. But all you’d see is a bunch of hippies flipping off Nixon.

He sits down and picks up his phone.

NARRATOR (V.O.)
Now at this point you’re probably wondering who exactly I am.

INT. MIDDLE AMERICA HOME - 2011 - DAY

A DAD, 29 and MOM, 28 play with their SON, 2, on the couch.

NARRATOR (V.O.)
Well my name is Kurt. My favorite football team is the Steelers. And me and my son love watching Sponge Bob. And if you are wondering how I know so much about Dick Cheney, well let’s just say we are kind of related... We’ll get to that later.

BACK TO:

INT. WHITE HOUSE CHENEY’S OFFICE

Dick is talking to Lynne on the phone and beaming with pride.

DICK
Lynnie... guess where I’m calling from?

INT. SMALL APARTMENT IN D.C. - SAME TIME

Lynne is on the phone holding her new BABY MARY while LIZ, now 3 plays in the background with the TV on.

Intercut phone call:

LYNNE
I am so damn proud of you right now Dick Cheney... I knew I picked the right man. I knew it even when I didn’t...
We did it.

Have you seen Nixon?

I did. I met him. Shook his hand. That impish smile of his.

FLASH TO ACTUAL STILL of Nixon with an odd smile posing for camera.

Pardon my French, but it’s the best fucking feeling in the world.

I am so proud of you.

I love you.

WE are proud of you. Your girls are proud of you.

Are you proud of your Daddy?

Yes!

INT. WHITE HOUSE HALLWAY - DAY

Rumsfeld and Cheney are walking down a hallway.

Now that I’m not just flipping cards, I have a few ideas--

(suddenly)

Stop.

They both stop.

You see that door?

He motions to an office door.

Isn’t that Kissinger’s office?
RUMSFELD
Yes, but I happen to know that Nixon’s in there right now. Now why would Nixon not meet Kissinger in the Oval Office?

DICK
He’s having a conversation he doesn’t want to go on the record?

RUMSFELD
Very good.

DICK
What’s the conversation?

RUMSFELD
They’re going to bomb Cambodia.

DICK
That’s impossible. That would have to be approved by Congress and I’m over there every day-

RUMSFELD
Fuck Congress. Unless you’re in it. Then it’s the greatest deliberative body on earth. But we’re not, so fuck it.

DICK
I thought the President campaigned on ending the war?

RUMSFELD
Shhhh. Listen to me...

GLANCING PIECES OF NIXON AND KISSINGER TALKING: A cigarette being put out in an ash tray. A polished shoe tapping, etc.

RUMSFELD (V.O.)
Because of the conversation Nixon and Kissinger are having right behind this door, five feet away from us... in a few days, 10 thousand miles away...

EXT. CAMBODIAN VILLAGE - DAY - SAME TIME

A peaceful Cambodian Village goes about it’s day to day life. We hear a WHISTLING SOUND far above.
RUMSFELD (V.O.)
... a rain of 750 pound bombs
dropped from B-52s flying at twenty
thousand feet will hit villages and
towns across Cambodia...thousands
will die and the world will change
either for the worse or the better.

We SNAP BACK TO THE HALLWAY. Cheney enthralled by the sense
of power and reach Rumsfeld is expressing.

RUMSFELD
That’s the kind of power that
exists in this squat little ugly
building. But screw Kissinger, he’s
over rated. Come on!

MASSIVE EXPLOSION. WE SEE BLOOD AND LIMBS AND HEAR SCREAMS
JUST FOR A SPLIT SECOND, THEN CUT BACK to Cheney still
looking at the office door.

INT. WHITE HOUSE HALLWAY - RUMSFELD’S OFFICE - LATER

Dick is struggling to ask Rumsfeld a question.

DICK
So, uh, what do we... I mean are we
against spending, or are we, uh...

RUMSFELD
Come on... Out with it!

DICK
What do we, uh, believe?

Rumsfeld starts to laugh and then laugh harder and harder.

RUMSFELD
“What do we believe?” Good one
Cheney! Good one!

He slams his door shut leaving Cheney standing in the
hallway.

CUT TO:

EXT. BACK YARD - BETHESDA, MARYLAND - 1973

Dick teaches the girls how to string worms on a fish hook.
DICK
We find out what the fish wants, and in this case it’s a worm, and then we use it to catch them.

8YR OLD LIZ
So is it a good trick we’re playing?

DICK
It’s not good or bad. It’s fishing.

NARRATOR (V.O.)
Dick had taken a job as a political consultant for a large financial firm, where he was finally making good money. He took the job because Nixon’s inner circle had had enough of Donald Rumsfeld.

INT. CHENEY’S BEDROOM - NIGHT - 1973
Dick and Lynne have just been awoken by the phone. They are dazed and tired.

RUMSFELD
(on the phone)
I’m out. They’re sending me to Brussels.

DICK
Wait, what?

INT. RUMSFELD’S OFFICE - SAME TIME - NIGHT
Rumsfeld is tearing up papers and throwing them out.

RUMSFELD
Nixon’s making me permanent ambassador to NATO. It’s a fuck off assignment. Kissinger and Haldeman won. Come with me.

DICK
I have a four and a seven year old.

LYNNE
Tell Don we’re not moving just because everyone at the White House hates him!
RUMSFELD
Good boy. I taught you well these past few years.

DICK
I’m sorry, Don. I really am.

RUMSFELD
Don’t worry. I’m like bed bugs. You gotta burn the mattress to get rid of me!

Don hangs up.

CUT BACK TO:

EXT. BACK YARD - BETHESDA, MARYLAND - 1973

NARRATOR (V.O.)
Dick was becoming sharper and sharper as a D.C. insider, and Lynne had started to write articles and explore ideas for her first novel.

Lynne walks out across the backyard looking ashen.

LYNNE
Dick?... Something terrible has happened...

NARRATOR (V.O.)
Then, she received news from back home in Casper.

EXT. LAKE IN CASPER, WYOMING - DAY

By a LARGE LAKE there is a car with both doors left open, a purse scattered all over and two Dachshunds running around loose. Police Cars pull up in SLO MO with sirens blaring.

About 20 MOURNERS including Lynne, Dick, Dick’s parents, Liz and Mary and yes, Wayne, Lynne’s Father listen to a priest read from the Bible as a coffin is lowered into the ground.

NARRATOR
There was never a serious investigation into Lynne’s Mom’s death.

THE FUNERAL HAS ENDED. WAYNE IS TRYING TO DO A HANDSTAND FOR LIZ AND MARY. Lynne stops him.

LYNNE
Dad...Dad...

Dick walks over.

DICK
Girls, Lynne. Why don’t you go to the car.

LYNNE
(raspy from crying)
Come on. Listen to your Father.

They leave. Dick is intense.

WAYNE
Heya Dick. You catching any fish?

THERE IS A RESOLUTE LOOK IN DICK’S EYES. He stares at Wayne.

WAYNE (CONT’D)
How’s it going in DC?

DICK
Don’t ever go near my daughters or my wife again.

A tense beat. Then Wayne finally walks away.
WAYNE
(yells)
Big shot! Big shot in D.C. Dick!

Dick stares straight ahead. He has a resolute quiet power about him. He can feel it.

CUT TO:

INT. WHITE HOUSE OFFICE - 2003 - MORNING

CLOSE UP: a basket of plain brown donuts, flaking croissants and one GLORIOUS DANISH WITH A BRIGHT YELLOW CENTER.

HANDS REACH IN and take a few brown donuts, a croissant. BUT THEY STAY AWAY FROM THE DANISH WITH THE YELLOW CENTER.

Finally, Cheney TAKES THE LARGE TREAT. FOUR WHITE MEN IN SUITS (CIA AGENT, SCOOTER LIBBY, DAVID ADDINGTON AND PAUL WOLFOWITZ) ages 35 to 55, all wait for him to speak. The room is his.

DICK
So what do you got?

The Unseen Man’s hand flips through papers marked CLASSIFIED.

CIA AGENT
(slightly nervous)
Hassan Mustafa Nasr. A cleric based in Milan, Italy. He’s a member of Al-Gama’s al-Islamiyya, the group that killed Anwar Sadat.

SCOOTER LIBBY
That’s the blind sheik, right?

CIA AGENT
There’s some debate at Langley on whether they’re a threat or not. They claim to be peaceful now.

He holds up the danish he’s eating.

DICK
I “claim” to be eating healthy.

Everyone laughs a bit too hard.

DICK (CONT’D)
Okay... pick him up.
EXT. STREET IN MILAN - DAY

POV: A DOOR OF A VAN SLAMS OPEN: A CLERIC, 40, with beard, wearing a Muslim taqiyah (cap) walks down an Italian street. THREE MEN IN ALL BLACK JUMP OUT, CHASE HIM DOWN AND PULL HIM INTO THE VAN IN A MATTER OF SECONDS.

CLERIC
NOO! Help! Help me!

QUICK CUTS: 1. Scissors slice off the Cleric’s clothes 2. He is struck hard in the face 3. A black hood is put over his terrified bloodied face. 4. A diaper is then put on him.

THE VAN DRIVES AWAY.

BACK TO:

INT. OFFICE - 2003 - MORNING

DICK
What’s the next name?

CIA AGENT
Well Mr. Vice President, there’s been some chatter about an engineering student in Berlin...

FADE TO BLACK

RICHARD NIXON (V.O.)
I have never been a quitter.

INT. CHENEY’S LIVING ROOM - 1974 - DAY

TV in the Cheney’s living room shows Nixon resigning as President.

RICHARD NIXON (SOT)
But I must put the interests of the nation first...

DICK
Nixon forgot the voice activated recorders were there. He got sloppy.

LIZ
Mom, is the President being punished?
LYNNE
The President has a lot of enemies.
Never forget Lizzy: when you get
power they always try and take it
from you. Always.

LIZ
Yes M’am.

Dick dials the phone.

DICK
Donald Rumsfeld please...

LYNNE
I can’t believe this, this is our
President. This is a tragedy!

DICK
I actually think this could be
very, very good news.

MUSIC: Kicking 70’s horns come in. This is starting to feel
like good news.

EXT. DULLES PARKING LOT - SAME TIME

Rumsfeld gets into Cheney’s beat up black VW Bug in the
airport parking lot. Both toss their cigarettes.

RUMSFELD
What’s your read on things?

DICK
The way I see it, any Republican
not touched by Watergate is golden
right now.

RUMSFELD
Nice. Ford called me right before
my flight took off.
(see black bug)
You’re still driving this chick
magnet, huh?

CHENEY
You can always take the bus.

CLOSE UP ON TELEVISION.
RICHARD NIXON (SOT)
Effective immediately I will resign
the Presidency of the United States
and Vice President Ford will be
sworn in tomorrow at noon.

INT. VW BUG - PENNSYLVANIA AVE - SAME TIME

DICK
I haven’t flipped cards in a long
time Don.

INT. RUMSFELD’S NEW OFFICE - MOMENTS LATER
RUMSFELD Closes the door to his big new office.

RUMSFELD

palace!

He pours two Glenlivet neats.

RUMSFELD (CONT’D)
Chief of Staff.

DICK
Holy shit. You salty son of a
bitch. You did it.

They clink and drink.

RUMSFELD
Now we have work to do. Kissinger
is trying to kiss and make up with
the Soviets.

DICK
Well, let’s make sure that shit
doesn’t happen.
INT. OVAL OFFICE - WHITE HOUSE - SAME TIME

Ford talks with Kissinger, Rumsfeld and Cheney.

CHENEY
If I may, I believe I may have a way to put an ore in the water, on Russia. What if-

KISSINGER
Mr. President-

FORD
Come on Henry let's hear Dick out.

NARRATOR (V.O.)
One of Dick Cheney's super powers, was the ability to make the most wild and extreme ideas sound measured and professional.

DICK
What if on a unilateral basis, we all put miniature wigs on our penises, and we walked out to the White House lawn, and we jerked each other off. So, like a puppet show, but much more enjoyable?

Long pause. Rumsfeld smiles a sly grin.

KISSINGER

DICK
It’s real. And Don is the youngest Secretary of Defense ever.

DICK
I would like to reinstate Executive
Authority. How?

NARRATOR (V.O.)
Antonin Scalia, a young lawyer with
the justice department who would
later go on to serve on the Supreme
Court, rocked Dick’s world.

YOUNG LAWYER
Have you heard of the theory of the
unitary executive?

DICK
No, tell me about it.

YOUNG LAWYER
It’s an interpretation a few, like
myself happen to believe, of
Article two of the Constitution
that vests the President with
absolute executive authority. And I
mean absolute.

Cheney and Scalia both smile. This is what Cheney has been
looking for.

Awkward silence. The Campaign Manager tries to usher her off.

CAMPAIGN MANAGER
Okay Lynne...

The crowd EXPLODES in applause. Lynne pushes the Manager’s hand away.

Not a problem. Happy to get rid of any big government regulations.

Let me go see if everything’s okay over there. Great to see you both. Love to the girls...

George goes over to the young drunk man and ushers him out.

LYNNE
(quietly)
That’s his son. George W. He’s the black sheep of the family.

DICK
A little too much unconditional love.

LYNNE
Can you feel it Dick? Half the room wants to be us and the other half fears us. I know George is up next but after that, who knows?

She rubs her hand against his back.

DICK
(takes it in)
I respect the hell out of Reagan... But no one’s really shown the world the true power of the American Presidency...

MARY
She broke up with me...

MARY (CONT’D)
Mom, Dad, I like girls... I’m gay.

Dick and Lynne are silent for a long time. Everything they’ve worked for hangs in the balance. Finally Dick moves towards Mary and hugs her.

MARY
Oh, I love you so much Daddy...

Well I guess that’s it.

Lynne is there.

LYNNE
We can move those numbers. We
attack the welfare state,
regulations, government waste...

DICK
It’ll be a war. I can’t put Mary
through that. Every primary
opponent will go after her...

LYNNE
We deny. Shame them for going after

THE PHONE RINGING IS NOW VERY LOUD.

SMASH CUT TO:

INT. CHENEY HOME OFFICE - 1999- DAY

A desk phone is ringing as Dick, now in his early 60’s moves towards it.

DICK CHENEY
Okay, okay. I’m coming...

LYNNE (O.C.)
Who’s calling on a Sunday morning?!

DICK CHENEY
I don’t know!

He answers.

DICK
Hello. Cheney residence?... Uh-huh...I understand... Anyway I can be of assistance... Okay...

(MORE)
That should work... 3pm... Of course... That goes without saying...

He hangs up and stands there for a second. Lynne comes walking out of the kitchen.

LYNNE
Who was it?!

DICK
It was someone from George Bush’s son’s campaign.

LYNNE
Jeb?

DICK CHENEY
No. George W... Jeb’s Florida.

LYNNE
Right. I still can’t believe they’ve got that poor boy running for President.

Beat.

LYNNE (CONT’D)
So what did they want?

DICK
They want to talk to me about being his running mate.

LYNNE
What?

DICK
They didn’t say it outright but I’ve made that call myself and that’s what they want.

Beat.

LYNNE
Vice President is a nothing job.

DICK
I’m just going to hear them out. I owe his Father that...

Beat.
LYNNE
VP just waits for the President to
die. You’ve said it yourself.

DICK
It’s just a meeting.

LYNNE
Is it just a meeting? Or is it just
a meeting?

DICK
It’s just a meeting.

LYNNE
Good.

She walks away. Cheney stands there still in thought.

EXT. AUSTIN, TEXAS - CAPITOL BUILDING - DAY - 1999

INT. GOVERNOR’S OFFICE - LOBBY - SAME TIME

CU: Cheney’s polished shoes. He reaches for a copy of Time
Magazine: The Cover a picture of Bush with the headline
“President Bush?” A receptionist, THERESA, 28 approaches him.

THERESA
The Governor will see you now
Secretary Cheney.

DICK
Sure.

INT. GOVERNOR’S OFFICE - CONTINUOUS

CU of W Bush’s hand as it shakes Cheney’s. A signed Nolan
Ryan baseball on a shelf, papers on the desk with a copy of
Sports Illustrated, Cheney lowering himself into a chair,
Bush tapping his finger on the desk to an unheard beat.

W BUSH
Hello Dick.

DICK
Hello George.

W BUSH
It’s been awhile.
DICK
Since last year. The foreign policy sessions...

We see GEORGE W BUSH, 53. Handsome but boyish with a petulant fidgety edge to him.

W BUSH
That’s right. Those meetings were very engaging. I remember we both agreed my Dad would have been re-elected if he had taken out Saddam.

DICK
War time Presidents are always popular.

W BUSH
That they are. That they are.

DICK
So... Congratulations on a successful primary. I’ve been through a few myself and they can be... Shall we say-

W BUSH
Fucking exhausting?

DICK
(chuckles lightly)
Yes.

W BUSH
Buses, bologna sandwiches. I mean I like people but enough’s enough. Am I right?

DICK
(and then)
So uh, the call I received...

W BUSH
I forgot, you’re a brass tacks guy aren’t you? I like that. Are you surprised I’m running for President? After my, shall we say, wild years?

DICK
I sowed some oats myself back in the day. Still enjoy a cold beer on occasion.
W BUSH
I bet you did. I bet you did you rascal. Well I can’t anymore. It got bad... Real bad.

DICK (V.O.)
What does he really want? What does he need?

W BUSH
Do you want some brisket? Theresa can we get some brisket?!

THERESA
Yes sir!

W BUSH
Get the burnt ends!

DICK
George... Listen...

W BUSH
(changes gears nervously)
So listen, I’ve got a lack of experience problem in the polls and you’re one of the most experienced guys around. You wanna jump on board and be my Vice?

QUICK FLASH: Cheney’s fishing line in a RIVER. He watches the water with a patient focus.

DICK
...I’m honored.

W BUSH
Don’t be honored. Fucking say yes Mr. Brass tacks.

DICK
...I have to say no at this time.

W BUSH
Come on. I know you love politics. What are you in the private sector now? Come on...

DICK
I can’t.

W BUSH
That’s a shame. It is. I really need you near my campaign.
Beat. QUICK FLASH: a satchel is opened revealing fly fishing lures of all shapes and sizes.

DICK
Perhaps... I, uh, could help you find the right running mate?

W BUSH
You mean run my VP search team?

DICK
No team. Me.

W BUSH
Yeah, yeah. That could work. I’ll have to run it by Rove of course.
(and then)
This campaign’s gonna be a bitch. But if I lose I can maybe become commissioner of baseball, you know?

DICK
But the idea is to win, right?

W BUSH
I’m going to keep you in the back of my mind.

INT. CHENEY’S BATHROOM - THAT NIGHT
Dick and Lynne brush and floss and prepare for bed. After a long beat Lynne finally speaks.

LYNNE
So are you going to tell me how it went today or not?

DICK
It was... interesting. He is a...green. He’s very green.

Beat.

LYNNE
And you told him no?

DICK
I told him I’d help with the search.

LYNNE
What are you thinking? I can tell you’re thinking.

NARRATOR (V.O.)
What was Dick Cheney thinking?

DICK
I’m thinking I’ve never seen anything like this.

NARRATOR (V.O.)
After his first meeting with George W.

LYNNE
We’ve had a lot of successes Dick. Vice President is a nothing job.

NARRATOR (V.O.)
How many steps ahead was he looking? How did he feel about the opportunity that was in front of him?

Cheney stares in the mirror.

NARRATOR (V.O.)
There are certain moments, that are so delicate. Like a teacup and saucer...

FLASH BACK of Dick hugging Lynne and the children after they found out Lynne’s Mom died.

NARRATOR
Stacked on a teacup and saucer...

FLASH BACK of Lynne yelling at young Dick as he sits hungover on the couch with his head hung in shame.

NARRATOR (CONT’D)
Stacked on a teacup and saucer....

Back to Dick and Lynne in the bathroom.

NARRATOR (CONT’D)
And on and on. That this moment could fall in any direction and change everything.

FLASH TO Tea cups wobbling as they are stacked higher and higher.
NARRATOR (V.O.)
Sadly there is no real way to know exactly what was going on with the Cheneys at this history changing moment. We can’t just snap into a Shakespearian Soliloquy that dramatizes every feeling and emotion. That’s just not the way the world works.

CUT TO BLACK.

NARRATOR
You know what?

INT. CHENEY BEDROOM
Dick and Lynne get settled into bed.

LYNNE
My sweet Richard.
Dance’d nimbly round the King’s hearth thou hath.
Even whilst clamored I for more, more!
Parched maw craned towards the drip, drip of imagined waters.
But I say to you now, rest, retire.
Thou hast honored thy vows to wife and crown.

DICK
Has blindness usurped vision in you my wife?
No mere treaty is our union!
Thou shared thy torch’s flame with mine.
Revealing halls and spires of long faded empires.
But now I hold aloft mine own fiery cresset
To make flesh our bond of power.

LYNNE
Dare I?
Dare I let hope’s beak place gathered bramble
Upon my heart for future’s nest?
Many winters past hath I let this hope die,
cruel winds silencing tiny birds needy cries

(MORE)
LYNNE (CONT'D)
Now that it hath arrived I say yea, yea!
Mine own blood and will, are yours
til pierced be the last soldier’s breast plate,
spilling open its jellied ruby treasures!

Lightening Strikes as they embrace and kiss passionately.

CUT TO BLACK.

Back to the Bedroom with non-Shakespeare Dick and Lynne. Long beat of silence.

LYNNE (CONT’D)
So?

DICK
So...I think we proceed.

LYNNE
What about Mary?

DICK
It’s VP. It’s not the same scrutiny.

Dick rolls over, finally ready to sleep.

LYNNE
He’s got allies Dick...
Connections. You’re new to his world. You don’t know the landscape.

DICK
Well, then I had better run a very thorough search...

CUT TO:

INT. CHENEY KITCHEN - THE NEXT DAY

Liz, Lynne, Mary, Dick’s friend DAVID GRIFFIN and Dick work on the VP questionnaire. Laptops, papers are everywhere.

DICK
Every stone. Hell, every grain of sand needs to be looked under for this questionnaire.

Mary is putting pizzas on the table.
DAVID GRIBBIN
Dick we’re asking for all financials, all medical, all interviews, press, writings, legal records, family medical and family financials. Any more “comprehensive” and we’d need a rubber glove. Sorry Liz.

LIZ
That wasn’t offensive. Should I be offended?

LYNNE
I’m offended Dave wasn’t worried I’d be offended.

LIZ
Oh, a rubber glove. Like a proctology exam. That’s...that’s disgusting.

The phone rings. Dick answers.

DICK
Hey David. Any thoughts?

INT. LAW OFFICE - VIRGINIA - SAME TIME

David Addington at his desk, phone crook’d in his neck.

DAVID ADDINGTON
One big one.

FREEZE

NARRATOR (V.O.)
David Addington, Dicks main legal advisor and a huge believer in the Unitary Executive Theory. He was known for telling people to their face that they were stupid.

UNFREEZE

DAVID ADDINGTON
So the Vice Presidency is part of the executive branch and because the VP casts tie breaking votes in the Senate, also part of the legislative branch, right?
DICK
Okay?

DAVID ADDINGTON
That means the VP is also not part of the executive or the legislative.

DICK
So one could argue neither branch has oversight of the VP?

DAVID ADDINGTON
Not only can “one” argue that, I’m arguing it right now.

DICK
Brilliant David.

DAVID ADDINGTON
I know! Right?

CUT TO:

EXT. CRAWFORD RANCH – DAY
Cheney and W walk towards a porch with a screen door slightly ajar at W’s Crawford Ranch.

W BUSH
Rove made me buy this ranch. He wanted to distance me from my years at Yale and Harvard. Make me more of a man of the people for the election.

DICK
Smart.

They sit. W BUSH eats chicken while Cheney sips his ice tea.

W BUSH
So, we gonna do this thing or what? Is this happening?

DICK
We’ve found some very interesting candidates. I think if we could schedule a three hour window to go through each one-
W BUSH
No. I meant are you going to be my VP? I want you.

Beat.

DICK
I’m CEO of a large company. I’ve been Secretary of Defense, Chief of Staff... The Vice Presidency is a mostly symbolic job...

W BUSH
Right, right. I can see how that wouldn’t be enticing to you.

DICK
However... the Vice Presidency is also defined by the President. If we were to have a... different understanding...

W BUSH
Uh-huh. Go on.

QUICK FLASH: a fishing line going TIGHT.

DICK
I get the sense you’re a, shall we say, kinetic leader. You make decisions based on instinct. You’re very different from your father in that regard.

W BUSH
(he likes that)
I am. People have always said that.

DICK
Maybe I could handle the more mundane parts of the job. Managing the bureaucracy, overseeing the military, energy, foreign policy...

W BUSH
That sounds good.

QUICK FLASH: a fishing line reels out for another catch.

W BUSH (CONT’D)
I never want to be the kind of team owner that pulls the starter in the 4th inning. That’s the manager’s job.
DICK
And one last thing. My daughter
Mary...

W BUSH
Right... Rove told me she likes
girls.

DICK
I know you’ll have to run against
gay marriage for the south and the
mid-west. But it’s my daughter and
that line in drawn in concrete.

W BUSH
So long as you don’t mind us
pushing that messaging. Sure, we’re
okay with you sitting that one out.
I think it’s important for all the
Marys in the world, you know? No
problemo.

DICK
Then I believe this can work.

W raises his glass.

W BUSH
Hot Damn! Well good, let’s
celebrate!

They cheers ice tea.

INT. FRANK ERWIN CENTER - AUSTIN - 2000 - DAY

BACKSTAGE: Dick and Lynne wait behind the curtains while we
hear W Bush speaking.

W BUSH (O.S.)
When I was searching for a Vice
President I turned to the
experience of Dick Cheney.
But I soon realized he was the best
choice. Please welcome, my friend
and my running mate: Dick Cheney!
And his lovely wife Lynne!

The Cheneys enter. On stage we see Dick’s shoes walk towards
the podium. A quick flash of the campaign’s slogan on the
podium: “RENEWING AMERICA’S PURPOSE”
NARRATOR (V.O.)
Dick never filled out his own 83 question questionnaire. Full medical records were never handed over. No tax or corporate filings, nothing.

Crowd starts chanting “Cheney! Cheney!”

INT. FOUR SEASONS - AUSTIN - NIGHT

ON SCREEN: November 7, 2000, Bush vs. Gore

Room full of people watching the election results: Don and Joyce Rumsfeld, Lynne, Mary and Heather, Liz and Philip, Addington, Wolfowitz etc. In the back of the room Dick talks to SCOOTER LIBBY.

SCOOTER LIBBY
Gore rescinded his concession. They’re claiming Florida is too close to call.

DICK
He can’t fucking rescind his concession.

SCOOTER LIBBY
He just did. There’s going to be a recount. What should we do?

Half beat as Cheney processes.

DICK
We play it like we’ve already won. Which means we need to staff the White House.

SCOOTER LIBBY
Who’s leading the transition team?

DICK
I’ll do it.

SCOOTER LIBBY
Um, that’s not really something a Vice President does, is it?

DICK
It is now.

News reporting on election results.
NEWSCASTER (V.O.)
Gore has called Governor Bush and retracted his concession.

The room erupts. “No!” “He can’t do that!”

INT. CHENEY KITCHEN – A WEEK LATER – DAY
Addington, Liz, Mary, Lynne, Dick and AIDES work amidst tons of folders, files, cell phones in the Cheney kitchen.

DICK
Wolfowitz. State or Pentagon?

ADDINGTON
Depends on who your Secretary of Defense is.

DICK
Rummy.

ADDINGTON
100%

LIZ
Rumsfeld?

MARY
Doesn’t Bush Sr. hate Rummy?

DICK
That’s not a bad thing with W. He wants to be his own man.

Dick checks his blackberry.

ADDINGTON
Rumsfeld believes in a robust Executive. That’s good for us on war powers.

LYNNE
(joking)
Just keep him out of state, he’ll start World War three.

DICK
Halliburton gave us a 26 million dollar exit package. Twice as much as we were hoping for.

LYNNE
They’re no dummies.
Cheney wiggles two fingers around on his right hand.

DICK
Uh. Sorry gang. But I think perhaps... I should go to the hospital...

LYNNE
Oh no. Are you kidding me?

Everyone circles around Dick.

INT. SUPREME COURT - DAY

MARSHALL
Oyez! Oyez! Oyez! All persons having business before the Honorable, the Supreme Court of the United States, are admonished to draw near and give their attention, for the Court is now sitting. God bless the United States and this Honorable Court.

The Justices enter, sit. Whip pan reveal: JUSTICE SCALIA.

NARRATOR (V.O.)
December 12th 2000. Antonin Scalia, remember him? And the Supreme Court stopped the state of Florida from completing their recount.

Clips of Washington D.C.

NARRATOR (V.O.)
George W Bush and Dick Cheney were going to the Whitehouse by a margin of 537 votes.

EXT. WASHINGTON DC. 2001 - DAY

OVERHEAD SHOT OF A PROCESSION OF 5 BLACK LIMOS DRIVING INTO THE HEART OF DC.

INT. WHITE HOUSE - NIGHT

Cheney walks the halls of the White House alone.

He stops at a CLOSED DOOR. Looks at it. REACHES OUT AND TURNS THE HANDLE. Reveal: THE EMPTY OVAL OFFICE.
Dick doesn’t enter but looks at the office for a long beat.

As he stands there we FLASH BACK TO THE DAY DICK FIRST GOT HIS OWN OFFICE IN THE NIXON WHITE HOUSE AND CALLED LYNNE.

YOUNG DICK
(to baby Mary on phone)
Hey little Mary. My little Mary.
How are you doing?

YOUNG LYNNE
They’re both doing really well. Except I’m trying to make this dinner and it’s this, uh, Macaroni and Cheese that they said was easy, but it just keeps coming out a little watery.

YOUNG DICK
It’s the milk, remember. You gotta add more milk. Yep, make it thicker.

YOUNG LYNNE
There’s so much I want to say right now. You just keep doing what you’re doing. You’re doing so great.

They laugh.

YOUNG LYNNE (CONT’D)
You have earned something very special from your wife.

YOUNG DICK
Listen! Listen! I’m buying wine and I’m picking something up. Chinese?

YOUNG LYNNE
I really love you.

YOUNG DICK
I love you.

They laugh and giggle. And then the memory is gone.

Dick stands in the doorway shrouded in darkness and silence.

INT. OFFICE OF THE VICE PRESIDENT – A FEW DAYS LATER

Cheney, Scooter, Addington, Mary Matalin, PAUL WOLFOWITZ, 52, and Rumsfeld all sit in Cheney’s office.
DICK
Scooter, why don’t you let everyone know the lay of the land?

MUSIC: DRUM BEAT

SCOOTER LIBBY
Of course. As you all know, I’m Scooter Libby, Dick’s Chief of Staff...

INT. OVAL OFFICE - WHITE HOUSE

A GIANT HAND PUTS A “GEORGE W BUSH GAME PIECE” (LIKE STRATEGO) DOWN IN THE OVAL OFFICE.

SCOOTER LIBBY (V.O.)
But I’m also a special adviser to the President.

A GAME PIECE OF SCOOTER APPEARS IN THE ROOM.

SCOOTER LIBBY (V.O.)
Mary Matalin will serve as an adviser to the VP and to Bush.

GAME PIECE OF MATALIN APPEARS.

SCOOTER LIBBY (V.O.)
David Addington, Dick’s main legal counsel, will play center field on all matters relating to executive power.

GAME PIECE OF ADDINGTON APPEARS.

SCOOTER LIBBY (V.O.)
The President has Alberto Gonzales, Karl Rove and Karen Hughes as his team.

GAME PIECES OF THOSE THREE APPEAR.

SCOOTER LIBBY (V.O.)
Quite frankly Gonzales has no clue, Rove is a hack and Hughes should be in double A ball.

Their PIECES GET SWEEPED OFF THE BOARD BY A GIANT HAND. BUSH IS NOW SURROUNDED BY CHENEY GAME PIECES.
SCOOTER LIBBY
We will be automatically BCC’d on all emails the President receives or sends. As well as have access to his schedule the second it is set or changed.

DICK
We’ll also be receiving the daily intelligence briefing before the President so we can get inside the decision curve.

RUMSFELD
Jesus. Bush approved all of this?

DICK
We have... an understanding.

RUMSFELD
What about the emails? Paper shredders don’t work with emails.

DICK
The entire administration will run off of the RNC’s private server.

ADDINGTON
And we’ve deactivated automatic archiving. We’re clean.

SCOOTER LIBBY
Okay, so over at the Pentagon we’ve got Don as Secretary of Defense. Paul Wolfowitz, who worked with Team B in the Ford days, as Undersecretary of Defense.

More GAME PIECES GO ONTO A GAME BOARD that shows the Pentagon, DOJ, White House, and all of DC.

DICK
Let’s check what kind of plans they have to invade Iraq, okay Paul?

PAUL WOLFOWITZ
It’s already in the works.

SCOOTER LIBBY
We’ve got Ashcroft at the DOJ. State seems to be the only tricky department. That’s Colin Powell and his guy Lawrence Wilkerson.
PAUL WOLFOWITZ  
We’ve got Bolton over there. He’s a loose cannon but loyal.

DICK  
I want to get Liz in there as well. Let’s make sure that happens.

SCOOTER LIBBY  
Consider it done.  
(back to business)  
And this list of “our” people doesn’t include about 800 others lobbyists and industry insiders we placed in the regulatory jobs.

The game board is flooded with pieces everywhere. Some of them have corporate logos on them.

RUMSFELD  

DICK  
They were not offered jobs in this administration at this time.

RUMSFELD  
“Were not offered jobs at this time?” Have you gotten more ruthless Dick!? You must not be getting laid!

Beat. It gets uncomfortable for a second.

SCOOTER LIBBY  
Moving on!

INT. WHITE HOUSE HALLWAYS - LATER  
Don and Dick walk through the hallways together just like old times.

DICK  
Listen Don, you haven’t been here in over 20 years. Times have changed. The softer touch is the norm now. We have the conservative radio and TV doing the yelling for us.
RUMSFELD
Is your old friend embarrassing you? Is that it Dick?

DICK
Soft touch, that’s all.
(looks at watch)
Alright. I have to go to my office over at the House of Representatives.

RUMSFELD
You mean the Senate? Vice President is the tie breaker in the Senate.

DICK
No. I mean the House.

EXT. WASHINGTON D.C. - DAY
QUICK FLASHES of a car racing around Capital Hill.

NARRATOR (V.O.)
Dick Cheney had used an old connection with former wrestling coach and speaker of the house Dennis Hastert to get an office at the House of Representatives. The house is where revenue bills originate and he wanted to be near the money faucet.

INT. HALLWAYS OF THE CAPITOL - DAY
SPED UP TRACKING SHOT down the halls of the Capitol.
Tracking stops, door opens. It’s DENNIS HASTERT, 60.

DENNIS HASTERT
Hey Dick! Will this work for you?

Camera TRACKS AWAY SUPER FAST AGAIN DOWN HALLS TO THE SENATE.
INTERCUT: Curt the Narrator jogging and camera fast tracks through Capital Hill.

NARRATOR (V.O.)
And not one, but two offices at the Senate...

Door opens and SENATOR TRENT LOTT is there.
Hey Dick. I found this extra office for you.

Camera tracks away FAST AGAIN.

One in the Pentagon...

Don’t worry, I picked out this one personally. And I got you a welcoming gift!

Reveal a bottle of Glenlivet on the desk.

CAMERA SPEEDS AWAY AGAIN down the hall.

And later when Cheney’s team was combing through the intelligence on Iraq, a conference room at the CIA.

CAMERA SPEEDS DOWN HALLWAY TO OPEN DOOR. GEORGE TENET 57, the garrulous head of the CIA stands inside.

The room is soundproof and secure. Mr. Vice President.

SPEEDS AWAY AGAIN...

GAME BOARD: ONE PARTICULAR BUILDING LIGHTS UP.

But there was one relatively new think tank that had become the place to be in Washington DC. Americans for Tax Reform.

INT. BIG CONFERENCE ROOM WITH PODIUM AT THE FRONT - DAY

HUNDREDS OF GOP CONGRESSMEN, LOBBYISTS AND MEMBERS OF THE RIGHT WING MEDIA are seated and waiting.

Grover Norquist ran the anti-tax group with huge funding from the Koch brothers network, big oil and tobacco.

Dick and Lynne enter and THE WHOLE ROOM STANDS.
NARRATOR
His Wednesday meeting as it was
called had become the center of the
Republican world.

GROVER NORQUIST, 48, roundish, bearded, starts the meeting.

GROVER NORQUIST
Let’s talk about the estate tax.
This has been hard to eliminate
because the tax only applies to
estates larger than 2 million
dollars. But marketing guru Frank
Luntz is here to help...

FRANK LUNTZ, 42 and portly stands up.

FRANK LUNTZ
Hello all. Getting regular people
to support cutting taxes for the
very wealthy has always been very
difficult. But I think we’ve had a
break through...

INT. FOCUS GROUP ROOM - DAY

FRANK LUNTZ, 42, stands in front of a DOZEN REGULAR PEOPLE.

FRANK LUNTZ
The Estate Tax kicks in for anyone
inheriting over $2 Million dollars.
How many of you have a problem with
that?

One guy raises his hand.

FRANK LUNTZ (CONT’D)
Now, how many of you would have a
problem with someone called a
“death tax?”

ALL TWELVE HANDS GO UP

Frank turns to the two-way mirror to give a DOUBLE thumbs up.
Then we flash to another focus group already in progress.

FRANK LUNTZ (CONT’D)
Instead of global warming, which we
all agree sounds very scary, we
call it... climate change?

ALL TWELVE HANDS GO UP
EXT. LINE OF CARS STOPPED AT A RED LIGHT - DAY

Track past cars, hearing their radios. A mixture of sports talk, classic rock and a fair amount of right wing radio.

SNIPPETS OF TALK RADIO (V.O.)
Folks, the government is taking your money after you die!... It’s a death tax... Death tax... The liberals want you to pay a tax when you die! etc.

QUICK CUTS TO WEB PAGES: DRUDGE REPORT, THE WASHINGTON TIMES, NEWS MAX: “DEATH TAX MUST GO!”

INT. MIDDLE AMERICA HOME - DAY

Kurt the Narrator plays on the floor with his son while Mom makes lunch in the kitchen. Reports on the Death Tax blares on the TV with our blonde anchor at the desk.

NEWSCASTER (SOT)
The liberals would tax you for laughing or crying if they could.

NARRATOR
So with one of the biggest media and political machines every created behind him, Cheney was able to squash action global warming, cut taxes for the super rich and gut regulations for massive corporations.

CUT TO:

INT. NEWSROOM - DAY

30’S FEMALE BLONDE ANCHOR AT A NEWS DESK

NEWSCASTER
And then there was Cheney’s National Energy Policy Development Group. His first major test to expand executive power.

INT. OFFICE OF THE VICE PRESIDENT - DAY

Libby, Addington and Cheney sit in Cheney’s office.
DICK CHENEY
I don’t understand what the goddamn problem is! I want to hear what the energy CEOs need and I’m not allowed to?

SCOOTER LIBBY
It’s called FACA.

DICK
What the hell is FACA?

DAVID ADDINGTON
It’s the Federal Advisory Committees Act. Congress got their panties in a bunch that elected officials would just let CEOs roll in and, you know, write the laws.

SCOOTER LIBBY
The Act demands that appropriate government officials be present.

Tense beat

DAVID ADDINGTON
Hold on a second.

Addington picks up the phone and dials.

DAVID ADDINGTON (CONT’D)
Hello? What’s your name?... Doug? Doug, how long have you been working reception at the Department of Energy? Three months? Perfect.

INT. WHITE HOUSE MEETING ROOM - DAY

CU: NAME TAG READING “DOUG.” Some guy in a Men’s Warehouse suit, DOUG, 24, sitting in the corner of a conference room.

DOUG
So what am I supposed to do?

DAVID ADDINGTON
Just sit there and be quiet.

Cheney and Addington sit at the large table very far away.

Two men walk in, FACES PIXILATED AND VOICES DISTORTED.
DICK
Hello (BEEP) and (BEEP). How’s business at (BEEP)?

OTHER MAN
We’re good. (BEEP) has been performing quite well and (BEEP) and (BEEP) are quite optimistic.

They all shake hands and have a seat.

ADDINGTON
(pointing to Doug)
Oh, he’s with the Energy Department.

Doug now listening to music on his head phones gives a chipper thumbs up.

INT. ENVIRONMENTAL GROUP’S HEADQUARTERS – DAY

CU of hands opening a large envelope and removing copies of maps that are laid on a table.

NARRATOR (V.O.)
The details of Cheney’s meetings with the energy CEO’s were never disclosed.

CU on a MAP OF ALL THE IRAQI OIL FIELDS with OIL COMPANIES’ NAMES ON THEM...

NARRATOR
But a freedom of information request did provide some documents, including a map of Iraq's oil fields with all of the oil companies that would be interested in acquiring them if “somehow” they were ever to become available.

We pan over the map. Seeing names like Exxon, BP, Shell etc.

NARRATOR (CONT’D)
And then, it happened.

SMASH CUT TO:

TV SCREEN: ACTUAL DiTech Commercial for mortgage consolidation that was playing on 9/11, is interrupted by BREAKING NEWS.
NEWSCASTER (V.O.)
This just in, you are looking at a very disturbing live shot. That is the World Trade Center and we have unconfirmed reports that a plane has crashed into one of the towers.

INT. WHITE HOUSE OFFICE OF VICE PRESIDENT - 9/11 2001 - DAY

Cheney, Condi Rice and Mary Matalin are watching CNN. ONE OF THE TWIN TOWERS IS SMOKING. SUDDENLY A SECOND PLANE SOARS INTO FRAME AND HITS THE OTHER TOWER. Everyone gasps.

CNN ANCHOR (SOT)
Oh my God! That was a second plane! A second plane has hit the south tower!!

SECRET SERVICE AGENTS rush in.

SECRET SERVICE AGENT
Mr. Vice President, we have credible information that a plane is headed for the White House at this moment. We have less than a minute to get to the secure underground bunker.

Cheney is transfixed by the smoking towers. He doesn’t move.

SECRET SERVICE AGENT (CONT’D)
Let’s MOVE!!

THE SECRET SERVICE AGENT GRABS CHENEY BY THE BELT AND LIFTS HIM OFF THE GROUND. Everyone rushes to the door and down stairs. They make their way into a Cold War era bunker. The Secret Service Agent straggles behind with another AGENT.

INT. HAIR SALON - SAME TIME

A TV in a hair salon shows that the Pentagon has also been hit. Lynne is there arguing with her SECRET SERVICE detail.

SECRET SERVICE AGENT #2
But Mrs. Cheney I’m being told no one is to go to the White House. It’s not safe.

LYNNE
I said, you take me to the White House!
Sirens blare in the background as Secret Service escorts Lynne to a car.

INT. UNDERGROUND WHITE HOUSE BUNKER - 9/11 9:38AM

Cheney, on the phone amidst the chaos, Norman Mineta, Addington, Condi Rice, Scooter Libby and Karen Hughes and a few others are there.

STAFFER
That’s right. We’ve got planes in the air and no where for them to land. Permission for them to land in Canadian Airports. International flights into Newfoundland.

Dick hangs up a call with the President.

STAFFER (CONT’D)
Sir, Don Rumsfeld on 3.

Cheney points to the speaker phone.

CHENEY
That?

He picks up the line.

DICK
You have authorization to shoot down any aircraft deemed a threat.

Beat.

RUMSFELD
Presidential authority?

DICK
That’s correct. All orders are UNODIR.

Condi and the Staffer make eye contact.

CONDI RICE
UNODIR?

KAREN HUGHES
Unless otherwise directed.

CONDI RICE
Mr. Vice President are we sure these are the proper rules of engagement.
The country’s under attack, the ROE is fluid. David?

DAVID ADDINGTON
Yes Mr. Vice President.

Addington leans to Cheney. They talk in hushed tones.

NARRATOR (V.O.)
Now we don’t know what exactly what the people in that room were thinking, but it’s safe to assume that at least one person wondered why, in the midst of the most fateful day in American history, was Dick Cheney talking to his lawyer?

Karen Hughes tries to get Cheney’s attention.

KAREN HUGHES
(gets off another phone)
...Mr. Vice President, the Congressional Members you sent to Mount Weather Emergency Operations Center want to leave.

DICK
No.

KAREN HUGHES
Excuse me?

DICK
They’re not going anywhere. Just tell them, we’ve got all the helicopters.

KAREN HUGHES
Yes, sir.

CLIP: The Twin Towers crumble to the ground.

Lynne leans into Dick.

LYNNE
Are we at war?

DICK
Yes we are.

LYNNE
With who?
Dick clasps his hands and considers the question.

L/3 “The Unitary Executive”

STOCK: EXT. New York

People running through the streets covered in ash.

INT. UNDERGROUND BUNKER - WHITE HOUSE - THAT NIGHT

W Bush, Cheney, Rumsfeld, Colin Powell, RICHARD CLARKE 53, Scooter Libby, Condi and George Tenet all convene.

GEORGE TENET
We’ve picked up chatter from well-known Al Qaeda operatives celebrating today’s attack.

RUMSFELD
We shouldn’t rule out Iraq.

CONDI RICE
What’s Al Qaeda’s Leader’s name?

GEORGE TENET
His name is Osama Bin Laden

RICHARD CLARKE
But this is clearly Al Qaeda. I’ve been tracking their movements for years. They’re fingerprints are all over this.

RUMSFELD
Iraq has all the good targets.

RICHARD CLARKE
Iraq has NOTHING to do with this.

RUMSFELD
Richard you don’t know that for sure--

RICHARD CLARKE
I do know that.

COLIN POWELL
Mr. President, if I may, Afghanistan is Al Qaeda’s headquarters. This is where our focus should be.

L/3 “Colin Powell: Secretary of State”
GEORGE TENET
And the CIA would be capable of
taking down the Taliban’s power
structure.

RUMSFELD
With all due respect, George. Mr.
President. We are the Pentagon.
This is what we do.

CHENEY
Don...

Bush looks around the room. Uncertain for a beat.

W BUSH
Okay... We’ll go with Tenet and the
CIA for now.

Tenet gives Rumsfeld a glance. Don is not happy.

COLIN POWELL
I’ll make calls to our allies.

Everyone gets up to leave.

DICK
I think given the current situation
Mr. President, it’s wise that you
and I not be in the same location.
For, uh, COG...Continuity of
Government.

W BUSH
(he looks freaked)
Of course, of course... Hey... Are
we going to be alright?

DICK
Yes sir. We are.

EXT. WHITE HOUSE ROOF - HOURS LATER

A LARGE HELICOPTER TAKES OFF. Two SECRET SERVICE AGENTS
holding machine guns stand and watch.

SECRET SERVICE AGENT
(into his mic)
Angler has taken off to an
undisclosed location. I repeat,
Angler is airborne.
SECRET SERVICE AGENT #2
Angler? That’s the VP? I thought only the President could land and take off from the south lawn?

SECRET SERVICE AGENT
What can I tell you? Today’s fucked.

INT. UNDERGROUND TUNNEL - UNDISCLOSED LOCATION - THAT NIGHT
Dick, Lynne, A MARINE GUARD and a DOCTOR are in a small craft GOING DOWN AND DOWN INTO THE DARKNESS...

INT. CABINET ROOM - WHITE HOUSE - DAY
Intel Officers, NSC members surround a table. CHENEY IS ON A SCREEN OR SVTS (sivits), TELECONFERENCING IN FROM AN UNDISCLOSED LOCATION.

DICK
This intelligence has been edited, redacted and reduced.

INTELLIGENCE OFFICER
Mr. Vice President, usually we vet the daily intelligence threat matrix to eliminate unreliable sources, non-players-

DICK (SOT)
Stop. Don’t you dare give me a damn disquisition on what I cannot hear.

INTELLIGENCE OFFICER
Mr. President a lot of this information is not verified.

DICK
This is the last time I’ll say it. I want to hear everything. Every day. From now on.

SLOW PUSH IN ON CHENEY’S FACE AS HE HEARS THE RAW INTEL BEING READ BY THE GROUP. The collage of intel becomes denser and denser, mixed with static ridden Arabic and other languages.

SCORE: A SINGLE LONG DARK NOTE
VOICES
We’re tracking the possibility of Bio-attacks using serin gas, cow pox, ebola... There was a post on a dark web site about mass beheadings in residential neighborhoods... Plans were found outlining the use of infants as suicide bombs in major airports... A source has told us about fire bombs targeting hospitals... A video was captured describing televised executions interrupting American network TV... Movie studios, museums, subways, day care centers may all be targets... etc.

As we get to a grainy close up of Cheney’s eyes on the screen we see something that hasn’t been apparent before: FEAR.

INT. BOMB SHELTER - THAT NIGHT

Lynne and Dick lay in bed in a giant DARK CAVERN with spare furniture and telecommunications equipment.

LYNNE
I’m scared Dick...

DICK
I’ll always keep you safe.

LYNNE
What are you going to do?

In the darkness Cheney is just a black silhouette.

FLASH TO: A stream. Cheney stands in it fishing. BY A ROCK, UNDER THE WATER IS THE SHADOW OF A HORRIBLE CREATURE.

EXT. MOUNTAINS OF AFGHANISTAN - DAY

VFX: CHEST POUNDING EXPLOSIONS dot a mountainside in Afghanistan as US FIGHTER JETS screech across the sky.

EXT. OLD STONE BUILDING - DAY - 2001

5 US SOLDIERS lead a row of 12 TALIBAN PRISONERS towards an old stone wall. The Taliban fighters are dirty and dusty and look spent. One of the US SOLDIERS IS OUR NARRATOR TALKING TO CAMERA. HE HAS ENLISTED.
NARRATOR
So while Powell, the CIA and their international coalition toppled the Taliban and took Afghanistan in a matter of days... Cheney had found something much more powerful than missiles or jet planes.

INT. OFFICE OF LEGAL COUNSEL - CONFERENCE ROOM - A WEEK LATER

Sign: “The Office of Legal Counsel.” David Addington sits across from two OLC LAWYERS. Cheney TELECONFERENCES in.

DAVID ADDINGTON
Mr. Vice President, this is John Yoo.

JOHN YOO, 34, an Asian American lawyer with a deliberate professional manner sits across from them. JAY BYBEE, 48, the Assistant Attorney General for the OLC is next to Yoo.

JOHN YOO
It’s a pleasure to meet you Mr. Vice President.

DICK (SOT)
Mmm huh.

DAVID ADDINGTON
The Vice President believes that it is the duty as Commander in Chief to protect that Nation. And that no other obligation whether it be Congress or existing treaties supersedes that duty... How do you feel about that statement?

Beat.

JOHN YOO
I couldn’t agree more.

MUSIC: GLORIOUS AND INTRICATE

INT. JOHN YOO’S OFFICE - DAY

John Yoo is at the computer. David Addington paces. Occasionally Bybee walks in with case files.
NARRATOR (V.O.)
John Yoo’s first legal opinion allowed the US government to monitor every citizen’s phone calls, texts and emails without a warrant. It was a giant legal leap based on sketchy law at best.

QUICK CUT: Soldiers punch prisoners.

NARRATOR
But their masterpiece, their Moby Dick if you will, was the torture memo.

QUICK CUT: Prisoners are pushed into boxes.

INT. WHITE HOUSE - OVAL OFFICE
Cheney, Addington, W Bush, Tenet and Rumsfeld.

GEORGE TENET
But what about the Geneva Convention?

DICK
We believe the Geneva Convention is open to... interpretation.

GEORGE TENET
What exactly does that mean?

ADDINGTON
Stress positions, water boarding, confined spaces, dogs.

RUMSFELD
We’re calling it enhanced interrogation.

W BUSH
We’re sure none of this fits under the definition of torture?

ADDINGTON
The U.S. doesn’t torture.

CHENEY
Therefore, if the U.S. does it, by definition, it can’t be torture.

QUICK CUTS SHOWING:
1. A MIDDLE EASTERN MAN naked and being water boarded. He howls and cries.

   TRANSLATOR
   (in Arabic)
   Just tell us what targets are next!
   What targets are next?!

2. The CLERIC from the beginning having his genitals shocked with wires. He screams as much as a person can scream.

   CIA AGENT
   All of this ends the second you tell us the truth!!

4. A MAN WITH HIS WIFE AND KIDS IN FRONT OF HIM. A CIA AGENT SCREAMS AT HIM.

   CIA AGENT (CONT’D)
   We will rape and kill your wife and children! Do you fucking hear me!!?

   TRANSLATOR#2
   (Translates in Arabic)

   A TRANSLATOR yells the translation. The Man, his family SOB.

   NARRATOR
   But torture and privacy laws weren’t the only laws Cheney rewrote with John Yoo. They had a full menu of opinions challenging Constitutional and International law,

INT. HIGH PRICED GOURMET RESTAURANT - NIGHT

A fancy WAITER, 54, lists the specials to Cheney, Rumsfeld, Wolfowitz and Addington at a lavish table.

   WAITER
   (formal and dispassionate)
   Tonight we are offering the enemy combatant: whereby someone is not a criminal or a prisoner of war. Which gives them no protection under the law. We are also have Extreme Rendition where suspects are abducted without record, on foreign soil and taken to foreign prisons in countries that torture. (MORE)
We have Guantanamo Bay which is very, very complicated but allows you to operate outside the purview of due process on land that isn’t technically US soil, but is under our control.

DONALD RUMSFELD
That sounds delicious!

WAITER
And there is a very fresh and delicious War Powers Act interpretation, which gives the executive branch broad power to attack any country or person that might possibly be a threat. Finally for desert we have the fact that under the unitary executive theory if the President does anything it makes it legal. In other words you can do whatever the fuck you want. So which would you like gentlemen?

DICK
We’ll have them all.

WAITER
Excellent choice.

They hand the Waiter their menus.

PAUL WOLFOWITZ
Look Dick, we’ve been using focus groups and advertising executives to help us sell this war on terror.

INT. FOCUS GROUP ROOM – DAY

FOCUS GROUP LEADER, 34, an upbeat woman talks to a DOZEN AMERICAN MEN AND WOMEN OF MIXED AGES.

FOCUS GROUP LEADER
I do want to reiterate, we are still being recorded and there still may or may not be clients behind the door.

INT. HIGH PRICED GOURMET RESTAURANT – NIGHT

PAUL WOLFOWITZ
These guys are pretty sharp.
RUMSFELD
There’s a problem. The results show that people are confused.

INT. FOCUS GROUP ROOM - DAY

FOCUS GROUP LEADER
So you’re saying you support the President and you hate terrorism, but you’re confused. Can you tell me why?

A 60 YEAR OLD MAN in a football jersey answers.

60 YEAR OLD GUY
Don’t we just have to get Osama bin Laden? He did it. So why are they calling it a war? A war with who?

19 YR OLD GIRL in a half tee raises her hand.

FOCUS GROUP LEADER
Thank you Mark. Yes Jasmine?

19 YR OLD GIRL
I don’t get what this Al Qaeda is. Are they a country? Why can’t we just bomb them?

FOCUS GROUP LEADER
Interesting. Who else isn’t entirely sure what Al Qaeda is?

Most hands go up.

ON SCREEN: These focus groups happened in February 2002. They were overseen by the Pentagon and headed by PR and Marketing execs.

FOCUS GROUP LEADER (CONT’D)
Would it be less confusing if it was a country?

60 YEAR OLD GUY
Damn right. I’m angry as hell. We gotta fuck someone up.

FOCUS GROUP LEADER
Really strong feelings from Mark, I’m interested. Who agrees with this statement?
Most hands go up.

CUT TO:

INT. GOURMET RESTAURANT – CONTINUOUS

PAUL WOLFOWITZ
They know we’re at war but they
don’t understand against who.

RUMSFELD
They want a country. It’s simpler.
Cleaner.

ADDINGON
That would certainly help us
legally.

Beat.

DICK
Looks like it’s time to take Iraq.

They all smile and laugh.

SCORE: GIANT ORCHESTRAL PIECE

INT. OVAL OFFICE – LATER

Cheney talks with W Bush.

DICK
It’s called the Office of Special
Plans. Tenet is not yet serious
enough about the threat Saddam
poses in the GWOT, or global war on
terror. But I can promise you this
intelligence group will be.

W BUSH
I’ve been wanting to take that
motherfucker Saddam down for a long
time.

INT. PENTAGON – THE OFFICE OF SPECIAL PLANS – DAY

A half dozen of Cheney’s people work at desks, reading and
writing at the OFFICE OF SPECIAL PLANS: WILLIAM LUTI, DOUGLAS

INT. OVAL OFFICE - WHITE HOUSE

The President, Rove, Condi, George Tenet, Hughes, Powell, Cheney and Rumsfeld are all talking about the war.

KAREN HUGHES
Polling for an invasion of Iraq is at 53%. Focus groups show people still aren’t sure about a connection between Saddam and Al Qaeda.
POWELL
France and Germany have said they won’t join the coalition. Neither will Israel.

Cheney is quiet.

W BUSH
We went to the wall together. We prayed together. Israel is one of our closest allies.

RICE
They said an invasion of Iraq would destabilize the region, Sir. And they don’t view Saddam as an immediate threat.

W BUSH
That’s not good. I really want a strong coalition for this.

KARL ROVE
I have an idea. Secretary Powell has the highest trustworthy ratings of any of us. What if he gave an address to the U.N. and the American people to push this over the finish line?

COLIN POWELL
Karl, I’ve been very vocal, very vocal, about my reservations about invading Iraq.

RUMSFELD
Oh Colin, you’re such a nervous Nellie.

COLIN POWELL
We’re talking about invading a sovereign nation without provocation Don!

RUMSFELD
Oh, sovereign nation...

COLIN POWELL
What about the intelligence. Has anybody thought about the intelligence? You break it, you bought it. You break it, you bought it!

RUMSFELD (CONT'D)
Oh come on! You know you’re wrong, you’re just a chicken shit.
GEORGE W
Hey, hey, hey, alright. Let’s slow down. That’s enough of that guys.

Dick is next to W across the room. He speaks to him quietly.

DICK
Are you going to take Saddam down or not. You’re the President. War is yours. Not the U.N. Or some coalition. Do not share powers that are yours alone.

After a quarter beat W turns back to the group.

GEORGE W
George, make sure Powell sees the intelligence. Colin I want you to make that speech. I’m the President and I want this to happen!

COLIN POWELL
Yes, sir. I look forward to being briefed on that intelligence.

GEORGE TENET
On another note, I’ve been handed a credible report that there’s a small terrorist enclave in Northeastern Iraq. If we’re going to invade we recommend taking it out before.

RUMSFELD
Let it go, George, we have bigger fish to fry.

Dick pulls Tenet aside.

DICK
Excuse me George. May I see that intelligence?

GEORGE TENET
Of course.

LAWRENCE WILKERSON
They claimed it was from the President but I think you can guess who really wrote it.

INT. SCOOTER LIBBY’S OFFICE – DAY

Actual VT: Joschka Fischer, German Foreign Minister, addresses the General Assembly.

JOSCHKA FISCHER

Okay, okay, like... they don’t care

RUMSFELD
Look at this crap.

DICK
Hello Don.

RUMSFELD
That report says Zarqawi, the same fucking Zarqawi we talked up for months, is leading a major insurgency in Iraq. And the implication is it’s because we talked him up!

He hands Cheney a CIA CLASSIFIED BRIEFING. Flashes of words “building insurgency” “Zarqawi” “using former Iraqi Military” “Zarqawi” and once again, “Zarqawi.”

DICK
Has POTUS seen this?

RUMSFELD
No I intercepted it before it got across the hallway.

Libby is now reading it.

An explosion erupts in the distance. We hear sirens.

NARRATOR (V.O.)
The Islamic state of Iraq and Levant, or ISIS.

Another explosion in the distance. More sirens.

NARRATOR (V.O.)
And because that intelligence somehow found itself on the bottom of a stack of papers, Zarqawi had a whole year to do whatever the hell he wanted.

INT. BRITISH SUBWAY CAR - DAY - 2005

We pan off a blood stained and blackened wall of a subway car and down to the floor where a blood smear from a body being dragged makes it way across the floor. There is a briefcase with scattered papers, a purse, a child’s lunch box and shoe and a severed hand laying about.

chorus of people calling for Dick
Cheney to step aside and resign.

The AIDE reaches the end of the hallway, knocks on a door.

RUMSFELD (O.C.)
Go away!

The Aide turns and walks away.

SAME TIME

Cheney is on the phone in his study. Cut back and forth.

RUMSFELD
I wanted a clean phone line so I’m
in an empty office. Listen, if we
can just get an air bombardment in
Iraq, it’ll make a statement and
give us political cover-

DICK
It’s over Don.

RUMSFELD
What’s that?

DICK
It’s over. The President wants you
to step down. He appreciates your
service.

Beat.

NARRATOR
(to camera)
They say my heart could give him another ten years. Cheney doesn’t like to refer to it as someone else’s heart, he likes to refer to it as his NEW heart. And even though I’m dead, it still makes me feel pretty shitty.

A helicopter lands on the roof of the hospital. A doctor runs with a cooler.

INT. SURGICAL ROOM - CONTINUOUS

The SURGEON AND TEAM make an incision in Cheney’s chest.

MALE NEWS ANCHOR
Your opponent Senator Mike Enzi claims you support gay marriage. In part because you support your gay sister’s union with her wife. How do you respond?

LIZ CHENEY

DICK (CONT’D)
I can feel your recriminations and your judgement. And I am fine with it. If you want to be loved, go be a movie star. The world is as you find it. And you gotta deal with that reality. And there are monsters in this world. We saw 3,000 innocent people burned to death, by those monsters. And yet, you object, when I refuse to kiss those monsters on the cheek and say, “pretty please.” You answer me this, What terrorist attack would you let go forward so you wouldn’t seem like a mean and nasty fella? I will not apologize for keeping your families safe. And I will not apologize for doing what needed to be done, so your loved ones can sleep peacefully at night.

Dick gets emotional.

DICK (CONT’D)
It has been my honor to be your servant. You chose me and I did what you asked.

Yeah, something’s been bothering me this whole movie and I just figured it out. This whole thing is liberal. It’s got a liberal bias.

TERRI
Interesting. Does anyone else feel this way?

Two other hands go up.

TURNER
This is all facts. I mean, they had to vet all this, right?

MARK
You would say that, libtard!
TURNER
So because I have the ability to understand facts, that makes me a liberal?

TERRI
Guys let’s lower our voices.

MARK
You probably like Killary!

TERRI
Let’s take it down a notch or two ok?

TURNER
Ok, first of all, Hillary’s not President! Ok, the orange cheeto that you hired is the President. And he’s ruining the country that you claim to love!
